### **SB 552 - POINT OF ORDER**

Representative Martinez Fischer raised a point of order against further consideration of **SB 552** under Rule 8, Section 1(a)(1), of the House Rules.

(Landgraf in the chair)

The speaker sustained the point of order, announcing his decision to the house as follows:

Mr. Martinez Fischer raises a point of order against further consideration of **SB 552** under Rule 8, Section 1(a)(1), on the grounds that the caption of the bill fails to give reasonable notice of the subject of the bill.

The caption states that the bill "relat[es] to changing the eligibility of certain persons to receive community supervision, including deferred adjudication community supervision[.]" The bills provisions are solely concerned with the eligibility of persons who are classified by the bill as "illegal aliens." The bills caption does not give notice that its provisions are concerned solely with this single, discrete class of persons and thus it does not comply with the rule. See 89 H. Jour. 4035-4036 (citing 74 H.J. Reg. 2186 (1995)).

Accordingly, the point of order is well-taken and sustained.

### **CSSB 15 - POINT OF ORDER**

Representative Gervin-Hawkins raised a point of order against further consideration of **CSSB 15** under Rule 6, Section 7(a)(2), of the House Rules. The speaker overruled the point of order, announcing his decision to the house as follows:

Ms. Gervin-Hawkins raises a point of order against further consideration of **CSSB 15** under Rule 6, Section 7(a)(2), on the grounds that the bill is not eligible for placement on the Major State Calendar.

Ms. Gervin-Hawkins argues that since the bill is limited in application by classification schemes employing one or more criteria, it cannot be placed on the Major State Calendar. The chair notes that the rule does not prohibit any bill that employs a classification scheme from being placed on the Major State Calendar. The rule requires that such a bill establish or change "a major field of governmental activity" and have major statewide impact. This bill is a major reform of state land-use law and will have major implications for housing and economic activity throughout the state. Additionally, Rule 6, Section 25, gives the Committee on Calendars "wide discretion" in choosing which calendar it will place a bill on. *Cf.* 80 H. Jour. 3317-3319 (2007).

Accordingly, the point of order is respectfully overruled.

### SB 1563 - RULES SUSPENDED ADDITIONAL SPONSOR AUTHORIZED

**SB 1563 ON SECOND READING**  
**(Plesa and Lowe - House Sponsors)**

**SB 1563**, A bill to be entitled An Act relating to county jailer training on interacting with veterans in the criminal justice system.

**SB 1563 - REMARKS**

REPRESENTATIVE TROXCLAIR: Do you know that the Texas Conservative Coalition recommends an oppose vote on this bill because of the role of government and because of the lack of guidelines in place for the training it mandates—raising the possibility that jailers receiving training in interacting with veterans could be at odds with the best course of action in that particular encounter?

REPRESENTATIVE PLESA: I wasn't aware of that recommendation, but I do know that the Texas Policy Research Action organization has given a recommendation to this bill as a yes—"SB 1563 is fiscally conservative in design, aiming to enhance public service outcomes through improved training without expanding government spending. It represents a low-cost policy change with potential long-term benefits for both correctional staff and veteran populations involved in the criminal justice system."

TROXCLAIR: Well, you raise a really good point that members of this body could go either way on this issue. And it struck me that even though you voted in favor of **SJR 87** today, and you're present on the floor—

**SB 1055**, A bill to be entitled An Act relating to permit fees for groundwater wells imposed by the Southeast Texas Groundwater Conservation District.

**Amendment No. 1**

Representative Isaac offered the following amendment to **SB 1055**:

Amend **SB 1055** (house committee report) on page 1 by striking lines 7 and 8 and substituting the following:

(c) A [The] fee imposed under this section must be, by rate or in total, in an amount equal to or as similar to as possible any equivalent fee charged by the Hays Trinity Groundwater Conservation District [may not exceed one cent per thousand gallons of groundwater withdrawn for any purpose].

**AMENDMENT NO. 1 - REMARKS**

REPRESENTATIVE ISAAC: Members, this amendment seeks to create equity in the funding of our GCDs across Texas. This amendment will tie the amount that a South Texas groundwater conservation district may charge to that of the Hays Trinity Groundwater Conservation District. This will give a groundwater district that is not in my district the same amount of tax increase that was thought to be okay in the district that I serve without my consent. I suggest we let members of the house and the senate represent the areas they were elected to serve.

Representative Ashby, I am so glad you were able to work with your constituents and not have a backdoor, un-vetted amendment that heavily taxed your constituents and steps on their private property rights rammed through against the wishes of your constituents and yourself. I wish you would have supported me in my efforts to do the same, and I withdraw my amendment.

Amendment No. 1 was withdrawn.

**SB 1758 ON SECOND READING  
(Landgraf - House Sponsor)**

**SB 1758**, A bill to be entitled An Act relating to the operation of a cement kiln and the production of aggregates near a semiconductor wafer manufacturing facility.

**SB 1758 - POINT OF ORDER**

Representative Wu raised a point of order against further consideration of **SB 1758** under Rule 8, Section 1(a)(1), of the House Rules on the grounds that the caption fails to give reasonable notice of the subject of the proposed measure. The point of order was withdrawn.

**SB 1758 - POINT OF ORDER**

Representative Wu raised a point of order against further consideration of **SB 1758** under Rule 8, Section 10(b), of the House Rules. The speaker overruled the point of order, announcing his decision to the house as follows:

Mr. Wu raises a point of order against further consideration of **SB 1758** under Rule 8, Section 10(b), on the grounds that the bill is impermissibly limited in application to one or more political subdivisions by means of artificial devices.

The bill has provisions that apply to only one particular area of the state. However, the bill author met his burden in showing that this area is a unique area for the development of advanced wafer manufacturing, an industry of statewide importance, and thus the bill employs a reasonable classification scheme. See 76 H. Jour. 1761 (1999); *see also City of Irving v. Dallas/Fort Worth Intl. Airport Bd.*, 894 S.W.2d 456, 467 (Tex. App.—Fort Worth 1995, writ denied) (finding legislatures classification scheme reasonable in light of the "statewide importance of the facility" embraced by the bill).

Accordingly, the point of order is respectfully overruled.

(d) This chapter and the creation of the district may not be interpreted to relieve the county or the city from providing the level of services provided as of the effective date of the Act enacting this chapter to the area in the district. The district is created to supplement and not to supplant county or city services provided in the district.

Sec. 4015.0104. FINDINGS OF BENEFIT AND PUBLIC PURPOSE.
