POSTPONED BUSINESS

The following bills were laid before the house as postponed business:

CSSB 15 ON SECOND READING
(Gates - House Sponsor)

CSSB 15, A bill to be entitled An Act relating to size and density requirements for residential lots in certain municipalities; authorizing a fee.

CSSB 15 was read second time on May 24 and was postponed until 9:30 p.m. May 24.

CSSB 15 - POINT OF ORDER

Representative Romero raised a point of order against further consideration of **CSSB 15** under Rule 8, Section 10(b), of the House Rules. The speaker sustained the point of order, announcing his decision to the house as follows:

Mr. Romero raises a point of order against further consideration of **CSSB 15** under Rule 8, Section 10(b), on the grounds that the bill is impermissibly limited in application to one or more political subdivisions by means of artificial devices.

The bill as reported from committee exempted from its application a location that is, among other things, within "one mile of a campus of the perimeter of a law enforcement training center in a county that has a population of 2,600,000 or more but less than 2,700,000." The chair notes that the rule permits the use of minimum or maximum population in a bill to limit its application, but not both. Here, the bracket includes only Dallas County. The chair would be required to find a reasonable relationship between the location of a law enforcement training center in Dallas County and the bill's purpose of increasing the housing supply. See, e.g., 80 H. Jour. 3162-3163 (2007). The chair can find no such relationship.

Accordingly, the point of order is well-taken and sustained.

CSSB 15 was returned to the Committee on Land and Resource Management.

ADDITIONAL SPONSOR AUTHORIZED

Representative Capriglione moved to suspend Rule 8, Section 5(d), of the House Rules to designate Representative Guerra as an additional sponsor to **SB 438**.

The motion prevailed.

REASON FOR VOTE

Representative Harrison submitted the following reason for vote to be printed in the journal:

I fully support TSTC, and I proudly filed and passed the bill last session to allow it to expand in Ellis County. I also support the concept of increasing TSTC's funding this session, although I wish we were doing it by offsetting cuts somewhere else. However, I voted present, not voting on **SJR 59** because instead of just authorizing an appropriation of funds, we are creating another constitutionally dedicated fund which allows multiple things to happen. First, it is more "off the books accounting" because constitutional funds are ironically not subject to the constitutional spending limit. Second, it authorizes greater expenditures in future years without legislative approval.
