CSHB 499 - POINT OF ORDER

Representative Tinderholt raised a point of order against further consideration of **CSHB 499** under Rule 4, Section 40, and Rule 11, Section 2, of the House Rules.

The speaker overruled the point of order, announcing his decision to the house as follows:

Mr. Tinderholt raises a point of order against further consideration of **CSHB 499** under Rule 4, Section 40, and Rule 11, Section 2, on the grounds that the committee substitute is not germane.

The introduced bill required warning labels on social media platforms "concerning the association between a minor's social media usage and significant mental health issues." The committee substitute further details what must be included in the warning in a manner that is consistent with the warning required by the introduced bill. See 87 H. Jour. 4972 (2021) and 44 H. Jour. 1275 (1935).

Accordingly, the point of order is respectfully overruled.
