**HB 2756 ON THIRD READING**
**(by Thompson, Ward Johnson, et al.)**

**HB 2756**, A bill to be entitled An Act relating to training on de-escalation, crisis intervention, and behavioral health for correctional officers and certain other employees of the Texas Department of Criminal Justice.

**HB 2756 - REMARKS**

REPRESENTATIVE THOMPSON: Mr. Speaker, members, I think there's some misunderstanding about this bill among a few of you, and I want to share with you this situation. You may recall I mentioned to you yesterday, on November 13, 2023, one of my constituents worked at TDCJ as a prison guard. He was a part of an extraction team to go and get an inmate out of his cell. As a result of that, there was a five-member team who went in there. The prisoner had already knocked out his light. His cell was dark. And he went in to get this guy out with the other four people. After getting him out, the team members came out, but he didn't. And going back into the cell—they're looking for him—they found him on the floor, dead.

I know how you would feel if you had a 27-year-old child, who had not married, and you were expecting one day to be a grandparent—to hold that grandbaby in your arms from your son. I know how you would feel if your child was working in TDCJ for the State of Texas—to make sure that the persons who were there were secure in their cells and doing what they were supposed to do—and got killed.

When the parents learned about the death, over a period of time, they got three or four versions of what may have happened. But today, they don't know, and there is no closure. They don't know how their child died. I know that you would want to give this parent closure. I contacted TDCJ and worked with them on this bill to make sure that we were putting just some things in place that may be helpful for other persons who are going to be working in our prisons and our penal institutions. We can't give this family closure, but we can prevent other persons who may work for us in TDCJ an opportunity to do their job without having to lose their lives.

**HB 186 ON THIRD READING**
**(by Patterson, Fairly, M. González, K. Bell, et al.)**

**HB 186**, A bill to be entitled An Act relating to prohibiting use of social media platforms by children.

**HB 186 - REMARKS**

REPRESENTATIVE ZWIENER: I just want to ask some questions about how this bill will function. So currently, right now, in Texas, if you're going to create a profile on a social media account, do you have to upload your government ID—

REPRESENTATIVE PATTERSON: No, you do not.

ZWIENER: —or submit to a facial scan?

PATTERSON: You may have a facial scan, whether you want it or not, but you don't have to submit your photo ID.

ZWIENER: So under this bill, isn't it true that every single Texan is going to end up needing to find some way to prove their age to join a social media site?

PATTERSON: Not necessarily. In the bill it asks for—social companies can use a commercially reasonable method that relies on public or private transactional data. So it could potentially be your photo ID that you would upload. I would contend that the social media companies know far more about you than what's on your photo ID. But it could be another method as well.

ZWIENER: So the thing I'm concerned about is, you know, there are some social media companies where it's very public who we are. Most of us on Facebook—and I suspect you, with me, remember that shift. When we were younger, the Internet was not a place where you were ever publicly who you are. You were supposed to be very careful. Facebook popularized it, and it became common for people who were on the site to use their full name. But there are other websites, other social media sites, that use a different dynamic, where the opportunity to cloak your identity—for whatever reason—is there. So let's say if somebody was opening a new Reddit account under this, wouldn't that require this person to prove exactly who they are to that company and eliminate some option of privacy?

PATTERSON: I think the company, more often than not, knows who their users are. They are not in the business of content sharing between users. They are in the business of data collection on their users. That is their product—we are their product. And so they know everything about their product. So I don't believe that this bill prescribes that every user of a social media platform would have to state in their profile what their name is. I mean, there could still be the random accounts. But the social media companies would have to know who's creating that account, yes.

ZWIENER: So somebody could not have an account with a social media company without that company knowing precisely who they are?

PATTERSON: One hundred percent—well, yes, that they were 18 or older.

ZWIENER: Is there a way for them to demonstrate they're above 18 without confirming their identity?

PATTERSON: I don't believe so.

ZWIENER: What happens to Texans who don't have a current ID or some other way to be able to confirm who they are?

PATTERSON: The bill allows for that. It doesn't have to be a photo ID.

ZWIENER: What about the concern that this is helping these social media companies collect even more data on us and have that available—and potentially insecurely?

PATTERSON: I don't know how they could collect more data on us than they already do. They know when you're happy. They know where you're sad. They know when you're hungry. They know when you break up with your boyfriend.

They know everything about you. They know where you plug in your phone at night. They know whose else's phones are nearby when you plug in your phone at night. They know more about you than you know about yourself.

ZWIENER: So why should we give them more? Why should we require adult Texans to give them more information?

PATTERSON: I don't believe we are. They can use commercially public or private data to verify their users. I don't believe that there's anything on my driver's license that the social media company doesn't know about me already.

ZWIENER: Theoretically, most social media companies don't actually have our driver's license number, correct? We're not giving them that.

PATTERSON: We may not give them that, but there's nothing that says that they can't cross-reference that—the data that they collect on us—with other public data that's out there. These things aren't run by a group of engineers in the back room anymore. Oftentimes, these are AI-operated programs that—they're pulling data in from all over the Internet. They know who their users are. I guarantee you that.

ZWIENER: Is it not true that Arkansas' Act 689, which also has an age-verification requirement, was recently permanently enjoined?

PATTERSON: That could be true. I'm not familiar with Arkansas. But what I will tell you is that this body, last session, passed a bill creating age-verification requirements for pornography websites. Now, the definition of that was—I think it was predominantly used for pornography. I think that we could stretch that a little bit and say that Twitter, or X, for example, has pornography on their website. Other social media platforms have pornography on their websites. That case is being heard before the Supreme Court and is expected to be released this summer; I believe in June. And so we'll know more about that this summer in June in terms of age verification on websites for the State of Texas.

ZWIENER: To be clear, your bill doesn't just apply to sites where there may or may not be porn, correct?

PATTERSON: Any social media platform.

ZWIENER: So if a child wants to use a social media platform for a legitimate purpose—like accessing educational materials, coordinating assignments, or connecting with relatives—are they going to be able to do that under this bill?

PATTERSON: No, no one under the age of 18 would be able to access it. And let's talk about that real quick because I think that's an important point. Back in the day, as my kids love to hear me say, you had social media, and you were connected to the people that you were connected with, and you only saw the material that they put forward. So if I wanted to have a social media platform and I wanted to connect with my grandparents that lived in another state or my aunts and uncles that lived in a different area, I could do that, and we could stay in touch for that purpose. But a lot of these social media platforms now have what some call a "For You" page or other ways to get you to stay on their platforms longer or to connect with other material longer, and that's the most dangerous

part of this. Because that's where you're starting to see the pornography. That's where you're starting to see the videos about self-harm and suicide. That's where you're starting to see the images about drug use. That's where you're starting to see these rabbit holes that they take our kids down about anorexia and other forms of mental health disorders. And so it's not a safe product for children. It's just not. It would be if all we could do is connect with people that we know and connect with our family members. It would absolutely be a safe product. It is not that anymore. That's not what this is.

ZWIENER: Representative Patterson, I want to be clear. I think I agree with a lot of your goals here. It does concern me—the different way a lot of our youth interact with social media and even the way adults interact with social media. I think we should see more regulation of that space, particularly around data, particularly around having some good practices that do protect youth. I still am struggling with this outright ban and both the effect it has on adults' privacy and on minors' right to connect. Now, could you talk about why your bill sets the limit at age 18 instead of allowing older minors some ability to use these tools?

PATTERSON: We set the age of 18 just because we have a number of laws in place in this state, most of which are 18—some of them moved recently to 21—but to protect their physical well-being. So, for example, you can't buy a handgun if you're under the age of 18. You can't buy alcohol if you're under the age of 18. You can't buy tobacco. You can't do drugs. There are a number of things that children aren't allowed to do that adults are allowed to do. And the age of adulthood in Texas is 18, and so that's why we stuck with that age.

ZWIENER: But we have used lower age limits for other things—driving coming to mind, for one.

PATTERSON: One hundred percent.

ZWIENER: I know you've talked about this bill, too, in terms of rights for parents to control what their kids have access to. Do parents not already have a lot of that control in choosing whether or not to give their kid a device or set up certain safety settings—which apps to allow children to download?

PATTERSON: Yeah, that's a great question. Yes, in this bill, it is prescribed that a parent has the right to take down their child's—if they can prove that it's their child, they have the right to take down their child's social media page as well, if one is created. As it relates to those other issues, I don't believe that parents stand a chance against social media companies that hire child psychologists to better hook their users onto their platforms. I don't believe that parents stand a chance to the addictive nature of these social media platforms. I think that's why the surgeon general in 2024 compared social media to cigarettes. I believe that this is the modern-day cigarette. I think that we're going to wake up at some point in this country and realize what we have done to an entire generation of kids that are on this highly addictive product called social media. And I think that that's why there's a lot of concern about that. I think that's why there are documentaries made about this issue. I think that's why there are books written about this issue,

because it is a dangerous product that our kids have access to. I believe, personally, that it is the most dangerous product that our kids have legal access to in the State of Texas.

REPRESENTATIVE WU: Representative Patterson, I absolutely agree with you with your last statements about how dangerous I think social media has become. But my issue, sort of, is, number one, that we're doing this just in Texas. I think we should be doing this at a national level so we have a consistent rule throughout all states instead of just state by state. But here is, I think—for me as a civil libertarian—the bigger issue: In your bill, adults would need to verify that they are adults, correct?

PATTERSON: The social media companies would have to verify that their users are adults.

WU: And those users would be required to give those companies their personal information?

PATTERSON: They do that willingly already.

WU: But I mean like submit government records, things—

PATTERSON: Not necessarily. It's any commercially—I mean, in the bill, it's written so you don't have to—it's not necessarily a photo ID, a government-issued ID. It says they may "use a commercially reasonable method that relies on public or private transactional data to verify the age." They could require you to upload a photo ID, as many of us have. If we have political ads on Facebook, let's say, we have to upload a photo ID to Facebook to verify who we are. Then they have to send us a letter. But there are other means to verify.

WU: Absolutely.

PATTERSON: There's financial data out there. There's facial recognition software. They know who their users are. I guarantee you that.

WU: If somebody wants to—let's say for the purposes of political speech, they want to create an anonymous account or a parody account and say, I'm not actually this person. I'm a fake person or pretending to be this other person as a joke. They would not be able to create those accounts unless they put in their personal information and verified it?

PATTERSON: That's correct, but—and this is a caveat to that whole thing. Yes, the social media company would have to verify that it is an adult creating the account. But nowhere in this bill does it prescribe that you have to use your name on your profile. You could use—there's a host of fake accounts on Twitter, you know, that only talk about what we do in this chamber, and they don't have someone's name. That would not have to change. It would just be that the social media company has to verify that that is someone that is 18 years old or older.

WU: What if they choose a cartoon character as their avatar or as their profile?

PATTERSON: There are no changes to that in this bill. You don't have to have your picture on your profile. You don't have to have your name on your profile. You could have what I would commonly refer to as a "fake account" that doesn't

have any identifying information on you. It's just that the company would have to know—Facebook or X or whoever would have to know—that that person creating that account is an adult behind the scenes.

WU: What I'm asking is: If somebody, for their own safety—because they're going to make political statements that may get them in trouble for their day job or whatever—they go out of their way to make sure that there's nothing linking them personally to the account, they would no longer be able to create that account?

PATTERSON: The social media company would have to verify that it's someone 18 years or older. And then in this bill, it is prescribed that they have to delete that information once they verify that it's an adult. And so that information is not stored anywhere. The social media company deletes it. Unless they didn't abide by this—what could be—law, there would be no information out there for anyone in the public to find.

WU: Can you imagine a situation where someone who looks out into the world and sees the number of times that Facebook, that Bank of America, or whoever else has had data breaches and has information stolen from them—that they say, I'm afraid to even give them that much. And they say that because of this law and because of these requirements and because of the fear that I might be exposed, that now they're pulling back their political speech. Can you see that situation?

PATTERSON: I can absolutely see that situation. I would sympathize with someone in that situation. But what I would suggest—and I think that this is a true statement—the social media companies know far more information about you than what they could possibly use to verify who you are as a person. They know everything about you. They know where you are. They know your interests. They know where you shop. They know your likes, your dislikes. They know when you're happy and when you're sad. They know more about you—and this is the scariest part, especially for our kids. A kid that goes through a traumatic event at school or a breakup or whatever, that social media company is salivating at that opportunity to get that kid to have that one sad moment so that they spend three extra seconds hovered over that image or that video about something sad so that that algorithm then changes and shifts to give that child the opportunity to see more of that content and more of that content. I laid out the statistics yesterday—

WU: I absolutely agree with you.

PATTERSON: They know more about us than we know about ourselves. I don't have any concerns whatsoever about the point that you raised.

WU: Thank you very much. And I appreciate your discussion on this. This is an interesting topic.

**HB 2508 ON THIRD READING**
**(by Turner, Button, Cook, Cortez, L. Garcia, et al.)**

**HB 2508**, A bill to be entitled An Act relating to an exemption from ad valorem taxation of the residence homestead of the surviving spouse of a veteran who died as a result of a qualifying condition or disease.

**HB 2508 - REMARKS**

REPRESENTATIVE TURNER: Members, **HB 2508**, once again, is the enabling legislation for **HJR 133**, which we passed earlier this week, that expands exemption of property tax afforded to a surviving spouse of a service member

who died of a condition caused by their service. Before I move final passage on this, members, I want to reflect on a core truth, and I ask you to reflect with me. We are only able to be here in this beautiful chamber and have these spirited debates that we have and advocate for our constituents and for our beliefs—we're only able to do that because of the sacrifices of the brave men and women who put their country ahead of themselves and risked it all—and in many cases gave it all—for all of us, for that flag up there on that dais over my right shoulder.

One such Texan I want to tell you a little bit about is Army Sergeant Richard Manone. He was in the 101st Airborne Division. Sergeant Manone served our country from 1989 to 1996 in uniform. In 1990 and 1991, he was deployed to Saudi Arabia and Iraq during Operation Desert Storm in the successful effort to liberate Kuwait. It was during this deployment that Sergeant Manone was exposed to toxic, cancer-causing burn pits. Years later, as a result of his service, Sergeant Manone was diagnosed with stage IV pancreatic cancer. On December 8th, 2021, he bravely completed his last battle.

Members, today we are joined in the gallery by Sergeant Manone's widow, Liesl. And I'd ask, Liesl, if you would please stand. Mrs. Manone drove down to the Capitol early this morning to watch this bill be laid out and passed here in a minute. She came a few weeks ago and shared her powerful story to all of us in the house Ways and Means Committee. But she's not here just to advocate for herself but for other widows and widowers whose spouses made the ultimate sacrifice in service to our nation. So Liesl, we salute Richard's service and sacrifice. We honor your courage and advocacy by being here today. And it is a small down payment for a debt that we cannot ever repay.

**CSHB 318 ON SECOND READING**
**(by Guillen, E. Morales, et al.)**

**CSHB 318**, A bill to be entitled An Act relating to the establishment of grant programs to provide financial assistance to qualified sheriff's departments in certain rural counties.

**Amendment No. 1**

Representative Guillen offered the following amendment to **CSHB 318**:

Amend **CSHB 318** (house committee report) by striking all below the enacting clause and substituting the following:

SECTION 1. Subchapter Z, Chapter 130, Local Government Code, is amended by adding Section 130.9115 to read as follows:

Sec. 130.9115. RURAL SHERIFF'S DEPUTY SHORTAGE RELIEF GRANT PROGRAM. (a) In this section:

(1) "Deputy-to-resident ratio" means the ratio of the number of deputy sheriffs to the number of residents of the unincorporated areas of the county, as determined by the population estimates provided by the state demographer under Section 468.004, Government Code.

(2) "Grant" means a grant authorized to be awarded by the comptroller under the rural sheriff's deputy shortage relief grant program established by this section.

(3) "Investigative tool" means equipment, including software, used by a sheriff's office that is necessary for the investigation of cases. The term does not include services unless the services are purchased in connection with the purchase of tangible equipment.

(4) "Investigator-to-patrol ratio" means the ratio of the number of deputy sheriffs who primarily conduct case investigations in the routine performance of the deputy's duties to the number of deputy sheriffs who primarily make motor vehicle stops in the routine performance of the deputy's duties.

(5) "Qualified county" means a county:

(A) with a population of 300,000 or less; and

(B) for which on January 1, 2025:

(i) the deputy-to-resident ratio is less than 15 to 10,000; or

(ii) the investigator-to-patrol ratio is less than one to five.

(6) "Qualified deputy position" means a deputy sheriff position in a qualified county that:

(A) is held or will be held by a deputy sheriff who primarily makes motor vehicle stops in the routine performance of the deputy's duties;

(B) is in addition to a deputy sheriff position held in the county on January 1, 2025;

(C) is not considered a qualified investigator position; and

(D) when aggregated with each other qualified deputy position would result in a deputy-to-resident ratio of 15 to 10,000, determined as of January 1, 2025.

(7) "Qualified emergency dispatcher" means a person who primarily provides communication support services for a sheriff's office by responding to requests for assistance in emergencies.

(8) "Qualified investigative support staff member" means a person who primarily provides technical support services for a qualified investigator in the investigation of an offense, including a person who provides evidence testing or analysis services.

(9) "Qualified investigator position" means a deputy sheriff position in a qualified county that:

(A) is held or will be held by a deputy sheriff who primarily conducts case investigations in the routine performance of the deputy's duties;

(B) is in addition to a deputy sheriff position held in the county on January 1, 2025; and

(C) when aggregated with each other qualified investigator position would result in an investigator-to-patrol ratio of one to five, determined as of January 1, 2025.

(b) The comptroller shall establish and administer the rural sheriff's deputy shortage relief grant program to support the state purpose of ensuring professional law enforcement throughout the state by providing financial assistance to sheriff's departments in qualified counties.

(c) Not later than the 30th day after the first day of a qualified county's fiscal year, the county may submit an application for a grant to the comptroller. The county must indicate in the application the number of qualified deputy positions, qualified investigator positions, qualified emergency dispatcher positions, and qualified investigative support staff member positions the county is requesting for inclusion in the determination of the amount of the grant for that fiscal year and the number of qualified deputy positions and qualified investigator positions for which the county is requesting additional funds described by Subsections (d)(2) and (4). A county may submit only one application each fiscal year.

(d) Subject to Subsections (e), (f), (g), (h), and (k), the comptroller shall award a grant to a qualified county that applies for the grant using money appropriated to the comptroller for that purpose. The grant must be in the following amount:

(1) $50,000 for each qualified deputy position indicated by the county in the application for that fiscal year;

(2) an additional $50,000 for each qualified deputy position indicated in the application for that fiscal year, unless the county has received a grant under this subdivision for that position in a preceding fiscal year;

(3) $50,000 for each qualified investigator position indicated by the county in the application for that fiscal year necessary for an investigator-to-patrol ratio of one to five after filling the qualified deputy positions under the grant;

(4) an additional $50,000 for each qualified investigator position indicated in the application for that fiscal year, unless the county has received a grant under this subdivision for that position in a preceding fiscal year;

(5) $35,000 for each qualified emergency dispatcher indicated by the county in the application for that fiscal year; and

(6) $35,000 for each qualified investigative support staff member indicated by the county in the application for that fiscal year.

(e) This subsection applies only to a fiscal year of a qualified county that meets the deputy-to-resident ratio described by Subsection (a)(5)(B)(i) during a calendar year that begins on or after January 1, 2025, but before the calendar year in which the fiscal year begins. A qualified county is not eligible to receive a grant under this section for a fiscal year unless the county adopts a budget for the fiscal year that provides for the employment of a number of deputy sheriffs necessary to meet the deputy-to-resident ratio of at least 15 to 10,000, determined as of January 1 of the calendar year in which the fiscal year begins.

(f) This subsection applies only to a fiscal year of a qualified county for which the number of qualified deputy positions the county is otherwise entitled to receive a grant for under this section is greater than the number of qualified deputy positions the county would be entitled to receive a grant for under this section if the deputy-to-resident ratio described by Subsection (a)(5)(B)(i) is determined as of January 1 of the calendar year in which the fiscal year begins instead of January 1, 2025. A qualified county is entitled to receive a grant under this section only for the number of qualified deputy positions the county would be entitled to receive a grant for if the deputy-to-resident ratio described by Subsection (a)(5)(B)(i) is determined as of January 1 of the calendar year in which the fiscal year begins instead of January 1, 2025.

(g) This subsection applies only to a fiscal year of a qualified county that meets the investigator-to-patrol ratio described by Subsection (a)(5)(B)(ii) during a calendar year that begins on or after January 1, 2025, but before the calendar year in which the fiscal year begins. A qualified county is not eligible to receive a grant under this section for a fiscal year unless the county adopts a budget for the fiscal year that provides for the employment of a number of deputy sheriffs necessary to meet the investigator-to-patrol ratio of at least one to five, determined as of January 1 of the calendar year in which the fiscal year begins.

(h) This subsection applies only to a fiscal year of a qualified county for which the number of qualified investigator positions the county is otherwise entitled to receive a grant for under this section is greater than the number of qualified investigator positions the county would be entitled to receive a grant for under this section if the investigator-to-patrol ratio described by Subsection (a)(5)(B)(ii) is determined as of January 1 of the calendar year in which the fiscal year begins instead of January 1, 2025. A qualified county is entitled to receive a grant under this section only for the number of qualified investigator positions the county would be entitled to receive a grant for if the investigator-to-patrol ratio described by Subsection (a)(5)(B)(ii) is determined as of January 1 of the calendar year in which the fiscal year begins instead of January 1, 2025.

(i) A county that is awarded a grant shall use or authorize the use of the grant money only:

(1) to provide to each deputy sheriff who fills a qualified deputy position a minimum annual salary of at least $45,000;

(2) to provide to each deputy sheriff who fills a qualified investigator position a minimum annual salary of at least $45,000;

(3) to provide to each dispatcher who fills a qualified emergency dispatcher position a minimum annual salary of at least $30,000;

(4) to provide to each investigative support staff member who fills a qualified investigative support staff position a minimum salary of at least $30,000;

(5) to purchase vehicles, firearms, and safety equipment for the use of a deputy sheriff who fills a qualified deputy position; and

(6) to purchase vehicles, firearms, investigative tools, and safety equipment for the use of a deputy sheriff who fills a qualified investigator position.

(j) A county that is awarded a grant may not reduce the sheriff's department budget for the county's fiscal year following the fiscal year in which the comptroller awards the grant.

(k) The total dollar amount awarded under this section may not exceed $150 million in a state fiscal year. If the total dollar amount of grants to which counties are entitled under this section exceeds the limitation under this subsection in a state fiscal year, the comptroller shall proportionally reduce the amount of each grant awarded so the limitation is not exceeded.

(l) The comptroller shall adopt rules necessary to implement this section, including rules that establish:

(1) a standardized application process, including the form to be used to apply for a grant and the manner of submitting the form;

(2) deadlines for:

(A) applying for the grant;

(B) disbursement of grant money; and

(C) spending grant money;

(3) procedures for:

(A) monitoring the disbursement of grant money to ensure compliance with this section; and

(B) the return of grant money that was not used by a county for a purpose authorized by this section; and

(4) standards to determine if an emergency dispatcher is a qualified emergency dispatcher.

SECTION 2. A qualified county, as defined by Section 130.9115, Local Government Code, as added by this Act, may not apply for a grant under that section before September 1, 2026.

SECTION 3. This Act takes effect September 1, 2025.

## CSHB 3073 ON SECOND READING
## (by Howard, Troxclair, Johnson, and Cook)

**CSHB 3073**, A bill to be entitled An Act relating to the prosecution of the offense of sexual assault.

**Amendment No. 1**

Representative Johnson offered the following amendment to **CSHB 3073**:

Amend **CSHB 3073** (house committee report) by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION ____. This Act may be cited as the Summer Willis Act.

## AMENDMENT NO. 1 - REMARKS

REPRESENTATIVE JOHNSON: For those that serve on the Criminal Jurisprudence Committee, you all got a chance to meet Summer Willis. Summer Willis was sexually assaulted more than a decade ago. She was drugged by one individual and raped by another. She suffered the emotional harm—the pain that comes with that assault—for years. Because of Texas law, she was not able to seek justice. Chairwoman Howard's bill can go a long way to solving that issue.

Earlier this session, Summer Willis came to Austin, and she literally crawled the half-marathon on her hands and knees. She had run almost 30 marathons to get attention around the issue of sexual assault and lack of consent when you have been intoxicated. But she crawled in Austin to this Capitol to ensure that we knew the hardship and the pain that victims suffer every day in silence and to advocate for us to be here today to pass this very bill. I am so very grateful that Chairwoman Howard is accepting this amendment to turn this into the Summer Willis Act.

Amendment No. 1 was adopted.

## HB 3073 - REMARKS

REPRESENTATIVE HOWARD: The Summer Willis Act is the final recommendation of the Sexual Assault Survivors' Task Force, and I'm honored to author this bill along with my senate companion author, Senator Angela Paxton.

Two in five women and one in five men have been sexually assaulted in Texas. But fewer than three percent will ever see their abuser behind bars because our laws do not adequately reflect the experiences of crime victims and do not provide a clear definition of how consent is to be communicated or understood. This is unconscionable and must change. **HB 3073** makes important and necessary updates to the state's consent laws by aligning it with the definition that's used throughout the rest of the penal code. It will give prosecutors the tools they need to put violent sexual offenders behind bars. I urge you to join me and the governor's task force in supporting the Summer Willis Act and hold rapists accountable for their heinous crimes.

**HB 786 ON SECOND READING**
**(by J. Jones, et al.)**

**HB 786**, A bill to be entitled An Act relating to justice court security in certain counties.

**HB 786 - REMARKS**

REPRESENTATIVE J. JONES: This is a local public safety bill, which is supported by the JPCA. Their concerns were alleviated by the perfecting amendment that I have filed, and they now support the bill.

Last week, there was a shoot-out inside the Harris County complex, where Precinct 1 Major Sheila Jones was shot multiple times and had emergency surgery. Thank God her vest saved her life. JP courts still have minimal security. This bill is a compromise, scaled down to require only a handheld wand and a peace officer at entrances, rather than an X-ray machine and what you walk through with metal detectors. This is a local bill, bracketed only for Harris County.

**Amendment No. 1**

Representative J. Jones offered the following amendment to **HB 786**:

Amend **HB 786** (house committee report) on page 1, by striking lines 12 through 15 and substituting "shall use money from the general revenue fund of the county.".

**AMENDMENT NO. 1 - REMARKS**

J. JONES: Yes, this amendment changes the source of funding, and it's gotten the JPCA to support it.

A. To be eligible to join this Compact, and to maintain eligibility as a Member State, a State must:

1. License and regulate Cosmetology;
2. Have a mechanism or entity in place to receive and investigate complaints about Licensees practicing in that State;
3. Require that Licensees within the State pass a Cosmetology competency examination prior to being licensed to provide Cosmetology Services to the public in that State;
4. Require that Licensees satisfy educational or training requirements in Cosmetology prior to being licensed to provide Cosmetology Services to the public in that State;
5. Implement procedures for considering one or more of the following categories of information from applicants for licensure: criminal history; disciplinary history; or Background Check. Such procedures may include the submission of information by applicants for the purpose of obtaining an applicant's Background Check as defined herein;
6. Participate in the Data System, including through the use of unique identifying numbers;
7. Share information related to Adverse Actions with the Commission and other Member States, both through the Data System and otherwise;
8. Notify the Commission and other Member States, in compliance with the terms of the Compact and Rules of the Commission, of the existence of Investigative Information or Current Significant Investigative Information in the State's possession regarding a Licensee practicing in that State;
9. Comply with such Rules as may be enacted by the Commission to administer the Compact; and
10. Accept Licensees from other Member States as established herein.

B. Member States may charge a fee for granting a license to practice Cosmetology.

C. Individuals not residing in a Member State shall continue to be able to apply for a Member State's Single-State License as provided under the laws of each Member State. However, the Single-State License granted to these individuals shall not be recognized as granting a Multistate License to provide services in any other Member State.

D. Nothing in this Compact shall affect the requirements established by a Member State for the issuance of a Single-State License.

E. A Multistate License issued to a Licensee by a Home State to a resident of that State shall be recognized by each Member State as authorizing a Licensee to practice Cosmetology in each Member State.

F. At no point shall the Commission have the power to define the educational or professional requirements for a license to practice Cosmetology. The Member States shall retain sole jurisdiction over the provision of these requirements.

ARTICLE 4- MULTISTATE LICENSE

A. To be eligible to apply to their Home State's State Licensing Authority for an initial Multistate License under this Compact, a Licensee must hold an active and unencumbered Single-State License to practice Cosmetology in their Home State.

B. Upon the receipt of an application for a Multistate License, according to the Rules of the Commission, a Member State's State Licensing Authority shall ascertain whether the applicant meets the requirements for a Multistate License under this Compact.

C. If an applicant meets the requirements for a Multistate License under this Compact and any applicable Rules of the Commission, the State Licensing Authority in receipt of the application shall, within a reasonable time, grant a Multistate License to that applicant, and inform all Member States of the grant of said Multistate License.

D. A Multistate License to practice Cosmetology issued by a Member State's State Licensing Authority shall be recognized by each Member State as authorizing the practice thereof as though that Licensee held a Single-State License to do so in each Member State, subject to the restrictions herein.

E. A Multistate License granted pursuant to this Compact may be effective for a definite period of time, concurrent with the licensure renewal period in the Home State.

F. To maintain a Multistate License under this Compact, a Licensee must:

1. Agree to abide by the rules of the State Licensing Authority, and the State scope of practice laws governing the Practice of Cosmetology, of any Member State in which the Licensee provides services;
2. Pay all required fees related to the application and process, and any other fees which the Commission may by Rule require; and
3. Comply with any and all other requirements regarding Multistate Licenses which the Commission may by Rule provide.

G. A Licensee practicing in a Member State is subject to all scope of practice laws governing Cosmetology Services in that State.

H. The Practice of Cosmetology under a Multistate License granted pursuant to this Compact will subject the Licensee to the jurisdiction of the State Licensing Authority, the courts, and the laws of the Member State in which the Cosmetology Services are provided.

ARTICLE 5- REISSUANCE OF A MULTISTATE LICENSE BY A NEW HOME STATE

A. A Licensee may hold a Multistate License, issued by their Home State, in only one Member State at any given time.

B. If a Licensee changes their Home State by moving between two Member States:

1. The Licensee shall immediately apply for the reissuance of their Multistate License in their new Home State. The Licensee shall pay all applicable fees and notify the prior Home State in accordance with the Rules of the Commission.

2. Upon receipt of an application to reissue a Multistate License, the new Home State shall verify that the Multistate License is active, unencumbered and eligible for reissuance under the terms of the Compact and the Rules of the Commission. The Multistate License issued by the prior Home State will be deactivated and all Member States notified in accordance with the applicable Rules adopted by the Commission.

3. If required for initial licensure, the new Home State may require a Background Check as specified in the laws of that State, or the compliance with any Jurisprudence Requirements of the new Home State.

4. Notwithstanding any other provision of this Compact, if a Licensee does not meet the requirements set forth in this Compact for the reissuance of a Multistate License by the new Home State, then the Licensee shall be subject to the new Home State requirements for the issuance of a Single-State License in that State.

C. If a Licensee changes their primary state of residence by moving from a Member State to a non-Member State, or from a non-Member State to a Member State, then the Licensee shall be subject to the State requirements for the issuance of a Single-State License in the new Home State.

D. Nothing in this Compact shall interfere with a Licensee's ability to hold a Single-State License in multiple States; however, for the purposes of this Compact, a Licensee shall have only one Home State, and only one Multistate License.

E. Nothing in this Compact shall interfere with the requirements established by a Member State for the issuance of a Single-State License.

ARTICLE 6- AUTHORITY OF THE COMPACT COMMISSION AND MEMBER STATE LICENSING AUTHORITIES

A. Nothing in this Compact, nor any Rule or regulation of the Commission, shall be construed to limit, restrict, or in any way reduce the ability of a Member State to enact and enforce laws, regulations, or other rules related to the Practice of Cosmetology in that State, where those laws, regulations, or other rules are not inconsistent with the provisions of this Compact.

B. Insofar as practical, a Member State's State Licensing Authority shall cooperate with the Commission and with each entity exercising independent regulatory authority over the Practice of Cosmetology according to the provisions of this Compact.

C. Discipline shall be the sole responsibility of the State in which Cosmetology Services are provided. Accordingly, each Member State's State Licensing Authority shall be responsible for receiving complaints about individuals practicing Cosmetology in that State, and for communicating all relevant Investigative Information about any such Adverse Action to the other Member States through the Data System in addition to any other methods the Commission may by Rule require.

ARTICLE 7- ADVERSE ACTIONS

A. A Licensee's Home State shall have exclusive power to impose an Adverse Action against a Licensee's Multistate License issued by the Home State.

B. A Home State may take Adverse Action on a Multistate License based on the Investigative Information, Current Significant Investigative Information, or Adverse Action of a Remote State.

C. In addition to the powers conferred by State law, each Remote State's State Licensing Authority shall have the power to:

1. Take Adverse Action against a Licensee's Authorization to Practice Cosmetology through the Multistate License in that Member State, provided that:
    a. Only the Licensee's Home State shall have the power to take Adverse Action against the Multistate License issued by the Home State; and
    b. For the purposes of taking Adverse Action, the Home State's State Licensing Authority shall give the same priority and effect to reported conduct received from a Remote State as it would if such conduct had occurred within the Home State. In so doing, the Home State shall apply its own State laws to determine the appropriate action.
2. Issue cease and desist orders or impose an Encumbrance on a Licensee's Authorization to Practice within that Member State.
3. Complete any pending investigations of a Licensee who changes their primary state of residence during the course of such an investigation. The State Licensing Authority shall also be empowered to report the results of such an investigation to the Commission through the Data System as described herein.
4. Issue subpoenas for both hearings and investigations that require the attendance and testimony of witnesses, as well as the production of evidence. Subpoenas issued by a State Licensing Authority in a Member State for the attendance and testimony of witnesses or the production of evidence from another Member State shall be enforced in the latter State by any court of competent jurisdiction, according to the practice and procedure of that court applicable to subpoenas issued in proceedings before it. The issuing State Licensing Authority shall pay any witness fees, travel expenses, mileage, and other fees required by the service statutes of the State in which the witnesses or evidence are located.

5. If otherwise permitted by State law, recover from the affected Licensee the costs of investigations and disposition of cases resulting from any Adverse Action taken against that Licensee.

6. Take Adverse Action against the Licensee's Authorization to Practice in that State based on the factual findings of another Remote State.

D. A Licensee's Home State shall complete any pending investigation(s) of a Cosmetologist who changes their primary state of residence during the course of the investigation(s). The Home State shall also have the authority to take appropriate action(s) and shall promptly report the conclusions of the investigations to the Data System.

E. If an Adverse Action is taken by the Home State against a Licensee's Multistate License, the Licensee's Authorization to Practice in all other Member States shall be deactivated until all Encumbrances have been removed from the Home State license. All Home State disciplinary orders that impose an Adverse Action against a Licensee's Multistate License shall include a statement that the Cosmetologist's Authorization to Practice is deactivated in all Member States during the pendency of the order.

F. Nothing in this Compact shall override a Member State's authority to accept a Licensee's participation in an Alternative Program in lieu of Adverse Action. A Licensee's Multistate License shall be suspended for the duration of the Licensee's participation in any Alternative Program.

G. Joint Investigations

1. In addition to the authority granted to a Member State by its respective scope of practice laws or other applicable State law, a Member State may participate with other Member States in joint investigations of Licensees.

2. Member States shall share any investigative, litigation, or compliance materials in furtherance of any joint or individual investigation initiated under the Compact.

ARTICLE 8- ACTIVE MILITARY MEMBERS AND THEIR SPOUSES

Active Military Members, or their spouses, shall designate a Home State where the individual has a current license to practice Cosmetology in good standing. The individual may retain their Home State designation during any period of service when that individual or their spouse is on active duty assignment.

ARTICLE 9- ESTABLISHMENT AND OPERATION OF THE COSMETOLOGY LICENSURE COMPACT COMMISSION

A. The Compact Member States hereby create and establish a joint government agency whose membership consists of all Member States that have enacted the Compact known as the Cosmetology Licensure Compact Commission. The Commission is an instrumentality of the Compact Member States acting jointly and not an instrumentality of any one State. The Commission shall come into existence on or after the effective date of the Compact as set forth in Article 13.

B. Membership, Voting, and Meetings

1. Each Member State shall have and be limited to one (1) delegate selected by that Member States State Licensing Authority.

2. The delegate shall be an administrator of the State Licensing Authority of the Member State or their designee.

3. The Commission shall by Rule or bylaw establish a term of office for delegates and may by Rule or bylaw establish term limits.

4. The Commission may recommend removal or suspension of any delegate from office.

5. A Member States State Licensing Authority shall fill any vacancy of its delegate occurring on the Commission within 60 days of the vacancy.

6. Each delegate shall be entitled to one vote on all matters that are voted on by the Commission.

7. The Commission shall meet at least once during each calendar year. Additional meetings may be held as set forth in the bylaws. The Commission may meet by telecommunication, video conference or other similar electronic means.

C. The Commission shall have the following powers:

1. Establish the fiscal year of the Commission;

2. Establish code of conduct and conflict of interest policies;

3. Adopt Rules and bylaws;

4. Maintain its financial records in accordance with the bylaws;

5. Meet and take such actions as are consistent with the provisions of this Compact, the Commissions Rules, and the bylaws;

6. Initiate and conclude legal proceedings or actions in the name of the Commission, provided that the standing of any State Licensing Authority to sue or be sued under applicable law shall not be affected;

7. Maintain and certify records and information provided to a Member State as the authenticated business records of the Commission, and designate an agent to do so on the Commission's behalf;

8. Purchase and maintain insurance and bonds;

9. Borrow, accept, or contract for services of personnel, including, but not limited to, employees of a Member State;

10. Conduct an annual financial review;

11. Hire employees, elect or appoint officers, fix compensation, define duties, grant such individuals appropriate authority to carry out the purposes of the Compact, and establish the Commission's personnel policies and programs relating to conflicts of interest, qualifications of personnel, and other related personnel matters;

12. As set forth in the Commission Rules, charge a fee to a Licensee for the grant of a Multistate License and thereafter, as may be established by Commission Rule, charge the Licensee a Multistate License renewal fee for each renewal period. Nothing herein shall be construed to prevent a Home State from charging a Licensee a fee for a Multistate License or renewals of a Multistate License, or a fee for the jurisprudence requirement if the Member State imposes such a requirement for the grant of a Multistate License;

13. Assess and collect fees;

14. Accept any and all appropriate gifts, donations, grants of money, other sources of revenue, equipment, supplies, materials, and services, and receive, utilize, and dispose of the same; provided that at all times the Commission shall avoid any appearance of impropriety or conflict of interest;
15. Lease, purchase, retain, own, hold, improve, or use any property, real, personal, or mixed, or any undivided interest therein;
16. Sell, convey, mortgage, pledge, lease, exchange, abandon, or otherwise dispose of any property real, personal, or mixed;

2. The Executive Committee shall be composed of up to seven voting members:

a. The chair and vice chair of the Commission and any other members of the Commission who serve on the Executive Committee shall be voting members of the Executive Committee; and

b. Other than the chair, vice-chair, secretary and treasurer, the Commission shall elect three voting members from the current membership of the Commission.

c. The Commission may elect ex-officio, nonvoting members from a recognized national Cosmetology professional association as approved by the Commission. The Commission's bylaws shall identify qualifying organizations and the manner of appointment if the number of organizations seeking to appoint an ex officio member exceeds the number of members specified in this Article.

3. The Commission may remove any member of the Executive Committee as provided in the Commission's bylaws.

4. The Executive Committee shall meet at least annually.

a. Annual Executive Committee meetings, as well as any Executive Committee meeting at which it does not take or intend to take formal action on a matter for which a Commission vote would otherwise be required, shall be open to the public, except that the Executive Committee may meet in a closed, non-public session of a public meeting when dealing with any of the matters covered under Article 9.F.4.

b. The Executive Committee shall give five business days advance notice of its public meetings, posted on its website and as determined to provide notice to persons with an interest in the public matters the Executive Committee intends to address at those meetings.

5. The Executive Committee may hold an emergency meeting when acting for the Commission to:

a. Meet an imminent threat to public health, safety, or welfare;

b. Prevent a loss of Commission or Member State funds; or

c. Protect public health and safety.

E. The Commission shall adopt and provide to the Member States an annual report.

F. Meetings of the Commission

1. All meetings of the Commission that are not closed pursuant to Article 9.F.4 shall be open to the public. Notice of public meetings shall be posted on the Commission's website at least thirty (30) days prior to the public meeting.
2. Notwithstanding Article 9.F.1, the Commission may convene an emergency public meeting by providing at least twenty-four (24) hours prior notice on the Commission's website, and any other means as provided in the Commission's Rules, for any of the reasons it may dispense with notice of proposed rulemaking under Article 11.L. The Commission's legal counsel shall certify that one of the reasons justifying an emergency public meeting has been met.
3. Notice of all Commission meetings shall provide the time, date, and location of the meeting, and if the meeting is to be held or accessible via telecommunication, video conference, or other electronic means, the notice shall include the mechanism for access to the meeting.
4. The Commission may convene in a closed, non-public meeting for the Commission to discuss:
    a. Non-compliance of a Member State with its obligations under the Compact;
    b. The employment, compensation, discipline or other matters, practices or procedures related to specific employees or other matters related to the Commission's internal personnel practices and procedures;
    c. Current or threatened discipline of a Licensee by the Commission or by a Member State's Licensing Authority;
    d. Current, threatened, or reasonably anticipated litigation;
    e. Negotiation of contracts for the purchase, lease, or sale of goods, services, or real estate;
    f. Accusing any person of a crime or formally censuring any person;

    i. Investigative records compiled for law enforcement purposes;
    j. Information related to any investigative reports prepared by or on behalf of or for use of the Commission or other committee charged with responsibility of investigation or determination of compliance issues pursuant to the Compact;
    k. Legal advice;
    l. Matters specifically exempted from disclosure to the public by federal or Member State law; or
    m. Other matters as promulgated by the Commission by Rule.
5. If a meeting, or portion of a meeting, is closed, the presiding officer shall state that the meeting will be closed and reference each relevant exempting provision, and such reference shall be recorded in the minutes.

6. The Commission shall keep minutes that fully and clearly describe all matters discussed in a meeting and shall provide a full and accurate summary of actions taken, and the reasons therefore, including a description of the views expressed. All documents considered in connection with an action shall be identified in such minutes. All minutes and documents of a closed meeting shall remain under seal, subject to release only by a majority vote of the Commission or order of a court of competent jurisdiction.

G. Financing of the Commission

1. The Commission shall pay, or provide for the payment of, the reasonable expenses of its establishment, organization, and ongoing activities.
2. The Commission may accept any and all appropriate sources of revenue, donations, and grants of money, equipment, supplies, materials, and services.
3. The Commission may levy on and collect an annual assessment from each Member State and impose fees on Licensees of Member States to whom it grants a Multistate License to cover the cost of the operations and activities of the Commission and its staff, which must be in a total amount sufficient to cover its annual budget as approved each year for which revenue is not provided by other sources. The aggregate annual assessment amount for Member States shall be allocated based upon a formula that the Commission shall promulgate by Rule.
4. The Commission shall not incur obligations of any kind prior to securing the funds adequate to meet the same; nor shall the Commission pledge the credit of any Member States, except by and with the authority of the Member State.
5. The Commission shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Commission shall be subject to the financial review and accounting procedures established under its bylaws. All receipts and disbursements of funds handled by the Commission shall be subject to an annual financial review by a certified or licensed public accountant, and the report of the financial review shall be included in and become part of the annual report of the Commission.

H. Qualified Immunity, Defense, and Indemnification

1. The members, officers, executive director, employees and representatives of the Commission shall be immune from suit and liability, both personally and in their official capacity, for any claim for damage to or loss of property or personal injury or other civil liability caused by or arising out of any actual or alleged act, error, or omission that occurred, or that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties or responsibilities; provided that nothing in this paragraph shall be construed to protect any such person from suit or liability for any damage, loss, injury, or liability caused by the

intentional or willful or wanton misconduct of that person. The procurement of insurance of any type by the Commission shall not in any way compromise or limit the immunity granted hereunder.

2. The Commission shall defend any member, officer, executive director, employee, and representative of the Commission in any civil action seeking to impose liability arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or as determined by the Commission that the person against whom the claim is made had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities; provided that nothing herein shall be construed to prohibit that person from retaining their own counsel at their own expense; and provided further, that the actual or alleged act, error, or omission did not result from that person's intentional or willful or wanton misconduct.

3. The Commission shall indemnify and hold harmless any member, officer, executive director, employee, and representative of the Commission for the amount of any settlement or judgment obtained against that person arising out of any actual or alleged act, error, or omission that occurred within the scope of Commission employment, duties, or responsibilities, or that such person had a reasonable basis for believing occurred within the scope of Commission employment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from the intentional or willful or wanton misconduct of that person.

4. Nothing herein shall be construed as a limitation on the liability of any Licensee for professional malpractice or misconduct, which shall be governed solely by any other applicable State laws.

5. Nothing in this Compact shall be interpreted to waive or otherwise abrogate a Member State's State action immunity or State action affirmative defense with respect to antitrust claims under the Sherman Act, Clayton Act, or any other State or federal antitrust or anticompetitive law or regulation.

6. Nothing in this Compact shall be construed to be a waiver of sovereign immunity by the Member States or by the Commission.

ARTICLE 10- DATA SYSTEM

A. The Commission shall provide for the development, maintenance, operation, and utilization of a coordinated database and reporting system.

B. The Commission shall assign each applicant for a Multistate License a unique identifier, as determined by the Rules of the Commission.

C. Notwithstanding any other provision of State law to the contrary, a Member State shall submit a uniform data set to the Data System on all individuals to whom this Compact is applicable as required by the Rules of the Commission, including:

1. Identifying information;

2. Licensure data;

3. Adverse Actions against a license and information related thereto;
4. Non-confidential information related to Alternative Program participation, the beginning and ending dates of such participation, and other information related to such participation;
5. Any denial of application for licensure, and the reason(s) for such denial (excluding the reporting of any criminal history record information where prohibited by law);
6. The existence of Investigative Information;
7. The existence of Current Significant Investigative Information; and
8. Other information that may facilitate the administration of this Compact or the protection of the public, as determined by the Rules of the Commission.

D. The records and information provided to a Member State pursuant to this Compact or through the Data System, when certified by the Commission or an agent thereof, shall constitute the authenticated business records of the Commission, and shall be entitled to any associated hearsay exception in any relevant judicial, quasi-judicial or administrative proceedings in a Member State.

E. The existence of Current Significant Investigative Information and the existence of Investigative Information pertaining to a Licensee in any Member State will only be available to other Member States.

F. It is the responsibility of the Member States to monitor the database to determine whether Adverse Action has been taken against such a Licensee or License applicant. Adverse Action information pertaining to a Licensee or License applicant in any Member State will be available to any other Member State.

G. Member States contributing information to the Data System may designate information that may not be shared with the public without the express permission of the contributing State.

H. Any information submitted to the Data System that is subsequently expunged pursuant to federal law or the laws of the Member State contributing the information shall be removed from the Data System.

ARTICLE 11- RULEMAKING

A. The Commission shall promulgate reasonable Rules in order to effectively and efficiently implement and administer the purposes and provisions of the Compact. A Rule shall be invalid and have no force or effect only if a court of competent jurisdiction holds that the Rule is invalid because the Commission exercised its rulemaking authority in a manner that is beyond the scope and purposes of the Compact, or the powers granted hereunder, or based upon another applicable standard of review.

B. The Rules of the Commission shall have the force of law in each Member State, provided however that where the Rules of the Commission conflict with the laws of the Member State that establish the Member State's scope of practice laws governing the Practice of Cosmetology as held by a court of competent jurisdiction, the Rules of the Commission shall be ineffective in that State to the extent of the conflict.

C. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this Article and the Rules adopted thereunder. Rules shall become binding as of the date specified by the Commission for each Rule.

D. If a majority of the legislatures of the Member States rejects a Rule or portion of a Rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four (4) years of the date of adoption of the Rule, then such Rule shall have no further force and effect in any Member State or to any State applying to participate in the Compact.

E. Rules shall be adopted at a regular or special meeting of the Commission.

F. Prior to adoption of a proposed Rule, the Commission shall hold a public hearing and allow persons to provide oral and written comments, data, facts, opinions, and arguments.

G. Prior to adoption of a proposed Rule by the Commission, and at least thirty (30) days in advance of the meeting at which the Commission will hold a public hearing on the proposed Rule, the Commission shall provide a notice of proposed rulemaking:

1. On the website of the Commission or other publicly accessible platform;
2. To persons who have requested notice of the Commission's notices of proposed rulemaking; and
3. In such other way(s) as the Commission may by Rule specify.

H. The notice of proposed rulemaking shall include:

1. The time, date, and location of the public hearing at which the Commission will hear public comments on the proposed Rule and, if different, the time, date, and location of the meeting where the Commission will consider and vote on the proposed Rule;
2. If the hearing is held via telecommunication, video conference, or other electronic means, the Commission shall include the mechanism for access to the hearing in the notice of proposed rulemaking;
3. The text of the proposed Rule and the reason therefor;
4. A request for comments on the proposed Rule from any interested person; and
5. The manner in which interested persons may submit written comments.

I. All hearings will be recorded. A copy of the recording and all written comments and documents received by the Commission in response to the proposed Rule shall be available to the public.

J. Nothing in this Article shall be construed as requiring a separate hearing on each Rule. Rules may be grouped for the convenience of the Commission at hearings required by this Article.

K. The Commission shall, by majority vote of all members, take final action on the proposed Rule based on the rulemaking record and the full text of the Rule.

1. The Commission may adopt changes to the proposed Rule provided the changes do not enlarge the original purpose of the proposed Rule.
2. The Commission shall provide an explanation of the reasons for substantive changes made to the proposed Rule as well as reasons for substantive changes not made that were recommended by commenters.

3. The Commission shall determine a reasonable effective date for the Rule. Except for an emergency as provided in Article 11.L, the effective date of the Rule shall be no sooner than forty-five (45) days after the Commission issuing the notice that it adopted or amended the Rule.

L. Upon determination that an emergency exists, the Commission may consider and adopt an emergency Rule with five (5) days' notice, with opportunity to comment, provided that the usual rulemaking procedures provided in the Compact and in this Article shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately to:

1. Meet an imminent threat to public health, safety, or welfare;
2. Prevent a loss of Commission or Member State funds;
3. Meet a deadline for the promulgation of a Rule that is established by federal law or rule; or
4. Protect public health and safety.

M. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted Rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made in writing and delivered to the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

N. No Member State's rulemaking requirements shall apply under this Compact.

ARTICLE 12- OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive and judicial branches of State government in each Member State shall enforce this Compact and take all actions necessary and appropriate to implement the Compact.
2. Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a Licensee for professional malpractice, misconduct or any such similar matter.
3. The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for all

purposes. Failure to provide the Commission service of process shall render a judgment or order void as to the Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Commission shall provide written notice to the defaulting State. The notice of default shall describe the default, the proposed means of curing the default, and any other action that the Commission may take, and shall offer training and specific technical assistance regarding the default.
2. The Commission shall provide a copy of the notice of default to the other Member States.
3. If a State in default fails to cure the default, the defaulting State may be terminated from the Compact upon an affirmative vote of a majority of the delegates of the Member States, and all rights, privileges and benefits conferred on that State by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.
4. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's legislature, the defaulting State's State Licensing Authority and each of the Member States' State Licensing Authority.
5. A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.
6. Upon the termination of a State's membership from this Compact, that State shall immediately provide notice to all Licensees who hold a Multistate License within that State of such termination. The terminated State shall continue to recognize all licenses granted pursuant to this Compact for a minimum of one hundred eighty (180) days after the date of said notice of termination.
7. The Commission shall not bear any costs related to a State that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting State.
8. The defaulting State may appeal the action of the Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.

C. Dispute Resolution

1. Upon request by a Member State, the Commission shall attempt to resolve disputes related to the Compact that arise among Member States and between Member and non-Member States.
2. The Commission shall promulgate a Rule providing for both mediation and binding dispute resolution for disputes as appropriate.

D. Enforcement

1. The Commission, in the reasonable exercise of its discretion, shall enforce the provisions of this Compact and the Commission's Rules.
2. By majority vote as provided by Commission Rule, the Commission may initiate legal action against a Member State in default in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or the defaulting Member State's law.
3. A Member State may initiate legal action against the Commission in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices to enforce compliance with the provisions of the Compact and its promulgated Rules. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing party shall be awarded all costs of such litigation, including reasonable attorney's fees.
4. No individual or entity other than a Member State may enforce this Compact against the Commission.

ARTICLE 13- EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the seventh Member State.

1. On or after the effective date of the Compact, the Commission shall convene and review the enactment of each of the Charter Member States to determine if the statute enacted by each such Charter Member State is materially different than the model Compact statute.
   a. A Charter Member State whose enactment is found to be materially different from the model Compact statute shall be entitled to the default process set forth in Article 12.
   b. If any Member State is later found to be in default, or is terminated or withdraws from the Compact, the Commission shall remain in existence and the Compact shall remain in effect even if the number of Member States should be less than seven (7).

2. Member States enacting the Compact subsequent to the Charter Member States shall be subject to the process set forth in Article 9.C.24 to determine if their enactments are materially different from the model Compact statute and whether they qualify for participation in the Compact.

3. All actions taken for the benefit of the Commission or in furtherance of the purposes of the administration of the Compact prior to the effective date of the Compact or the Commission coming into existence shall be considered to be actions of the Commission unless specifically repudiated by the Commission.

4. Any State that joins the Compact shall be subject to the Commission's Rules and bylaws as they exist on the date on which the Compact becomes law in that State. Any Rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that State.

B. Any Member State may withdraw from this Compact by enacting a statute repealing that State's enactment of the Compact.

1. A Member State's withdrawal shall not take effect until one hundred eighty (180) days after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing State's State Licensing Authority to comply with the investigative and Adverse Action reporting requirements of this Compact prior to the effective date of withdrawal.

3. Upon the enactment of a statute withdrawing from this Compact, a State shall immediately provide notice of such withdrawal to all Licensees within that State. Notwithstanding any subsequent statutory enactment to the contrary, such withdrawing State shall continue to recognize all licenses granted pursuant to this Compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.

C. Nothing contained in this Compact shall be construed to invalidate or prevent any licensure agreement or other cooperative arrangement between a Member State and a non-Member State that does not conflict with the provisions of this Compact.

D. This Compact may be amended by the Member States. No amendment to this Compact shall become effective and binding upon any Member State until it is enacted into the laws of all Member States.

ARTICLE 14- CONSTRUCTION AND SEVERABILITY

A. This Compact and the Commission's rulemaking authority shall be liberally construed so as to effectuate the purposes, and the implementation and administration of the Compact. Provisions of the Compact expressly authorizing or requiring the promulgation of Rules shall not be construed to limit the Commission's rulemaking authority solely for those purposes.

B. The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any Member State, a State

seeking participation in the Compact, or of the United States, or the applicability thereof to any government, agency, person or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby.

C. Notwithstanding Article 14.B, the Commission may deny a State's participation in the Compact or, in accordance with the requirements of Article 12, terminate a Member State's participation in the Compact, if it determines that a constitutional requirement of a Member State is a material departure from the Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any Member State, the Compact shall remain in full force and effect as to the remaining Member States and in full force and effect as to the Member State affected as to all severable matters.

ARTICLE 15- CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

A. Nothing herein shall prevent or inhibit the enforcement of any other law of a Member State that is not inconsistent with the Compact.

B. All permissible agreements between the Commission and the Member States are binding in accordance with their terms.

Sec. 1604.002. ADMINISTRATION OF COMPACT. The Texas Department of Licensing and Regulation is the Cosmetology Licensure Compact administrator for this state.

**CSHB 1612 ON SECOND READING**
**(by Frank)**

**CSHB 1612**, A bill to be entitled An Act relating to direct payment for certain health care provided by a hospital.

**CSHB 1612 - REMARKS**

REPRESENTATIVE FRANK: This bill seeks to provide at least a very modest protection from the price gouging that some uninsured Texans face at some—and not all—hospitals. As many of you know, hospitals charge a wide variety of prices to customers. Many times, if you're insured, you may pay $5,000. But then an uninsured patient comes in for the exact same thing and can pay $10,000 or even $15,000 before it goes to collection.

What this bill does is it sets a cap on what hospitals can charge. And there are two different choices they can take: They can either take 25 percent above what's called "amounts generally billed," which is basically 25 percent above their average of what they collect—so they're still charging 25 percent more than they charge the rest of us—or they can do 50 percent above their lowest negotiated commercial rate. We had a lot of discussions with the hospitals, and it was easier for them to get the one number, the average number, but some of them wanted—so I gave them two choices in the bill. Members, I think it's an important step. I do have an amendment.

REPRESENTATIVE COLLIER: Representative Frank, I want to clarify some things on the bill. Does this bill apply to individuals who are part of a health benefit plan, like an insurance, HMO, or Medicaid?

FRANK: No, ma'am. I think it's clear in the words. There was a bill I had last session. But it's clear that it's only uninsured.

COLLIER: Do the provisions of this bill apply to a person who chooses not to use their health benefit plan for a particular health care service?

FRANK: No, ma'am. Hospitals can continue to charge as much as they want for those.

COLLIER: Do the provisions of this bill apply to a person who declines to enroll in their employer's group health insurance plan?

FRANK: I don't know how somebody would know that. If they're uninsured, they're uninsured. So I don't know that they—if I heard that right, if they don't have insurance, I don't think there is a way to tell whether somebody chose to be

insured or not. A lot of our uninsured in Texas—we've got about 800,000 uninsured in Texas that make four times poverty but choose not to have insurance.

COLLIER: Just trying to understand what you mean by "otherwise entitled to coverage" on page 1, lines 9 through 11, where you define "enrollee." Because it says, "enrollee means" and then ". . . ."

FRANK: I'm sorry. I may need you to tell me—I may need to defer. I've had five hours of sleep in the last two days thanks to some committee assignment. Wonderful committee assignment, Speaker, by the way. Sounded worse than—this is why I didn't want to be on a microphone today. Could you tell me where you were looking again?

COLLIER: Page 1, starting on lines 9 through 11, the word "enrollee." So you define enrollee as "an individual who is enrolled in a health benefit plan or otherwise entitled to coverage under a health benefit plan." So I'm just trying to figure out, are you saying that if somebody declines coverage—like they're entitled to enroll, but they declined to enroll—

FRANK: It is. It is.

COLLIER: —or does it apply to somebody who is just plain uninsured?

FRANK: If they had coverage and declined it, they would be uninsured.

COLLIER: Okay. So what if they have insurance and their insurance doesn't cover this particular facility? Are they still covered?

FRANK: I believe under the terms of the bill, and I can—we had this in the committee. I could answer these questions. I'm happy to research these. I can put this on a pause and try to research them because I'm going to have trouble coming up with those right now.

COLLIER: Does this bill apply to an individual who is enrolled in a health benefit plan but that plan excludes a particular hospital? That's another way of putting that question.

FRANK: I don't believe so. It's only uninsured. That person would still be insured.

COLLIER: Okay, good. And do the provisions of Subsection (b) apply to an individual who is enrolled in a health benefit plan but that plan excludes the hospital? And your answer's going to stay the same? No?

FRANK: I cannot hear what you're asking. I'm sorry.

COLLIER: I'll move on. How would a patient know when to request the reduction in their bill? Because your bill says that they have to do it within 60 days.

FRANK: Well, I think the hospitals are the ones that should know. Under this bill, they are the ones, hopefully, that are going to follow the law that says they can't charge more than this.

COLLIER: On your bill, you talk about the patient has to request the hospital to do that, right?

FRANK: Yes. Go ahead.

COLLIER: What does "request" mean? Can I call the hospital and request that they reevaluate my bill, or do they automatically do it?

FRANK: I am hopeful that after this law, they will not charge that much. They will start billing an uninsured patient no more than this. The patient then can request it. If, for some reason, they've been charged more, the patient could request it.

COLLIER: So they have to request. So on Subsection (b), it says "at the request of a patient." And I'm only asking these things so that way when it is passed, we have clarity on how it works.

FRANK: Can I suggest—unless you want to make sure we do this—can I suggest I pull this down, and we try to work some of this out? And we can actually come up with accurate answers here, and I can understand your questions?

COLLIER: Okay.

REPRESENTATIVE CANALES: So you're capping fees on what exactly?

FRANK: On charges to patients at hospitals.

CANALES: What kind of hospitals? Are these private hospitals?

FRANK: Private hospitals, public hospitals—it's as defined in—

CANALES: Mr. Frank, as a republican, have you ever heard of the free market?

FRANK: Yes, sir, I've heard of the free market.

CANALES: So you're going to cap what private hospitals and private entities can charge? From here? Do you consider that a free market?

FRANK: No, sir, I don't. Do you realize many of the hospitals—most of the hospitals operate with a tremendous amount of government pay. Many of them operate as monopolies, or near monopolies. Many of them operate also in emergency-type situations, so it's hardly a free market in the hospital market. Would you agree with that?

CANALES: If it's a private entity?

FRANK: Well, actually, some of them are private, and some of them are public.

CANALES: I think if it's a publicly owned entity, I think that this body might have an interest in potentially capping fees. But I think when you are capping fees on private entities and what they can charge, I believe you are tussling at the strings of what we call the free market.

FRANK: If I may, could I answer the question as to whether or not it is capping the fee? Because it is not capping the fee. It is simply saying that if you are charging a fee to an uninsured patient, that you cannot charge more than 25 percent more than what you get from other people. So I would ask the body, how much more should a hospital be able to charge an uninsured patient than

they charge an insured patient? Do you want them to charge 50 percent, 100 percent more, or just whatever they want? As long as they're uninsured, we can charge them absolutely as much as we want? Is that the free market? I guess it is. I think I'm living in an alternate universe here.

REPRESENTATIVE J. JONES: Representative Frank, isn't it true that whether you're insured or you're not insured, whatever injury you have at whatever hospital you go to, the doctors in the hospital are doing the same thing for you?

FRANK: Whatever the—

J. JONES: Whether you are insured or uninsured, you go into a hospital—whether it's public or private—and you've got a health problem.

FRANK: If it is an emergency, they do have to do the same thing for you. If it's not an emergency, if it's a—if I want a knee surgery, they don't have to do the knee surgery. But for one person, an insured patient, they may charge $5,000. For an uninsured, they may charge $15,000 for the exact same thing, only because you're uninsured.

J. JONES: One has a negotiated rate and one doesn't?

FRANK: Right.

J. JONES: And as a person, have you also heard, Representative Frank, that some people are one medical injury away from bankruptcy?

FRANK: Yes, ma'am.

J. JONES: And do you know—I don't know if you know this—I literally lost my savings and my retirement because my son happened to have gotten hurt when I didn't have insurance for him. Are you familiar with that happening with anyone?

FRANK: That happens to a fair number of people, yes, ma'am.

J. JONES: And did you know that if you do not have insurance, that you actually have to pay the cost of your medical treatment before they give you the medical treatment rather than after? Did you know that?

FRANK: I did know that. And you get the opportunity to pay quite a bit more than the insured patient.

J. JONES: And did you know that regardless of whatever your medical problem is, the hospital is going to charge you what they charge. The reason I bring that up is because I literally had to go get every piece of money I had in the bank and my entire retirement to save my son's foot. He had the misfortune of playing basketball when he was away somewhere and breaking his foot, and a staph infection took place. I literally had no clue that I had to pay more for the exact same treatment because my son was uninsured and I couldn't afford it than I would have had I been able to afford health insurance. Do you think that's fair, Representative Frank?

FRANK: I do not think that's fair, and I'm guessing you will like this bill then.

J. JONES: I'm telling you, I think this is a great bill. I wish it would have been in place when my son almost lost his foot. Now, would I go back and change anything I did? No, because my son has a foot. Otherwise, it would have been amputated. Thank you for this bill.

Representative Frank moved to postpone consideration of **CSHB 1612** until 4:45 p.m. today.

The motion prevailed.

## HB 3556 ON SECOND READING
## (by Vasut and Metcalf)

**HB 3556**, A bill to be entitled An Act relating to certain structures located near a National Wildlife Refuge.

## HB 3556 - POINT OF ORDER

Representative Zwiener raised a point of order against further consideration of **HB 3556** under Rule 8, Section 1(a)(1), of the House Rules. The speaker sustained the point of order, announcing his decision to the house as follows:

Ms. Zwiener raises a point of order against further consideration of **HB 3556** under Rule 8, Section 1(a)(1) on the grounds that the caption fails to give reasonable notice of the subject of the proposed measure.

The caption states that the bill relates to "certain structures located near a National Wildlife Refuge." Ms. Zwiener presented uncontested evidence that the bill would apply to areas that are located over 70 miles from a refuge. The caption's use of the term "near" is misleading and thus does not give reasonable notice to individuals who might be affected by the bill. *See* 89 H. Jour. 1928 (2025).

Accordingly, the point of order is well-taken and sustained.

**HB 3556** was returned to the Committee on Culture, Recreation, and Tourism.

(3) Amend **HB 3689** by striking SECTION 1.15 on page 15, lines 2-27, and on page 16, lines 1-8, and substituting therefor the following:

SECTION 1.15. Subchapter C, Chapter 404, Government Code, is amended by adding Section 404.0242 to read as follows:

Sec. 404.0242. INVESTMENT IN WINDSTORM CATASTROPHE FINANCING ARRANGEMENTS. (a) The comptroller shall invest certain economic stabilization fund balances to provide a financing arrangement for losses of the Texas Windstorm Insurance Association in accordance with this section and Chapter 2210, Insurance Code. For the purpose of investing the assets of the economic stabilization fund under this section, the comptroller may acquire, exchange, sell, supervise, manage, or retain any kind of investment that a prudent investor exercising reasonable care, skill, and caution would acquire, exchange, sell, supervise, manage, or retain in light of the purposes, terms, distribution requirements, and other circumstances then prevailing for the economic stabilization fund, taking into consideration the investment of all the assets of the fund rather than a single investment.

(b) For purposes of this section, the comptroller may enter into an appropriate financing arrangement or debt obligation with the Texas Windstorm Insurance Association to provide the association up to $500 million in funding before a catastrophic event and up to $1 billion in funding after a catastrophic event to fund the losses of the association arising from the catastrophic event. Financing provided under this section must be secured and repaid by catastrophe surcharges under Subchapter M-2, Chapter 2210, Insurance Code. For purposes of this chapter and subchapter, the terms "debt obligation and financing arrangement" includes all outstanding principal, interest, and related financing and administrative expenses in issuing a debt obligation or financing arrangement.

(c) The interest rate charged in connection with a financing arrangement or debt obligation entered into under this section shall be calculated as the sum of:

(1) The current market rate of a United States Treasury Security of comparable maturity, as determined by the comptroller; and,

(2) 2 percent.

(d) A debt obligation or financing arrangement entered into under this section may not exceed 36 months to maturity and may include a contractual coverage amount of at least 1.10 but not greater than 1.25.

(e) Notwithstanding any other law, directly or indirectly through a separately managed account or other investment vehicle, the comptroller may invest up to $1 billion of the economic stabilization fund balance per Catastrophe Year to provide financing under this section.

(f) The aggregate amount of outstanding pre-event and post-event financing provided under this section may not exceed $2 billion.

(g) A person may not bring a civil action against this state, the Texas Treasury Safekeeping Trust Company, or an employee, independent contractor, or official of this state, including the comptroller, for any claim, including breach of fiduciary duty or violation of any constitutional, statutory, or regulatory requirement, in connection with any action, inaction, decision, divestment, investment, report, or other determination made or taken in connection with this section. A person who brings an action described by this subsection is liable to the defendant for the defendant's costs and attorney's fees resulting from the action.

(h) The comptroller shall manage the investments required by this section as a separate investment portfolio. The comptroller shall provide separate accounting and reporting for the investments in that portfolio. The comptroller shall credit to that portfolio all payments, distributions, interest, and other earnings on the investments in that portfolio. The comptroller has any power necessary to accomplish the purposes of managing and investing the assets of this separate investment portfolio. In managing the assets of that portfolio, through procedures and subject to restrictions the comptroller considers appropriate, the comptroller may acquire, sell, transfer, or otherwise assign the investments as appropriate, taking into consideration the purposes, terms, distribution requirements, and other circumstances of that portfolio then prevailing.

**CSHB 1612 ON SECOND READING**
**(by Frank)**

**CSHB 1612**, A bill to be entitled An Act relating to direct payment for certain health care provided by a hospital.

**CSHB 1612** was read second time earlier today and was postponed until this time.

**CSHB 1612 - REMARKS**

REPRESENTATIVE FRANK: Members, I'll try to do this again. This time I'm a little more awake. When my classmate was asking me questions, I thought she was working against me. She actually likes the bill. She has an amendment. It doesn't set a cap. It just sets—when hospitals charge uninsured patients, they simply can't charge—and I would call it discriminate—they can't charge more

than 25 percent more than what they charge the average insured patient. They can charge whatever they want. It is not a cap. I do have an amendment, and then Ms. Collier has an amendment.

**Amendment No. 1**

Representatives Frank and Howard offered the following amendment to **CSHB 1612**:

Amend **CSHB 1612** (house committee report) as follows:

(1) On page 3, line 10, strike "change" and substitute "charge".

(2) On page 3, between lines 23 and 24, insert the following:

(e) Nothing in this section precludes a patient from receiving from a hospital charity care that the patient would otherwise qualify for or be entitled to.

**AMENDMENT NO. 1 - REMARKS**

FRANK: It does two things. One, it just changes the word "change" to "charge"—it was just a typo. And then it clarifies that nothing in this bill can cause someone who is entitled to charity care not to receive that charity care.

Amendment No. 1 was adopted.

**Amendment No. 2**

Representative Collier offered the following amendment to **CSHB 1612**:

Amend **CSHB 1612** (house committee report) on page 3, line 6, after "provided.", by adding the following:

The bill or other final accounting must notify the patient of the ability to make a request under Subsection (b).

**AMENDMENT NO. 2 - REMARKS**

REPRESENTATIVE COLLIER: There was a provision under this bill that says that the patient has to request the reduction to trigger this bill to happen. My concern was, how would they know that they're entitled to request it? So what this amendment says is that once the hospital sends the bill or the final accounting, they have to notify the patient of the ability to make that request under Subsection (b). So it's just letting you know. They have to tell you that you can make that request. That's all. We just want people to know that they have this option available.

Amendment No. 2 was adopted.

**CSHB 1612 - REMARKS**

FRANK: I appreciate your support on the bill. It was a good bill before. It's a better bill with Representative Collier's amendment.

**CSHB 1612**, as amended, was passed to engrossment by (Record 1108): 132 Yeas, 7 Nays, 2 Present, not voting.

**REMARKS ORDERED PRINTED**

Representative L. Garcia moved to print all remarks on **CSHB 45**.

The motion prevailed. [Please refer to the supplement to this journal for the text of debate on **CSHB 45**.]

**HR 963 - ADOPTED**
**(by Vo)**

Representative Vo moved to suspend all necessary rules to take up and consider at this time **HR 963**.

The motion prevailed.

The following resolution was laid before the house:

**HR 963**, Commemorating the 50th anniversary of the fall of South Vietnam at the conclusion of the Vietnam War.

The chair recognized Representative Vo who addressed the house, speaking as follows:

Members, today marks 50 years since the day that changed the lives of millions—and my own, personally. Today, 50 years ago, Saigon—the capital of the Republic of South Vietnam—fell to the communist forces and was swallowed by the red tide of communism. What took over was a regime that crushed dissent and forced families like mine to flee in the middle of the night with nothing but the clothes on our backs and the knowledge that if we turned back, even once, we would be killed. We fled by boat, traveling by sea, lost and in search of a future with no certainty that we would even survive. However, hope came in the shape

of a U.S. Air Force plane that single-handedly saved our lives. They spotted our floating boat in the dark of the night—desperate for help—and signaled us to follow their path until we landed at Subic Bay Naval Base in the Philippines.

Shortly after, we were sent to the United States, where this great country gave me a fighting chance. Texas gave me that chance. I arrived in this country as a young man who had lost everything—my home, my possessions, and my sense of certainty about the future. Although I and my family lost everything, what we gained in America was greater than what I lost. I found safety, I found opportunity, and I found a purpose through the kindness of Judge Robert Shaw, Bobby Shaw, and the First United Methodist Church in Lubbock, Texas, who were gracious and kind enough to sponsor my family. We were blessed with compassion to work and earn our place here in Texas. That act of kindness gave my family—who fled with nothing but the clothes on our backs—a chance to begin again. For that, I will carry eternal gratitude in my heart for the American people who made it possible for me to call myself one of their own.

I stand before you today not just for myself but for every Vietnamese refugee who struggled, sacrificed, and overcame. I speak, also, for the American veterans who fought alongside our people—many to this day who carry the burden of that war long after they returned home. I speak for a new generation—my children and yours—who must understand the burdens and blessings of freedom and the promises of tomorrow, of democracy, of opportunity are not inherited but earned, protected, and passed down. And though I lost my homeland, I found something equally profound: a home in this country. That is why I serve. That is why I speak today. And that is why I will continue to work every single day to protect the values that welcomed me to these shores so many years ago—the values of freedom, democracy, and opportunity.

On this solemn anniversary, I ask that we remember the past. Not to wallow in what cannot be changed but to draw strength from South Vietnamese resilience. Let us honor the memory of the Republic of South Vietnam and the lives forever changed by its fall. Let us forever commit ourselves to the principles of this great state and what makes America a land of hope to all those around the world who face the tyranny of authoritarianism. Let us commit ourselves to American freedom for the oppressed and a light for those in darkness. Let us never take our freedom for granted.

**HR 963** was adopted.

On motion of Representative Turner, the names of all the members of the house were added to **HR 963** as signers thereof.
