Gonzalez Toureilles

REASON FOR VOTE

I voted no on **CSHB 1098** because cancer experts have told me personally that this vaccine is safe, effective, and will reduce cervical cancer, a deadly disease. The measure that **CSHB 1098** cancels would have absolutely allowed any parent to exempt their children from the vaccination, so parental rights are not an issue in this debate. While I disagree with the governor's use of executive orders on this and other issues, the bill goes beyond that by prohibiting medical professionals within the Department of Health from even considering adding this vaccine to the required list.
