### **HB 3527 - PERMISSION TO INTRODUCE**

Representative Haggerty requested permission to introduce and have placed on first reading **HB 3527**.

Permission to introduce was granted.

### **EMERGENCY CALENDAR HOUSE BILLS SECOND READING**

The following bills were laid before the house and read second time:

### **CSHB 10 ON SECOND READING (by Pitts and Denny) RULES SUSPENDED**

Representative Pitts moved to suspend all necessary rules to take up and consider at this time **CSHB 10**.

The motion prevailed.

The speaker laid before the house, on its second reading and passage to engrossment,

**CSHB 10**, A bill to be entitled An Act relating to making supplemental appropriations and reductions in appropriations.

### **Amendment No. 1**

Representative Herrero offered the following amendment to **CSHB 10**:

Amend **CSHB 10**, on page 2, by adding the following Section and renumbering the remaining sections accordingly:

SECTION \_\_\_\_\_. HEALTH AND HUMAN SERVICES COMMISSION; CHILDREN'S HEALTH INSURANCE PROGRAM. The amount of \$140,750,000 is appropriated out of the general revenue fund and the amount of \$361,678,571 in matching federal funds is appropriated to the Health and Human Services Commission for the state fiscal biennium beginning September 1, 2005, for the restoration and expansion of the Children's Health Insurance Program.

**AMENDMENT NO. 1 - DEBATE**

REPRESENTATIVE COLEMAN: Representative Herrero, in a discussion I just had with Chairman Pitts, he said there was enrollment growth in the CHIP program. Tell me, how can there be enrollment growth when we have less children in the CHIP program based on the '06-'07 numbers than we had prior, even after September 1, 2003, when the program was cut?

REPRESENTATIVE HERRERO: Again, we do not have additional children. All we are doing is restoring—if this amendment is not passed all you're doing is restoring, not even, maybe, about half of the number that were dropped. And, in fact, upon estimates not even one of the 175 children cut off CHIP in 2003 will actually be restored to the CHIP program.

COLEMAN: So in terms of the 175,000 slots for children that we lost neither **HB 10** nor **CSSB 1** restores the slot for any one of those children that has been lost.

HERRERO: That's exactly right. We are not restoring those that were dropped in 2003.

COLEMAN: So, just so, because we are going to talk about this a little bit later as well, so just everybody understands that in **CSSB 1**, vision and dental were restored as benefits, but no child or no slot for a child that would be eligible for CHIP based on the criterion prior to the 2003 session would be eligible to come back on CHIP? And that is why you are bringing this amendment—to fully restore the number of children back to caseloads of prior to 2003, which would have been 527,000 kids instead of 330,000 kids?

HERRERO: That's exactly right. Neither **HB 10** or the **CSSB 1** restore not even one of those 175,000 children. So that is why you essentially have 175,000 children that are left behind. In addition to that, you leave over \$700 million in federal matching funds on the table that will be distributed to other states, and this is at a time when Texas is at an insurance crisis, when so many of its Texas children are uninsured.

COLEMAN: So out of the 1.4 million uninsured kids in that subset that would be eligible for Children's Health Insurance Program, if it were restored, none of them will have the opportunity to get health coverage under CHIP. Is that correct?

HERRERO: That is correct.

COLEMAN: Unless your amendment goes on.

HERRERO: That is correct, and that is why I am asking for the support of the amendment.

COLEMAN: Thank you, you have a great amendment.

REPRESENTATIVE BERMAN: Mr. Herrero, I am on the Appropriations Committee. Are you aware of the fact that out of the 175 that were dropped from CHIP during the last session, that immediately 45 percent went right back on Medicaid? Because if they are otherwise qualified for Medicaid under federal then they are not eligible for CHIP. Did you know that?

HERRERO: I understand that.

BERMAN: That's correct. This came from Albert Hawkins, the commissioner on Health and Human Services. Do you also realize that another 22 percent went immediately back on the CHIP rolls when they were found to be qualified? This came from Albert Hawkins also. Another 12.5 percent. Did you know another 12.5 percent went back on private health insurance because they were on the higher end of the CHIP scale? They were making \$45,000 a year for a family of four. So when you say 175,000 kids were dropped from CHIP, they are not running around the streets of Texas somewhere without health insurance because almost 72 percent of them went right back on health insurance immediately. Did you know that?

HERRERO: That might be the case—

BERMAN: That is the case.

HERRERO: Okay, but the problem that you have is the fact that you are turning to Medicaid and some people do not qualify for Medicaid, so essentially what you are encouraging is for families that are trying to get out of governmental assistance to not receive any sort of assistance when you have a single parent mother who is working.

BERMAN: Is CHIP not government assistance?

HERRERO: It is, but it helps because when you talk about that it affects a lot of positions throughout the state as well. The reimbursement rates for physicians are nowhere near the amount of costs that they are expending providing these costs through Medicaid.

BERMAN: I agree that every child in this state should be covered by insurance, but when you are throwing numbers out like 175,000 were dropped, be very clear because 45 percent went immediately back on Medicaid, 22 percent back on CHIP, and another 15-20 percent went back on private health insurance, which was dropped to get on CHIP in the first place.

HERRERO: Right, but what you are doing there is you are essentially allowing the federal government to dictate what Texas does in providing coverage for its children.

BERMAN: It's federal law. You have to abide by federal law.

HERRERO: Right, that's right. But what isn't federal law is the CHIP program, and how much we as a state can step up and fund to provide additional coverage to children that would otherwise—whether you are talking about reinstating through CHIP or Medicaid—when you provide additional funding money—when we get \$3 for every \$1 that the state puts in, you increase the number of children who would otherwise have health insurance.

BERMAN: I do not disagree with you. I disagree with the way you are throwing numbers around erroneously.

HERRERO: Well, the fact is that without this amendment you would have essentially 175,000 children not under the CHIP program that otherwise would have been available to be part of the CHIP program.

BERMAN: Okay. Thank you.

REPRESENTATIVE TURNER: Thanks. Representative Herrero, let me just say that I understand.

MR. SPEAKER: Mr. Baxter raises the point of order that the gentleman's time has expired. The point of order is well taken and sustained.

HERRERO: I move for passage, Mr. Speaker.

MR. SPEAKER: Chair recognizes Representative Luna.

REPRESENTATIVE LUNA: Thank you, Mr. Speaker and members. And you know, I too appreciate and understand the intent of this particular amendment. But I want to highlight some of the things we have already done for the CHIP program. And, I would also like to point out that—this—this particular vehicle, **HB 10**, is not the vehicle to be trying to do this. We have—many of us on the Appropriations Committee that have looked long and hard at ways to balance everything to make sure that we are taking care of all the essential state needs—we have done significant funding in Health and Human Services, especially in the Medicaid program. And we have done some additional funding in the CHIP program. In fact, **HB 10** does bring additional money into the CHIP program. Again, I do think that—that this has good intent, but I will move to table.

COLEMAN: Representative Luna, now it is correct that **HB 10** does put money in to deal with cost of drugs, utilization, and things of that nature—is that not true?

LUNA: That's correct.

COLEMAN: But it does not add a single child that would be eligible for the CHIP program based on how it was originally passed back on the CHIP program. Is that true?

LUNA: Well, you know there are—we have seen some changes in the amount of enrollment, you are well aware of that.

COLEMAN: No, I am not aware of it. Explain it to me.

LUNA: Well, first of all, the numbers have declined over time. What we have done and what we are looking at doing in the general appropriations bill, which we will be looking at shortly after we get past this bill, is to address the projected caseloads. So your question regarding, you know, the fact that the numbers have changed, there have been some changes.

COLEMAN: So the changes have been from 527,000 kids down to about 330,000 kids, and based on the bill we are going to hear later, it goes to 324,000 kids in '06, is that not correct?

LUNA: Yeah, that again. The projection on the caseloads of the following year and the current year that we in '05 and the next year '06 the projections still show a decline. I can't tell you exactly all the things that are driving that, Representative Coleman.

COLEMAN: Well, it might be that the **HB 2292** was written to purposely create a decline, is that not correct?

LUNA: Well, as you well know, I had a lot of questions with **HB 2292** and that is what I am trying to get at. I can't point to exactly what is causing that caseload projection to look the way it does, but what I can—

COLEMAN: So—

LUNA: —but what I can tell you, Representative Coleman, is that what we have done and what we are going to talk about as the general appropriations bill—it is kind of a different discussion than what is immediately before us. But we have attempted to address that.

COLEMAN: Okay, let me ask you—

LUNA: What is immediately before us in **HB 10**, and again I do appreciate the intent behind trying to increase funding for CHIP, but that is not something we can do in **HB 10** as a supplemental appropriations bill.

COLEMAN: It may be Chairman Pitts can ask this. Isn't it intended that money in **HB 10** be carried forward into the '07-'08 budget?

LUNA: You are talking about would there be UB?

COLEMAN: The unexpended balances from **HB 10** into the next biennium.

LUNA: There will be some unexpended balances throughout the bill or throughout various—

COLEMAN: Since there are unexpended balances—and what Mr. Herrero's amendment does is add the 175,000 slots back into the next biennium, not this biennium, by using up those unexpended balances that are in **HB 10**—doesn't that make this amendment in order?

LUNA: And what I am trying to suggest to you, Mr. Coleman, is that **HB 10** is not the place to be looking to increase funding for—

COLEMAN: Why not?

LUNA: Because we are, at this time—

COLEMAN: —Because it's over—

LUNA: Would you like me to answer the question?

COLEMAN: Uh, yeah.

LUNA: Okay, thank you very much. **HB 10** has a whole slew of items that are being funded, as you well know and whether or not you would consider this an emergency. I know we have differing opinions on the floor as to whether or not this is something that is so critical that it should be done at this point in time. I can tell you that there is a strong effort for not CHIP, but across the board for other Health and Human Services programs. Whether it be a Medicaid program or one of the other programs that are so important that we continue to address those needs. And this bill, at this time, is not the appropriate place.

COLEMAN: Well, Representative Luna, when is it appropriate? Because after the cuts in CHIP from last session that took these 175,000 slots off the appropriations committee, this legislature, the whole State of Texas government had an opportunity to review this and figure out whether that's not something that's worthwhile—even more worthwhile—than probably another \$140 million into the enterprise fund. Wait. Before we used all of the rainy day fund, don't you think those 175,000 slots for kids should have been put back?

LUNA: Well, we attempted to come back as you, as you look at the bill—

COLEMAN: Come back when? Five years from now?

LUNA: If you would let me finish my statement—what we have attempted to do with **HB 10** is to go back in and make up some of the dollars that are needed to keep the CHIP program intact right now. For example, the premiums that were going to be charged—that was suspended, that part of the policy change was suspended during the interim, and so what **HB 10** does is it makes up that funding as a part of the \$65 million that goes into CHIP—\$44 million of that is for the premium. So, at the end of the day, the families are going to have a lesser cost-sharing burden.

COLEMAN: Well, the reason that was done was not because of the fact that you needed to—that other than the fact that another 100,000 kids would have come off if that policy would have stayed in place, is that not correct?

LUNA: And I agree that having that policy change was a good thing to do and it has been done, and what we are doing in **HB 10**, which is the supplemental appropriations bill—

COLEMAN: I understand what it is.

LUNA: —is putting that money in there so that the program stays solid.

COLEMAN: But do you not agree that it is also an appropriations bill for the next biennium because it has substantial carry-forward dollars into it, into the '07-'08 budget?

LUNA: I don't agree. Your question earlier regarding UB is, as you well know, because of all your years of experience here and all the fine work that you have done, you know that many agencies have UB authority and that is not unusual. So I do not think that turns this bill into a general appropriations bill.

COLEMAN: Well, I think that because you took \$1.4 billion out of **CSSB 1** and literally put that spending into **HB 10**, it would seem to me that clearly you expect that money to roll forward in funding '07-'08. So since the appropriations committee didn't believe that was something necessary to fund the children either rainy day fund and all of those things that are being spent in **HB 10**, I think that—don't you think it is in order for Representative Herrero to bring forward, and going ahead and putting those children back into the CHIP program by appropriating those dollars since it is a rainy day? Why not have those children put back on the program?

LUNA: **HB 10** does address—the amendment speaks to the CHIP program, and the bill does address additional dollars for the program.

COLEMAN: But does it put any children back on the CHIP program?

LUNA: It creates an opportunity to maintain what is there for '05 and I think that is critically important, Representative Coleman.

COLEMAN: So you are saying—I am just going to ask a question—so you are saying out of all the money being spent that you didn't fight to make sure there were more children put back on the CHIP program?

LUNA: No, I am not saying that. That is what you are saying.

COLEMAN: No, I asked you a question.

LUNA: Uh, yeah. No. That was a statement on your part, and that is not what I am saying.

MR. SPEAKER: Frost raises a point of order. The lady's time has expired. The point of order is well taken and sustained.

LUNA: Mr. Speaker, I move to table.

MR. SPEAKER: Chair recognizes Mr. Herrero.

HERRERO: Members—

TURNER: Mr. Herrero, let me start off by saying I agree with the essence of the amendment. I want that to be perfectly clear. Within the emergency supplemental, which is **HB 10**, you will agree with me that there are additional dollars in **HB 10** for the CHIP program, correct?

HERRERO: Not if you compare it to what existed in 2003.

TURNER: I agree. When you look at **HB 10**, and even when you look at **SB 1**, the dollars that are in there do not equate to 2003. I am in total agreement with you. And it is your desire to at least bring us back to where we were to try and take—to try and provide additional coverage for those 147,000 kids that were reduced from the last biennium. That is your desire, is it not?

HERRERO: To fully restore the Children's Health Insurance Program.

TURNER: And let me say to you that I, and I am sure there are many others, are in total agreement with you and it is my goal and my desire to—and the desire of other members before this process has been completed—to achieve that purpose. For purposes for where we are right now, recognize that we are dealing with the emergency appropriations bill in **HB 10**, and within the emergency appropriations bill we are dealing with the items dealing with the premiums and with the increased caseloads that we did not fund in **HB 10**. You'll agree with me on that.

HERRERO: I agree on the purpose that you have alluded to, yes, in your statement.

TURNER: The other thing is that in order to get us in order, to get us back to where we were, there are several things that are going to have to take place. The eligibility requirements that we have imposed in the last session, the asset test, the 90-day wait, going from 12 months to 6 months, those were things that served to cut down those kids that would be eligible for the CHIP.

HERRERO: I agree.

TURNER: Okay, and those eligibility requirements—many of which were imposed through **HB 2292** in order to remove them—we have to remove them statutorily.

HERRERO: I agree.

TURNER: In the absence, in **HB 10**, even if we adopt your amendment, until we remove those statutory restraints, we are not going to be able to—even with the dollars—to return those kids, which you and I both agree, and many members on the floor agree need—deserve—insurance in order to live productive lives. I think you will agree with me on that.

HERRERO: I disagree in principle but not procedurally because a lot of what you hear in the legislature is that there is not enough money to do one thing or another, and I think this is a step forward in trying to fully restore the children that were dropped in 2003, and this is the first step that we take in getting to that goal. And I think following that you get into removing those obstacles that were put in place that essentially cut back on the number of enrollment, and I understand that **HB 10** deals with emergency and things of that nature, and I think that is where the State of Texas is. We are in an insurance crisis where you have several hundreds of thousands of children that were dropped in 2003 that we need to provide funding for so that they can have insurance. Even then, we are talking at a time when the federal government has decided, and at least it has been known to us as members of the legislature, that the federal government intends to further cut on programs that would assist people in need.

TURNER: Right, Representative Herrero. I am not—I agree with everything that you are saying. What we have done in the bill, in **SB 1**, is that we have provided CHIP to the kids who are eligible. The eligibility requirements, would you agree, were changed in the last session, which significantly reduced the number of kids that are eligible for CHIP. Will you agree with me?

HERRERO: I agree.

TURNER: Neither you nor myself agree with the eligibility requirements that were changed. I don't agree with them and I know you don't agree with them. But there is nothing in your amendment that is going to change the eligibility requirements, and, therefore, the dollars that are included in the amendment, whether we agree with the end goal—it is not going to impact the end goal by virtue of the amendment. That is the point that I am trying to make, that I fully support your desire and I fully agree with the ultimate goal. This is just not the step where that can be achieved, even if you and I wanted it to be achieved. That is the point that I am trying to make.

HERRERO: And I understand the point that you are trying to make, representative, and again I get to the fact that a lot of things, nothing, can be done without money and even if you remove the eligibility restraints that cause so many hundreds of thousands of children on CHIP to be dropped and there is no money, then there is nothing that you and I could do without allocating that money to fully restore the Children's Health Insurance Program. And that is why, again, I ask for support given the fact that we agree on what may have caused—

TURNER: I respect you for your position. I agree with your position. I am not going to be able to vote with this amendment. But I do want you to know that there are many people on this floor that are a part of the appropriations process that will do all that we can to achieve the ultimate goal as we move through the process. I just don't think at this point, with respect to the appropriations bill, that we can achieve the goal, even if the amendment went on.

HERRERO: I respect your opinions because I think we agree on principle but not procedurally, and I respect that.

TURNER: That is the only point of disagreement, and I can't go with the amendment. But, in substance, I agree with what you are saying. Procedurally, I simply don't think this amendment is applicable on this bill at this time, but we will work on it as we go further down the road, and I look forward to continuing to talk with you and dialogue with you about it.

HERRERO: Thank you.

### Amendment No. 5

Representative Burnam offered the following amendment to **CSHB 10**:

Amend **CSHB 10** by adding the following section:

"SECTION 12(A). TEACHER RETIREMENT SYSTEM OF TEXAS: The amount of \$11,000,000,000 is appropriated out of the General Revenue Fund to the Teacher Retirement System of Texas for the state fiscal year beginning September 1, 2005, for the purpose of covering the \$11 billion shortfall at TRS and providing promised benefits and health care for public education retirees."

Amendment No. 5 was withdrawn.

(Speaker in the chair)

**Amendment No. 6**

Representative Eiland offered the following amendment to **CSHB 10**:

Amend **CSHB 10** by adding the following appropriately numbered SECTION and renumbering subsequent SECTIONS accordingly:

SECTION\_\_\_. TEACHER RETIREMENT SYSTEM OF TEXAS: TRS-ACTIVE CARE HEALTH INSURANCE; SUPPLEMENTAL FUNDS. The amount of \$58 million is appropriated out of the Economic Stabilization Fund to the Teacher Retirement System of Texas for the two-year period beginning September 1, 2005, for the purpose of providing funding for retired employee health-supplemental funds (health care for public education employees funded by supplemental state funds). Any unexpended balance at the end of the fiscal period remains in the control of the Teacher Retirement System.

Representative Kolkhorst moved to table Amendment No. 6.

The motion to table prevailed. (Kuempel recorded voting no.)

**BILLS AND RESOLUTIONS SIGNED BY THE SPEAKER**

Notice was given at this time that the speaker had signed bills and resolutions in the presence of the house (see the addendum to the daily journal, Signed by the Speaker, Senate List No. 3).

**CSHB 10 - (consideration continued)**

**Amendment No. 7**

Representative Eiland offered the following amendment to **CSHB 10**:

Amend **CSHB 10** by adding a new section, numbered appropriately, to read as follows:

SECTION\_\_\_. The Economic Stabilization Fund established under Section 49-g, Article III, Texas Constitution, may also be referred to as "The Everyday Fund."

**Amendment No. 7 - Point of Order**

Representative Chisum raised a point of order against further consideration of Amendment No. 7 under Rule 11, Section 2 of the House Rules on the grounds that the amendment is not germane to the bill.

The point of order was withdrawn.

Representative Pitts moved to table Amendment No. 7.

The motion to table prevailed.

**MESSAGE FROM THE SENATE**

A message from the senate was received at this time (see the addendum to the daily journal, Messages from the Senate, Message No. 2).

**CSHB 10 - (consideration continued)****Amendment No. 8**

Representative Gallego offered the following amendment to **CSHB 10**:

Amend **CSHB 10** (House Committee Printing) as follows:

(1) On page 9, following line 27, insert the following new SECTION, appropriately numbered:

SECTION \_\_\_\_\_. TEXAS HIGHER EDUCATION COORDINATING BOARD: FORMULA FUNDING. In addition to amounts previously appropriated for the state fiscal biennium ending August 31, 2005, the amount of \$600,000,000 is appropriated out of the general revenue fund to the Texas Higher Education Coordinating Board for the two-year period beginning on the effective date of this Act for the purpose of increasing the amount of formula funding distributed to institutions of higher education. The coordinating board shall allocate money appropriated by this section to institutions of higher education as determined appropriate by the board, consistent with the board's funding formulas, to supplement other money appropriated to those institutions.

(2) On page 14, between lines 1 and 2, insert the following new SECTION, appropriately numbered:

SECTION \_\_\_\_\_. LIMITATION ON EXPENDITURE OF APPROPRIATED TUITION AND FEES: INSTITUTIONS OF HIGHER EDUCATION. (a) An institution of higher education may not expend any revenue appropriated to the institution derived from tuition and compulsory fees charged to any student of the institution for any academic period of the 2005-2006 academic year to the extent that the amount of that revenue derived from that student exceeds 103 percent of the total amount of such tuition and compulsory fees that a similarly situated student would have paid for the corresponding academic period of the 2004-2005 academic year.

(b) For the two-year period beginning on the effective date of this Act, an institution of higher education may not expend any revenue appropriated to the institution derived from tuition and compulsory fees charged to any student of the institution for any academic period of the 2006-2007 academic year to the extent that the amount of that revenue derived from that student exceeds 106 percent of the total amount of such tuition and compulsory fees that a similarly situated student would have paid for the corresponding academic period of the 2004-2005 academic year.

(c) For purposes of this section, students are similarly situated if they share the same residency status, degree program, course load, course level, tuition exemption status, and other circumstances affecting the tuition and compulsory fees charged to the student.

(d) This section applies only to increased revenue received on a per student basis. This section does not restrict the expenditure of increased revenue to the extent that the increase in revenue is due to an increase in the number of students.

(3) Renumber SECTIONS of the bill accordingly:

**Amendment No. 8 - Point of Order**

Representative Kolkhorst raised a point of order against further consideration of Amendment No. 8 under Rule 8, Section 4 of the House Rules and Article III, Section 35 of the Texas Constitution on the grounds that the amendment changes general law.

The speaker sustained the point of order and submitted the following ruling:

Representative Kolkhorst raised a point of order against further consideration of Representative Gallego's amendment to **CSHB 10** on the grounds that the amendment violated Article III, Section 35 of the Texas Constitution and Rule 8, Section 4, House Rules. Both the constitutional provision and the house rule states that a general law "may not be changed by the provisions in an appropriations bill".

**CSHB 10** provides supplemental appropriations for higher education in the current biennium. The Gallego amendment, in its pertinent section, contains a restriction that an institution of higher education may not expend any revenue appropriated to the institution during the next biennium "if the total amount of tuition under Section 54.0513, Education Code, and mandatory fees charged to a student by the institution" exceed certain percentages compared to previous academic years. Representative Kolkhorst noted, and the chair agrees, that the net effect of the Gallego amendment would have been to impound money raised over a certain dollar amount and that those impounded funds could not be available for use in the General Appropriation Act, in effect reducing the sum of money available for the general appropriations.

First, it should be noted that the amendment dealt with a higher education appropriations in the next biennium and that **CSHB 10** only dealt with the higher education appropriations in the current biennium, the amendment would not have been germane.

Additionally, the setting of and collection of tuition is a unique and complicated area of state law. The general law specifically designates to the governing body of institutions of higher education the ability to charge an amount of tuition considered "necessary for the effective operation of the institution". Further, there are unique and complicated provisions in general law relating to the accounting and use of tuition funds collected.

As a general rule, an amendment or rider to an appropriations bill may not repeal, modify, or amend an existing law and may not impose or conflict with a general law requirement. *State v. Steele*, 57 Tex. 203 (1882); *Moore v. Shepard*, 192 S.W.2d 559 (Tex. 1946).

It has been pointed out, as early as 1882, that the majority of riders that have been stricken to appropriations acts are those that attempt to modify or amend a general statute. Each decision on whether an amendment violates the constitutional provision and house rule turns on the nature of the amendment and the nature of the general law restriction. See *State v. Steele*, 57 Tex. 203 (1882).

Under Article III, Section 35, of the Texas Constitution, an appropriations bill may only appropriate money and direct, limit, or control the expenditures of money appropriated by that bill. See Attorney General's Opinion V-1254 (1951).

Because the amendment purports to control the expenditure of funds that were not appropriated by **CSHB 10**, the amendment effectively constitutes a general law restriction on the use of funds and therefore was not in order.

Also, there is a general law requirement affected by Mr. Gallego's amendment. Section 54.0513, Education Code, is a unique provision of state law. Subsection (c) describes tuition collected by institutions of higher education are "institutional funds" and are accounted for as "designated funds". "These funds shall not be accounted for in a general appropriations act in such a way as to reduce the general appropriations".

It is the opinion of the chair that Representative Gallego's amendment conflicted with the general law requirement contained in the provisions of Section 54.0513, Education Code, so that the amendment would have the effect of accounting for the funds "in such a way as to reduce the general appropriations".

Because the amendment was not germane and violated Rule 8, Section 4, the point of order is well taken and sustained; Attorney General Opinion M-1199; Attorney General Opinion DM-81 (1992).

The ruling precluded further consideration of Amendment No. 8.

#### **Amendment No. 9**

Representative Gallego offered the following amendment to **CSHB 10**:

Amend **CSHB 10** (House Committee Printing) as follows:

(1) On page 9, following line 27, insert the following new SECTION, appropriately numbered:

SECTION \_\_\_\_\_. TEXAS HIGHER EDUCATION COORDINATING BOARD: FORMULA FUNDING. In addition to amounts previously appropriated for the state fiscal biennium ending August 31, 2005, the amount of \$600,000,000 is appropriated out of the general revenue fund to the Texas Higher Education Coordinating Board for the two-year period beginning on the effective date of this Act for the purpose of increasing the amount of formula funding distributed to institutions of higher education. The coordinating board shall allocate money appropriated by this section to institutions of higher education as determined appropriate by the board, consistent with the board's funding formulas, to supplement other money appropriated to those institutions.

(2) On page 14, between lines 1 and 2, insert the following new SECTION, appropriately numbered:

SECTION \_\_\_\_\_. LIMITATION ON EXPENDITURE OF APPROPRIATED TUITION AND FEES: INSTITUTIONS OF HIGHER EDUCATION. (a) An institution of higher education may not expend any revenue appropriated to the institution for any academic period of the 2005-2006 academic year if the total amount of tuition under Section 54.0513, Education Code, and mandatory fees charged to a student by the institution exceeds 103 percent of the total amount of such tuition and compulsory fees that a similarly situated student would have paid for the corresponding academic period of the 2004-2005 academic year.

(b) For the two-year period beginning on the effective date of this Act, an institution of higher education may not expend any revenue appropriated to the institution for any academic period of the 2006-2007 academic year if the total amount of tuition under Section 54.0513, Education Code, and mandatory fees charged to a student by the institution exceeds 106 percent of the total amount of such tuition and compulsory fees that a similarly situated student would have paid for the corresponding academic period of the 2004-2005 academic year.

(c) For purposes of this section, students are similarly situated if they share the same residency status, degree program, course load, course level, tuition exemption status, and other circumstances affecting the tuition and compulsory fees charged to the student.

(3) Renumber SECTIONS of the bill accordingly:

Amendment No. 9 was withdrawn.

### **Amendment No. 10**

Representative Gallego offered the following amendment to **CSHB 10**:

Amend **CSHB 10** by adding the following appropriately numbered section:

"Section \_\_\_\_: Higher Education Coordinating Board: Restoration of cuts made to the Texas Grants Program. In addition to the amounts appropriated for the state fiscal biennium ending August 31, 2007, the amount of \$200,000,000 is appropriated out of the general revenue fund to the Higher Education Coordinating Board for the two-year period beginning on the effective date of this bill for the purpose of fully funding the Texas Grants Program – Strategy B.1.9."

### Amendment No. 13

Representative Thompson offered the following amendment to **CSHB 10**:

Amend **CSHB 10** by adding the following appropriately numbered Section to the bill:

SECTION \_\_\_\_\_. APPROPRIATIONS FROM TELECOMMUNICATIONS INFRASTRUCTURE FUND. Notwithstanding any other provision of this Act, none of the money appropriated by this Act may be appropriated out of the Telecommunications Infrastructure Fund.

### AMENDMENT NO. 13 - DEBATE

REPRESENTATIVE THOMPSON: Mr. Speaker and members, last month we told the people of this state that there would be truth in taxation and we repealed the Texas, the Telecommunications Infrastructure or the TIF tax because that tax had accomplished the purpose in which the rate payers were paying. What this amendment would do—this amendment will allow those rate payers to keep their money because we did not tell them that we were going to use the money for any other purpose other than the purpose of equipping hospitals, libraries, and schools, and places like that, with the telecommunications infrastructure. We debated this last month. We said we had done all of that except the last five percent. The money was there to complete the last five percent that was going to be remaining, and what I'm asking you to do is to give the people, the ratepayers, back their money and stop using their money for purposes other than what we told them we were going to do. The people who sent us here ought to be able to rely upon what we tell them. When we tax them, they ought to be able to rely upon the purpose of that tax. So I'm asking you to make sure you vote to allow the ratepayers to keep their money because the debt that they were paying this for has been paid.

REPRESENTATIVE TURNER: Mr. Speaker and members, I certainly could not agree with Representative Thompson more. The amendment that we have passed on the telecommunications bill, **HB 789**, that was 2006–2007. We're back to the TIF, which I carried in 1995, and implemented, for two reasons. Number one, the

bill, **HB 10**, is not going to rely on the TIF, that's number one. And number two, with respect to its future purposes, we are now, based on the amendment, going to use any future dollars from the TIF for future purposes of **HB 7**.

REPRESENTATIVE Y. DAVIS: Mr. Turner, does **HB 10** have any funds in it from the TIF? Are they using any funds?

TURNER: As far I know, Representative Davis, we are not using any funds from the TIF.

Y. DAVIS: So, in terms of the commitment we made by passing it on **HB 789**, that was for 2006–2007.

TURNER: That's correct.

Y. DAVIS: 2005, **HB 10** has no TIF funds in it, is that what you're saying?

TURNER: As far as I know, there are no TIF dollars.

Y. DAVIS: Who will be able to tell us for sure? One of the problems is sometimes we don't see it. So, Representative Chisum, if you know the answer to this—you waved your hands. We're just trying to be clear about whether or not there is funds in the **HB 10** dealing with TIF.

TURNER: Let me just say in **HB 10**, in complete disclosure, we're not utilizing the TIF. You will find TIF dollars in **SB 1**.

Y. DAVIS: Okay, so the only reason I have a second follow-up question is typically if we have an amendment that you all know doesn't fit a bill. You would have called it on the basis of that not being an amendment not being appropriate for this bill.

TURNER: I would tell you I just got the amendment, and I just walked up to speak to Representative Thompson when she was called up.

Y. DAVIS: Okay, so we're to believe that **HB 10** does not include any money in the TIF, even for 2005. That's correct?

TURNER: **HB 10. HB 10.** But you will find it in **SB 1**.

Y. DAVIS: Okay, thank you.

TURNER: **HB 10.** But you will find it in **SB 1**. And for that explanation, I will respectfully ask that this particular amendment be tabled.

THOMPSON: Mr. Speaker and members, if we can rely on truth in statements then I would withdraw my amendment if there is no TIF money in this bill. Is that right, Speaker Pro Tempore?

TURNER: That is correct.

Amendment No. 13 was withdrawn.

A record vote was requested.

**Amendment No. 52**

Representative Villarreal offered the following amendment to **CSSB 1**:  
Floor Packet Page No. 47

Amend **CSSB 1** by amending Rider 37 Article II relating to the appropriation to the Health and Human Services Commission as follows:

Rider 37. High Performance Bonus for Administration of the Food Stamp Program. High Performance Bonuses are annual incentive payments to state agencies that meet standards for high or most improved performance established by the Secretary of the U.S. Department of Agriculture. The authority to expend high performance bonuses for administrative costs paid in a prior fiscal year is subject to the following conditions:

a. Within 30 days of receiving notice of the state's eligibility for a performance bonus, the Health and Human Services Commission shall notify the Legislative Budget Board and the Governor;

b. At least 45 days prior to budgeting a performance bonus, the Health and Human Services Commission shall provide documentation of the proposed use of these funds to the Legislative Budget Board and the Governor. The report shall identify the impact on established performance targets, measures, and full-time equivalent positions, and shall be prepared in a format specified by the Legislative Budget Board.

c. In the event that the state receives a performance bonus, the Health and Human Services Commission is appropriated all funds received by the agency as Earned Federal Funds (General Revenue) subject to all limitations in this rider and to the following:

(1) ~~a portion~~ at least 15% of these funds, in each year of the biennium, shall be used by the Health and Human Services Commission for the development and operation of a nutrition education and outreach program, or for activities that otherwise improve low-income consumers' access to basic nutrition and healthy foods; and

(2) a portion of these funds, in each year of the biennium, shall be used by the Health and Human Services Commission to provide bonuses to position classifications whose efforts directly contributed to meeting these performance standards, or to position classifications who meet or exceed customer service performance measures developed by the commission, or whose efforts directly contributed to increasing the percentage of eligible persons who receive Food Stamps.

(3) Any High Performance bonus received by the Health and Human Services Commission between June 2, 2005 and August 31, 2005 is hereby appropriated to the commission.

d. Before an employee can be eligible for a bonus, the employee must have been employed in the program for the related twelve months, remains employed in the program, and whose performance meets expectations.

e. The commission has the authority to determine whether employees who have received bonuses under this provision are eligible for merit salary increases during a twelve-month period prior to or after receipt of the bonus.

f. The commission shall prepare annual reports by October 1 of each year of the biennium summarizing the commission's progress in implementing the outreach program required in section (c) and file those reports with the standing committees of the Senate and House of Representatives having primary jurisdiction over health and human services.

Amendment No. 52 was adopted.

### **Amendment No. 91**

Representatives Truitt and Hochberg offered the following amendment to **CSSB 1**:

Floor Packet Page No. 87

#### **PROFESSIONAL NURSING SHORTAGE REDUCTION PROGRAM**

Amend Article III, THECB Bill Pattern as follows:

1. Create a new Strategy D.1.13. Strategy: Professional Nursing Shortage Reduction Program and fund with \$3,000,000 in FY 2006 and \$3,000,000 in FY 2007 by transferring funds as follows:

a. Transfer \$3,000,000 in FY 2006 and \$3,000,000 in FY 2007 to new Strategy D.1.13 (Professional Nursing Shortage Reduction Program) from Article III, THECB Bill Pattern, Strategy E.1.4 (Nursing Enrollment Growth).

2. Add a rider that reads as follows:

\_\_\_\_. The funds appropriated under Strategy D.1.13 for the Professional Nursing Shortage Reduction Program (Sec. 61.9621-.9628, Education Code) are trusted to the Texas Higher Education Coordinating Board to achieve the following outcomes: 1) increasing the number of graduates from professional nursing programs, 2) increasing the percentage of students in professional nursing programs that graduate within a reasonable time as determined by the board, and

3) increasing the number of graduates from master's and doctoral programs in nursing that join the faculty of a professional nursing program. Funds shall only be used to: 1) create additional nurse faculty positions, 2) provide temporary salary supplements for professional nursing faculty, and 3) engage qualified preceptors to expand faculty capacity. "Professional nursing program" has the meaning assigned by Sec. 61.9621, Education Code.

The funds shall be distributed in an equitable manner to institutions based on the increase in the number of graduates over those produced in the preceding fiscal year. Funds appropriated for FY 2006 shall be distributed for increases in the number of graduates produced in FY 2005. Funds appropriated for FY 2007 shall be distributed for increases in the number of graduates produced in FY 2006.

To be eligible for funds, an institution shall submit to the board no later than September 15, its projected increase in graduates from its professional nursing program over the preceding fiscal year unless the board sets a different submission date. A preliminary distribution of a percentage of the appropriated funds for each fiscal year shall be made to institutions by November 1 or 45 days after the board-established date for submission of projected graduates. Final distribution shall be reconciled at the end of each fiscal year based on actual increases achieved.

An institution is eligible to receive funds appropriated for FY 2006 only if it commits for FY 2006 to spend funds on its professional nursing program at least equal to the funds spent in FY 2005 and for funds appropriated for FY 2007 only if it commits for FY 2007 to spend funds equal at least to the funds spent in FY 2006. Funds received under Strategy D.1.13 shall not be included in these calculations.

Five percent of the funds appropriated under Strategy D.1.13 are appropriated for administrative expenses as authorized by Sec. 61.9628, Education Code.

The board shall have the authority to transfer funds from Strategy D.1.8 (Professional Nursing Financial Aid) to Strategy D.1.13 (Professional Nursing Shortage Reduction Program) for the purposes set out in this rider.

Any funds not expended in FY 2006 may be expended in FY 2007.

MR. SPEAKER: No.

VILLARREAL: Is the intent rider of Amendment 107 a binding requirement?

MR. SPEAKER: We're going to have to look at it, but generally an intent rider is not binding. You'd have to bring it down front and let the parliamentarian look.

VILLARREAL: One last question, Mr. Speaker. It is my understanding that if this were a binding requirement, it would represent an amendment to general law and therefore would violate Rule 8, Section 4. Is this a correct understanding?

MR. SPEAKER: A rider that would amend general law would violate the Rules, Mr. Villarreal.

### REMARKS ORDERED PRINTED

Representative Villarreal moved to print remarks between Speaker Craddick and Representative Villarreal.

The motion prevailed.

#### Amendment No. 115

Representative Goodman offered the following amendment to **CSSB 1**:  
Floor Packet Page No. 106

(1) On Page VII-26, insert the following appropriately numbered rider and renumber any subsequent riders accordingly:

"\_\_\_. State Transportation Improvement Program - Accountability Report. For each fiscal year in the biennium, the Texas Department of Transportation shall provide a report, with results statewide by district, on the percentage of projects listed in the State Transportation Improvement Program (STIP) that were let on or before the letting date provided in the STIP.

Amendment No. 142 was adopted.

**Amendment No. 143**

Representative Coleman offered the following amendment to **CSSB 1**:

Floor Packet Page No. 133

Amend **CSSB 1**, in Article VII of the bill, by adding the following appropriately numbered rider following the appropriation to the Texas Department of Transportation:

"\_\_\_. Efficiency Review by Legislative Budget Board. It is the intent of the legislature that the Texas Department of Transportation, pursuant to the department's authority under Chapter 771, Government Code, use an appropriate portion of the funds appropriated to the department by this Act to contract with the Legislative Budget Board to perform an effectiveness and efficiency review of the department's policies relating to the use of state money and determine whether the department's proposed use of toll facilities to generate revenue is necessary for the department to meet the transportation infrastructure needs of this state. It is the intent of the legislature that the Legislative Budget Board complete the review and report the results of the review to the governor and the legislature not later than January 1, 2007.

Amendment No. 143 was withdrawn.

**Amendment No. 144**

Representative Y. Davis offered the following amendment to **CSSB 1**:

Floor Packet Page No. 136

Amend **CSSB 1**, Article VII, Department of Transportation, on Page VII-26, by adding the following new section:

"Sec. \_\_\_. Verification of Revenue for Debt Service on Texas Mobility Fund Bonds. Prior to the issuance of any bonds to fund the \$1,919,560,001 appropriated by this Act out of the Texas Mobility Fund, the Department shall obtain a written verification from the Comptroller of Public Accounts that the revenue pledged by the Department to support the bonds is in compliance with state law governing the Texas Mobility Fund and that the revenue is sufficient to support the principle and interest payments on the debt."

Amendment No. 144 was adopted.

**Amendment No. 145**

Representative Coleman offered the following amendment to **CSSB 1**:

Floor Packet Page No. 133

Amend **CSSB 1**, in Article VII of the bill, by adding the following appropriately numbered rider following the appropriation to the Texas Department of Transportation:

\_\_\_. Efficiency Review by Legislative Budget Board. It is the intent of the legislature that the Texas Department of Transportation, pursuant to the department's authority under Chapter 771, Government Code, use an appropriate portion of the funds appropriated to the department by this Act to contract with the Legislative Budget Board to perform an effectiveness and efficiency review of the department's policies relating to the use of state money and determine whether the department's proposed use of toll facilities to generate revenue is necessary for the department to meet the transportation infrastructure needs of this state. It is the intent of the legislature that the Legislative Budget Board complete the review and report the results of the review to the governor and the legislature not later than January 1, 2007.

**Amendment No. 146**

Representative Coleman offered the following amendment to Amendment No. 145:

Amend Floor Amendment No. 145 on page 133 of the packet, on line 17 after the word "2007." Add the following: "Prior to the release of the Legislative Budget Board review and report, no funds, fees, or other revenue sources may be used to: (a) impose a toll on any portion of a state highway or roadway that did not have a toll in effect on or before January 1, 2005; or (b) to implement the plan for the Trans-Texas Corridor."

**AMENDMENT NO. 146 - STATEMENT OF LEGISLATIVE INTENT**

REPRESENTATIVE BAXTER: So, Mr. Coleman, is it your testimony that in fact this amendment would not cut down the Trans-Texas Corridor, that in fact it's an unaccountability amendment?

REPRESENTATIVE COLEMAN: That's correct. It would not stop the Trans-Texas Corridor. There would be an efficiency review to make sure that is what is set up as the Trans-Texas Corridor, that we understood everything there was to understand about it, and if that efficiency moved forward. So, no, it's not designed to kill the Trans-Texas Corridor—I don't think anybody could do that—but it's designed so that we have the knowledge necessary for moving forward.

BAXTER: So, as opposed to the way it was portrayed by the previous speaker, you're really just offering us an amendment that would allow some accountability for a mega, mega state project that has really very limited accountability measures.

COLEMAN: That's correct, and there is no intent to affect the things that have been done here in Travis County based on their local interests, but before we move forward I think we have some better understanding about the use of tolls and then the effect of the Trans-Texas Corridor across the state, both in rural, urban, and other areas because of the massive pieces of this project.

BAXTER: Well, in your attempt to get better accountability, is this a direct result of comments that you have received from constituents? I've had three e-mails today raising issues about accountability of this proposed system.

COLEMAN: Yes, there have been issues about accountability. And what I would like to do now is ask people to vote no on the motion to table this amendment because I think it gives everyone an opportunity to take a deep breath, take a look at this program, make sure that it moves forward in a way that we all can be proud of and that works well for the State of Texas. And, again, this has no impact on the Austin area stuff because it doesn't deal with those tolls. They are already under way.

BAXTER: Maybe we can hold these huge, mega contractors to the same level of accountability that we accuse children of.

(Speaker in the chair)

Amendment No. 146 was adopted.

(2) Add the following appropriately numbered section to Part 3 of the Article:

Sec. 3.\_\_\_\_. EQUITY ADJUSTMENTS. (a) A state agency is authorized to adjust the salary rate of an employee whose position is classified under the position classification plan to any rate within the employee's salary group range as necessary to maintain desirable salary relationships:

(1) between and among employees of the agency; or

(2) between employees of the agency and employees who hold similar positions in the relevant labor market.

(b) In determining desirable salary relationships under Subsection (a), a state agency shall consider the education, skills, related work experience, length of service, and job performance of agency employees and similar employees in the relevant labor market.

(c) A state agency may award an equity adjustment to an employee under this section only if:

(1) the employee has worked in the employee's current position for not less than six months while maintaining at least a satisfactory level of job performance; and

(2) the adjustment does not take effect during the same fiscal year as another equity adjustment made to the employee's salary under this section.

(d) A state agency shall adopt internal written rules relating to making equity adjustments under this section. The rules shall include procedures under which the agency will review and analyze the salary relationships between agency employees who receive salaries under the same job classification and perform the same type and level of work to determine if inequities exist.

Amendment No. 160 was adopted.

### **Amendment No. 161**

Amend **CSSB 1**, Article IX, Sec. 8.11, on Page IX-49, to read as follows:

Sec. 8.11. Appropriation of Receipts: Credit, Charge, or Debit Card Service Fees. Any fee receipts assessed by an agency for the use of a credit, charge, or debit card for the payment of a fee, tax, penalty, or other charge authorized by law are appropriated to that agency from the fund to which the fee was deposited for the purpose of paying the costs associated with receiving the payment. Any cost recovery fees, excluding subscription fees as defined in Subchapter I, Chapter 2054, Government Code, approved by the TexasOnline Authority as authorized under Chapter 2054, Government Code, are hereby appropriated to that agency from the fund to which the fee was deposited for the purpose of paying the costs associated with implementing and maintaining electronic services. Any unexpended balances from credit, charge, or debit card processing or convenience fees remaining at the end of the fiscal biennium ending August 31, 2005, are reappropriated to the assessing agency from the agency from the fund to which the fee was deposited for the same purposes for the fiscal biennium beginning September 1, 2005.

#### **Amendment No. 171**

Representative Isett offered the following amendment to Amendment No. 170:

Amend Amendment No. 170 to **CSSB 1** by Hamric (page 185, prefiled amendments packet) by striking "for the purpose of paying the costs associated with implementing and maintaining electronic services" and substituting "for any purpose for which money is appropriated to that agency by this Act".

Amendment No. 171 was adopted.

Amendment No. 170, as amended, was adopted.

#### **Amendment No. 172**

Representative Isett offered the following amendment to **CSSB 1**:  
Floor Packet Page No. 186

Amend **CSSB 1** in Article IX by striking Section 9.03 (house committee printing, page IX-51) and substituting the following:

Sec. 9.03. STATE DATA CENTERS AND DISASTER RECOVERY SERVICES. (a) In this section:

(1) "Department" means the Department of Information Resources.

(2) "State agency" has the meaning assigned by Section 2054.003, Government Code.

(b) A state agency may not spend money appropriated by this Act to enter into or renew a contract, or issue a purchase order, to establish or maintain data center operations, disaster recovery plan testing services, or disaster recovery services, unless the executive director of the department approves the contract or purchase order.

(c) It is the intent of the legislature that the department prioritize the migration of services to the statewide technology center system based on the size of the current data center operational environment at a state agency, with the largest 25 data center environments ranking highest in priority.

(d) It is the intent of the legislature that, unless the executive director determines that a migration under this section is not cost-effective, the department shall ensure the migration of at least three data center environments to a statewide technology center each fiscal year.

(e) Not later than August 31 of 2006 and 2007, the department shall report on the status of the statewide data center system migration and consolidation under this section, describing reviews and transfers during the fiscal year, and an update on the status of any contracts relating to statewide technology centers. The department shall file the report with:

- (1) the governor;
- (2) the lieutenant governor;
- (3) the speaker of the house of representatives;
- (4) the chairs of the house and senate committees with primary oversight over the department;
- (5) the chairs of the senate finance and the house of representatives appropriations committees;
- (6) each member of the Legislative Budget Board; and
- (7) the State Auditor's Office.

(f) It is the intent of the legislature that any consolidation plan adopted by the department to execute this section prioritize and fully use the existing capacity of the State Data Center located on the campus of Angelo State University.

(g) The department shall work with the Legislative Budget Board and the State Auditor's Office to ensure that the state obtains the maximum benefit from the consolidation of State Data Center operations. The department, Legislative Budget Board, and State Auditor's Office shall determine for each affected state agency, including institutions of higher education, specific savings related to labor, facilities, hardware, software, and operational systems by which the state will benefit as a result of the consolidation of data center services and operations.

Amendment No. 172 was adopted.

**Amendment No. 173**

Representative Thompson offered the following amendment to **CSSB 1**:  
Floor Packet Page No. 189

Amend **CSSB 1** in Part 13, Article IX, of the bill by adding the following appropriately numbered section:

Sec. 13.\_\_\_\_. Contingency Rider: Personal Needs Allowance. (a) This section is contingent on the enactment and becoming law of **HB 24**, or similar legislation of the 79th Legislature, Regular Session, 2005, that results in an increase in the personal needs allowance for certain Medicaid recipients who are residents of long-term care facilities to at least \$75.

(b) Reduce the amount of general revenue appropriated to each of the following offices, agencies, or departments in each fiscal year of the biennium under this Act by an amount equal to five percent of the total amount of general revenue appropriated for the relevant fiscal year by this Act to the respective office, agency, or department:

- (1) the office of the governor;
- (2) the senate;
- (3) the house of representatives;
- (4) the office of the attorney general;
- (5) the General Land Office;
- (6) the Department of Agriculture;
- (7) the Railroad Commission; and
- (8) the Supreme Court of Texas.

(c) In addition to other amounts appropriated by this Act to the Health and Human Services Commission, increase the general revenue appropriations to the Health and Human Services Commission in each fiscal year of the biennium in an amount equal to the reductions for that relevant fiscal year made by Subsection (b) of this section to the general revenue appropriations to the offices, departments, or agencies listed in that subsection. The Health and Human Services Commission shall use the appropriated revenue for the sole purpose of increasing the personal needs allowance described by Subsection (a) of this section to \$75.

(d) Adjust totals and methods of financing appropriately.

Amendment No. 173 was withdrawn.

#### **Amendment No. 174**

Representative Coleman offered the following amendment to **CSSB 1**:  
Floor Packet Page No. 192

Amend **CSSB 1**, in Article X of the bill, by adding the following appropriately numbered rider following the appropriation to the State Auditor's Office:

\_\_\_\_. Effectiveness Audit of the Texas Department of Transportation. It is the intent of the legislature that the state auditor, pursuant to the auditor's authority under Section 321.0134, Government Code, use an appropriate portion of the funds appropriated to the State Auditor's Office by this Act to perform an effectiveness audit of the Texas Department of Transportation and evaluate the department's planned use of state money, including fees, tolls, and other revenue sources to support future transportation projects. It is the intent of the legislature that the state auditor complete the audit and submit the audit report not later than January 1, 2007.

Amendment No. 174 was withdrawn.

#### **Amendment No. 175**

Representative Dunnam offered the following amendment to **CSSB 1**:  
Floor Packet Page No. 193

Amend **CSSB 1** in ARTICLE 10 by inserting the following appropriately numbered Rider and renumbering subsequent Riders appropriately:

"\_\_\_\_\_. LIMITATION ON EXPENDITURE. Notwithstanding any other provision of this Act and the foregoing appropriations, no officer, employee or agency of the Legislature may spend an amount in excess of 103 percent of \$269,355,580 for this biennium. Any unexpended balance shall be transferred to the Higher Education Coordinating Board for use in the TEXAS GRANTS program."

**Amendment No. 176**

Amend Amendment No. 211 proposed by Representative Davis by striking "Article VII" and substituting "Article XI".

Amendment No. 212 was adopted.

Amendment No. 211, as amended, was adopted.

### **CSSB 1 - REMARKS BY REPRESENTATIVE PITTS**

Mr. Speaker, members, I am asking your support for **CSSB 1**. As I said at the beginning of this debate, **CSSB 1** makes great strides in funding the most critical areas of our budget with significant increases in funding overall. In total we've added \$10.9 billion to our budget. The budget increases funding for public education at \$5.2 billion. We've increased funding for health and human services by \$4.4 billion. These are dramatic increases.

Members, I think that you'll agree that the strongest measures of success of the legislature is how well we meet the needs of public education and health and human services. We have met these needs.

This is a strong, sound, and responsible budget. It has reduced government, where necessary, while dramatically increasing funding for our highest priority. This is a budget that every member of this chamber should be proud to support. Members, with every budget—this has been a long process and one that I have been proud to have guided, but I haven't done it alone. I had the unanimous support of the members of the committee, and tonight, members, I ask for your support for **CSSB 1**. Mr. Speaker, I move passage.

### **CSSB 1- REMARKS BY REPRESENTATIVE COLEMAN**

Thank you, Mr. Speaker and members. I appreciate the opportunity to use the public hall and represent my constituents because I think that is what we are all here for. And I don't apologize for being a no vote on this bill and I don't think I should have to. I think Mr. Pitts has done an excellent job and he is probably

one of the nicest people that you ever want to meet in this process, and that's absolutely true. I don't think that there is anyone who would say that Jim Pitts, and I was about to call him John because I did that earlier today and I was thinking about his brother and him who are excellent folks. And I, you know, really hate to get up here and speak no on the bill, but I think there is some, some very good reasons to do so, and I won't belabor the point.

First of all, one of the main reasons to do so is because this bill does not bring back the number of kids, in terms of the number of spaces that are available in the Children's Health Insurance Program, so that the 1.4 million uninsured children that we have in this state would be reduced by the 175,000 slots or spaces for health insurance that would be available by restoring the program to its '02-'03 levels. It's great that the vision and dental has been restored, but as a consequence there are children out there that, if they had been around two years ago or two and a half years ago, they would have had access to health coverage, but because we haven't had the will to add the additional dollars to this appropriations bill, then that means that those children in the State of Texas would go without. And let me be clear that 1.4 million uninsured kids increased based on that number done in 2003 by the 175,000 kids that were cut off the CHIP program and that actually took the number of uninsured children to 1,575,000 children.

The other thing that has not been accomplished in this bill, is that the elderly, disabled individuals on Medicaid have lost their mental health coverage, their eye glasses coverage, and their hearing aid coverage, and their podiatry coverage. And we are talking about, about 80,000 seniors and disabled individuals, members, and that's a lot of people not to have the basic needs that they have to have to survive in this state. We have also not restored the medically needy program, and that's a program that says the people who would go bankrupt, but without the help of the state on their, with their, health needs when they have catastrophic illness in the family, that we haven't brought that back. If you look at the TEXAS Grants Program, and providing a college education for individuals in this state, we have actually gone backwards, and as a matter of fact, if we look at the cost that is passed on to middle-class Texans by this bill based on the fact that tuition has to make up for the lack of expenditures in these bills. I thought I would run some things out to you, that there are certain institutions, particularly one, and not particularly one, but Texas Tech University's tuition—since tuition was deregulated in the fall of 2003—has gone up 48 percent. The tuition and fees at the University of Houston downtown, which is in Jessica Farrar's district and partially in mine, have gone up 40 percent over that same period of time. The increase at the University of North Texas was 42 percent since the fall 2003, and in terms of the University of Houston, even the University of Houston downtown, and the main campus, it just went up another five percent today over there, some 40 percent increase that already occurred. The Texas A&M system just approved increases in their fall 2005 across their system. And the students at Prairie View A&M University have increases of up to \$61.50 per credit hour. Now, the seniors at UT will be paying 45 percent more on average in tuition than they did in their freshmen year. And these are the costs that we are passing on to the people of the

State of Texas through this budget. And so, as much as I really care for the people that worked hard, cause I've been in the same position before—I think the *Dallas Morning News* laid it out very well when they said, "Just not enough." It just doesn't get there. It falls short of what the needs are in the State of Texas. And, that doesn't mean good things haven't been done, but that it falls short of making that mark of what we need in this state. So, I would urge you to vote no on this bill, and hopefully it has been laid out by the members here, that have debated this bill, that something different will come back in the conference committee report that really rises to the occasion of an enthusiastic yes vote, instead of an unenthusiastic no or yes. I think it is better to make a decision based on the merits, and the merits of this bill say no for now and let's see what comes back in the conference committee report.

### **CSSB 1 - REMARKS BY REPRESENTATIVE GALLEGO**

Thank you, Mr. Speaker and members. I'd like to start by thanking Mr. Pitts. Mr. Pitts, I think that more than any other person or individual you have done a great deal to restore civility in this chamber to make sure that members felt like they had someone to talk to regarding their important issues. And you have an incredibly difficult job. I find it hard to do this because I have worked with Mr. Pitts for years on Appropriations and on other committees, but let me go through five points very quickly.

There's no more money for **CSSB 1** in that we are essentially spending all the money on the Rainy Day Fund. It is already gone. This bill funds fewer kids in the Children's Health Insurance Program than that are on the rolls today. The Health and Human Services Commission website indicates 330,000. This bill funds 324,000. Seventy of you in this chamber voted against **HB 2**. This bill has \$3 billion set aside that will only be sent to schools if **HB 2** passes. Why would you vote for that? There's no state employee pay raise, no teacher pay raise, no prison guard pay raise, no DPS pay raise. All of that is in Article XI. It's a wish list, everything is in Article XI. And there are 2,300 people that are taken off of waiting lists, which may sound okay, but we don't think about the other 50 to 60 thousand people that are still on the waiting list. Waiting, and waiting, for up to ten years—and MHMR, Disabled and Home Services, etc. From 2002-2003, in that biennium, our budget was \$116 billion, \$116 billion. In four years, our budget has gone up by \$23 billion. It's an increase about 20 percent, \$23 billion, and yet out of that increase of \$23 billion we haven't funded a single extra kid on CHIP. We haven't bought a single pair of eyeglasses. We haven't helped the folks in the education community with their pass-through on health insurance. There's so much left to do, and none of it is done.

I will tell you that Mr. Pitts has done a great, great, great job. We can be very proud, in my view, of the process. The product leaves a little bit to be desired, and it is my hope that as Mr. Pitts takes this bill to conference, those items that I talked about will get better so that when the bill comes back from conference, I really desperately want to have something to vote for. I appreciate your consideration, and I'd ask you, because of those things, to vote no on **CSSB 1**.

**CSSB 1 - REMARKS BY REPRESENTATIVE PITTS**

Mr. Speaker, members. First, I want to thank a fantastic committee that worked hard for long hours to bring you this bill tonight, and I've had so much help with my vice-chair, Vilma Luna, that has run so many traps for me and that has put out so many fires, and I want to thank Vilma. Caasi Lamb from what we call the hack staff, Appropriations Committee staff, and her crew have been very helpful, and we appreciate everything y'all have done. Anita and John, from the LBB, have been so helpful to us, and all the other people from the LBB, and we want to appreciate them too. We couldn't do it without Don Green. He can't hear a thing so he agrees with all of us and we sure appreciate Don. Members, I want to thank the speaker for giving us an opportunity to present this bill to you tonight.

Let me tell you the process. And I know some of the first year members that wonder what's going to happen now—we will go into conference. And, members, we're looking for more money as I know as David Leibowitz came to me yesterday -he said, "I think I found you some money." I hear that all the time. We're hoping with sales tax increases, with gas and oil price increases, that we will be able to come back to you and fund some of the items that are in our Article XI, but I will tell you that some of our top priorities are those priorities that I just mentioned. We want to give state employees pay raises, we want to give the DPS officers pay raises, we want to give judges pay raises, and I feel like we will be able to find the money for that. We are going to try to address the CHIP problems, and we have restored already the vision, and the dental, and the hospice, and some of the mental health. We hope to bring that back to you in our conference report with some of those other restorations. Garnet, we are going to try to find more slots for our CHIP population and our Medicaid population. And I pledge you that we will attempt to do that. We will attempt to bring you back with additional money that we hope that will be provided to us before the end of this session with a bill that each and every one of y'all will vote for. I request for your vote tonight, favorably, for **CSSB 1**.

A record vote was requested.

#### REASONS FOR VOTE

We believe that providing sufficient funds for essential state services is one of the most important tasks of the Texas Legislature. We take that responsibility very seriously, and we made a carefully considered decision to vote against **CSSB 1** because its funding priorities are out of balance with the most important needs of the people of Texas. Given existing and potential revenue sources available to the 79th Legislature, we believe the house could have spent our tax dollars more wisely to deliver state services more effectively today and prevent more serious state budget problems in the future.

For example, Texas has the highest percentage of uninsured children in the nation, but **CSSB 1** does not restore health insurance for a single one of the 175,000 children who were cut from Children's Health Insurance coverage under the CHIP program in 2003. In fact, **CSSB 1** will actually cover 1,670 fewer children than were covered in May of 2001 when the program was only a year old. Likewise, **CSSB 1** fails to restore most of the \$3.7 billion in cuts made to public education in 2003, and inadequate state funding for higher education threatens to cause more drastic college tuition increases. At the same time, **CSSB 1** would make TEXAS Grant funds available to help 18,000 fewer students struggling with higher tuition rates that threaten to deny many young Texans access to a college education.

In 2003, we passed a \$118 billion budget. The budget we are debating today is approximately \$21 billion more than the budget we passed two years ago. Despite spending \$21 billion more than we did two years ago, our colleagues have failed to prioritize funding for vital programs and services like CHIP,

TEXAS Grants, and textbooks for our school children. Somehow, despite an extra \$21 billion spent in this budget, our colleagues have been unable to find \$140 million to fully restore CHIP, \$200 million to fully restore TEXAS Grants, or \$350 million to fully fund textbooks for our school children.

The budget and revenue plan laid out in **CSSB 1**, **HB 2**, and **HB 3** is not fiscally balanced and fails to provide a prescription for healthier families, a stable funding system for better schools, or a foundation for a more prosperous future. We cannot vote for a proposed budget that represents a string of broken promises to Texans.

A. Allen, Alonzo, Anchia, Burnam, Castro, Coleman, Y. Davis, Deshotel, Dunnam, Escobar, Farrar, Gallego, Gonzales, Gonzalez Toureilles, Herrero, Hochberg, Hodge, J. Jones, Leibowitz, Martinez Fischer, J. Moreno, P. Moreno, Naishtat, M. Noriega, Oliveira, Olivo, Puente, Quintanilla, Raymond, Rodriguez, Strama, Thompson, Veasey, Vo

I voted against **CSSB 1** (General Appropriations Bill) because its funding priorities are out of line with the district I represent. Given existing and potential revenue sources for our state budget, I believe the house could have spent our tax dollars in a manner that would have benefited hardworking Texas families.

**CSSB 1** funds fewer children in the Children's Health Insurance Program (CHIP). Texas has the highest percentage of uninsured children in the nation, but **CSSB 1** does not restore health insurance for one of the 175,000 children who were cut from the budget in 2003.

In addition to the cuts to CHIP, **CSSB 1** provides no assistance to the approximately 50,000-60,000 Texans who are on waiting lists for mental health services, disabled services, and in-home medical services.

Moreover, **CSSB 1** does not provide pay raises for teachers, state employees, state troopers, and prison guards. All these raises have been placed in the budget as contingency items, meaning there is no assurance those pay raises will be funded. I cannot in good conscience vote for a state budget that denies a guaranteed raise for hardworking state employees, especially when there are funds available.

Finally, **CSSB 1** does not restore health insurance stipends to our teachers and school employees that were promised and later revoked by the house leadership.

I cannot vote for a budget that represents a string of broken promises to Texans.
