REASON FOR VOTE

Representative Cain submitted the following reason for vote to be printed in the journal:

As the original author of this bill (**HB 153** (2021); **HB 521** (2023); **HB 427** (2025)), I voted against this bill because of the amendment put on by Representative Hinojosa.

The effect of the Hinojosa Amendment guts the pro-life purpose of the bill. As originally written, the bill recognized that the unborn child was an additional occupant. The amendment totally disregards this principle and allows any woman who "is a parent or legal guardian of another person" to use the HOV regardless of whether that other person is in the vehicle. I, therefore, voted nay.
