MEMORIAL RECOGNITION

The chair recognized Representative Toth who addressed the house, speaking as follows:

I rise today in solemn remembrance to honor Yaron Lischinsky and Sarah Lynn Milgrim, two dedicated staff members of the Israeli Embassy in Washington, D.C., who were senselessly murdered on the evening of May 21, 2025. Gunned down outside the Capital Jewish Museum as they left an event dedicated to the fostering of peace and dialogue, their deaths are a heartbreaking loss for their families, their colleagues, the State of Israel, and all who cherish the values of freedom and human dignity. Yaron, a 30-year-old German Israeli, and Sarah, a 26-year-old American, were a couple on the cusp of being engaged; he had just bought her engagement ring. Yaron was a research assistant in the embassy's political department and a passionate advocate of interfaith dialogue and peace in the Middle East. He served in the Israeli Defense Forces and dedicated his career to fostering understanding between Israel and its neighbors.

Sarah worked in the embassy's public diplomacy department. She was a devoted peacemaker and volunteered her time with organizations like Tech2Peace to promote dialogue between Israel and Palestine.

This was not a random act of terrorism. This man wanted to kill Jews. He was handcuffed and taken away as he shouted, "Free Palestine! Free Palestine!" It was the same chant heard during the October 7 massacre in Israel. It's the same chant heard on college campuses across the United States since October 7, and it continues today. German Chancellor Scholz, who saw the events of October 7, said that these Hamas terrorists are exactly like the Nazis in 1945. Members, the cry of "Free Palestine" today is no different than the "Heil Hitler" of 1945. Free people must stand, and our voices must communicate a very simple message: While America has a First Amendment that codifies the right to free speech, the American justice system must be swift in removal of these evil actors from our midst.

But today, we honor Yaron and Sarah and their families. And I pray that their brutal murders would steel the spines of every American to stand up and speak out against those who sympathize with the evils of Hamas. Members, please don't allow the blood of Yaron and Sarah to be shed in vain. On behalf of Texas and the Texas House of Representatives, we extend our deepest condolences to the families, their colleagues, the people of Israel, and all who mourn their devastating loss. Texas stands with you, today and always. God bless you.

STATEMENT BY REPRESENTATIVE ROSENTHAL

I strongly disagree with and condemn using the tragic and hate-driven murder of two Israeli Embassy staffers in Washington, D.C., on May 21, 2025, as an opportunity to further foment hate by including in remarks made and recorded into the journal a reference likening the phrase "Free Palestine" with the phrase "Heil Hitler". There simply is no justification to advance such hateful speech into the record of this esteemed body.

LEAVE OF ABSENCE GRANTED

The following member was granted leave of absence temporarily for today to attend a funeral:

Bryant on motion of C. Morales.

HR 1311 - INTRODUCTION OF GUEST

The chair recognized Representative Rodríguez Ramos who introduced Dr. Tiffany L. Anthony, speaking as follows:

Today, I offer a recognition honoring Dr. Tiffany L. Anthony, a trailblazing transplant surgeon whose extraordinary talent and kindness have transformed the lives of countless Texans. As the surgical director of liver transplantation at Medical City Transplant in Dallas, Dr. Anthony leads a distinguished team that delivers world-class care with compassion and precision. Her path has taken her from the Transplant Institute at Methodist Dallas to leadership roles at Baylor University Medical Center and the Southwest Transplant Alliance. Now, as

president of the Texas Transplantation Society, she continues to shape the future of organ transplantation in our state. Dr. Anthony is also a dedicated advocate for donor families, volunteering with organizations like Taylor's Gift Foundation to ensure that every donor's legacy is honored. Her expertise, leadership, and deep humanity remind us all of the extraordinary power of medicine and the enduring impact of public service.

Members, many of you know I went through some really tough times—our family did—this past summer when we discovered that my daughter needed to have a liver transplant. And when you're in those situations, as Representative Leo Wilson shared with us earlier this week, you really don't know where to start. You don't know what side is up; you don't know where to seek the expertise, the information that you need to lift your family through these tough times. The only thing you have is prayer and hope that somebody—the right person—crosses your path that guides you—that speaks to you and guides you to where you and your family need to get the saving hope, grace, and medicine that you need to survive these tough times. And for us, for my family, that was Dr. Tiffany Anthony.

When I was in California and didn't know what was going on, Dr. Anthony reached out to me and said, "We, here at Medical City—we can help you. We can get your daughter the help that she needs." And she hasn't let go since that strong hug from that first day that I met her to today. Months later, she hasn't let go of her love, compassion, and dedication to service, so please join me in thanking and recognizing Dr. Tiffany Anthony for her wonderful work. Thank you, Dr. Anthony.

(1) is less than or equal to two percent of pensionable payroll, then no further action is needed and the board shall use the experience study performed by the board's actuary in determining assumptions; or

(f) The independent third-party actuary retained in accordance with Subsection (e)(2)(B) of this section shall be chosen by the municipality from a list of three actuarial firms provided by the fund.

Firefighter contributions will be picked up by a reduction in the monetary compensation of the firefighters. Contributions picked up shall be treated as employer contributions in accordance with Section 414(h)(2) of the Internal Revenue Code for the purpose of determining tax treatment of the amounts under that code. These contributions will be credited to ~~[deposited to the credit of]~~ the individual accounts of the firefighters in the fund and shall be treated as the monthly contributions of the firefighters for all purposes of this Act. These contributions are not includable in the gross income of a firefighter until the time that they are distributed or made available to the firefighter or survivors of the firefighter. The board of trustees may at any time, by majority vote, discontinue the pickup of firefighter contributions by the municipality.

SECTION 50. Section 10.03, Chapter 183 (**SB 598**), Acts of the 64th Legislature, Regular Session, 1975 (Article 6243e.1, Vernon's Texas Civil Statutes), is amended to read as follows:

Sec. 10.03. CONTRIBUTIONS AND INCOME AS ASSETS OF FUND. All contributions paid to the fund under ~~[Sections 10.01 and 10.02 of]~~ this article ~~[Act]~~ become a part of the assets of the fund. All interest and dividends on investments of the assets of the fund shall be deposited into the fund and are part of it.

SECTION 51. Section 10.04, Chapter 183 (**SB 598**), Acts of the 64th Legislature, Regular Session, 1975 (Article 6243e.1, Vernon's Texas Civil Statutes), is amended to read as follows:

Sec. 10.04. INTEREST ON INDIVIDUAL ACCOUNTS. (a) This subsection applies only to a group A member. The fund shall credit interest on December 31 of each year to the account of each firefighter, and of each former firefighter, who has not retired in an amount equal to five percent of the accumulated contributions, including previously credited interest, on deposit on January 1 of that year. The fund may not pay interest on a firefighter's or former firefighter's contributions [for part of a year or] for any period that is more than five calendar years after the date of termination of employment. This subsection expires December 31, 2025.

(a-1) Beginning January 1, 2026, a group A member is not entitled to interest on amounts credited to the member's individual account.

(b) A group B member is not entitled to interest on amounts credited to the member's individual account for any period.

SECTION 52. Article 10, Chapter 183 (SB 598), Acts of the 64th Legislature, Regular Session, 1975 (Article 6243c.1, Vernon's Texas Civil Statutes), is amended by adding Sections 10.05, 10.06, 10.07, 10.08, and 10.09 to read as follows:

Sec. 10.05. INITIAL RISK SHARING VALUATION STUDY. (a) The fund shall cause the board's actuary to prepare an initial risk sharing valuation study that is dated as of December 31, 2024, in accordance with this section.

(b) The initial risk sharing valuation study must:

(1) except as otherwise provided by this section, be prepared in accordance with the requirements of Section 10.06 of this Act;

(2) be based on the actuarial assumptions that were used by the board's actuary in the valuation completed for the year ending December 31, 2023, provided that for purposes of determining the municipal legacy contribution amounts, corridor midpoint, and municipal contribution rate for the calendar year beginning January 1, 2026:

(A) the actuarial value of assets must be equal to the market value of assets of the fund as of December 31, 2024; and

(B) the board's actuary shall use a cost-of-living adjustment assumption of 0.25 percent for purposes of valuing the cost-of-living adjustment for group A members under Section 9.04 of this Act;

(3) project the corridor midpoint for the next 30 calendar years beginning with the calendar year that begins on January 1, 2026; and

(4) include a schedule of municipal legacy contribution amounts for 30 calendar years beginning with the calendar year that begins on January 1, 2026.

(c) For purposes of Subsection (b)(4) of this section, the schedule of municipal legacy contribution amounts must be determined in such a manner that the total annual municipal legacy contribution amount for the first three calendar years will result in a phase-in of the anticipated increase in the municipal contribution rate from the calendar year that begins on January 1, 2025, to the rate equal to the sum of the estimated municipal contribution rate for the calendar year that begins on January 1, 2026, and the rate of pensionable payroll equal to the municipal legacy contribution amount for January 1, 2026, determined as if

there was no phase-in of the increase to the municipal legacy contribution amount. The phase-in must reflect approximately one-third of the increase each year over the three-year phase-in period.

(d) The municipality's contribution under Section 10.01 of this Act for:

(1) the calendar years that begin on January 1, 2026, January 1, 2027, and January 1, 2028, must be adjusted to reflect the impact of the phase-in prescribed by this section; and

(2) each calendar year that begins on January 1, 2029, through January 1, 2055, must reflect a municipal legacy contribution amount that is 2.5 percent greater than the municipal legacy contribution amount for the preceding calendar year.

(e) The estimated municipal contribution rate for the calendar year that begins on January 1, 2026, must be based on the projected pensionable payroll, as determined under the initial risk sharing valuation study required by this section, assuming a payroll growth rate of 2.5 percent.

Sec. 10.06. SUBSEQUENT RISK SHARING VALUATION STUDIES. (a) The fund shall cause the board's actuary to prepare a risk sharing valuation study that is dated as of December 31 of each calendar year beginning with the 2025 calendar year in accordance with this section and actuarial standards of practice.

(b) Each risk sharing valuation study must:

(1) be dated as of the last day of the calendar year for which the study is required to be prepared;

(2) calculate the unfunded actuarial accrued liability of the fund as of the last day of the applicable calendar year, including the liability layer, if any, associated with the most recently completed calendar year;

(3) calculate the estimated municipal contribution rate for the following calendar year;

(4) determine the municipal contribution rate and the firefighter contribution rate for the following calendar year, taking into account any adjustments required under Section 10.07, 10.08, or 10.09 of this Act, as applicable; and

(5) except as provided by Subsection (e) of this section, be based on the assumptions and methods adopted by the board in accordance with Section 2.14 of this Act, if applicable, and that are consistent with actuarial standards of practice and the following principles:

(A) closed layered amortization of liability layers to ensure that the amortization period for each liability layer begins 12 months after the date of the risk sharing valuation study in which the liability layer is first recognized;

(B) each liability layer is assigned an amortization period;

(C) each liability loss layer will be amortized over a period of 20 years from the first day of the calendar year beginning 12 months after the date of the risk sharing valuation study in which the liability loss layer is first recognized, except that the legacy liability must be amortized over a 30-year period beginning January 1, 2026;

(D) each liability gain layer will be amortized over:

(i) a period equal to the remaining amortization period on the largest remaining liability loss layer; or

(ii) if there is no liability loss layer, a period of 20 years from the first day of the calendar year beginning 12 months after the date of the risk sharing valuation study in which the liability gain layer is first recognized;

(E) liability layers will be funded according to the level percent of payroll method;

(F) payroll for purposes of determining the corridor midpoint, municipal contribution rate, and municipal legacy contribution amount must be projected using the annual payroll growth rate assumption adopted by the board of trustees; and

(G) the municipal contribution rate will be calculated each calendar year without inclusion of the legacy liability.

(c) The municipality may contribute an amount in addition to the scheduled municipal legacy contribution amounts to reduce the number or amount of scheduled future municipal legacy contribution payments. If the municipality contributes an additional amount under this subsection, the board's actuary shall create a new schedule of municipal legacy contribution amounts that reflects payment of the additional contribution.

(d) The municipality and the board of trustees may agree on a written transition plan for resetting the corridor midpoint, firefighter contribution rate, and municipal contribution rate:

(1) if at any time the funded ratio of the fund is equal to or greater than 100 percent; or

(2) for any calendar year after the payoff year of the legacy liability.

(e) Subject to Section 2.14 of this Act, the board may by rule adopt actuarial principles other than those required under Subsection (b)(5) of this section, provided the actuarial principles:

(1) are consistent with actuarial standards of practice;

(2) are approved by the board's actuary; and

(3) do not operate to change the municipal legacy contribution amount.

Sec. 10.07. ADJUSTMENT TO MUNICIPAL CONTRIBUTION RATE IF ESTIMATED MUNICIPAL CONTRIBUTION RATE LOWER THAN CORRIDOR MIDPOINT. (a) Subject to Subsection (b) of this section, for the calendar year beginning January 1, 2026, and for each subsequent calendar year, if the estimated municipal contribution rate is lower than the corridor midpoint, the municipal contribution rate for the applicable year is:

(1) the corridor midpoint if the funded ratio is less than 90 percent; or

(2) the estimated municipal contribution rate if the funded ratio is 90 percent or greater.

(b) The municipal contribution rate may not be lower than the minimum municipal contribution rate.

(c) If the funded ratio is equal to or greater than 100 percent:

(1) all existing liability layers, including the legacy liability, are considered fully amortized and paid; and

(2) the municipal legacy contribution amount may no longer be included in the municipal contribution under Section 10.01 of this Act.

Sec. 10.08. ADJUSTMENT TO MUNICIPAL CONTRIBUTION RATE IF ESTIMATED MUNICIPAL CONTRIBUTION RATE EQUAL TO OR GREATER THAN CORRIDOR MIDPOINT. For the calendar year beginning January 1, 2026, and for each subsequent calendar year, if the estimated municipal contribution rate is equal to or greater than the corridor midpoint and:

(1) less than or equal to the maximum municipal contribution rate for the corresponding calendar year, the municipal contribution rate is the estimated municipal contribution rate; or

(2) greater than the maximum municipal contribution rate for the corresponding calendar year, the municipal contribution rate is the maximum municipal contribution rate.

Sec. 10.09. INCREASED FIREFIGHTER CONTRIBUTION RATE IF ESTIMATED MUNICIPAL CONTRIBUTION RATE GREATER THAN MAXIMUM MUNICIPAL CONTRIBUTION RATE. (a) This section governs the determination of the firefighter contribution rate applicable in a calendar year under Section 10.011 of this Act if the estimated municipal contribution rate determined under Section 10.06(b)(3) of this Act is greater than the maximum municipal contribution rate.

(b) Except as provided by Subsection (c) of this section, if the estimated municipal contribution rate is greater than the corridor maximum, the firefighter contribution rate will increase by an amount equal to the difference between the following:

(1) the estimated municipal contribution rate; and

(2) the maximum municipal contribution rate.

(c) The firefighter contribution rate may not be increased by more than two percentage points under this section.

(d) If the estimated municipal contribution rate is more than two percentage points greater than the maximum municipal contribution rate, the municipality and the board of trustees shall enter into discussions to determine additional funding solutions.

SECTION 53. Section 11.03(b), Chapter 183 (**SB 598**), Acts of the 64th Legislature, Regular Session, 1975 (Article 6243e.1, Vernon's Texas Civil Statutes), is amended to read as follows:

(b) The board of trustees may not adopt an amendment to the investment policy adopted under this section unless the proposed amendment is approved by the affirmative vote ~~[of a majority of the members]~~ of the board ~~[at not fewer than three regular meetings of the board]~~.

HB 4273 - WITH SENATE AMENDMENTS

Representative Oliverson called up with senate amendments for consideration at this time,

HB 4273, A bill to be entitled An Act relating to unlawful acts involving certain health care programs.

HB 4273 - POINT OF ORDER

Representative Walle raised a point of order against further consideration of the senate amendments to **HB 4273** under Rule 11, Section 2, of the House Rules.

(Speaker in the chair)

The speaker sustained the point of order, announcing his decision to the house as follows:

Mr. Walle raises a point of order against further consideration of the senate amendments to **HB 4273** under Rule 11, Section 2, on the grounds that the amendments are not germane to the bill.

As it left the house, the bill was narrowly drafted to close a statutory loophole that prevented the imposition of penalties on a Medicaid provider. It accomplished this by requiring Medicaid providers to declare the type of license under which they were providing services. The senate amendments added a number of new restrictions and requirements addressing how the Health and Human Services Commission verifies applicants' eligibility for Medicaid. The amendments are not on the same subject as the bill and are not germane. See, e.g., 87 H. Jour. 4222-4223 (2021).

Accordingly, the point of order is well-taken and sustained.

The chair directs the chief clerk to return the bill to the senate for further action.

HB 4273 was returned to the senate for further action.
