REASONS FOR VOTE

Representative Lowe submitted the following reason for vote to be printed in the journal:

It was my intent to stand with the representative from Kerr County. He opposed the bill on second reading, but it seems his concerns regarding impact on his district were addressed by third reading. Had I been aware of that, I would have voted in favor of **SB 1** on third reading.

Representative C. Morales submitted the following reason for vote to be printed in the journal:

When the record vote on **SB 1** was cast, I was away from my desk in protest of this special sessions redistricting scheme and the harm the proposed map would impose. I would have voted yes. **SB 1** addresses several safety concerns highlighted by the July 4 flooding along the Guadalupe River. Creating proactive disaster safety plans for campgrounds is good public safety policy, and additional warning systems and communications technology requirements will ensure a quicker response to active threats.

Representative Rodríguez Ramos submitted the following reason for vote to be printed in the journal:

Creating proactive disaster safety plans for campgrounds is good public safety policy, and additional warning systems and communications technology requirements will ensure a quicker response to active threats.
