The State Office of Administrative Hearings shall hold a hearing requested under this subsection not later than the 60th day after the date of the department's final determination under Subsection (h). If a hearing is not held during the period required by this subsection, the authorization issued under this subchapter shall be automatically reinstated or the restriction imposed automatically removed, as applicable.

(l) The contested case provisions of Chapter 2001, Government Code, including the right to judicial review, apply to a proceeding under Subsection (k).

### **ADDRESS BY REPRESENTATIVE ASHBY**

The chair recognized Representative Ashby who addressed the house, speaking as follows:

Members, as some of you know, Chairman Harris's mom is gravely ill. I would like to have a little prayer service for her before I lay his bill out. So I'm going to ask Pastor Scot Wall to come and lead us in prayer for comfort for the Harris family during this very trying and difficult period.

The chair recognized Pastor Scot Wall who led the house in prayer, speaking as follows:

Cody just communicated that he got there to his mom's side. So I know that's one of the things—some of you didn't know for sure what was going on. He got there. She is in a coma-like state with labored breathing. So he gets to be there, but we obviously know this is a very difficult time. This is a time that

reminds us of the humanity of the 150 that are here. And everyone has their stories; everyone's going through a difficult time. But it's great to come together like this to pray. So please join me as we lift up this family.

Heavenly Father, we do gather this afternoon on this house floor to lift up our friend and brother, Cody Harris, and his family. I know many of us have gone through the very real and difficult experience of having to say goodbye to a loved one, including parents. We know the depths of the grief and the sadness that the family is going through right now. So because we love Cody, we ask that you would bring a special comfort and peace to Cody and his family. We know that you don't promise that we will never go through difficult and hard times like this, but you do promise that you won't leave us and you'll go through the times with us. So we ask that you would let them experience your presence in a very special and tangible way as they say goodbye. Grant them all that they need as they journey together through this difficult time. In your son Jesus' name I pray. Amen.

### **SB 1718 - REMARKS**

REPRESENTATIVE HARRISON: I'll be very brief. I just want to clear up one thing: It is not just democrats that oppose this bill, and I say this as somebody who is as pro-gun rights and pro-Second Amendment as anybody in the Capitol.

It's not just the democrats in this chamber that oppose this—in fact, the Texas Conservative Coalition opposes this bill, the conservative Texas Policy Research Action opposes this bill, and Texans for Fiscal Responsibility opposes this bill. And I oppose this bill for one simple reason: This is unequivocally not the role of government. Stop growing government, and vote no on this bill.

### **REASON FOR VOTE**

Representative Leo Wilson submitted the following reason for vote to be printed in the journal:

There has been some misunderstanding regarding **SB 1718** and my vote on Record No. 3923. I want to be clear that this bill was not a handout of taxpayer funds to the National Rifle Association (NRA) or any single organization.

**SB 1718** adds the NRA to the existing list of organizations eligible to participate in the Texas Major Events Reimbursement Program. This program is designed to encourage large-scale events in Texas by offering reimbursement to local governments for certain event-related expenses. It already includes a wide range of groups, including both the Democratic and Republican Parties, which regularly receive reimbursement for their state conventions.

This bill does not create new funding or guarantee payment. It only makes the NRA eligible to apply under the same economic impact standards that all groups meet. The Major Events Reimbursement is not what was being voted on nor was its funding. It merely added the NRA to the list of possible applicants.

**SB 1718** ensures that if an NRA convention brings economic value to a Texas city, that city can be eligible for reimbursement in the same way it would be if hosting a national political convention or major sporting event. Supporting this bill was about fairness and economic opportunity, not ideology or government handouts.

### **Amendment No. 1 - Point of Order**

Representative Martinez Fischer raised a point of order against further consideration of Amendment No. 1 under Rule 11, Section 6(e), of the House Rules. The speaker sustained the point of order, announcing his decision to the house as follows:

Mr. Martinez Fischer raises a point of order against further consideration of the Smithee Amendment (Amendment No. 1) under Rule 11, Section 6(e), on the grounds that the amendment is a substantial substitute and was not timely filed.

The rule prohibits an original amendment that exceeds one page in length and is in the form of a complete or substantial substitute from being offered unless it is timely prefiled with the chief clerk's office. The Smithee Amendment, which was not prefiled in accordance with the rule, strikes virtually the entire bill and replace it with more than one page of text.

Accordingly, the point of order is well-taken and sustained.

The ruling precluded further consideration of Amendment No. 1.

Representative Smithee moved to postpone consideration of **SJR 1** until 6 p.m. today.

The motion prevailed.

**SB 1719 ON THIRD READING**  
**(Smithee - House Sponsor)**

**SB 1719**, A bill to be entitled An Act relating to the rulemaking power of the Texas Supreme Court.

**SB 1719** was read third time on May 27 and was postponed until 10 a.m. today.

**SB 1719 - POINT OF ORDER**

Representative Zwiener raised a point of order against further consideration of **SB 1719** under Rule 8, Section 1(a)(1), of the House Rules. The speaker sustained the point of order, announcing his decision to the house as follows:

Ms. Zwiener raises a point of order against further consideration of **SB 1719** under Rule 8, Section 1(a)(1), on the grounds that the caption of the bill fails to give reasonable notice of the subject of the bill.

The caption states that the bill "relat[es] to the rulemaking power of the Texas Supreme Court." The bill amends Section 52.047(g), Government Code, to strike provisions that relate to the rulemaking power of the Court of Criminal Appeals under Section 22.108(b). The bill language classifies this as a conforming change. The bill sponsor could not demonstrate how a modification of the Court of Criminal Appeals rulemaking power in a Supreme Court rulemaking bill was a conforming change. Thus, there is no basis to find that the caption complies with the rule. See 89 H. Jour. \_\_\_\_ (2025).

Accordingly, the point of order is well-taken and sustained.

**SB 1719** was returned to the Committee on Judiciary and Civil Jurisprudence.

**REMARKS ORDERED PRINTED**

Representative Hopper moved to print all remarks on **SB 1596**.

The motion prevailed. [The text of the debate was not available at the time of printing.]

Representative Capriglione offered the following amendment to **SB 1964**:

Amend **SB 1964** on third reading:

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter B, Chapter 1114, Insurance Code, is amended by adding Sections 1114.0541 and 1114.0542 to read as follows:

Sec. 1114.0541. PROCESSING OF ANNUITY CONTRACT EXCHANGES. (a) In this section, "exchange" means an annuity replacement transaction:

(1) in which the money in an existing annuity contract must pass directly from the existing annuity contract and existing insurer to a new annuity contract and a replacing insurer; and

(2) in which the owner and annuitant of the new contract are the same as the owner and annuitant of the existing contract, regardless of whether the owner or annuitant may be changed after completion of the transaction.

(b) If a transaction involves an exchange of an annuity contract, the existing insurer and the replacing insurer shall comply with this section.

(c) To initiate an exchange of an annuity contract, the replacing insurer shall provide the existing insurer an exchange request notice of the proposed exchange.

(d) An exchange request notice:

(1) must include:

(A) all information necessary for the exchange to qualify as a tax-free exchange under 26 U.S.C. Section 1035; and

(B) any information required by state law; and

(2) may be provided on a form promulgated by the Association for Cooperative Operations Research and Development or another generally accepted form or in any other manner used by an insurer.

(e) An existing insurer that receives an exchange request notice shall:

(1) not later than the fifth business day after the date the existing insurer received the notice, send a letter to the contract owner, as required under Section 1114.054(c), unless the existing insurer has previously provided it; and

(2) subject to Subsection (f), transfer the contract value of the existing annuity to the replacing insurer not later than the 30th business day after the date the existing insurer receives the notice unless:

(A) the existing annuity contract being exchanged has a provision that gives the existing insurer the right to defer payment for a different period;

(B) the existing insurer, replacing insurer, and contract owner agree to a different transfer period, including an agreement to make the transfer on a specific future date;

(C) a different transfer period is required under state or federal law;

or

(D) the existing insurer makes a determination or reasonably suspects the exchange involves a fraudulent insurance act the insurer is required to report under Section 701.051.

(f) If an exchange request notice provided to an existing insurer under Subsection (c) does not include all required information necessary to complete the exchange, the applicable period to transfer the contract value does not begin until the day the existing insurer receives all required information from the replacing insurer or contract owner, as applicable.

(g) If a required transfer payment is not completed within the period provided by Subsection (e)(2) or the existing annuity contract, as applicable, the existing insurer shall pay penalty interest on the unpaid amount at an annual rate of 10 percent accruing from the first business day after the date the contract value was required to be transferred until the contract value is transferred to the replacing insurer in full.

(h) Nothing in this section is intended to:

(1) change the suitability requirements applicable to an agent or insurer seeking to replace an annuity under Chapter 1115; or

(2) prohibit a replacing insurer and existing insurer from agreeing to use different formats or modes for assisting contract owners in the timely and efficient processing of replacements or exchanges of annuity contracts.

Sec. 1114.0542. PROCESSING OF SURRENDER REQUESTS FOR ANNUITY CONTRACTS. (a) To initiate a surrender of an annuity contract, a contract owner must submit a surrender request to the insurer in the form and manner required by the insurer. (c) If a surrender request submitted to an insurer under Subsection (a) does not include all required information, the applicable period to transfer the cash surrender value does not begin until the day the insurer receives all required information from the contract owner.

(b) Money deposited to a county's local provider participation fund may be used only to:

(1) fund intergovernmental transfers from the county to the state to provide the nonfederal share of Medicaid payments for:

(A) uncompensated care payments to nonpublic hospitals authorized under the Texas Healthcare Transformation and Quality Improvement Program waiver issued under Section 1115 of the federal Social Security Act (42 U.S.C. Section 1315), or a successor waiver program authorizing similar Medicaid supplemental payment programs;

(2) fund the nonfederal share of payments to nonpublic hospitals available through the Medicaid disproportionate share hospital program.

#### SUBCHAPTER D. MANDATORY PAYMENTS

Sec. 292E.151. MANDATORY PAYMENTS BASED ON PAYING HOSPITAL NET PATIENT REVENUE. (a) Except as provided by Subsection (f), if the commissioners court of a county authorizes a program under this chapter, the commissioners court shall require an annual mandatory payment to be assessed on the net patient revenue of each institutional health care provider located in the county. The commissioners court shall provide for the mandatory payment to be assessed quarterly. In the first year in which the mandatory payment is required, the mandatory payment is assessed on the net patient revenue of an institutional health care provider as determined by the data reported to the Department of State Health Services under Sections 311.032 and 311.033 in the most recent fiscal year for which that data was reported. If the institutional health care provider did not report any data under those sections, the provider's net patient revenue is the amount of that revenue as contained in the provider's Medicare cost report submitted for the most recent fiscal year for which the provider submitted the Medicare cost report. The commissioners court shall update the amount of the mandatory payment on an annual basis.

(b) The commissioners court of a county that requires a mandatory payment under this chapter shall provide each institutional health care provider on which the payment will be assessed written notice of an assessment under this chapter. The institutional health care provider must pay the assessment not later than the 30th day after the date the provider receives the written notice.

(c) The amount of a mandatory payment authorized under this chapter must be uniformly proportionate with the amount of net patient revenue generated by each paying hospital in the county. A program may not hold harmless any institutional health care provider, as required under 42 U.S.C. Section 1396b(w) and 42 C.F.R. Section 433.68.

(d) The commissioners court of a county that requires a mandatory payment under this chapter shall set the amount of the mandatory payment. The aggregate amount of the mandatory payment required of all paying hospitals in the county may not exceed six percent of the aggregate net patient revenue from hospital services provided by all paying hospitals in the county.

(e) Subject to Subsection (d), the commissioners court of a county that requires a mandatory payment under this chapter shall set the mandatory payments in amounts that in the aggregate will generate sufficient revenue to cover the administrative expenses of the county for activities under this chapter and to fund an intergovernmental transfer described by Section 292E.103(b)(1). The annual amount of revenue from mandatory payments that may be used to pay the administrative expenses of the county for activities under this chapter may not exceed \$150,000, plus the cost of collateralization of deposits, regardless of actual expenses.

(f) A paying hospital may not add a mandatory payment required under this section as a surcharge to a patient.

Sec. 292E.152. ASSESSMENT AND COLLECTION OF MANDATORY PAYMENTS. (a) The county may collect or contract for the assessment and collection of mandatory payments authorized under this chapter.

(b) The person charged by the county with the assessment and collection of mandatory payments shall charge and deduct from the mandatory payments collected for the county a collection fee in an amount not to exceed the person's usual and customary charges for like services.

(c) If the person charged with the assessment and collection of mandatory payments is an official of the county, any revenue from a collection fee charged under Subsection (b) shall be deposited in the county general fund and, if appropriate, shall be reported as fees of the county.

Sec. 292E.153. PURPOSE; CORRECTION OF INVALID PROVISION OR PROCEDURE; LIMITATION OF AUTHORITY. (a) The purpose of this chapter is to authorize a county to establish a program to enable the county to collect mandatory payments from institutional health care providers to fund the nonfederal share of certain Medicaid programs as described by Section 292E.103(b)(1).

(b) To the extent any provision or procedure under this chapter causes a mandatory payment authorized under this chapter to be ineligible for federal matching funds, the commissioners court of the county administering the program may provide by rule for an alternative provision or procedure that conforms to the requirements of the federal Centers for Medicare and Medicaid Services. A rule adopted under this section may not create, impose, or materially expand the legal or financial liability or responsibility of the county or an

institutional health care provider located in the county beyond the provisions of this chapter. This section does not require the commissioners court of a county to adopt a rule.

(c) A county administering a program may only assess and collect a mandatory payment authorized under this chapter if a waiver program, uniform rate enhancement, or reimbursement described by Section 292E.103(b)(1) is available to the county.

(d) This chapter does not authorize a county administering a program to collect mandatory payments for the purpose of raising general revenue or any amount in excess of the amount reasonably necessary to fund the nonfederal share of a Medicaid supplemental payment program or Medicaid managed care rate enhancements for nonpublic hospitals and to cover the administrative expenses of the county associated with activities under this chapter.

Sec. 292E.154. REPORTING REQUIREMENTS. (a) The commissioners court of a county that authorizes a program under this chapter shall report information to the Health and Human Services Commission regarding the program on a schedule determined by the commission.

(b) The information must include:

(1) the amount of the mandatory payments required and collected in each year the program is authorized; and

(2) any expenditure or other use of money attributable to mandatory payments collected under this chapter.

**CSHB 2688**, A bill to be entitled An Act relating to the public retirement systems of certain municipalities.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

ARTICLE 1. FIREFIGHTERS' RELIEF AND RETIREMENT FUND

SECTION 1.01. The heading to Article 6243e.2(1), Revised Statutes, is amended to read as follows:

Art. 6243e.2(1). FIREFIGHTERS' RELIEF AND RETIREMENT FUND IN MUNICIPALITIES OF AT LEAST 2,000,000 [~~1,600,000~~] POPULATION.

SECTION 1.02. Section 1(13-e), Article 6243e.2(1), Revised Statutes, is amended to read as follows:

(13-e) "Normal retirement age" means:

(A) ~~[for a member, including a member who was hired before the year 2017 effective date and who involuntarily separated from service but has been retroactively reinstated in accordance with an arbitration, civil service, or court ruling, hired before the year 2017 effective date,]~~ the age at which a [the] member attains 20 years of service; or

(B) ~~[except as provided by Paragraph (A) of this subdivision, for a member hired or rehired on or after the year 2017 effective date,]~~ the age at which a member first attains both the age of at least 50 and at least 10 years of service [the sum of the member's age, in years, and the member's years of participation in the fund equals at least 70].

SECTION 1.03. Section 1(16-b), Article 6243e.2(1), Revised Statutes, is redesignated as Section 1(10-a-1), Article 6243e.2(1), Revised Statutes, and amended to read as follows:

(10-a-1) "Entry [(16-b) "Ultimate entry] age normal actuarial cost method" means an actuarial cost method under which a calculation is made to determine the average uniform and constant percentage rate of contributions that, if applied to the compensation of each member during the entire period of the member's anticipated covered service, would be required to meet the cost of all benefits payable on the member's behalf based on the benefits provisions for each individual employee [newly hired employees]. For purposes of this definition, the actuarial accrued liability for each member is the difference between the member's present value of future benefits based on the tier of benefits that apply to the member and the member's present value of future normal costs determined using the normal cost rate.

SECTION 1.04. Sections 2(a) and (h-2), Article 6243e.2(1), Revised Statutes, are amended to read as follows:

(a) A firefighters' relief and retirement fund is established in each incorporated municipality that has a population of at least 2,000,000 ~~[4,600,000]~~ and a fully paid fire department.

(h-2) If the board establishes a pension benefits committee under Subsection (h-1) of this section, that committee, even if it is composed of fewer than all the trustees of the board, may deliberate and act in place of the board regarding each application for benefits submitted to the fund by a member or the member's survivor. Final action of a pension benefits committee on an application for benefits is binding, subject only to any right of appeal to the board under law, rule, or policy at the time the application is filed. Except to the extent the final action of a pension benefits committee may be appealed to the board, the final action of the pension benefits committee on an application for benefits constitutes the final action of the board~~[- including for purposes of filing an appeal to a district court under Section 12 of this article].~~

SECTION 1.05. Section 4(a), Article 6243e.2(1), Revised Statutes, is amended to read as follows:

(a) A member who terminates active service for any reason other than death is entitled to receive a service pension provided by this section if the member was:

(1) hired as a firefighter before the year 2017 effective date, including a member who was hired before the year 2017 effective date and who involuntarily separated from service but has been retroactively reinstated in accordance with an arbitration, civil service, or court ruling, at the age at which the member attains 20 years of service; and

(2) except as provided by Subdivision (1) of this subsection and subject to Subsection (b-2) of this section, hired or rehired as a firefighter on or after the year 2017 effective date, at the age at which the member attains 20 years of service ~~[when the sum of the member's age in years and the member's years of participation in the fund equals at least 70]~~.

SECTION 1.06. Sections 5(a), (b), (b-1), (c), and (m), Article 6243e.2(1), Revised Statutes, are amended to read as follows:

(a) A member who is eligible to receive a service pension under Section 4 ~~[4(a)(1)]~~ of this article and who remains in active service may elect to participate in the deferred retirement option plan provided by this section. ~~[A member who is eligible to receive a service pension under Section 4(a)(2) of this article may not elect to participate in the deferred retirement option plan provided by this section.]~~ On subsequently terminating active service, a member who elected the DROP may apply for a monthly service pension under Section 4 of this article, except that the effective date of the member's election to participate in the DROP will be considered the member's retirement date for determining the amount of the member's monthly service pension. The member may also apply for any DROP benefit provided under this section on terminating active service. An election to participate in the DROP, once approved by the board, is irrevocable.

(b) A member may elect to participate in the DROP by complying with the election process established by the board. The member's election may be made at any time beginning on the date the member has completed 20 years of participation in the fund and is otherwise eligible for a service pension under Section 4 ~~[4(a)(1)]~~ of this article. Beginning on the first day of the month following the month in which the member makes an election to participate in the DROP, subject to board approval, and ending on the year 2017 effective date, amounts equal to the deductions made from the member's salary under Section 13(c) of this article shall be credited to the member's DROP account. Beginning after the year 2017 effective date, amounts equal to the deductions made from the member's salary under Section 13(c) of this article may not be credited to the member's DROP account.

(b-1) On or after the year 2017 effective date, an active member may not participate in the DROP for more than 15 ~~[13]~~ years. If a DROP participant remains in active service after the 15th ~~[13th]~~ anniversary of the effective date of the member's DROP election:

(1) subsequent deductions from the member's salary under Section 13(c) of this article, except for unused leave pay, may not be credited to the member's DROP account; and

(2) the account shall continue to be credited with earnings in accordance with Subsection (d) of this section.

(c) After a member's DROP election becomes effective, an amount equal to the monthly service pension the member would have received under Section 4 of this article, if applicable, had the member terminated active service on the effective date of the member's DROP election shall be credited to a DROP account maintained for the member. That monthly credit to the member's DROP account shall continue until the earlier of the date the member terminates active service or the 15th ~~[13th]~~ anniversary of the date of the first credit to the member's DROP account.

(m) A DROP participant with a break in service may receive service credit within DROP for days worked after the regular expiration of the maximum DROP participation period prescribed by this section. The service credit shall be limited to the number of days in which the participant experienced a break in service or the number of days required to constitute 15 ~~[13]~~ years of DROP participation, whichever is smaller. A retired member who previously participated in the DROP and who returns to active service is subject to the terms of this section in effect at the time of the member's return to active service.

SECTION 1.07. Sections 8(a) and (c), Article 6243e.2(1), Revised Statutes, are amended to read as follows:

(a) A ~~[On or after the year 2017 effective date, a]~~ member who ~~[is hired as a firefighter before the year 2017 effective date, including a member who was hired before the year 2017 effective date and who involuntarily separated from service but has been retroactively reinstated in accordance with an arbitration, civil service, or court ruling,]~~ terminates active service for any reason other than death with at least 10 years of participation, but less than 20 years of participation, is entitled to a monthly deferred pension benefit, beginning at age 50, in an amount equal to 1.7 percent of the member's average monthly salary multiplied by the amount of the member's years of participation.

(c) A ~~[Except as provided by Subsection (a) of this section, a member who is hired or rehired as a firefighter on or after the year 2017 effective date or a]~~ member who terminates active service ~~[employment]~~ for any reason other than death before the member has completed 10 years of participation is entitled only to a refund of the member's contributions without interest and is not entitled to a deferred pension benefit under this section or to any other benefit under this article. The member's refund shall be paid as soon as administratively practicable after the effective date of the member's termination of active service.

SECTION 1.08. Section 13B(a), Article 6243e.2(1), Revised Statutes, is amended to read as follows:

(a) The fund and the municipality shall separately cause their respective actuaries to prepare a risk sharing valuation study in accordance with this section and actuarial standards of practice. A risk sharing valuation study must:

(A) an ~~ultimate~~ entry age normal actuarial cost method;

(B) for purposes of determining the actuarial value of assets:

(i) except as provided by Subparagraph (ii) of this paragraph and Section 13E(c)(1) or 13F(c)(2) of this article, an asset smoothing method recognizing actuarial losses and gains over a five-year period applied prospectively beginning on the year 2017 effective date; and

(ii) for the initial risk sharing valuation study prepared under Section 13C of this article, a marked-to-market method applied as of June 30, 2016;

(D) each liability layer is assigned an amortization period;

(E) each liability loss layer amortized over a period of 30 years from the first day of the fiscal year beginning 12 months after the date of the risk sharing valuation study in which the liability loss layer is first recognized, except that the legacy liability must be amortized from July 1, 2016, for a 30-year period beginning July 1, 2017;

(F) the amortization period for each liability gain layer being:

(i) equal to the remaining amortization period on the largest remaining liability loss layer and the two layers must be treated as one layer such that if the payoff year of the liability loss layer is accelerated or extended, the payoff year of the liability gain layer is also accelerated or extended; or

(ii) if there is no liability loss layer, a period of 30 years from the first day of the fiscal year beginning 12 months after the date of the risk sharing valuation study in which the liability gain layer is first recognized;

(B) the 30th day after the date required action is taken by the board under Section 13E or 13F of this article to reflect any changes required by either section.

WHEREAS, Small businesses are an essential element of our state's economy, and their viability has far-reaching benefits for the communities in which they operate; and

WHEREAS, Texas is home to 3.1 million small businesses, which are defined as companies that employ fewer than 500 people; these enterprises represent 99.8 percent of all businesses in Texas, and they employ close to half of the state's residents; and

WHEREAS, From clothing designers to food trucks, bookstores to auto mechanics, and tech startups to construction firms, small businesses operate in a diverse range of industries and provide a broad spectrum of products and services; and

WHEREAS, Beyond providing goods and services, small businesses create jobs and stimulate commercial activity within their communities; their role as engines of economic productivity stems from the fact that the businesses often rely on local supply chains, and their smaller size allows them to adapt to and accommodate the demands of local customers and the unique character of their neighborhoods; and

WHEREAS, Despite being major drivers of commercial growth, small businesses face significant challenges, including economic uncertainty, rising costs, and difficulties in finding workers; fostering a supportive environment for these enterprises is key to ensuring their long-term viability and will assist hardworking entrepreneurs in adjusting to changing market conditions; and

WHEREAS, By choosing to patronize small businesses, we are investing in the future prosperity of our towns and cities and our state at large, and it is fitting that we set aside a day each month to encourage Texans to shop local and show their support for the small businesses in their communities; now, therefore, be it

RESOLVED, That the 89th Legislature of the State of Texas hereby designate the first Saturday of every month as Small Business Saturday; and, be it further

RESOLVED, That, in accordance with the provisions of Section 391.004(d), Government Code, this designation remain in effect until the 10th anniversary of the date this resolution is finally passed by the legislature.

The alternative placement provided by this section may be used only in extenuating circumstances and may not be used as a routine replacement for out-of-school suspension. The school district shall maintain documentation of each reassignment under this subsection, including the parent's or person's request, the reason for the parent's or person's unavailability, and the supporting information and documentation.

(d) A school district or open-enrollment charter school may not place a student who is homeless in out-of-school suspension unless the student engages in conduct described by Subsections (c)(1)-(4) ~~[(c)(1)-(3)]~~ while on school property or while attending a school-sponsored or school-related activity on or off of school property. The campus behavior coordinator may coordinate with the school district's homeless education liaison to identify appropriate alternatives to out-of-school suspension for a student who is homeless. ### Senate Committee Substitute

**CSHB 2080**, A bill to be entitled An Act relating to the authority of a groundwater conservation district to regulate groundwater withdrawals from certain wells and the review of the duties of a groundwater conservation district by the Texas Commission on Environmental Quality.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter D, Chapter 36, Water Code, is amended by adding Section 36.125 to read as follows:

Sec. 36.125. PROHIBITION ON CERTAIN RESTRICTIONS. A district may not impose restrictions that reduce the rate or amount of groundwater production from a well that is used wholly or partly for a purpose that is permitted or authorized by the commission while the district is considering whether to renew the operating permit for the well or if the district has issued drought restrictions that would otherwise apply to the well unless the district finds, after a hydrologic evaluation, that failure to impose the restrictions would substantially impair groundwater production from other wells or cause irreparable harm to groundwater resources.

SECTION 2. Section 36.3011, Water Code, is amended by amending Subsections (b), (d), and (h) and adding Subsections (d-1), (d-2), (d-3), (e-1), (e-2), (e-3), and (e-4) to read as follows:

(1) a district fails to submit its management plan to the executive administrator;

(2) a district fails to participate in the joint planning process under Section 36.108;

(3) a district fails to adopt rules;

(4) a district fails to adopt the applicable desired future conditions adopted by the management area at a joint meeting;

(5) a district fails to update its management plan before the second anniversary of the adoption of desired future conditions by the management area;

(6) a district fails to update its rules to implement the applicable desired future conditions before the first anniversary of the date it updated its management plan with the adopted desired future conditions;

(7) the rules adopted by a district are not designed to achieve the adopted desired future conditions;

(9) the groundwater in the management area is not adequately protected due to the failure of a district to enforce substantial compliance with its rules; or

(10) a district imposes a restriction on groundwater production that violates Section 36.125.

(d) If the petition is not dismissed under Subsection (c), the commission shall appoint a review panel consisting of a chairperson and four other members. A director or general manager of a district located outside the management area that is the subject of the petition may be appointed to the review panel. The commission may not appoint more than two members of the review panel from any one district. The commission also shall appoint a disinterested person to serve as a nonvoting recording secretary for the review panel. The recording secretary must ~~may~~ be an employee of the commission. The recording secretary shall record and document the proceedings of the panel.

(d-1) A review panel established under Subsection (d) is an advisory body to the commission and not a governmental body under Chapter 551 or 552, Government Code.

(e-2) The commission or the review panel may submit a written request to the executive administrator for assistance on a technical issue related to the petition. The executive administrator shall provide the technical assistance not later than the 120th day after the date the executive administrator receives the request. A deadline under Subsection (c), (e), or (h) is extended by 120 days if a request for technical assistance is submitted to the executive administrator during a review phase under that subsection.

(e-3) On request from a member of the review panel, the office of public interest counsel of the commission shall provide legal advice and assistance to the review panel. Notwithstanding Section 5.273, the office of public interest counsel:

The changes in law made by this Act apply to a petition requesting an inquiry regarding the duties of a groundwater conservation district filed with the Texas Commission on Environmental Quality on or after the effective date of this Act. A petition filed with the Texas Commission on Environmental Quality before the effective date of this Act is governed by the law in effect on the date the petition was filed, and the former law is continued in effect for that purpose.

### Senate Committee Substitute

**CSHB 3689**, A bill to be entitled An Act relating to funding of excess losses and operating expenses of the Texas Windstorm Insurance Association; authorizing an assessment; authorizing a surcharge.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

ARTICLE 1. FUNDING OF INSURED LOSSES AND OPERATING  
EXPENSES OF TEXAS WINDSTORM INSURANCE ASSOCIATION

SECTION 1.01. (a) In this section, "association" means the Texas Windstorm Insurance Association.

(b) The legislature finds that the use of public securities would not be an efficient or viable long-term method to fund losses of the association in order for the association to continue to provide windstorm and hail insurance after a

catastrophic event. Subchapter B-2, Chapter 2210, Insurance Code, as added by this Act, is intended to replace Subchapter B-1, Chapter 2210, Insurance Code, to provide for funding of excess losses and operating expenses of the association incurred after December 31, 2025.

(c) The legislature finds that:

(1) previous experience has shown that the expense to the association of issuing public securities, and the interest rates for those securities, would be significant and can impose significant long-term expense obligations on coastal property and casualty risks that may be avoided if the legislature provides for financing or investment from available state money to the association before or after a catastrophic event;

(2) the financing or investment described by Subdivision (1) of this subsection would be a more efficient way to provide funding necessary for the association to pay losses after a catastrophic event; and

(3) a financing arrangement or other investment from available state money to the association of not more than \$500 million before a catastrophic event and not more than \$1 billion after a catastrophic event would:

(A) replace the funding levels currently provided by issuing public securities;

(B) be consistent with sound insurance solvency standards;

(C) provide a more viable method for the association to have money for losses after a catastrophic event than the issuance of public securities; and

(D) provide a secured investment for the state that would:

(i) yield interest income for the state on state money; and

(ii) be adequately secured for repayment through statewide catastrophe surcharges on certain insurance policies in this state.

(d) The legislature finds that authorizing catastrophe surcharges is a viable method to assure repayment of financing arrangements or investments of state money after a hurricane and to ensure that the association can continue to provide windstorm and hail insurance in the coastal areas of this state after a catastrophic event to maintain the association's viability for the benefit of the public and in furtherance of a public purpose.

SECTION 1.02. Section 2210.003, Insurance Code, is amended by adding Subdivisions (3-c), (3-d), and (3-e) to read as follows:

(3-c) "Financing arrangement" means an arrangement entered into by the association for the financing of payments for the uses authorized by Section 2210.634. The term includes an arrangement between the association and this state under Section 404.0242, Government Code.

(3-d) "Financing arrangement administrative expense" means an expense incurred to administer a financing arrangement issued under this chapter, including:

(A) a fee for credit enhancement;

(B) a payment to a paying agent, trustee, or attorney; or

(C) an expense relating to another professional service necessary to carry out a financing arrangement.

(3-e) "Financing arrangement obligation" means the principal of and any premium and interest on a financing arrangement issued under this chapter.

SECTION 1.03. The heading to Subchapter B-1, Chapter 2210, Insurance Code, is amended to read as follows:

SUBCHAPTER B-1. PAYMENT OF LOSSES INCURRED BEFORE

#### SUBCHAPTER M-1. STATE-FUNDED FINANCING ARRANGEMENTS

Sec. 2210.631. DEFINITION. In this subchapter, "catastrophic event" has the meaning assigned by Section 2210.602.

Sec. 2210.6315. STATE-FUNDED FINANCING ARRANGEMENTS. The legislature has determined that providing catastrophe funding to the association by permitting the association to enter into a financing arrangement with this state is an acceptable use of state money and provides an efficient method for the association to pay losses following a catastrophic event.

Sec. 2210.632. FINANCING ARRANGEMENT AUTHORIZED; LIMITS. (a) The association may enter into a financing arrangement with this state as provided by Section 404.0242, Government Code, and in accordance with this subchapter:

- (1) before a catastrophic event, for not more than \$500 million; and
- (2) after a catastrophic event that depletes the catastrophe reserve trust fund, for not more than \$1 billion.

(b) The amount available under Subsection (a)(2) is reduced by the amount of any outstanding pre-event or post-event financing obtained by the association under this section.

Sec. 2210.6325. REQUEST TO ENTER INTO FINANCING ARRANGEMENT. (a) The association may submit a request to the comptroller to enter into a financing arrangement as authorized by Section 404.0242, Government Code. The request must include the association's requested maximum principal amount and maximum term of the arrangement.

(b) The association and the comptroller may agree to increase the maximum principal amount stated in a request submitted under Subsection (a) on a showing that a greater principal amount is needed to:

- (1) pay the costs related to the issuance of the financing arrangement;
- (2) provide for a debt service reserve fund; or
- (3) capitalize interest for a period equal to the lesser of:
  - (A) a period determined necessary by the association; or
  - (B) six months.

Sec. 2210.633. ADDITIONAL COVENANTS. With respect to a financing arrangement entered into under Section 2210.632, the association may:

(2) provide for the flow of money and the establishment, maintenance, investment, and administration of funds and accounts with respect to the financing arrangement.

Sec. 2210.6335. DEPOSIT OF PROCEEDS. The proceeds of a financing arrangement with this state entered into under Section 2210.632 before a catastrophic event shall be deposited into a separate account located in the catastrophe reserve trust fund.

Sec. 2210.634. USE OF PROCEEDS. (a) The proceeds of a financing arrangement, including investment income, shall be held in trust for the exclusive use and benefit of the association. The association may use the proceeds to:

(3) provide for debt service reserve funds;

(4) pay capitalized interest and principal on a financing arrangement for a period determined necessary by the association;

(5) pay private financial arrangements entered into by the association as temporary sources of payment of losses and operating expenses of the association; and

(b) The association may use excess proceeds of a financing arrangement entered into under Section 2210.632 remaining after the purposes for which the financing arrangement was entered into are satisfied to repay any financing arrangement obligations or financing arrangement administrative expenses. If all

outstanding financing arrangement obligations or financing arrangement administrative expenses are satisfied, the excess proceeds shall be transferred to the catastrophe reserve trust fund.

Sec. 2210.6345. REPAYMENT OF FINANCING ARRANGEMENT OBLIGATION. (a) With respect to a financing arrangement entered into under Section 2210.632, the comptroller and the association shall enter into a separate agreement under which the association shall provide for the payment of all financing arrangement obligations and financing arrangement administrative expenses from money collected by the association and deposited in the manner provided by this subchapter.

(b) If a financing arrangement entered into under Section 2210.632 is outstanding, the comptroller shall notify the association of the amount of outstanding financing arrangement obligations and estimated financing arrangement administrative expenses each calendar year in a period sufficient, as determined by the association, to permit the association to assess a premium surcharge as necessary to meet the obligations and expenses.

Sec. 2210.635. EXCESS REVENUE COLLECTIONS AND INVESTMENT EARNINGS. With respect to a financing arrangement entered into under Section 2210.632, the association may use revenue collected in a calendar year from a premium surcharge, including earned interest, that exceeds the amount of the financing arrangement obligations and financing arrangement administrative expenses payable during that calendar year to:

(1) pay financing arrangement obligations payable in the subsequent calendar year, offsetting the amount of a premium surcharge that would otherwise be required to be levied for the year under this chapter;

(2) pay outstanding financing arrangement obligations; or

(3) deposit additional money into the catastrophe reserve trust fund.

Sec. 2210.6355. SOURCE OF PAYMENT; STATE DEBT NOT CREATED. (a) A financing arrangement entered into under Section 2210.632 is payable solely from revenue as provided by this subchapter.

(b) A financing arrangement entered into under Section 2210.632 is not a debt of this state or any state agency or political subdivision of this state and does not constitute a pledge of the faith and credit of this state or any state agency or political subdivision of this state.

(c) Each financing arrangement entered into under Section 2210.632 must state that:

(1) except as otherwise provided by this subchapter, neither this state nor a state agency, political corporation, or political subdivision of this state is obligated to pay the principal of or interest on the financing arrangement; and

(2) neither the faith and credit nor the taxing power of this state or a state agency, political corporation, or political subdivision of this state is pledged to the payment of the principal of or interest on the financing arrangement.

Sec. 2210.636. STATE NOT TO IMPAIR FINANCING ARRANGEMENT OBLIGATION. The state pledges for the benefit and protection of financing parties that the state will not take or permit any action that would:

(1) impair the collection of premium surcharges or the deposit of that money into the applicable fund;

(2) reduce, alter, or impair the premium surcharges to be imposed, collected, and remitted to financing parties until the principal, interest, and premium and any other charges incurred and contracts to be performed in connection with the related financing arrangement obligations have been paid and performed in full; or

(3) in any way impair the rights and remedies of the parties to a financing arrangement entered into under Section 2210.632 before the financing arrangement is fully discharged.

Sec. 2210.6365. RIGHTS WITH RESPECT TO FINANCING ARRANGEMENT. If amounts due under a financing arrangement entered into under Section 2210.632 are outstanding, the rights and interests of the association, a successor to the association, any member of the association, or any member of the Texas FAIR Plan Association, including the right to impose, collect, and receive a premium surcharge authorized under this subchapter, are only contract rights until those revenues are first pledged for the repayment of the association's financing arrangement obligations as provided by this subchapter and Subchapter M-2.

Sec. 2210.637. ENFORCEMENT. A writ of mandamus and any other legal and equitable remedies are available to a party at interest to require the association or another party to fulfill an agreement and to perform functions and duties under:

- (1) this subchapter;
- (2) the Texas Constitution; or
- (3) a relevant financing arrangement.

Sec. 2210.6375. NO PERSONAL LIABILITY. Notwithstanding any other provision of this subchapter, the members of the association, the members of the association board of directors, association employees, the comptroller and comptroller employees, the commissioner, and department employees are not liable as a result of exercising the rights and responsibilities granted under this subchapter, including by entering into a financing arrangement under Section 2210.632.

(b) For purposes of this section, the comptroller may enter into an appropriate financing arrangement with the Texas Windstorm Insurance Association to provide the association up to \$500 million in funding before a catastrophic event and up to \$1 billion in funding after a catastrophic event to fund the losses of the association arising from the catastrophic event. section. A person who brings an action described by this subsection is liable to the defendant for the defendant's costs and attorney's fees resulting from the action.

(h) The comptroller shall manage the investments required by this section as a separate investment portfolio. The comptroller shall provide separate accounting and reporting for the investments in that portfolio. The comptroller shall credit to that portfolio all payments, distributions, interest, and other earnings on the investments in that portfolio. The comptroller has any power necessary to accomplish the purposes of managing and investing the assets of this separate investment portfolio. In managing the assets of that portfolio, through procedures and subject to restrictions the comptroller considers appropriate, the comptroller may acquire, sell, transfer, or otherwise assign the investments as appropriate, taking into consideration the purposes, terms, distribution requirements, and other circumstances of that portfolio then prevailing.

**CSHB 5247**, A bill to be entitled An Act relating to an alternative capital recovery process for certain utilities.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter E, Chapter 36, Utilities Code, is amended by adding Section 36.216 to read as follows:

Sec. 36.216. SINGLE CAPITAL INVESTMENT PROCEDURE FOR CERTAIN UTILITIES. (a) This section applies only to an electric utility, other than a river authority, that:

(1) operates solely inside ERCOT; and

(2) was identified by the commission as responsible for constructing transmission as part of the reliability plan for the Permian Basin approved by the commission under Section 39.167, as added by Chapter 892 (HB 5066), Acts of the 88th Legislature, Regular Session, 2023.

(b) An electric utility that makes total capital expenditures that exceed 300 percent of annual depreciation in a calendar year may elect in the following calendar year to file a single annual proceeding to adjust nonfuel rates on a system-wide basis to reflect changes in transmission and distribution invested capital in lieu of adjustments to retail and wholesale transmission and distribution rates authorized under Section 36.210, Section 38.078, as added by Chapter 836 (HB 2555), Acts of the 88th Legislature, Regular Session, 2023, and commission rules adopted under Section 35.004.

(c) An electric utility seeking to make an election under this section shall:

(1) except as provided by Subsection (d), use the filing requirements adopted by the commission for the adjustment proceedings described by Subsection (b);

(2) file a notice with the commission of the utility's intent to make the election and supporting documentation of the capital expenditures described by Subsection (b) at least 60 days before the date the utility makes a filing under Subsection (b);

(3) provide evidence of the utility's ongoing eligibility in the annual proceeding under Subsection (b); and

(4) notify the commission if the utility determines that the utility no longer qualifies for continued use of the adjustment under this section.

(d) An electric utility that makes an election under this section:

(1) may defer all or a portion of the costs, including depreciation expense and carrying costs, associated with the transmission and distribution invested capital at the utility's weighted average cost of capital established in the commission's final order in the utility's most recent base rate proceeding for invested capital, as described by Section 36.053, not currently reflected in the utility's rates for recovery as a regulatory asset; and

(2) shall:

(A) update the allocation of costs among customer classes to reflect customer growth; and

(B) take into account changes in the number of the utility's customers and the effects, on a weather-normalized basis, that energy consumption and energy demand have on the amount of revenue recovered through the utility's base rates.

(e) Unless otherwise agreed to by an electric utility that makes an election under this section, the commission shall:

(1) include the regulatory asset in rates set under this section; and

(2) authorize amortization of the regulatory asset over:

(A) a period not to exceed 18 months; or

(B) if a recovery period described by Paragraph (A) would cause the utility to earn more than the utility's allowed return on investment as normalized for weather, a longer recovery period.

(f) During a period when an electric utility that makes an election under this section earns more than the utility's allowed return on investment, on a weather-adjusted basis, the utility shall apply the over-earnings to the balance of the regulatory asset under Subsections (d) and (e).

(g) The commission shall approve an adjustment under this section not later than the 120th day after the date an electric utility files a request for the adjustment.

(h) The electric utility shall provide notice to retail electric providers of rates approved under this section not later than the 45th day before the date the rates take effect.

(i) If the commission does not issue a final order in the period described by Subsection (g) and the electric utility complies with Subsection (h), the utility may place the requested rates into effect on a temporary basis not earlier than the 165th day after filing the request. The utility shall refund or credit against future bills any difference between the temporary rate and the final rate along with interest at the current interest rate as determined by the commission.

(j) An electric utility that makes an election under this section may not petition for another adjustment under this section, Section 36.210, Section 38.078, as added by Chapter 836 (HB 2555), Acts of the 88th Legislature, Regular Session, 2023, or commission rules adopted under Section 35.004 before the first anniversary of the date the utility files a request under Subsection (b).

(k) Notwithstanding any other law, in setting the rate of return in a comprehensive base rate proceeding for an electric utility receiving a rate adjustment under this section, the commission may expressly consider the effect of the adjustment on the utility's financial risk and rate of return.

(l) An electric utility's use of this section terminates when the utility no longer qualifies for an adjustment under this section, except that the utility's rates in effect on the date the utility no longer qualifies remain in effect until modified in a future proceeding.

(m) Nothing in this section is intended to:

(1) conflict with a provision of a financing order issued under Subchapter I;

(2) affect the limitation on the commission's jurisdiction under Section 32.002;

(3) limit the jurisdiction of a municipality over the rates, operations, and services of an electric utility under Section 33.001 or limit the ability of a municipality to obtain a reimbursement under Section 33.023;

(4) prevent an electric utility, including a river authority, from requesting cost recovery or rate relief under a mechanism authorized under Chapter 36 or other provisions of this title if the utility or authority is ineligible or becomes ineligible to make an election under this section; or

(5) prevent the commission from:

(A) reviewing the investment costs included in an adjustment under this section in the electric utility's next comprehensive base rate proceeding to determine whether the costs were prudent, reasonable, and necessary;

(B) refunding to customers any amount improperly recovered through an adjustment under this section, with appropriate carrying costs; or

(C) if applicable, refunding to customers the realized equity portion of carrying costs deferred under Subsection (d)(1) on a transmission project associated with the reliability plan described by Subsection (a) if the in-service date is unreasonably delayed beyond December 31, 2030, due to the utility's actions, unless the utility demonstrates through contemporaneous documentation of the utility's analysis and decision-making that the delay is necessary to maximize the load serving capability of other transmission projects.

(n) This section expires December 31, 2035.

SECTION 2. As soon as practicable after the effective date of this Act, the Public Utility Commission of Texas shall adopt rules necessary to implement Section 36.216, Utilities Code, as added by this Act.

SECTION 3. It is the intent of the 89th Legislature, Regular Session, 2025, that the amendments made by this Act be harmonized with another Act of the 89th Legislature, Regular Session, 2025, relating to nonsubstantive additions to and corrections in enacted codes.

SECTION 4. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2025.
