O God, our father, creator of the heavens and the earth, the supply and supplier of all that we need, we gather in this chamber with great faith in your ability to provide the clarity needed in seeking a common, yet higher good for our state. Give these men and women the clarity of mind needed to rise to the authority entrusted to them. May they each find comfort in your care. May they find peace in your purpose. May they find direction in your path.

Your word teaches us that our steps are ordered by you. In the freshness of this day, please be the lamp to their feet, and in the stillness of the coming night, be the light for their path. In all that they do let them acknowledge you and keep
them mindful of their calling to serve in "such a time as this." May your
goodness and mercy follow them. May your peace be upon them. May your
hand be their guide. May your voice be their comfort.

We petition you this day in great reverence and great confidence that you
will give us this day our daily bread. Keep us in your care and in the shadow of
your grace.

O God, please bless America. O God, please bless Texas. To thee we pray.
Amen.

**Senate Committee Substitute**

**CSHB 412**, A bill to be entitled An Act relating to the use of credit scoring and credit history by certain telecommunications and electric service providers.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
SECTION 1. Subchapter A, Chapter 17, Utilities Code, is amended by adding Sections 17.008, 17.009, and 17.010 to read as follows:

Sec. 17.008. PROTECTION OF RESIDENTIAL ELECTRIC SERVICE APPLICANTS AND CUSTOMERS. (a) In this section, Section 17.009, and Section 17.010:

(1) "Credit history":
(A) means information regarding an individual's past history of:
(i) financial responsibility;
(ii) payment habits; or
(iii) creditworthiness; and

(B) does not include an individual's outstanding balance for retail electric or telecommunications service.

(2) "Credit score" means a score, grade, or value that is derived by a consumer reporting agency, as defined under Section 603(f) of the Fair Credit Reporting Act (15 U.S.C. Section 1681a(f)), using data from a credit history in any type of model, method, or program for the purpose of grading or ranking credit report data, whether derived electronically, from an algorithm, through a computer software application model or program, or through any other analogous process.

(3) "Electric service provider" includes:
(A) a retail electric provider;
(B) an electric utility;
(C) an electric cooperative; or
(D) a municipally owned electric utility that serves retail customers.

(4) "Satisfactory electric bill payment history" means verifiable information showing that the customer or applicant:

(A) has been a customer of one or more electric service providers in this state during the entire 12-month period preceding the request for electric service;

(B) is not delinquent in payment of any electric service account; and

(C) during the preceding 12-month period of service was not late in paying an electric service bill more than twice.

(5) "Utility payment data" means a measure that is derived by a consumer reporting agency, as defined under Section 603(f) of the Fair Credit Reporting Act (15 U.S.C. Section 1681a(f)), from a model specifically designed to correlate to utility payment histories.

(b) A retail electric provider may not deny an applicant's request to become a residential electric service customer on the basis of the applicant's credit history or credit score if:

(1) the applicant provides satisfactory electric bill payment history as provided by Subsection (f); or

(2) the database described by Section 17.010 is being maintained and the database demonstrates that the applicant has a satisfactory electric bill payment history.
(c) Notwithstanding Subsection (b), while a retail electric provider is required to provide price to beat service to a geographic area as the affiliated retail electric provider, the provider may not deny an applicant’s request to become a residential electric service customer within that geographic area on the basis of the applicant’s credit history, credit score, or retail electric service payment history, unless the applicant has an outstanding balance.

(d) A retail electric provider may not use a credit score, a credit history, or utility payment data as the basis for determining the price for month-to-month electric service or electric service that includes a fixed price commitment of 12 months or less:

(1) for an existing residential electric service customer; or

(2) in response to an applicant's request to become a residential electric service customer.

(e) If a retail electric provider is otherwise required to provide to an applicant for residential electric service written notice of adverse action the provider has taken based on the applicant's credit score or credit history, the written notice must include information on how an applicant may overcome that adverse action by providing satisfactory electric bill payment history under Subsection (b).

(f) On request by a customer or former customer in this state, an electric service provider shall timely provide to the customer or former customer bill payment history information with the electric service provider during the preceding 12-month period. Bill payment history information may be obtained by the customer or former customer once during each 12-month period without charge. If additional copies of bill payment history information are requested during a 12-month period, the electric service provider may charge the customer or former customer a reasonable fee for each copy.

(g) On request by a retail electric provider, an electric service provider shall timely verify information that purports to show the service and bill payment history of a customer or former customer in this state with the electric service provider.

(h) Subsections (e), (f), and (g) apply only if the database described by Section 17.010 is not being maintained.

(i) This section does not limit a retail electric provider's authority to require a deposit or advance payment as a condition of service.

(j) Notwithstanding Subsection (d), a retail electric provider may provide rewards, benefits, or credits to residential electric service customers on the basis of the customer's payment history for retail electric service to that provider.

(k) On notice to the office and opportunity for hearing, the commission shall exempt a retail electric provider from Subsection (b) if the retail electric provider demonstrates that actual customer bill payment history is not as predictive of payment behavior as the credit scoring methodology used by the retail electric provider.
Sec. 17.009. PROTECTION OF RESIDENTIAL TELEPHONE SERVICE APPLICANTS AND CUSTOMERS. (a) A provider of local exchange telephone service may not deny an applicant’s request to become a residential customer on the basis of the applicant’s credit history or credit score.

(b) A provider of local exchange telephone service may not use a credit score or credit history as the basis for determining price for service:

1. for an existing residential customer; or
2. in response to an applicant’s request to become a residential customer.

(c) This section does not limit the authority of a provider of local exchange telephone service to require a deposit, advance payment, or credit limit as a condition of service.

Sec. 17.010. DATABASE. (a) The commission may require residential electric service providers to submit to an independent third party approved by the commission customer information that is necessary to determine whether a customer has a satisfactory electric bill payment history if:

1. the commission determines that the cost to residential electric service providers for submitting data to the independent third party is reasonable in comparison to the benefit to be gained by customers who have a satisfactory electric bill payment history but an inadequate credit score or credit history;
2. the commission determines that the cost of accessing information to determine whether a customer has a satisfactory electric bill payment history does not exceed one-half of the average cost of obtaining an individual customer’s credit score;
3. information in the database may only be accessed by:
   A. residential retail electric providers; and
   B. an individual customer for information specific to the customer; and
4. information in the database is reliable from both the perspective of the customer and a residential retail electric provider.

(b) A retail electric provider may not use information in the database for purposes of targeted marketing to specific customers.

(c) On notice to the office and opportunity for hearing, the commission shall withdraw approval of the database described by this section if the commission determines that the database does not meet the criteria established in Subsection (a).

(d) Except as provided by Subsection (b), this section does not limit the provision or use of information in excess of the minimum required to determine whether a customer has a satisfactory electric bill payment history.

SECTION 2. If the Public Utility Commission of Texas has not approved a database described by Section 17.010, Utilities Code, as added by this Act, by September 1, 2006, the commission shall report that fact and the reason for it to the governor, the lieutenant governor, and the speaker of the house of representatives not later than October 1, 2006.

SECTION 3. This Act takes effect September 1, 2005.
Amend HB 412 (Senate committee printing) by striking SECTIONS 1 and 2
of the bill (page 1, line 13 through page 3, line 39) and substituting the following:
SECTION 1. Subchapter A, Chapter 17, Utilities Code, is amended by
adding Sections 17.008 and 17.009 to read as follows:
Sec. 17.008. PROTECTION OF RESIDENTIAL ELECTRIC SERVICE
APPLICANTS AND CUSTOMERS. (a) In this section and in Section 17.009:
(1) "Credit history":
   (A) means information regarding an individual’s past history of:
      (i) financial responsibility;

      (iii) creditworthiness; and
   (B) does not include an individual’s outstanding balance for retail
electric or telecommunications service.
(2) "Credit score" means a score, grade, or value that is derived by a
consumer reporting agency, as defined under Section 603(f) of the Fair Credit
Reporting Act (15 U.S.C. Section 1681a(f)), using data from a credit history in
any type of model, method, or program for the purpose of grading or ranking
credit report data, whether derived electronically, from an algorithm, through a
computer software application model or program, or through any other analogous
process.
(3) "Utility payment data" means a measure that is derived by a
consumer reporting agency, as defined under Section 603(f) of the Fair Credit
Reporting Act (15 U.S.C. Section 1681a(f)), from a model specifically designed
to correlate to utility payment histories.
   (b) A retail electric provider may not deny an applicant’s request to become
a residential electric service customer on the basis of the applicant’s credit history
or credit score, but may use the applicant’s utility payment data until the later of
January 1, 2007, or the date on which the price to beat is no longer in effect in the
geographic area in which the customer is located.
   (c) Notwithstanding Subsection (b), while a retail electric provider is
required to provide service to a geographic area as the affiliated retail electric
provider, the provider may not deny an applicant’s request to become a residential
electric service customer within that geographic area on the basis of the applicant’s
credit history, credit score, or utility payment data.
   (d) After the date described in Subsection (b), a retail electric provider,
including an affiliated retail electric provider, may not deny an applicant’s request
to become a residential electric service customer on the basis of the applicant’s
credit history, credit score, or utility payment data but may use the applicant’s
electric bill payment history.
   (e) A retail electric provider may not use a credit score, a credit history, or
utility payment data as the basis for determining the price for month-to-month
electric service or electric service that includes a fixed price commitment of 12
months or less:
      (1) for an existing residential customer; or
      (2) in response to an applicant’s request to become a residential electric
service customer.
After the date described in Subsection (b), on request by a customer or former customer in this state, a retail electric provider or electric utility shall timely provide to the customer or former customer bill payment history information with the retail electric provider or electric utility during the preceding 12-month period. Bill payment history information may be obtained by the customer or former customer once during each 12-month period without charge. If additional copies of bill payment history information are requested during a 12-month period, the electric service provider may charge the customer or former customer a reasonable fee for each copy.

On request by a retail electric provider, another retail electric provider or electric utility shall timely verify information that purports to show a customer’s service and bill payment history with the retail electric provider or electric utility.

This section does not limit a retail electric provider’s authority to require a deposit or advance payment as a condition of service.

Notwithstanding Subsection (e), a retail electric provider may provide rewards, benefits, or credits to residential electric service customers on the basis of the customer’s payment history for retail electric service to that provider.

Sec. 17.009. PROTECTION OF RESIDENTIAL TELEPHONE SERVICE APPLICANTS AND CUSTOMERS. (a) A provider of basic local telecommunications services and nonbasic network services may not deny an applicant’s request to become a residential customer on the basis of the applicant’s credit history or credit score.

A provider of basic local telecommunications services and nonbasic network services may not use a credit score or credit history as the basis for determining price for service:

(1) for an existing residential customer; or

(2) in response to an applicant’s request to become a residential customer.

This section does not limit the authority of a provider of basic local telecommunications services and nonbasic network services to require a deposit, advance payment, or credit limit as a condition of service.

SECTION 2. (a) The Public Utility Commission of Texas shall conduct one or more public workshops to consider the merits of both voluntary and mandatory databases that are used to determine whether a customer has a satisfactory electric bill payment history. The commission shall report its conclusions to the governor, the lieutenant governor, and the speaker of the house of representatives not later than January 15, 2007.

(b) This Act does not prevent or prohibit the creation or use of one or more databases to determine whether a customer has a satisfactory electric bill payment history, provided that the database, including the use of the database, is not discriminatory and does not otherwise violate the Public Utility Regulatory Act (Title 2, Utilities Code).

(b) The statewide health coordinating council in conjunction with area health education centers shall study the health care delivery system in five geographically diverse medically underserved communities of the state who request to be part of the study. Four of the communities must be located in a county with a population of 50,000 or less. One of the communities must be located in an urban county. As part of the study the Department of State Health Services shall:

(2) determine which medically underserved communities of the state have been successful and unsuccessful in recruiting and retaining physicians to practice in the community;

(3) identify the nonphysician health care providers who could, within the scope of the health care providers' license, certification, or registration, supplement the provision of health care services in medically underserved communities;

(4) examine whether alternative supervision of nonphysician health care providers or delivery of services by nonphysician health care providers in nontraditional settings would provide a benefit in the delivery of health care services in medically underserved communities;
(5) examine whether each community is medically underserved as a result of a shortage of providers, a shortage of appropriate health care facilities, or both; and

(6) evaluate the measures each medically underserved community has taken to resolve the health professional shortage in the community, determine whether those measures have been successful in reducing the shortage, and identify innovative solutions that should be replicated.

(c) In performing the study under Subsection (b) of this section, the Department of State Health Services shall consult with a variety of the health care practitioners in medically underserved communities, including emergency medical service providers, physicians, nonphysician health care providers, rural hospitals, rural health clinics, and family planning clinics.

(d) The Department of State Health Services shall seek the participation of, and consult with, representatives of each medically underserved community in the study to develop ways the community can improve the delivery of health care services.

(e) Not later than January 1, 2007, the Department of State Health Services shall report the results of the study conducted under this section in writing to the lieutenant governor, the speaker of the house of representatives, and the members and members-elect of the 80th Legislature. (f) This Act expires September 1, 2007.

**HB 916 - STATEMENT OF LEGISLATIVE INTENT**

REPRESENTATIVE WOOLLEY: I believe in the current system of health care delivery. The study is intended to explore how to best utilize the resources that we have here in Texas.

It is important to note that physician involvement is still the "gold standard" for patient care in Texas. It is expressed in my bill by assuring the continued supervision by physicians. The study is to explore how to best use our physicians in conjunction with our other health care providers to extend safe, quality medical care to our needy constituents.

The study is not a mandate for change for the sake of change nor is it to be construed as a pilot program for unsupervised care. It is a sincere expression of concern and desire to find ways in which we can fully utilize our current resources to deliver safe and effective medical care to our entire state.

This study is not to be construed as a vehicle to change the current scope of health care providers' license, certification, or registration. It is a study on how to best use our physicians and other health care providers.

HB 823 - HOUSE CONCURS IN SENATE AMENDMENTS

**TEXT OF SENATE AMENDMENTS**

Representative Keel called up with senate amendments for consideration at this time,

HB 823, A bill to be entitled An Act relating to the applicability of the offense of unlawful carrying of weapons to certain persons and to the consequence of certain presumptions in the prosecution of a criminal offense.
HB 823 - POINT OF ORDER

Representative Burnam raised a point of order against further consideration of HB 823 under Rule 8, Section 3 of the House Rules on the grounds that the bill contains two subjects.

The chair overruled the point of order, speaking as follows:

Representative Burnam raised a point of order against further consideration of HB 823. The chair finds that the subject of the bill is the standards and limitations applicable to the carrying of a handgun. This is sufficient to comply with Rule 8, Section 3 of the House Rules.

Representative Keel moved to concur in the senate amendments to HB 823.

The motion to concur in senate amendments prevailed. (In accordance with House Rule 5, Section 51(b), every member present must have favored passage of the measure, but any member may register their position with the journal clerk. Members registering votes are as follows: Uresti recorded voting no.)

HB 823 - STATEMENT OF LEGISLATIVE INTENT

It is well established in Texas that a person who is traveling has a right to possess a handgun for personal protection. The practical problem with this right has historically been that courts have disagreed on the definition of "traveling". The legislature has likewise never defined "traveling" because a definition invariably has the unintended effect of unfairly limiting the term to a narrow set of circumstances.

HB 823 shores up the right of citizens to carry a concealed handgun while traveling by further underscoring the inapplicability of the offense of unlawfully carrying a weapon ("UCW") (Penal Code §46.02) to persons under particular factual circumstances. It does this by providing for a legal presumption in favor of citizens that they are travelers if they are in a private vehicle with a handgun that is not in plain view, they are not otherwise engaged in unlawful activity nor otherwise prohibited by law from possessing a firearm, and they are not a member of a criminal street gang.

In plain terms, a law-abiding person should not fear arrest if they are transporting a concealed pistol in a motor vehicle. There is no longer the need for a law enforcement officer to apply a subjective definition of what constitutes "traveling" where the citizen is cloaked with the presumption per the terms of the new statute. Under those circumstances the citizen should be allowed to proceed on their way.

HB 823 represents the first time a presumption has been crafted in favor of a defendant in the modern penal code of Texas. The presumption applies unless the prosecution proves beyond a reasonable doubt that the facts giving rise to the presumption do not exist. If the state fails to prove beyond a reasonable doubt that the facts giving rise to the presumption do not exist, the jury must find that the presumed fact exists. By enacting this unprecedented evidentiary standard under §2.05 in conjunction with the substantive terms of the presumption in §46.15, the legislation is intended to have the practical effect of preventing in the first place the arrest of citizens who meet the newly specified prerequisites of being a presumed traveler.

It should be noted that the very real problem of citizens having to prove their innocence after arrest by the assertion of their right to carry a firearm while traveling was the reason the 75th Legislature replaced the "defense" of traveling with a classification of the statute of UCW as instead entirely "inapplicable" to a
traveler. This change was well-intentioned but did not have the intended effect of protecting honest citizens from potential arrest because the term "traveling" was still left to individual police or judicial officials to define on a case-by-case basis. As a consequence, law-abiding citizens who availed themselves of their right to have a handgun while traveling continued to face arrest and often later prevailed only in a court of law after proving that they were indeed traveling. As originally filed, HB 823 proposed to classify traveling as an "exception" (per Penal Code §2.02) to prosecution for UCW. However, after further consideration, the Criminal Jurisprudence Committee concluded that such an approach would be as ineffective as the 1997 change for the very same reasons.

In passing HB 823, this legislature, like all previous legislatures, has declined to define traveling, avoiding limiting the term to a narrow set of particular circumstances. For example, to require someone to have an overnight stay in a journey in order to be classified as a traveler would be unfair to persons traveling great distances in one day. Likewise, a requirement that a citizen be "crossing county lines" may make no sense, such as in areas of Texas where travelers drive hundreds of miles without leaving a single county. Moreover, the ability of police to elicit such evidence and consistently apply its subjective terms on the street in a traffic stop has not proven practical, at all. HB 823 instead focuses on creating a specific set of relevant, objective facts that are capable of being determined on the spot by law officers.

There are several additional important points that should be made in regard to the enactment of HB 823 and its interface with current law.

HB 823 does not give "everyone the right to carry a gun in a car". State and federal laws applicable to firearms must be noted in conjunction with the new statute's terms, particularly the limitation of the presumption to persons who are "not otherwise prohibited by law from possessing a firearm." For example, persons subject to an active protective order are not covered by the presumption, nor are persons with any felony conviction or even some misdemeanor convictions for offenses, e.g., family violence. The presumption is likewise inapplicable to persons associated with a criminal street gang, even if they have no conviction for any offense. These as well as all other existing limitations on firearm ownership and/or possession make the new statute inapplicable to persons covered by such prohibitions.

Furthermore, as stated in the statute, the presumption will not apply to persons who are otherwise engaged in any criminal conduct. This would include persons who are driving while intoxicated, driving recklessly, committing criminal mischief, or committing any other criminal offense outside that of a minor traffic infraction.

The presumption also does not apply where the gun is openly displayed. This was added by the Senate in response to concerns that citizens would otherwise possibly inadvertently have a weapon visible in a fast food or bank drive thru, etcetera, and alarm others. (Note, however, that the requirement that the gun be concealed is pertinent only to the issue of whether the defendant is eligible to receive a presumption instruction per the new terms of §2.05. It is not a new element required of a person who is traveling within the context of §46.15).

The enactment of HB 823 was the culmination of study, committee hearings and debate by the House Committee on Criminal Jurisprudence. The new law is intended to assist law enforcement in doing its job while at the same time
protecting law-abiding citizens from the threat of arrest for merely exercising their right to arm themselves while traveling—a right to which they are already entitled.

Criminal Jurisprudence Committee

**CSHB 823**, A bill to be entitled An Act relating to the applicability of the offense of unlawful carrying of weapons to certain persons and to the consequence of certain presumptions in the prosecution of a criminal offense.

**BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:**

**SECTION 1.** Section 46.15, Penal Code, is amended by adding Subsection (i) to read as follows:

(i) For purposes of Subsection (b)(3), a person is presumed to be traveling if the person is:

1. in a private motor vehicle;
2. not otherwise engaged in criminal activity, other than a Class C misdemeanor that is a violation of a law or ordinance regulating traffic;
3. not otherwise prohibited by law from possessing a firearm; and
4. not a member of a criminal street gang, as defined by Section 71.01.

**SECTION 2.** Section 2.05, Penal Code, is amended to read as follows:

Sec. 2.05. PRESUMPTION. (a) Except as provided by Subsection (b), when this code or another penal law establishes a presumption with respect to any fact, it has the following consequences:

1. if there is sufficient evidence of the facts that give rise to the presumption, the issue of the existence of the presumed fact must be submitted to the jury, unless the court is satisfied that the evidence as a whole clearly precludes a finding beyond a reasonable doubt of the presumed fact; and
2. if the existence of the presumed fact is submitted to the jury, the court shall charge the jury, in terms of the presumption and the specific element to which it applies, as follows:
   A. that the facts giving rise to the presumption must be proven beyond a reasonable doubt;
   B. that if such facts are proven beyond a reasonable doubt the jury may find that the element of the offense sought to be presumed exists, but it is not bound to so find;
   C. that even though the jury may find the existence of such element, the state must prove beyond a reasonable doubt each of the other elements of the offense charged; and
   D. if the jury has a reasonable doubt as to the existence of a fact or facts giving rise to the presumption, the presumption fails and the jury shall not consider the presumption for any purpose.

(b) When this code or another penal law establishes a presumption in favor of the defendant with respect to any fact, it has the following consequences:

1. if there is sufficient evidence of the facts that give rise to the presumption, the issue of the existence of the presumed fact must be submitted to the jury unless the court is satisfied that the evidence as a whole clearly precludes a finding beyond a reasonable doubt of the presumed fact; and
2. if the existence of the presumed fact is submitted to the jury, the court shall charge the jury, in terms of the presumption, that:

All such general laws are hereby adopted and incorporated by reference with the same effect as if incorporated in full in this Act. Without in any way limiting the generalization of the foregoing, it is expressly provided that the Authority shall have and exercise, and is hereby vested with, all of the rights, powers and privileges, authorities and functions conferred by Chapters 51 and 54, Title 4, Water Code, together with all amendments thereof and additions thereto. In addition, the Authority shall have the power to contract with others to transport their water and the power to act jointly with others in the performance of all functions and purposes of the Authority. Provided that the Authority has no existing contractual obligation to any person, corporation or political subdivision to use a particular canal, lateral or ditch to transport or deliver water, the Authority is expressly authorized to abandon, sell, release or deconstruct that canal, ditch or lateral if any of the following conditions apply: (i) the Authority has not used the canal, ditch or lateral to transport or deliver water to persons, corporations or political subdivisions of the state for a period of five (5) years; (ii) there are intervening

Nothing herein contained shall preclude the Authority from acquiring water rights under any law or permits heretofore or hereafter issued, provided acquisition of the same is approved by order or subsequent permit from the Texas Commission on Environmental Quality. The Authority must secure the approval of the mayor and the city council of the City of Houston, Texas, before the Authority acquires any water rights.

SECTION 2. Simultaneously with the conveyance of real property described by Section 5 of this Act, together with execution of a quitclaim deed of any interest of the City of Aransas Pass in and to 9,644 acres, more or less, consisting of that portion of Special Award No. 1, dated May 22, 1944, save and except the tract of land described in Section 4 of this Act, to the General Land Office for the use and benefit of the Permanent School Fund, and, solely if necessary under the terms of this Act, delivery of additional consideration by the City of Aransas Pass, the commissioner of the General Land Office shall convey on behalf of the state the state’s right, title, and interest in and to the property described by Section 4 of this Act, subject to the mineral and royalty reservation set forth in Section 1 of this Act.

Sec. 501.027. HEADING AND STATEMENT ON PETITION TO PROHIBIT. (a) Each page of the petition for a local option election seeking to prohibit the sale of alcoholic beverages of one or more of the various types and alcoholic contents must be headed "Petition for Local Option Election to Prohibit."

Sec. 501.029. OFFENSE: MISREPRESENTATION OF PETITION. (a) A person commits an offense if the person misrepresents the purpose or effect of a petition issued under this chapter.

(b) An offense under this section is a Class B misdemeanor.
Sec. 501.030. COPIES OF PETITION. (a) The county clerk shall supply as many copies of the petition as may be required by the applicants but not to exceed more than one page of the petition for every 10 registered voters in the county, justice precinct, or municipality. Each copy must bear the date, number, and seal on each page as required on the original petition.

(b) The county clerk shall keep a copy of each petition and a record of the applicants for the petition.

Sec. 501.031. VERIFICATION OF PETITION. (a) The voter registrar of the county shall check the names of the signers of petitions and the voting precincts in which the signers reside to determine whether the signers were qualified voters of the county, justice precinct, or municipality at the time the petition was issued. The political subdivision may use a statistical sampling method to verify the signatures, except that on written request from a citizen of the political subdivision for which an election is sought, the political subdivision shall verify each signature on the petition. The citizen making the request shall pay the reasonable cost of the verification. The registrar shall certify to the commissioners court the number of qualified voters signing the petition.

(b) A petition signature may not be counted unless the signature is the actual signature of the purported signer and the petition:

(1) contains in addition to the signature:
   (A) the signer’s printed name;
   (B) the signer’s date of birth;
   (C) if the territory from which signatures must be obtained is situated in more than one county, the county of registration;
   (D) the signer’s residence address; and

(2) complies with any other applicable requirements prescribed by law.

(c) The use of ditto marks or abbreviations does not invalidate a signature if the required information is reasonably ascertainable.

(d) The omission of the state from the signer’s residence address does not invalidate a signature unless the political subdivision from which the signature is obtained is situated in more than one state. The omission of the zip code from the address does not invalidate a signature.

(e) The signature is the only entry on the petition that is required to be in the signer’s handwriting.

(f) A signer may withdraw the signer’s signature by deleting the signature from the petition or by filing with the voter registrar an affidavit requesting that the signature be withdrawn from the petition. A signer may not withdraw the signature from a petition on or after the date the petition is received by the registrar. A withdrawal affidavit filed by mail is considered to be filed at the time of its receipt by the registrar. The withdrawal of a signature nullifies the signature on the petition and places the signer in the same position as if the signer had not signed the petition.

(b) Voters whose names appear on the list of registered voters with the notation "S," or a similar notation, shall be excluded from the computation of the number of registered voters of a particular territory.

(b) The order must state the issue to be voted on in the election.

Sec. 501.035. ISSUES. (a) In the ballot issues prescribed by this section, "wine" is limited to vinous beverages that do not contain more than 17 percent alcohol by volume and includes malt beverages that do not exceed that alcohol content. For local option purposes, those beverages, sold and dispensed to the public in unbroken, sealed, individual containers, are a separate and distinct type of alcoholic beverage.

(b) In an area where any type or classification of alcoholic beverages is prohibited and the issue submitted pertains to legalization of the sale of one or more of the prohibited types or classifications, the ballot shall be prepared to permit voting for or against the one of the following issues that applies:

Senate Committee Substitute

CSHB 1751, A bill to be entitled An Act relating to the procedures governing the payment of restitution by criminal defendants.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Article 42.037, Code of Criminal Procedure, is amended by amending Subsections (a)-(c) and (e)-(i) to read as follows:

(a) In addition to any fine authorized by law, the court that sentences a defendant convicted of an offense may order the defendant to make restitution to any victim of the offense or to the compensation to victims of crime fund established under Subchapter B, Chapter 56, to the extent that fund has paid
compensation to or on behalf of the victim. If the court does not order restitution or orders partial restitution under this subsection, the court shall state on the record the reasons for not making the order or for the limited order.

(b) (1) If the offense results in damage to or loss or destruction of property of a victim of the offense, the court may order the defendant:

(A) to return the property to the owner of the property or someone designated by the owner; or

(B) if return of the property is impossible or impractical or is an inadequate remedy, to pay an amount equal to the greater of:

(i) the value of the property on the date of the damage, loss, or destruction; or

(ii) the value of the property on the date of sentencing, less the value of any part of the property that is returned on the date the property is returned.

(2) If the offense results in personal injury to a victim, the court may order the defendant to:

(A) the victim for any expenses incurred by the victim as a result of the offense; or

(B) the compensation to victims of crime fund to the extent that fund has paid compensation to or on behalf of the victim do any one or more of the following:

[(A) pay an amount equal to the cost of necessary medical and related professional services and devices relating to physical, psychiatric, and psychological care, including nonmedical care and treatment rendered in accordance with a method of healing recognized by the law of the place of treatment;

[(B) pay an amount equal to the cost of necessary physical and occupational therapy and rehabilitation; or

[(C) reimburse the victim for income lost by the victim as a result of the offense.

(3) If the offense results in the death of a victim, the court may, in addition to an order under Subdivision (2) of this subsection, order the defendant to pay an amount equal to the cost of necessary funeral and related services.

(4) If the victim or the victim’s estate consents, the court may, in addition to an order under Subdivision (2) of this subsection, order the defendant to make restitution by performing services instead of by paying money or make restitution to a person or organization other than the compensation to victims of crime fund, designated by the victim or the estate.

(c) The court, in determining whether to order restitution and the amount of restitution, shall consider:

(1) the amount of the loss sustained by any victim and the amount paid to or on behalf of the victim by the compensation to victims of crime fund as a result of the offense; and

(2) the financial resources of the defendant;

(3) the financial needs and earning ability of the defendant and the defendant’s dependents; and
other factors the court deems appropriate.

(e) The court shall impose an order of restitution that is as fair as possible to the victim or to the compensation to victims of crime fund, as applicable. The imposition of the order may not unduly complicate or prolong the sentencing process.

(f)(1) The court may not order restitution for a loss for which the victim has received or will receive compensation only from a source other than the compensation to victims of crime fund. The court may, in the interest of justice, order restitution to any person who has compensated the victim for the loss to the extent the person paid compensation. An order of restitution shall require that all restitution to a victim or to the compensation to victims of crime fund be made before any restitution to any other person is made under the order.

(2) Any amount recovered by a victim from a person ordered to pay restitution in a federal or state civil proceeding is reduced by any amount previously paid to the victim by the person under an order of restitution.

(g)(1) The court may require a defendant to make restitution under this article within a specified period or in specified installments. If the court requires the defendant to make restitution in specified installments, in addition to the installment payments, the court may require the defendant to pay a one-time restitution fee of $12, $6 of which the court shall retain for costs incurred in collecting the specified installments and $6 of which the court shall order to be paid to the compensation to victims of crime fund.

(2) The end of the period or the last installment may not be later than:

(A) the end of the period of probation, if probation is ordered;

(B) five years after the end of the term of imprisonment imposed, if the court does not order probation; or

(C) five years after the date of sentencing in any other case.

(3) If the court does not provide otherwise, the defendant shall make restitution immediately.

(4) Except as provided by Subsection (n), the order of restitution must require the defendant to make restitution directly to the victim or other person eligible for restitution under this article, including the compensation to victims of crime fund, or to deliver the amount or property due as restitution to a community supervision and corrections department for transfer to the victim or person.

(h) If a defendant is placed on community supervision or is paroled or released on mandatory supervision, the court or the parole panel shall order the payment of restitution ordered under this article as a condition of community supervision, parole, or mandatory supervision. The court may revoke community supervision and the parole panel may revoke parole or mandatory supervision if the defendant fails to comply with the order. In determining whether to revoke community supervision, parole, or mandatory supervision, the court or parole panel shall consider:

(1) the defendant’s employment status;

(2) the defendant’s current and future earning ability;

(3) the defendant’s current and future financial resources;

(4) the willfulness of the defendant’s failure to pay;
any other special circumstances that may affect the defendant's ability to pay; and

(6) the victim's financial resources or ability to pay expenses incurred by the victim as a result of the offense.

(i) In addition to any other terms and conditions of probation imposed under Article 42.12 [of this code], the court may require a probationer to reimburse the compensation to victims of crime [crime victims compensation] fund created under Subchapter B, Chapter 56, for any amounts paid from that fund to or on behalf of a victim of the probationer's offense. In this subsection, "victim" has the meaning assigned by Article 56.32 [56.01 of this code].

SECTION 2. Section 11(a), Article 42.12, Code of Criminal Procedure, is amended to read as follows:

(a) The judge of the court having jurisdiction of the case shall determine the conditions of community supervision and may, at any time, during the period of community supervision alter or modify the conditions. The judge may impose any reasonable condition that is designed to protect or restore the community, protect or restore the victim, or punish, rehabilitate, or reform the defendant. Conditions of community supervision may include, but shall not be limited to, the conditions that the defendant shall:

(1) Commit no offense against the laws of this State or of any other State or of the United States;
(2) Avoid injurious or vicious habits;
(3) Avoid persons or places of disreputable or harmful character;
(4) Report to the supervision officer as directed by the judge or supervision officer and obey all rules and regulations of the community supervision and corrections department;
(5) Permit the supervision officer to visit the defendant at the defendant's home or elsewhere;
(6) Work faithfully at suitable employment as far as possible;
(7) Remain within a specified place;
(8) Pay the defendant's fine, if one be assessed, and all court costs whether a fine be assessed or not, in one or several sums;
(9) Support the defendant's dependents;
(10) Participate, for a time specified by the judge in any community-based program, including a community-service work program under Section 16 of this article;
(11) Reimburse the county in which the prosecution was instituted for compensation paid to appointed counsel for defending the defendant in the case, if counsel was appointed, or if the defendant was represented by a county-paid public defender, in an amount that would have been paid to an appointed attorney had the county not had a public defender;
(12) Remain under custodial supervision in a community corrections facility, obey all rules and regulations of such facility, and pay a percentage of the defendant's income to the facility for room and board;
(13) Pay a percentage of the defendant’s [his] income to the defendant’s [his] dependents for their support while under custodial supervision in a community corrections facility;
(14) Submit to testing for alcohol or controlled substances;
(15) Attend counseling sessions for substance abusers or participate in substance abuse treatment services in a program or facility approved or licensed by the Texas Commission on Alcohol and Drug Abuse;
(16) With the consent of the victim of a misdemeanor offense or of any offense under Title 7, Penal Code, participate in victim-defendant mediation;
(17) Submit to electronic monitoring;
(18) Reimburse the compensation to victims of crime [general revenue] fund for any amounts paid from that fund to or on behalf of a victim, as defined by Article 56.32 [56.01 of this code], of the defendant’s offense, or if no reimbursement is required, make one payment to the compensation to victims of crime fund in an amount not to exceed $50 if the offense is a misdemeanor or not to exceed $100 if the offense is a felony;
(19) Reimburse a law enforcement agency for the analysis, storage, or disposal of raw materials, controlled substances, chemical precursors, drug paraphernalia, or other materials seized in connection with the offense;
(20) Pay all or part of the reasonable and necessary costs incurred by the victim for psychological counseling made necessary by the offense or for counseling and education relating to acquired immune deficiency syndrome or human immunodeficiency virus made necessary by the offense;
(21) Make one payment in an amount not to exceed $50 to a crime stoppers organization as defined by Section 414.001, Government Code, and as certified by the Crime Stoppers Advisory Council;
(22) Submit a blood sample or other specimen to the Department of Public Safety under Subchapter G, Chapter 411, Government Code, for the purpose of creating a DNA record of the defendant; and
(23) In any manner required by the judge, provide public notice of the offense for which the defendant was placed on community supervision in the county in which the offense was committed.

SECTION 3. The changes in law made by this Act apply only to an order of restitution that is entered or a condition of community supervision that is imposed on or after September 1, 2005. An order of restitution that is entered or a condition of community supervision that is imposed before September 1, 2005, is governed by the law in effect on the date the order was entered or the condition was imposed, and the former law is continued in effect for that purpose.

(A) averaged over the period of four years before the date on which the member insurer becomes impaired or insolvent under this Act, whichever is earlier [association becomes obligated with respect to the policy or contract], exceeds a rate of interest determined by subtracting two percentage points from Moody’s Corporate Bond Yield Average averaged for that same four-year period or for a lesser period if the policy or contract was issued less than four years before the member insurer becomes impaired or insolvent under this Act, whichever is earlier [association became obligated]; and

(B) on and after the date on which the member insurer becomes impaired or insolvent under this Act, whichever is earlier [association becomes obligated with respect to the policy or contract], exceeds the rate of interest determined by subtracting three percentage points from Moody's Corporate Bond Yield Average as most recently available;

(4) a portion of a policy or contract issued to a plan or program of an employer, association, [or similar entity, or other person to provide life, health, or annuity benefits to its employees, [or members, or others, to the extent that the plan or program is self-funded or uninsured, including but not limited to benefits payable by an employer, association, or similar entity under:

(8) a portion of an unallocated annuity contract that is not issued to or in connection with a specific employee, benefit plan for a union or association of natural persons, or a government lottery; [and]
(9) any portion of a financial guarantee, funding agreement, or guaranteed investment contract which (1) contains no mortality guarantees and (2) is not issued to or in connection with a specific employee, benefit plan, or a governmental lottery;

(10) a portion of a policy or contract to the extent that the assessments required by Section 9 of this Act with respect to the policy or contract are preempted by federal or state law;

(11) a contractual agreement that established the member insurer's obligations to provide a book value accounting guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or the plan's trustee in a case in which neither the benefit plan sponsor nor its trustee is an affiliate of the member insurer; and

(12) a portion of a policy or contract to the extent the policy or contract provides for interest or other changes in value that are to be determined by the use of an index or external reference stated in the policy or contract, but that have not been credited to the policy or contract, or as to which the policy or contract owner's rights are subject to forfeiture, as of the date the member insurer becomes an impaired or insolvent insurer under this Act, whichever date is earlier; provided, however, if a policy's or contract's interest or changes in value are credited less frequently than annually, for purposes of determining the values that have been credited and are not subject to forfeiture as described by this paragraph, the interest or change in value determined by using the procedures defined in the policy or contract is credited as if the contractual date of crediting interest or changing values is the earlier of the date of impairment or the date of insolvency, and is not subject to forfeiture.

(d) The benefits for which the association may become liable shall not exceed the contractual obligations for which the insurer is liable or would have been liable if it were not an impaired or insolvent insurer. The association has no obligation to provide benefits outside the express written terms of the policy or contract, including:

(1) claims based on marketing materials;
(2) claims based on side letters, riders, or other documents that were issued without meeting applicable policy form filing or approval requirements;
(3) claims based on misrepresentation of or regarding policy benefits;
(4) extracontractual claims; or
(5) claims for penalties or consequential or incidental damages.

(e) The limitations set forth in this Act are limitations on the benefits for which the association is obligated before taking into account either the association's subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer attributable to covered policies. The costs of the association's obligations under this Act may be met by the use of assets attributable to covered policies or reimbursed to the association pursuant to the association's subrogation and assignment rights.

(e) When proceeding under Subsections (b)(2) or (d) of this section, with respect to only life and health insurance policies the association shall:

(1) assure payment of benefits for premiums identical to the premiums and benefits, except for terms of conversion and renewability that would have been payable under the policies of the impaired or insolvent insurer, for claims incurred:

(A) with respect to a group policy or contract, the later of:
   (i) the earlier of the next renewal date under the policy or contract or the 45th day after the date the association becomes obligated with respect to the policy; or
   (ii) the 30th day after the date the association becomes obligated with respect to the policy;

(B) with respect to an individual policy, the later of:
   (i) the earlier of the next renewal date under the policy, if any, or the date one year after the date the association becomes obligated with respect to the policy; or

(3) with respect to individual policies, make available to each known insured, or owner if other than the insured, and with respect to an individual formerly insured under a group policy who is not eligible for replacement group coverage, substitute coverage on an individual basis in accordance with the provisions of Subsection (f) of this section, if the insureds had a right under law or the terminated policy to convert coverage to individual coverage or to continue an individual policy in force until a specified age or for a specified time, during which the insurer had no right unilaterally to make changes in any provision of the policy or had a right only to make changes in premium by class.

Section 130).

(u-2) If a provision of Subsection (t), (u), or (u-1) of this section is invalid or ineffective with respect to any person or claim for any reason, the amount payable by the association with respect to the related covered obligations is reduced by the amount realized by any other person with respect to the person or
claim that is attributable to the policies, or portion of the policies, covered by the
association. If the association has provided benefits with respect to a covered
obligation and a person recovers amounts as to which the association has rights
described in Subsection (t), (u), or (u-1) of this section, the person shall pay to the
association the portion of the recovery attributable to the policies, or portion of
the policies, covered by the association.

(u-3) A deposit in this state, held under law or required by the
commissioner for the benefit of creditors, including policy owners, that is not
turned over to the domiciliary liquidator upon the entry of a final order of
liquidation or order approving a rehabilitation plan of an insurer domiciled in this
state or a reciprocal state in accordance with Section 13, Article 21.28, of this
code, shall be promptly paid to the association. The association is entitled to
retain a portion of any amount paid to the association under this subsection equal
to the percentage determined by dividing the aggregate amount of policy owners' claims related to that insolvency for which the association has provided statutory benefits by the aggregate amount of all policy owners' claims in this state related to that insolvency and shall remit to the domiciliary receiver the amount paid to the association and retained under this subsection. The amount paid to the association under this subsection, less the amount retained by the association under this subsection, is treated as a distribution of estate assets under Section 7A(a), Article 21.28, of this code, or the similar law of the state of domicile of the impaired or insolvent insurer.

(v) The association may:

(1) enter into contracts as are necessary or proper to carry out the provisions and purposes of this Act;

(2) sue or be sued, including taking any legal actions necessary or proper to recover any unpaid assessments under Section 9 of this Act and to settle claims or potential claims against it;

(3) borrow money to effect the purposes of this Act, and any notes or other evidence of indebtedness of the association not in default are legal investments for domestic insurers and may be carried as admitted assets;

(5) take legal action as may be necessary to avoid payment of improper claims; [and]

(6) exercise, for the purposes of this Act and to the extent approved by the commissioner, the powers of a domestic life, accident, health, or hospital service insurer, but the association may not issue insurance policies or annuity contracts other than those issued to perform its obligations under this Act;

(7) request information from a person seeking coverage from the association in determining its obligations under this Act with respect to the person, and the person shall promptly comply with the request; and

(8) take any other necessary or appropriate action to discharge the association's duties and obligations under this Act or to exercise the association's powers under this Act.
(x) The board of directors of the association shall have discretion and may exercise reasonable business judgment to determine the means by which the association is to provide the benefits of this Act in an economical and efficient manner.

(y) If the association arranges or offers to provide the benefits of this Act to a covered person under a plan or arrangement that fulfills the association's obligations under this Act, the person is not entitled to benefits from the association in addition to or other than those provided under the plan or arrangement.

SECTION 6. Section 9, Article 21.28-D, Insurance Code, is amended by amending Subsections (b), (d), (f), (g), and (h) and adding Subsection (b-1) to read as follows:

(b) There are two classes of assessments, as follows:

1. Class A assessments are authorized and called [made] to meet administrative costs of the association, administrative expenses properly incurred under this Act relating to any unauthorized insurer or nonmember of the association, and other general expenses not related to a particular insolvent or impaired insurer; and

2. Class B assessments are authorized and called [made] to the extent necessary to carry out the powers and duties of the association under Section 8 with regard to an insolvent or impaired insurer.

(b-1) For purposes of Subsection (b) of this section, an assessment is authorized at the time a resolution by the board of directors is passed under which an assessment will be called immediately or in the future from member insurers for a specified amount and an assessment is called at the time a notice has been issued by the association to member insurers requiring that an authorized assessment be paid within a period stated in the notice. An authorized assessment becomes a called assessment at the time notice is mailed by the association to member insurers.

(d) The amount of a Class B assessment shall be allocated [divided] among the separate accounts in accordance with an allocation formula that may be based on:

1. the premiums or reserves of the impaired or insolvent insurer; or

2. any other standard deemed by the board of directors in the board’s sole discretion as being fair and reasonable under the circumstances [as reflected in the annual statements for the year preceding the assessment in the same proportion that the premiums from the policies covered by each account were received by the insolvent or impaired insurer from all covered policies during the year preceding impairment].

(f) Class B assessments against member insurers for each account shall be in the proportion that the premiums received on [all] business in this state by each assessed member insurer on policies or contracts covered by each account for the three most recent calendar years for which information is available preceding the year in which the insurer became impaired or insolvent bear to [the] premiums received on [all] business in this state for those calendar years by all assessed member insurers.
(g) Assessments for funds to meet the requirements of the association with respect to an insolvent or impaired insurer may not be authorized and called [made] until necessary to implement the purposes of this Act. Classification of assessments under Subsection (b) of this section and computation of assessments under this section shall be made with a reasonable degree of accuracy, recognizing that exact determinations may not always be possible. The association shall notify each member insurer of its anticipated pro rata share of an authorized assessment not yet called not later than the 180th day after the date the assessment is authorized.

(h) The association may defer, in whole or in part, the assessment of a member insurer if, in the opinion of the association, payment of the assessment would endanger the ability of the member insurer to fulfill its contractual obligations. The total of all assessments on a member insurer for each account may not exceed two [one] percent of the insurer’s premiums on the policies covered by the account during the three [in any one] calendar years preceding the year in which the insurer became an impaired or insolvent insurer. If two or more assessments are authorized in a calendar year with respect to insurers that become impaired or insolvent in different calendar years, the average annual premiums for purposes of the aggregate assessment percentage limitation described by this subsection shall be equal to the higher of the three-year average annual premiums for the applicable subaccount or account as computed in accordance with this section.

SECTION 7. Section 13(a), Article 21.28-D, Insurance Code, is amended to read as follows:

(a) Unless a longer period of time has been required by the commissioner, a member insurer shall at its option have the right to show a certificate of contribution as an admitted asset in the form approved by the commissioner under Section 9(k) of this Act at percentages of the original face amount approved by the commissioner, for calendar years as follows:

100 percent for the calendar year of issuance, which shall be reduced 20 [10] percent a year for each year thereafter for a period of 5 [40] years.

SECTION 8. Sections 14(d) and (i), Article 21.28-D, Insurance Code, are amended to read as follows:

(d) Before the termination of any receivership, the court may take into consideration the contributions of the respective parties, including the association, the shareholders, and policyholders of the impaired or insolvent insurer, and any other party with a bona fide interest, in making an equitable distribution of the ownership rights of the impaired or insolvent insurer. In making this determination, the court shall consider the welfare of the policyholders of the continuing or successor insurer.

(i) The maximum amount recoverable under Subsections (f) and (h) of this section is the amount needed in excess of all other available assets of the impaired or insolvent insurer to pay the contractual obligations of the impaired or insolvent insurer.

SECTION 9. (a) Effective September 1, 2005:
(1) the name of the Life, Accident, Health, and Hospital Service Insurance Guaranty Association is changed to the Texas Life, Accident, Health, and Hospital Service Insurance Guaranty Association, and all powers, duties, rights, and obligations of the Life, Accident, Health, and Hospital Service Insurance Guaranty Association are the powers, duties, rights, and obligations of the Texas Life, Accident, Health, and Hospital Service Insurance Guaranty Association;

(2) a member of the board of directors of the Life, Accident, Health, and Hospital Service Insurance Guaranty Association is a member of the board of directors of the Texas Life, Accident, Health, and Hospital Service Insurance Guaranty Association; and

(3) a reference in law to the Life, Accident, Health, and Hospital Service Insurance Guaranty Association is a reference to the Texas Life, Accident, Health, and Hospital Service Insurance Guaranty Association.

(b) The Texas Life, Accident, Health, and Hospital Service Insurance Guaranty Association is the successor to the Life, Accident, Health, and Hospital Service Insurance Guaranty Association in all respects. All personnel, equipment, data, documents, facilities, contracts, items, other property, rules, decisions, and proceedings of or involving the Life, Accident, Health, and Hospital Service Insurance Guaranty Association are unaffected by the change in the name of the association.

SECTION 10. The change in law made by this Act applies only to an insurer that first becomes an impaired or insolvent insurer on or after the effective date of this Act. An insurer that becomes an impaired or insolvent insurer before the effective date of this Act is governed by the law as it existed immediately before that date, and that law is continued in effect for this purpose.

compensation will be received by the agent or affiliate; and
(2) provided a description of the method and factors used to compute
the compensation to be received from the insurer or other third party for that
placement.
(c) This section does not apply to:
(1) a licensed agent who acts only as an intermediary between an
insurer and the customer's agent, including a managing general agent;
(2) a reinsurance intermediary or surplus lines agent placing
reinsurance or surplus lines insurance; or
(3) an agent whose sole compensation for the placement or servicing of
an insurance product is derived from commissions, salaries, and other
remuneration paid by the insurer.
(d) An agent may satisfy any requirements imposed by this section through an affiliate.

(e) The commissioner may adopt rules as necessary to implement the disclosure and acknowledgment of disclosure requirements under this section.

SECTION 2. Section 4005.054, Insurance Code, is amended to read as follows:

2. for which disclosure is made as required under Section 4005.003 or Section 4005.004.

SECTION 3. (a) The Texas Department of Insurance shall conduct a study regarding whether the commissions paid to insurance agents for sales of insurance policies for coverage under the Texas Health Insurance Risk Pool established under Chapter 1506, Insurance Code, are sufficient to ensure that consumers who are eligible for coverage under that pool are made aware of the existence of the pool and the benefits of purchasing insurance policies issued by the pool.

(b) The Texas Department of Insurance shall report the results of the study to the legislature not later than December 1, 2006.

**SUBCHAPTER A. GENERAL PROVISIONS**

Sec. 21A.001. CONSTRUCTION AND PURPOSE. (a) This chapter may be cited as the Insurer Receivership Act.
(b) This chapter may not be interpreted to limit the powers granted the commissioner under other provisions of law.

(31) "Unauthorized insurer" means an insurer doing the business of insurance in this state that has not received from this state a certificate of authority or some other type of authority that allows for doing the business of insurance in this state.

(b) For purposes of this chapter, "admitted assets" and "liabilities" have the meanings assigned by the department in rules relating to risk-based capital.

(c) For purposes of Subsection (a)(21):

(1) "Commodity contract" means:

(A) a contract for the purchase or sale of a commodity for future delivery on or subject to the rules of a board of trade designated as a contract market by the Commodity Futures Trading Commission under the Commodity Exchange Act (7 U.S.C. Section 1 et seq.) or a board of trade outside the United States;

(d) The definitions under this section apply only to this chapter unless the context of another law requires otherwise.

Sec. 21A.005. JURISDICTION AND VENUE. (a) A delinquency proceeding may not be commenced under this chapter by a person other than the commissioner, and a court does not have jurisdiction to entertain, hear, or determine any delinquency proceeding commenced by any other person.

(b) A court of this state does not have jurisdiction, other than in accordance with this chapter, to entertain, hear, or determine any complaint praying for:

(1) the liquidation, rehabilitation, seizure, sequestration, conservation, or receivership of any insurer; or

(2) a stay, injunction, restraining order, or other relief preliminary, incidental, or relating to proceedings described by Subdivision (1).

(c) The receivership court, as of the commencement of a delinquency proceeding under this chapter, has exclusive jurisdiction of all property of the insurer, wherever located, including property located outside the territorial limits of the state. The receivership court has original but not exclusive jurisdiction of all civil proceedings arising:

(1) under this chapter; or

(2) in or related to delinquency proceedings under this chapter.

(d) In addition to other grounds for jurisdiction provided by the law of this state, a court having jurisdiction of the subject matter has jurisdiction over a person served pursuant to Rules 21 and 21a, Texas Rules of Civil Procedure, or other applicable provisions of law in an action brought by the receiver if the person served:

(1) is or has been an agent, or other person who, at any time, has written policies of insurance for or has acted in any manner on behalf of an insurer against which a delinquency proceeding has been instituted, in any action resulting from or incident to such a relationship with the insurer;

(2) is or has been an insurer or reinsurer who, at any time, has entered into a contract of reinsurance with an insurer against which a delinquency proceeding has been instituted, or who is an agent of or for the reinsurer, in any action on or incident to the reinsurance contract;

(3) is or has been an officer, director, manager, trustee, organizer, promoter, or other person in a position of comparable authority or influence over an insurer against which a delinquency proceeding has been instituted, in any action resulting from or incident to such a relationship with the insurer;

(4) at the time of the institution of the delinquency proceeding against the insurer, is or was holding assets in which the receiver claims an interest on behalf of the insurer in any action concerning the assets; or

(5) is obligated to the insurer in any way, in any action on or incident to the obligation.
(e) If, on motion of any party, the receivership court finds that any action, as a matter of substantial justice, should be tried in a forum outside this state, the receivership court may enter an appropriate order to stay further proceedings on the action in this state. Except as to claims against the estate, nothing in this chapter deprives a party of any contractual right to pursue arbitration. A party in arbitration may bring a claim or counterclaim against the estate, but the claim or counterclaim is subject to Section 21A.209.

(f) Service must be made upon the person named in the petition in accordance with Rules 21 and 21a, Texas Rules of Civil Procedure. In lieu of such service, upon application to the receivership court, service may be made in any manner the receivership court directs if it is satisfactorily shown by affidavit:

1. in the case of a corporation, that the officers of the corporation cannot be served because they have departed from the state or otherwise concealed themselves with intent to avoid service;

2. in the case of a Lloyd’s plan or reciprocal or interinsurance exchange, that the individual attorney in fact or the officers of the corporate attorney in fact cannot be served because of departure or concealment; or

3. in the case of an individual, that the person cannot be served because of the individual’s departure or concealment.

(g) An action authorized by this section must be brought in a district court in Travis County.

(h) At any time after an order is entered pursuant to Section 21A.051, 21A.101, or 21A.151, the commissioner or receiver may transfer the case to the county of the principal office of the person proceeded against. In the event of transfer, the court in which the proceeding was commenced, upon application of the commissioner or receiver, shall direct its clerk to transmit the court’s file to the clerk of the court to which the case is to be transferred. The proceeding, after transfer, shall be conducted in the same manner as if it had been commenced in the court to which the matter is transferred.

(i) A person may not intervene in any delinquency proceeding in this state for the purpose of seeking or obtaining payment of any judgment, lien, or other claim of any kind. The claims procedure set forth in this chapter constitutes the exclusive means for obtaining payment of claims from the receivership estate. This provision is not intended to affect the rights conferred on the guaranty associations by Section 21A.008(l).

(j) The foregoing provisions of this section notwithstanding, the provisions of this chapter do not confer jurisdiction on the receivership court to resolve coverage disputes between guaranty associations and those asserting claims against them resulting from the initiation of a delinquency proceeding under this chapter. The determination of any dispute with respect to the statutory coverage obligations of any guaranty association by a court or administrative agency or body with jurisdiction in the guaranty association’s state of domicile is binding and conclusive as to the parties in a delinquency proceeding initiated in the receivership court, including the policyholders of the insurer. With respect to a
guaranty association's obligations under a rehabilitation plan, the receivership court has jurisdiction only if the guaranty association expressly consents to the jurisdiction of the court.

Sec. 21A.006. EXEMPTION FROM FEES. The receiver may not be required to pay any filing, recording, transcript, or authenticating fee to any public officer in this state.

Sec. 21A.007. NOTICE, HEARING, AND APPEAL ON MATTERS SUBMITTED BY RECEIVER FOR RECEIVERSHIP COURT APPROVAL. (a) Upon written request to the receiver, a person must be placed on the service list to receive notice of matters filed by the receiver. It is the responsibility of the person requesting notice to inform the receiver in writing of any changes in the person's address or to request that the person's name be deleted from the service list. The receiver may require that the persons on the service list provide confirmation that they wish to remain on the service list. Any person who fails to confirm the person's intent to remain on the service list may be purged from the service list. Inclusion on the service list does not confer standing in the delinquency proceeding to raise, appear, or be heard on any issue.

(b) Except as otherwise provided by this chapter, notice and hearing of any matter submitted by the receiver to the receivership court for approval under this chapter must be conducted in accordance with Subsections (c)-(g).

(c) The receiver shall file an application explaining the proposed action and the basis of the proposed action. The receiver may include any evidence in support of the application. If the receiver determines that any documents supporting the application are confidential, the receiver may submit them to the receivership court under seal for in camera inspection.

(d) The receiver shall provide notice of the application to all persons on the service list and any other parties as determined by the receiver. Notice may be provided by first class mail postage paid, electronic mail, or facsimile transmission, at the receiver's discretion. For purposes of this section, notice is deemed to be given on the date that it is deposited with the U.S. Postmaster or transmitted, as applicable, to the last known address as shown on the service list.

(e) Any party in interest objecting to the application must file an objection specifying the grounds for the objection not later than the 20th day after the date of the notice of the filing of the application or within another period as the receivership court may set, and must serve copies on the receiver and any other persons served with the application within the same period. An objecting party has the burden of showing why the receivership court should not authorize the proposed action.

(f) If no objection to the application is timely filed, the receivership court may enter an order approving the application without a hearing, or hold a hearing to determine if the receiver's application should be approved. The receiver may request that the receivership court enter an order or hold a hearing on an expedited basis.
If an objection is timely filed, the receivership court may hold a hearing. If the receivership court approves the application and, upon a motion by the receiver, determines that the objection was frivolous or filed merely for delay or for another improper purpose, the receivership court shall order the objecting party to pay the receiver’s reasonable costs and fees of defending the action.

Sec. 21A.008. INJUNCTIONS AND ORDERS. (a) The receivership court may issue any order, process, or judgment, including stays, injunctions, or other orders, as necessary or appropriate to carry out the provisions of this chapter or an approved rehabilitation plan.

(b) This chapter may not be construed to limit the ability of the receiver to apply to a court other than the receivership court in any jurisdiction to carry out any provision of this chapter or for the purpose of pursuing claims against any person.

(c) Except as provided by Subsection (e) or as otherwise provided by this chapter and subject to Subsection (g), the commencement of a delinquency proceeding under this chapter operates as a stay, applicable to all persons, of:

(1) the commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against the insurer, including an arbitration proceeding, that was or could have been commenced before the commencement of the delinquency proceeding under this chapter, or to recover a claim against the insurer that arose before the commencement of the delinquency proceeding under this chapter;

(2) the enforcement against the insurer or against property of the insurer of a judgment obtained before the commencement of the delinquency proceeding under this chapter;

(3) any act to obtain or retain possession of property of the insurer or of property from the insurer or to exercise control over property or records of the insurer;

(4) any act to create, perfect, or enforce any lien against property of the insurer;

(5) any act to collect, assess, or recover a claim against the insurer that arose before the commencement of a delinquency proceeding under this chapter;

(6) the commencement or continuation of an action or proceeding against a reinsurer of the insurer, by the holder of a claim against the insurer, seeking reinsurance recoveries that are contractually due to the insurer; and

(7) except as provided by Subsection (e)(1), the commencement or continuation of an action or proceeding by a governmental unit to terminate or revoke an insurance license.

(d) Except as provided in Subsection (e) or as otherwise provided by this chapter, the commencement of a delinquency proceeding under this chapter operates as a stay, applicable to all persons, of any judicial, administrative, or other action or proceeding, including the enforcement of any judgment, against any insured that was or could have been commenced before the commencement of the delinquency proceeding under this chapter, or to recover a claim against the insured that arose before or after the commencement of the delinquency proceeding under this chapter and for which the insurer is or may be liable under
a policy of insurance or is obligated to defend a party. The stay provided by this subsection terminates 90 days after the date of appointment of the receiver, unless, for good cause shown, the stay is extended by order of the receivership court after notice to any affected parties and any hearing the receivership court determines is appropriate.

(e) Notwithstanding Subsection (c), the commencement of a delinquency proceeding under this chapter does not operate as a stay of:

1. regulatory actions not described by Subsection (c)(7) that are taken by the commissioners of nondomiciliary states, including the suspension of licenses;
2. criminal proceedings;
3. any act to perfect or to maintain or continue the perfection of an interest in property to the extent that the act is accomplished within any relation back period under applicable law;
4. set off as permitted by Section 21A.209;
5. pursuit and enforcement of nonmonetary governmental claims, judgments, and proceedings;
6. presentment of a negotiable instrument and the giving of notice and protesting dishonor of the instrument;
7. enforcement of rights against single beneficiary trusts established pursuant to and in compliance with laws relating to credit for reinsurance;
8. termination, liquidation, and netting of obligations under qualified financial contracts as provided for in Section 21A.261;
9. discharge by a guaranty association of statutory responsibilities under any law governing guaranty associations; or
10. any of the following actions:
   A. an audit by a governmental unit to determine tax liability;
   B. the issuance to the insurer by a governmental unit of a notice of tax deficiency;
   C. a demand for tax returns; or
   D. the making of an assessment for any tax and issuance of a notice and demand for payment of the assessment.

(f) Except as provided by Subsection (h):

1. the stay of an act against property of the insurer under Subsection (c) continues until the property is no longer property of the receivership estate; and
2. the stay of any other act under Subsection (c) continues until the earlier of the time the delinquency proceeding is closed or dismissed.

(g) Notwithstanding the provisions of Subsection (c), claims against the insurer that arose before the commencement of the delinquency proceeding under this chapter may be asserted as a counterclaim in any judicial, administrative, or other action or proceeding initiated by or on behalf of the receiver against the holder of the claims.
(h) On request of a party in interest and after notice and any hearing the receivership court determines is appropriate, the receivership court may grant relief from the stay of Subsection (c) or (d), such as by terminating, annulling, modifying, or conditioning the stay:

1. for cause as described by Subsection (i); or
2. with respect to a stay of an act against property under Subsection (c) if:
   A. the insurer does not have equity in the property; and
   B. the property is not necessary to an effective rehabilitation plan.

(i) For purposes of Subsection (h), "cause" includes the receiver canceling a policy, surety bond, or surety undertaking if the creditor is entitled, by contract or by law, to require the insured or the principal to have a policy, surety bond, or surety undertaking and the insured or the principal fails to obtain a replacement policy, surety bond, or surety undertaking not later than the later of:

1. the 30th day after the date the receiver cancels the policy, surety bond, or surety undertaking; or
2. the time permitted by contract or law.

(j) In any hearing under Subsection (h), the party seeking relief from the stay has the burden of proof on each issue, which must be established by clear and convincing evidence.

(k) The estate of an insurer that is injured by any wilful violation of a stay provided by this section is entitled to actual damages, including costs and attorney's fees. In appropriate circumstances, the receivership court may impose additional sanctions.

(l) Any guaranty association or its designated representative may intervene as a party as a matter of right or otherwise appear and participate in any court proceeding concerning a delinquency proceeding if the association is or may become liable to act as a result of the rehabilitation or liquidation of the insurer. Exercise by any guaranty association or its designated representative of the right to intervene conferred under this subsection does not constitute grounds to establish general personal jurisdiction by the courts of this state. The intervening guaranty association or its designated representative are subject to the receivership court's jurisdiction for the limited purpose for which it intervenes.

(m) Notwithstanding any other provision of law, bond may not be required of the commissioner or receiver in relation to any stay or injunction under this section.

Sec. 21A.009. STATUTES OF LIMITATIONS. (a) If applicable law, an order, or an agreement fixes a period within which the insurer may commence an action, and this period has not expired before the date of the filing of the initial petition in a delinquency proceeding, the receiver may commence an action only before the later of:

1. the end of the period, including any suspension of the period occurring on or after the filing of the initial petition in a delinquency proceeding; or
2. four years after the later of the date of entry of an order for either rehabilitation or liquidation.
(b) Except as provided by Subsection (a), if applicable law, an order, or an agreement fixes a period within which the insurer may file any pleading, demand, notice, or proof of claim or loss, cure a default in a case or proceeding, or perform any other similar act, and the period has not expired before the date of the filing of the petition initiating formal delinquency proceedings, the receiver may file, cure, or perform, as the case may be, only before the later of:

(1) the end of the period, including any suspension of the period occurring on or after the filing of the initial petition in the delinquency proceeding; or

(2) 60 days after the later of the date of entry of an order for either rehabilitation or liquidation.

(c) If applicable law, an order, or an agreement fixes a period for commencing or continuing a civil action in a court other than the receivership court on a claim against the insurer, and the period has not expired before the date of the initial filing of the petition in a delinquency proceeding, then the period does not expire until the later of:

(1) the end of the period, including any suspension of the period occurring on or after the filing of the initial petition in the delinquency proceeding; or

(2) 30 days after termination or expiration of the stay under Section 21A.008 with respect to the claim.

(d) If the otherwise applicable limitations period has not expired prior to the initial filing of the petition commencing a delinquency proceeding, any other action or proceeding filed by a receiver may be commenced at any time within four years after the date upon which the cause of action accrues or four years after the date on which the receiver is appointed, whichever is later.

Sec. 21A.010. COOPERATION OF OFFICERS, OWNERS, AND EMPLOYEES. (a) Any present or former officer, manager, director, trustee, owner, employee, or agent of any insurer, or any other persons with authority over or in charge of any segment of the insurer’s affairs, shall cooperate with the commissioner or receiver in any proceeding under this chapter or any investigation preliminary to the proceeding. For purposes of this section:

(1) "person" includes any person who exercises control directly or indirectly over activities of the insurer through any holding company or other affiliate of the insurer; and

(2) "cooperate" includes:

(A) replying promptly in writing to any inquiry from the commissioner or receiver requesting the reply; and

(B) promptly making available to the commissioner or receiver any books, accounts, documents, or other records or information or property of or pertaining to the insurer and in the person’s possession, custody, or control.

(b) A person may not obstruct or interfere with the commissioner or receiver in the conduct of any delinquency proceeding or any preliminary or incidental investigation.
(c) This section may not be construed to abridge otherwise existing legal rights, including the right to resist a petition for liquidation or other delinquency proceedings, or other orders.

(d) Any person described by Subsection (a) who fails to cooperate with the commissioner or receiver, or any person who obstructs or interferes with the commissioner or receiver in the conduct of any delinquency proceeding or any preliminary or incidental investigation, or who violates any order validly issued under this chapter:

(1) commits an offense; and

(2) is subject to the imposition by the commissioner of an administrative penalty not to exceed $10,000 and subject to the revocation or suspension of any licenses issued by the commissioner in accordance with Chapters 82 and 84.

(e) An offense under Subsection (d) is punishable by a fine not exceeding $10,000 or imprisonment for not more than one year, or both fine and imprisonment.

Sec. 21A.011. ACTIONS BY AND AGAINST RECEIVER. (a) An allegation by the receiver of improper or fraudulent conduct against any person may not be the basis of a defense to the enforcement of a contractual obligation owed to the insurer by a third party, unless the conduct is found to have been materially and substantially related to the contractual obligation for which enforcement is sought.

(b) A prior wrongful or negligent action of any present or former officer, manager, director, trustee, owner, employee, or agent of the insurer may not be asserted as a defense to a claim by the receiver under a theory of estoppel, comparative fault, intervening cause, proximate cause, reliance, mitigation of damages, or otherwise, except that the affirmative defense of fraud in the inducement may be asserted against the receiver in a claim based on a contract, and a principal under a surety bond or a surety undertaking is entitled to credit against any reimbursement obligation to the receiver for the value of any property pledged to secure the reimbursement obligation to the extent that the receiver has possession or control of the property or that the insurer or its agents commingled or otherwise misappropriated the property. Evidence of fraud in the inducement is admissible only if the evidence is contained in the records of the insurer.

(c) An action or inaction by the department or the insurance regulatory authorities in any state may not be asserted as a defense to a claim by the receiver.

(d) Except as provided by Subsection (e), a judgment or order entered against an insured or the insurer in contravention of any stay or injunction under this chapter, or at any time by default or collusion, may not be considered as evidence of liability or of the amount of damages in adjudicating claims filed in the estate arising out of the subject matter of the judgment or order.

(e) Subsection (d) does not apply to guaranty associations’ claims for amounts paid on settlements and judgments in pursuit of their statutory obligations.
(f) The receiver may not be deemed a governmental entity for the purposes of any state law awarding fees to a litigant who prevails against a governmental entity.

Sec. 21A.012. UNRECORDED OBLIGATIONS AND DEFENSES OF AFFILIATES. (a) In any proceeding or claim by the receiver, an affiliate, controlled or controlling person, or present or former officer, manager, director, trustee, or shareholder of the insurer may not assert any defense, unless evidence of the defense was recorded in the books and records of the insurer at or about the time the events giving rise to the defense occurred and, if required by statutory accounting practices and procedures, was timely reported on the insurer's official financial statements filed with the department.

(b) An affiliate, controlled or controlling person, or present or former officer, manager, director, trustee, or shareholder of the insurer may not assert any claim, unless the obligations were recorded in the books and records of the insurer at or about the time the obligations were incurred and, if required by statutory accounting practices and procedures, were timely reported on the insurer's official financial statements filed with the department.

(c) Claims by the receiver against any affiliate, controlled or controlling person, or present or former officer, manager, director, trustee, or shareholder of the insurer based on unrecorded or unreported transactions are not barred by this section.

Sec. 21A.013. EXECUTORY CONTRACTS AND UNEXPIRED LEASES. (a) The receiver may assume or reject any executory contract or unexpired lease of the insurer.

(b) Neither the filing of a petition commencing delinquency proceedings under this chapter nor the entry of an order for a delinquency proceeding constitutes a breach or anticipatory breach of any contract or lease of the insurer.

(c) If there has been a default in an executory contract or unexpired lease of the insurer, the receiver may not assume the contract or lease unless, at the time of the assumption of the contract or lease, the receiver:

1. cures or provides adequate assurance that the receiver will promptly cure the default; and
2. provides adequate assurance of future performance under the contract or lease.

(d) Subsection (c) does not apply to a default that is a breach of a provision relating to:

1. the insolvency or financial condition of the insurer at any time before the closing of the delinquency proceeding;
2. the appointment of or taking possession by a receiver in a case under this chapter or a custodian before the commencement of the delinquency proceeding; or
3. the satisfaction of any penalty rate or provision relating to a default arising from any failure of the insurer to perform nonmonetary obligations under the executory contract or unexpired lease.
(e) A claim arising from the rejection, under this section or a plan of rehabilitation, of an executory contract or unexpired lease of the insurer that has not been assumed shall be determined, treated, and classified as if the claim had arisen before the date of the filing of a successful petition commencing the delinquency proceeding.

Sec. 21A.0135. CONTRACTS FOR SPECIAL DEPUTIES. (a) The receiver shall use a competitive bidding process in the selection of any special deputies appointed under Section 21A.102 or 21A.154. The process must include procedures to promote the participation of historically underutilized businesses that have been certified by the Texas Building and Procurement Commission under Section 2161.061, Government Code.

(b) A proposal submitted in connection with a bid solicitation under Subsection (a) must describe the efforts that have been made to include historically underutilized businesses as subcontractors and the plan for using the historically underutilized businesses in the administration of the receivership estate. A special deputy appointed under Section 21A.102 or 21A.154 shall make a good faith effort to implement the plan and shall report to the receiver the special deputy's efforts to identify and subcontract with historically underutilized businesses.

Sec. 21A.014. IMMUNITY AND INDEMNIFICATION OF RECEIVER AND ASSISTANTS. (a) For the purposes of this section, the persons entitled to immunity and indemnification and those entitled to immunity only, as applicable, are:

(1) all present and former receivers responsible for the conduct of a delinquency proceeding under this chapter;

(2) all of the receiver's present and former assistants, including:
   (A) all present and former special deputies and assistant special deputies engaged by contract or otherwise;
   (B) all persons whom the receiver, special deputies, or assistant special deputies have employed to assist in a delinquency proceeding under this chapter; and

(3) any state employees acting with respect to a delinquency proceeding under this chapter; and

(b) The receiver, the receiver's assistants, and the receiver's contractors have immunity under this chapter, as described by Subsections (c) and (d).

(c) The receiver, the receiver's assistants, and the receiver's contractors are immune from suit and liability, both personally and in their representative capacities, for any claim for damage to or loss of property or personal injury or other civil liability caused by or resulting from any alleged act, error, or omission
of the receiver or any assistant or contractor that arises out of or by reason of their duties or employment or is taken at the direction of the receivership court, providing that the alleged act, error, or omission is performed in good faith.

(d) Any immunity granted by this section is in addition to any immunity granted by other law.

(e) The receiver and the receiver's assistants are entitled to indemnification under this chapter, as described by Subsections (f)-(l).

(f) If any legal action is commenced against the receiver or any assistant, whether against the receiver or assistant personally or in their official capacity, alleging property damage, property loss, personal injury, or other civil liability caused by or resulting from any alleged act, error, or omission of the receiver or any assistant arising out of or by reason of their duties or employment, the receiver and any assistant are indemnified from the assets of the insurer for all expenses, attorney's fees, judgments, settlements, decrees, or amounts due and owing or paid in satisfaction of or incurred in the defense of the legal action, unless it is determined upon a final adjudication on the merits that the alleged act, error, or omission of the receiver or assistant giving rise to the claim:

(1) did not arise out of or by reason of their duties or employment; or
(2) was caused by intentional or willful and wanton misconduct.

(g) Attorney's fees and any and all related expenses incurred in defending a legal action for which immunity or indemnity is available under this section must be paid from the assets of the insurer, as the fees and expenses are incurred, and in advance of the final disposition of the legal action upon receipt of an agreement by or on behalf of the receiver or assistant to repay the attorney's fees and expenses, if it is ultimately determined upon a final adjudication on the merits that the receiver or assistant is not entitled to immunity or indemnity under this section.

(h) Any indemnification for expense payments, judgments, settlements, decrees, attorney's fees, surety bond premiums, or other amounts paid or to be paid from the insurer's assets pursuant to this section are an administrative expense of the insurer.

(i) In the event of any actual or threatened litigation against a receiver or any assistant for whom immunity or indemnity may be available under this section, a reasonable amount of funds, which in the judgment of the receiver may be needed to provide immunity or indemnity, must be segregated and reserved from the assets of the insurer as security for the payment of indemnity until:

(1) all applicable statutes of limitation have run;
(2) all actual or threatened actions against the receiver or any assistant have been completely and finally resolved; and
(3) all obligations under this section have been satisfied.

(j) Instead of segregating and reserving funds under Subsection (i), the receiver may, in the receiver's discretion, obtain a surety bond or make other arrangements that will enable the receiver to secure fully the payment of all obligations under this section.
(k) If any legal action against an assistant for whom indemnity may be available under this section is settled prior to final adjudication on the merits, the receiver must pay the settlement amount on behalf of the assistant, or indemnify the assistant for the settlement amount, unless the receiver determines that the claim:

1. did not arise out of or by reason of the assistant’s duties or employment; or
2. was caused by the intentional or wilful and wanton misconduct of the assistant.

(l) In any legal action in which a claim is asserted against the receiver, that portion of any settlement relating to the alleged act, error, or omission of the receiver is subject to the approval of the receivership court. The receivership court may not approve that portion of the settlement if it determines that the claim:

1. did not arise out of or by reason of the receiver’s duties or employment; or
2. was caused by the intentional or wilful and wanton misconduct of the receiver.

(m) Nothing contained or implied in this section may operate or be construed or applied to deprive the receiver, the receiver’s assistants, or receiver’s contractors of any immunity, indemnity, benefits of law, rights, or defense otherwise available.

(n) The immunity and indemnification provided to the receiver’s assistants and the immunity provided to the receiver’s contractors under this section do not apply to any action by the receiver against that person.

(o) Subsection (b) applies to any suit based in whole or in part on any alleged act, error, or omission that takes place on or after September 1, 2005.

(p) Subsections (e)-(l) apply to any suit that is pending on or filed after September 1, 2005, without regard to when the alleged act, error, or omission took place.

Sec. 21A.015. APPROVAL AND PAYMENT OF EXPENSES. (a) The receiver may pay any expenses under contracts, leases, employment agreements, or other arrangements entered into by the insurer prior to receivership, as the receiver deems necessary for the purposes of this chapter. The receiver is not required to pay any expenses that the receiver determines are not necessary, and may reject any contract pursuant to Section 21A.013.

(b) Receivership expenses other than those described in Subsection (a) must be paid in accordance with Subsections (c)-(f).

(c) The receiver shall submit to the receivership court an application pursuant to Section 21A.007 to approve:

1. the terms of compensation of each special deputy or contractor with respect to which the total amount of the compensation is reasonably expected by the receiver for the duration of the delinquency proceeding to exceed $250,000, or another amount established by the receivership court; and
2. any other anticipated expense in excess of $25,000, or another amount established by the receivership court.
(d) The receiver may, as the receiver deems appropriate, submit an application to approve any compensation, anticipated expenses, or incurred expenses not described by Subsection (c)(1).

(e) The receiver may pay any expenses not requiring receivership court approval and any expenses approved by the rehabilitation or liquidation order as the expenses are incurred.

(f) The approval of expenses by the receivership court does not prejudice the right of the receiver to seek any recovery, recoupment, disgorgement, or reimbursement of fees based on contract or causes of action recognized in law or in equity.

(g) On a quarterly basis, or as otherwise provided by the receivership court, the receiver shall submit to the receivership court a report summarizing the expenses incurred during the period.

(h) Receivership court approval may not be required to pay expenses incurred by the receiver in connection with the appeal of an order of the receivership court.

(i) All expenses of receivership shall be paid from the assets of the insurer, except as provided by this subsection. In the event that the property of the insurer does not contain sufficient cash or liquid assets to defray the expenses incurred, the commissioner may advance funds from the account established under Section 21A.304(c). Any amounts advanced shall be repaid to the account out of the first available money of the insurer.

Sec. 21A.016. FINANCIAL REPORTING. (a) Not later than the 120th day after the date of entry of an order of receivership by the receivership court, and at least quarterly after that date, the receiver shall file a financial report with the receivership court. A financial report filed under this subsection at a minimum, must include:

1. a statement of the assets and liabilities of the insurer;
2. the changes in those assets and liabilities; and
3. all funds received or disbursed by the receiver during the period covered by the report.

(b) The receivership court shall require a financial report filed under Subsection (a) to comply with all receivership financial reporting requirements specified by the National Association of Insurance Commissioners and adopted in this state by rule by the commissioner.

(c) Not later than the 120th day after the date of entry of an order of liquidation by the receivership court, and at least quarterly after that date, or at other intervals as may be agreed to between the liquidator and the guaranty associations, but in no event less than annually, each affected guaranty association shall file reports with the liquidator. The reports must be in a format compatible with that specified by the National Association of Insurance Commissioners. Reports under this subsection shall be filed with the receivership court.

Sec. 21A.017. RECORDS. (a) Upon entry of an order of rehabilitation or liquidation, the receiver is vested with title to all of the books, documents, papers, policy information, and claim files, and all other records of the insurer, of
whatever nature, in whatever medium, and wherever located, regardless of whether the records are in the custody and control of a third-party administrator, managing general agent, attorney, or other representative of the insurer. The receiver may immediately take possession and control of all of the records of the insurer, and of the premises where the records are located. A third-party administrator, managing general agent, attorney, or other representative of the insurer shall release all records described by this subsection to the receiver, or the receiver’s designee, at the request of the receiver. A guaranty association that has or may have obligations under a policy issued by the insurer has the right, with the receiver’s approval, to take actions as are necessary to obtain directly from any third-party administrator, managing general agent, attorney, or other representative of the insurer all records described by this section that pertain to the insurer’s business and that are appropriate or necessary for the guaranty association to fulfill the association’s statutory obligations.

(b) The receiver has the authority to certify the records of a delinquent insurer described by Subsection (a) and the records of the receiver’s office created and maintained in connection with a delinquent insurer, as follows:

(1) records of a delinquent insurer may be certified by the receiver in an affidavit stating that the records:
   (A) are true and correct copies of records of the insurer; and
   (B) were received from the custody of the insurer or found among its effects; and

(2) records created by or filed with the receiver’s office in connection with a delinquent insurer may be certified by the receiver’s affidavit stating that the records are true and correct copies of records maintained by the receiver’s office.

(c) Original books, documents, papers, and other records, or copies of original records certified under Subsection (b), when admitted in evidence, are prima facie evidence of the facts disclosed.

(d) The records of a delinquent insurer held by the receiver may not be considered records of the department for any purposes, and Chapter 552, Government Code, does not apply to those records.

SUBCHAPTER B. PROCEEDINGS

Sec. 21A.051. RECEIVERSHIP COURT’S SEIZURE ORDER. (a) The commissioner may file in a district court of Travis County a petition with respect to an insurer domiciled in this state, an unauthorized insurer, or, pursuant to Section 21A.401, a foreign insurer:

(1) alleging that grounds exist that would justify a court order for a formal delinquency proceeding against the insurer under this chapter;

(2) alleging that the interests of policyholders, creditors, or the public will be endangered by delay; and

(3) setting forth the contents of a seizure order deemed to be necessary by the commissioner.
(b) Upon a filing under Subsection (a), the receivership court may issue, ex
parte and without notice or hearing, the requested seizure order directing the
commissioner to take possession and control of all or a part of the property,
books, accounts, documents, and other records of an insurer, and of the premises
occupied by it for transaction of its business, and until further order of the
receivership court, enjoining the insurer and its officers, managers, agents, and
employees from disposition of its property and from the transaction of its
business except with the written consent of the commissioner. Any person having
possession or control of and refusing to deliver any of the books, records, or
assets of a person against whom a seizure order has been issued commits an
offense. An offense under this subsection is punishable in the manner described
by Section 21A.010(e).

(c) A petition that prays for injunctive relief must be verified by the
commissioner or the commissioner's designee, but need not plead or prove
irreparable harm or inadequate remedy at law. The commissioner shall provide
only the notice as the receivership court may require.

(d) The receivership court shall specify in the seizure order the duration of
the seizure order, which shall be a period the receivership court deems necessary
for the commissioner to ascertain the condition of the insurer. On motion of the
commissioner or the insurer, or the court’s own motion, the receivership court
may, from time to time, hold hearings as it deems desirable after notice as it
deems appropriate, and may extend, shorten, or modify the terms of the seizure
order. The receivership court shall vacate the seizure order if the commissioner
fails to commence a formal delinquency proceeding under this chapter after
having had a reasonable opportunity to do so. An order of the receivership court
pursuant to a formal proceeding under this chapter vacates the seizure order.

(e) Entry of a seizure order under this section does not constitute a breach or
an anticipatory breach of any contract of the insurer.

(f) An insurer subject to an ex parte seizure order under this section may
petition the receivership court at any time after the issuance of a seizure order for
a hearing and review of the seizure order. The receivership court shall hold the
hearing and conduct the review not later than the 15th day after the date of the
request. A hearing under this subsection may be held privately in chambers, and a
hearing shall be held privately in chambers if the insurer proceeded against so
requests.

(g) If, at any time after the issuance of a seizure order, it appears to the
receivership court that any person whose interest is or will be substantially
affected by the seizure order did not appear at the hearing and has not been
served, the receivership court may order that notice be given to the person. An
order that notice be given does not stay the effect of any seizure order previously
issued by the receivership court.

(h) Whenever the commissioner makes any seizure as provided by
Subsection (b), on the demand of the commissioner, the sheriff of any county and
the police department of any municipality shall furnish the commissioner with the
deputies, patrolmen, or officers as may be necessary to assist the commissioner in
making and enforcing the seizure order.
In all proceedings and judicial reviews under this section, all records of the insurer, department files, court records and papers, and other documents, so far as they pertain to or are a part of the record of the proceedings, are confidential, and all papers filed with the clerk of the court shall be held by the clerk in a confidential file as permitted by law, except to the extent necessary to obtain compliance with any order entered in connection with the proceedings, unless and until:

1. the court, after hearing argument in chambers, orders otherwise;
2. the insurer requests that the matter be made public; or
3. the commissioner applies for an order under Section 21A.057.

Sec. 21A.052. COMMENCEMENT OF FORMAL DELINQUENCY PROCEEDING. (a) Any formal delinquency proceeding against a person shall be commenced by filing a petition in the name of the commissioner or department.

(b) The petition must state the grounds upon which the proceeding is based and the relief requested and may include a prayer for restraining orders and injunctive relief as described in Section 21A.008. On the filing of the petition or order, a copy shall be forwarded by first class mail or electronic communication as permitted by the receivership court to the insurance regulatory officials and guaranty associations in states in which the insurer did business.

(c) Any petition that prays for injunctive relief must be verified by the commissioner or the commissioner's designee, but need not plead or prove irreparable harm or inadequate remedy at law. The commissioner shall provide only the notice as the receivership court may require.

(d) If any temporary restraining order is prayed for:
   1. the receivership court may issue an initial order containing the relief requested;
   2. the receivership court shall set a time and date for the return of summons, not later than 10 days after the time and date of the issuance of the initial order, at which time the person proceeded against may appear before the receivership court for a summary hearing;
   3. the order must state the time and date of its issuance; and
   4. the order may not continue in effect beyond the time and date set for the return of summons, unless the receivership court expressly enters one or more orders extending the restraining order.

(e) If a temporary restraining order is not requested, the receivership court shall cause summons to be issued. The summons must specify a return date not later than the 30th day after the date of issuance and that an answer must be filed at or before the return date.

Sec. 21A.053. RETURN OF SUMMONS AND SUMMARY HEARING. (a) The receivership court shall hold a summary hearing at the time and date for the return of summons on a petition to commence a formal delinquency proceeding.

(b) If a person is not served with summons on a petition to commence a formal delinquency proceeding and fails to appear for the summary hearing, the receivership court shall:
   1. continue the summary hearing not more than 10 days;
(2) provide for alternative service of summons upon the person; and  
(3) extend any restraining order.

c) Upon a showing of good faith efforts to effect personal service upon a 
person who has failed to appear for a continued summary hearing, the 
receivership court shall order notice of the petition to commence a formal 
delinquency proceeding to be published. The order and notice shall specify a 
return date not less than 10 or later than 20 days after the date of publication and 
that the restraining order has been extended to the continued hearing date.

d) If a person fails to appear for a summary hearing on a petition to 
commence a formal delinquency proceeding after service of summons, the 
receivership court shall enter judgment in favor of the commissioner against that 
person.

e) A person who appears for the summary hearing on a petition to 
commence a formal delinquency proceeding shall file the person's answer at the 
hearing, and the receivership court shall:

(1) determine whether to extend any temporary restraining orders 
pending final judgment; and

(2) set the case for trial on a date not later than 10 days after the date of 
the summary hearing.

f) The receivership court may not grant a continuance for filing an answer.

Sec. 21A.054. PROCEEDINGS FOR EXPEDITED TRIAL: CONTINUANCES, DISCOVERY, EVIDENCE. (a) The receivership court shall 
proceed to hear the case on the petition to commence a formal delinquency 
proceeding at the time and date set forth for trial. To the extent practicable, the 
receivership court shall give precedence to the matter over all other matters. To 
the extent authorized by law, the receivership court may assign the matter to other 
judges if necessary to comply with the need for expedited proceedings under this 
chapter.

(b) Continuances for trial may be granted only in extreme circumstances.

c) The receivership court shall admit into evidence, as self-authenticated, 
certified copies of any of the following when offered by the commissioner:

(1) the financial statements made by the insurer or an affiliate;

(2) examination reports of the insurer or an affiliate made by or on 
behalf of the commissioner; and

(3) any other document filed with any insurance department by the 
insurer or an affiliate.

(d) The facts contained in any examination report of the insurer or an 
affiliate made by or on behalf of the commissioner are presumed to be true as of 
the date of the hearing if the examination was made as of a date not more than 
270 days before the date the petition was filed. The presumption is rebuttable, 
and shifts the burden of production and persuasion to the insurer.

(e) Discovery is limited to grounds alleged in the petition and shall be 
concluded on an expedited basis.
Sec. 21A.055. DECISION AND APPEALS. (a) The receivership court shall enter judgment on the petition to commence formal delinquency proceedings not later than the 15th day after the date of conclusion of the evidence.

(b) The judgment is final when entered. Any appeal must be prosecuted on an expedited basis and must be taken not later than the fifth day after the date of entry of the judgment. A request for reconsideration, review, or appeal, or posting of a bond does not dissolve or stay the judgment.

Sec. 21A.056. CONFIDENTIALITY. (a) The commissioner, rehabilitator, or liquidator may share documents, materials, or other information in the possession, custody, or control of the department without regard to the confidentiality of those documents, materials, or information, pertaining to an insurer that is the subject of a proceeding under this chapter with other state, federal, and international regulatory agencies, with the National Association of Insurance Commissioners and its affiliates and subsidiaries, with state, federal, and international law enforcement authorities, with an auditor appointed by the receivership court in accordance with Section 21A.355, and, pursuant to Section 21A.105, with representatives of guaranty associations that may have statutory obligations as a result of the insolvency of the insurer, provided that the recipient agrees to maintain the confidentiality, if any, of the documents, material, or other information. Nothing in this section limits the power of the commissioner to disclose information under other applicable law.

(b) A domiciliary receiver shall permit a commissioner of another state or a guaranty association to obtain a listing of policyholders and certificate holders residing in the requestor's state, including current addresses and summary policy information, provided that the commissioner of the other state or the guaranty association agrees to maintain the confidentiality of the records and agrees that the records will be used only for regulatory or guaranty association purposes. Access to records may be limited to normal business hours. In the event that the domiciliary receiver believes that certain information is sensitive and that disclosure may cause a diminution in recovery, the receiver may apply for a protective order imposing additional restrictions on access.

(c) The Texas Workers' Compensation Commission shall report to the department any information that a workers' compensation insurer has committed acts that indicate that the insurer is impaired or insolvent. A report made under this subsection is confidential under this section.

(d) The confidentiality obligations imposed by this section end upon the entry of an order of liquidation against the insurer, unless otherwise agreed to by the parties or pursuant to an order of the receivership court.

(e) A waiver of any applicable privilege or claim of confidentiality does not occur as a result of any disclosure, or any sharing of documents, materials, or other information, made pursuant to this section.
Sec. 21A.057. GROUNDS FOR CONSERVATION, REHABILITATION, OR LIQUIDATION. The commissioner may file with a court in this state a petition with respect to an insurer domiciled in this state or an unauthorized insurer for an order of rehabilitation or liquidation on any one or more of the following grounds:

1. the insurer is impaired;
2. the insurer is insolvent;
3. the insurer is about to become insolvent, with "about to become insolvent" being defined as reasonably anticipated that the insurer will not have liquid assets to meet its next 90 days' current obligations;
4. the insurer has neglected or refused to comply with an order of the commissioner to make good within the time prescribed by law any deficiency, whenever its capital and minimum required surplus, if a stock company, or its surplus, if a company other than stock, has become impaired;
5. the insurer, its parent company, its subsidiaries, or its affiliates have converted, wasted, or concealed property of the insurer or have otherwise improperly disposed of, dissipated, used, released, transferred, sold, assigned, hypothecated, or removed the property of the insurer;
6. the insurer is in a condition such that it could not meet the requirements for organization and authorization as required by law, except as to the amount of the original surplus required of a stock company under Title 6, and except as to the amount of the surplus required of a company other than a stock company in excess of the minimum surplus required to be maintained;
7. the insurer, its parent company, its subsidiaries, or its affiliates have concealed, removed, altered, destroyed, or failed to establish and maintain books, records, documents, accounts, vouchers, and other pertinent material adequate for the determination of the financial condition of the insurer by examination under Article 1.15, 1.15A, or 1.16 or has failed to properly administer claims or maintain claims records that are adequate for the determination of its outstanding claims liability;
8. at any time after the issuance of an order under Article 1.32 or 21.28-A, or at the time of instituting any proceeding under this chapter, it appears to the commissioner that, upon good cause shown, it would not be in the best interest of the policyholders, creditors, or the public to proceed with the conduct of the business of the insurer;
9. the insurer is in a condition such that the further transaction of business would be hazardous financially, according to Article 1.32 or otherwise, to its policyholders, creditors, or the public;
10. there is reasonable cause to believe that there has been embezzlement from the insurer, wrongful sequestration or diversion of the insurer’s property, forgery or fraud affecting the insurer, or other illegal conduct in, by, or with respect to the insurer that, if established, would endanger assets in an amount threatening the solvency of the insurer;
11. control of the insurer is in a person who is:
   (A) dishonest or untrustworthy; or
(B) so lacking in insurance company managerial experience or capability as to be hazardous to policyholders, creditors, or the public;

(12) any person who in fact has executive authority in the insurer, whether an officer, manager, general agent, director, trustee, employee, shareholder, or other person, has refused to be examined under oath by the commissioner concerning the insurer’s affairs, whether in this state or elsewhere or if examined under oath, refuses to divulge pertinent information reasonably known to the person; and after reasonable notice of the fact, the insurer has failed promptly and effectively to terminate the employment and status of the person and all the person’s influence on management;

(13) after demand by the commissioner under Article 1.15, 1.15A, or 1.16 or under this chapter, the insurer has failed promptly to make available for examination any of its own property, books, accounts, documents, or other records, or those of any subsidiary or related company within the control of the insurer or of any person having executive authority in the insurer, so far as they pertain to the insurer;

(14) without first obtaining the written consent of the commissioner, the insurer has transferred, or attempted to transfer, in a manner contrary to Chapter 823 or any law relating to bulk reinsurance, substantially its entire property or business, or has entered into any transaction the effect of which is to merge, consolidate, or reinsure substantially its entire property or business in or with the property or business of any other person;

(15) the insurer or its property has been or is the subject of an application for the appointment of a receiver, trustee, custodian, conservator, sequestrator, or similar fiduciary of the insurer or its property otherwise than as authorized under the insurance laws of this state;

(16) within the previous five years, the insurer has wilfully and continuously violated its charter, articles of incorporation or bylaws, any insurance law of this state, or any valid order of the commissioner;

(17) the insurer has failed to pay within 60 days after the due date any obligation to any state or political subdivision of a state or any judgment entered in any state, if the court in which the judgment was entered had jurisdiction over the subject matter, except that nonpayment is not a ground until 60 days after any good faith effort by the insurer to contest the obligation has been terminated, whether it is before the commissioner or in the courts;

(18) the insurer has systematically engaged in the practice of reaching settlements with and obtaining releases from claimants, and then unreasonably delayed payment, failed to pay the agreed-upon settlements, or systematically attempted to compromise with claimants or other creditors on the ground that it is financially unable to pay its claims or obligations in full;

(19) the insurer has failed to file its annual report or other financial report required by statute within the time allowed by law;

(20) the board of directors or the holders of a majority of the shares entitled to vote, or a majority of those individuals entitled to the control of those entities specified by Section 21A.003, request or consent to rehabilitation or liquidation under this chapter;
(21) the insurer does not comply with its domiciliary state's requirements for issuance to it of a certificate of authority, or its certificate of authority has been revoked by its state of domicile; or

(22) when authorized by department rules.

Sec. 21A.058. ENTRY OF ORDER. If the commissioner establishes any of the grounds provided in Section 21A.057, the receivership court shall grant the petition and issue the order of rehabilitation or liquidation requested in the petition.

Sec. 21A.059. EFFECT OF PETITION OR ORDER ON CONTRACT OR LEASE. Neither the filing of a petition under this chapter nor the entry of any order of seizure, rehabilitation, or liquidation constitutes a breach or an anticipatory breach of any contract or lease of the insurer.

SUBCHAPTER C. REHABILITATION

Sec. 21A.101. REHABILITATION ORDERS. (a) An order to rehabilitate the business of an insurer must appoint the commissioner and the commissioner's successors in office as the rehabilitator and must direct the rehabilitator to take possession of the property of the insurer wherever located and to administer it subject to this chapter. The rehabilitator is entitled to request the receivership court to appoint a single judge to supervise the rehabilitation and hear any cases or controversies arising out of or related to the rehabilitation. Rehabilitation proceedings are exempt from any dormancy or similar program maintained by the receivership court for the early closure of civil actions. The filing or recording of the order with the clerk of the court or recorder of deeds of the county in which the principal business of the company is conducted, or, in the case of real estate, the county in which its principal office or place of business is located, imparts the same notice as a deed, bill of sale, or other evidence of title filed or recorded with the recorder of deeds would impart. The order to rehabilitate the insurer must, by operation of law, vest title to all property of the insurer in the rehabilitator.

(b) Any order issued under this section must require accountings to the receivership court by the rehabilitator. Accountings must be at the intervals specified by the receivership court in its order, but not less frequently than semi-annually. Each accounting must include a report concerning the rehabilitator's opinion as to the likelihood that a plan under Section 21A.103 will be prepared by the rehabilitator and the timetable for doing so.

(c) In recognition of the need for a prompt and final resolution for all persons affected by a plan of rehabilitation, any appeal from an order of rehabilitation or an order approving a plan of rehabilitation must be heard on an expedited basis. A stay of an order of rehabilitation or an order approving a plan of rehabilitation may not be granted unless the appellant demonstrates that extraordinary circumstances warrant delaying the recovery under the plan of rehabilitation of all other persons, including policyholders. If the plan provides an appropriate mechanism for adjustment in the event of any adverse ruling from an appeal, a stay may not be granted.
Sec. 21A.102. POWERS AND DUTIES OF REHABILITATOR. (a) The rehabilitator may appoint one or more special deputies. A special deputy serves at the pleasure of the rehabilitator and has all the powers and responsibilities of the rehabilitator granted under this section, unless specifically limited by the rehabilitator. The rehabilitator may employ or contract with legal counsel, actuaries, accountants, appraisers, consultants, clerks, assistants, and other personnel as may be deemed necessary. Any special deputy or any other person with whom the rehabilitator contracts under this subsection may act on behalf of the commissioner only in the commissioner's capacity as rehabilitator. Any person with whom the rehabilitator contracts under this subsection is not considered an agent of the state, and any contract entered into under this subsection does not constitute a contract with the state. The provisions of any law governing the procurement of goods and services by the state does not apply to any contract entered into by the commissioner as rehabilitator. The compensation of any special deputies, employees, and contractors and all expenses of taking possession of the insurer and of conducting the rehabilitation shall be fixed by the rehabilitator, with the approval of the receivership court in accordance with Section 21A.015, and shall be paid out of the property of the insurer. The persons appointed under this subsection serve at the pleasure of the rehabilitator. If the rehabilitator deems it necessary to the proper performance of the rehabilitator's duties under this chapter, the rehabilitator may appoint an advisory committee of policyholders, claimants, or other creditors, including guaranty associations. The advisory committee serves at the pleasure of the rehabilitator and without compensation or reimbursement for expenses. The rehabilitator or the receivership court in rehabilitation proceedings conducted under this chapter may not appoint another committee of any nature.

(b) The rehabilitator may take action as the rehabilitator deems necessary or appropriate to reform and revitalize the insurer, including canceling policies, insurance and reinsurance contracts other than life or health insurance or annuities, or surety bonds or surety undertakings or transferring policies, insurance and reinsurance contracts, or surety bonds or surety undertakings to a solvent assuming insurer, with court approval. The rehabilitator has all the powers of the directors, officers, and managers of the insurer, whose authority is suspended, except as redelegated by the rehabilitator. The rehabilitator has full power to direct and manage, hire and discharge employees, and deal with the property and business of the insurer.

(c) If it appears to the rehabilitator that there has been criminal or tortious conduct or breach of any contractual or fiduciary obligation detrimental to the insurer by any officer, manager, agent, broker, employee, affiliate or other person, the rehabilitator may pursue all appropriate legal remedies on behalf of the insurer.

(d) The rehabilitator may assert all defenses available to the insurer as against third persons, including statutes of limitations, statutes of frauds, and the defense of usury. A waiver of any defense by the insurer after a petition under this chapter has been filed does not bind the rehabilitator.
(e) The enumeration, in this section, of the powers and authority of the rehabilitator may not be construed as a limitation upon the rehabilitator, nor shall it exclude in any manner the right to do other acts not specifically enumerated or otherwise provided for, as may be necessary or appropriate for the accomplishment of or in aid of the purpose of rehabilitation.

Sec. 21A.103. REHABILITATION PLANS. (a) The rehabilitator shall prepare and file a plan to effect rehabilitation with the receivership court not later than the first anniversary of the entry of the rehabilitation order or another further time as the receivership court may allow. Upon application of the rehabilitator for approval of the plan, and after the notice and hearings the receivership court may prescribe, the receivership court may approve or disapprove the proposed plan or may modify it and approve it as modified. Any plan approved under this section must be, in the judgment of the receivership court, fair and equitable to all parties concerned. If the plan is approved, the rehabilitator shall carry out the plan. A plan for a life insurer may propose imposition of a moratorium upon loan and cash surrender rights under policies, for a period not to exceed one year from the entry of the rehabilitation order approving the rehabilitation plan, unless the receivership court, for good cause shown, extends the moratorium.

(b) Once a plan has been filed, any party in interest may object to the plan.

(c) A plan must:

(1) except as provided by Subsection (e), provide no less favorable treatment of a claim or class of claims than would occur in liquidation, unless the holder of a particular claim or interest agrees to a less favorable treatment of that particular claim or interest;

(2) provide adequate means for the plan’s implementation;

(3) contain information concerning the financial condition of the insurer and the operation and effect of the plan, as far as is reasonably practicable in light of the nature and history of the insurer, the condition of the insurer’s books and records, and the nature of the plan; and

(4) provide for the disposition of the books, records, documents, and other information relevant to the duties and obligations covered by the plan.

(d) A plan may include any other provision not inconsistent with the provisions of this chapter, including:

(1) payment of distributions;

(2) assumption or reinsurance of all or a portion of the insurer’s remaining liabilities by, and transfer of assets and related books and records to, an authorized insurer or other entity;

(3) to the extent appropriate, application of insurance company regulatory market conduct standards to any entity administering claims on behalf of the receiver or assuming direct liabilities of the insurer;

(4) contracting with a state guaranty association or any other qualified entity to perform the administration of claims;

(5) annual independent financial and performance audits of any entity administering claims on behalf of the receiver that is not otherwise subject to examination pursuant to state insurance law; and
(6) termination of the insurer's liabilities other than those under policies of insurance as of a date certain.

(e) A plan may designate and separately treat one or more separate subclasses of claims consisting only of claims within the subclasses that are for or reduced to de minimis amounts. For purposes of this subsection, a "de minimis amount" means any amount equal to or less than a maximum de minimis amount approved by the receivership court as being reasonable and necessary for administrative convenience.

Sec. 21A.104. TERMINATION OF REHABILITATION. (a) When the rehabilitator believes further attempts to rehabilitate an insurer would substantially increase the risk of loss to creditors, policyholders, or the public or would be futile, the rehabilitator may move for an order of liquidation. In accordance with Section 21A.105, the rehabilitator or the rehabilitator's designated representative shall coordinate with the guaranty associations that may become liable as a result of the liquidation and any national association of guaranty associations to plan for transition to liquidation.

(b) Because the protection of the interests of insureds, claimants, and the public requires the timely performance of all insurance policy obligations, if the payment of policy obligations is suspended in substantial part for a period of six months at any time after the appointment of the rehabilitator and the rehabilitator has not filed an application for approval of a plan under Section 21A.103, the rehabilitator shall petition the receivership court for an order of liquidation.

(c) The rehabilitator or the directors of the insurer may at any time petition the receivership court for, or the receivership court on its own motion may enter, an order terminating rehabilitation of an insurer. Subject to the provisions of Section 21A.351, if the receivership court finds that rehabilitation has been accomplished and that grounds for rehabilitation under Section 21A.057 no longer exist, it shall order that the insurer be restored to title and possession of its property and the control of the business.

Sec. 21A.105. COORDINATION WITH GUARANTY ASSOCIATIONS. (a) The receiver shall notify any potentially obligated guaranty association or the guaranty association's representative concerning the entry of a rehabilitation order and shall update the guaranty association or its representative regarding significant developments that impact efforts to rehabilitate the insurer. On a determination by the rehabilitator that rehabilitation efforts may not be successful, the rehabilitator shall participate in cooperative efforts with the potentially obligated guaranty associations. To facilitate an orderly transition to liquidation, the rehabilitator shall make available to the guaranty associations the information necessary to discharge their responsibilities upon becoming statutorily obligated. To the extent that information is available, or as it becomes available, the rehabilitator shall provide appropriate information to guaranty associations in the states in which the insurer transacted business.

(b) For the purposes of Subsection (a), "appropriate information" may include the following for lines of business written by the insurer, whether covered or not covered by guaranty associations:
(1) a general description of the different types of business written or assumed by the insurer;
(2) claim counts and policy counts by state and by line of business;
(3) claim and policy reserves;
(4) account values and cash surrender values;
(5) policy loans;
(6) interest crediting history;
(7) premiums and mode of payment;
(8) unpaid claims and amounts;
(9) sample policies and endorsements;
(10) a listing of different locations of claim files;
(11) if third-party administrators were used, copies of executed contracts and a description of the contractual arrangements; and
(12) information concerning claims in litigation or dispute, including a listing of claims with assigned defense counsel for those claims going to trial in the near future after a possible liquidation date.

(c) For the purposes of Subsection (a), "appropriate information" also includes information concerning states in which the insurer is or was licensed and periods for which the insurer is or was licensed and other information reasonably requested by a guaranty association necessary for the guaranty association to fulfill its statutory duties.

(d) In the case of a property and casualty insurer, the rehabilitator, in cooperation with the guaranty associations, shall make all reasonable efforts to prepare the insurer's electronic policy and claims data so that, upon the entry of an order of liquidation, the data will be ready for transmission using the Uniform Data Standards as promulgated by the National Association of Insurance Commissioners.

(e) The list of what appropriate information includes under Subsections (b) and (c) is not necessarily an exclusive list. Other information may be necessary to ensure that an orderly transition to liquidation occurs, and that information may be appropriately provided by the receiver.

[Sections 21A.106-21A.150 reserved for expansion]

SUBCHAPTER D. LIQUIDATION

Sec. 21A.151. LIQUIDATION ORDERS. (a) An order to liquidate the business of an insurer shall appoint the commissioner and any successor in office as the liquidator and shall direct the liquidator to take possession of the property of the insurer and to administer it subject to this chapter. The liquidator is entitled to request the receivership court to appoint a single judge to supervise the liquidation and to hear any cases or controversies arising out of or related to the liquidation. Liquidation proceedings are exempt from any dormancy or similar program maintained by the receivership court for the early closure of civil actions. As of the entry of the final order of liquidation, the liquidator is vested by operation of law with the title to all of the property, contracts, rights of action, and books and records of the insurer ordered liquidated, wherever located. The filing or recording of the order with the clerk of the court and the recorder of deeds of the county in which the insurer's principal office or place of business is located...
or, in the case of real estate, the county where the property is located, imparts the same notice as a deed, bill of sale, or other evidence of title filed or recorded with that recorder of deeds would impart.

(b) Upon issuance of the order of liquidation, the rights and liabilities of the insurer and of its creditors, policyholders, shareholders, members, and all other persons interested in its estate become fixed as of the date of entry of the order of liquidation, except as provided by Sections 21A.152 and 21A.255, unless otherwise fixed by the court.

(c) An order to liquidate the business of an alien insurer in this state must be in the same terms and has the same legal effect as an order to liquidate a domestic insurer.

(d) At the time of petitioning for an order of liquidation, or at any time after petitioning, the commissioner may petition the receivership court for a judicial declaration of insolvency. After providing the notice and hearing as it deems proper, the receivership court may make the declaration of insolvency.

(e) In the event an order of liquidation is set aside on appeal, the company may not be released from delinquency proceedings except in accordance with Section 21A.351.

Sec. 21A.152. CONTINUANCE OF COVERAGE. (a) Notwithstanding any policy or contract language or any other statute, all reinsurance contracts by which the insurer has assumed the insurance obligations of another insurer are canceled upon entry of an order of liquidation.

(b) Notwithstanding any policy or contract language or any other statute, all policies, insurance contracts other than reinsurance by which the insurer has ceded insurance obligations to another person, and surety bonds or surety undertakings, other than life or health insurance or annuities, in effect at the time of issuance of an order of liquidation, unless further extended by the receiver with the approval of the receivership court, continue in force only until the earlier of:

1. the 30th day after the date of entry of the liquidation order;
2. the date of expiration of the policy coverage;
3. the date the insured has replaced the insurance coverage with equivalent insurance with another insurer or otherwise terminated the policy;
4. the date the liquidator has effected a transfer of the policy obligation pursuant to Section 21A.154(h); or
5. the date proposed by the liquidator and approved by the receivership court to cancel coverage.

(c) An order of liquidation under Section 21A.151 must terminate coverages at the time specified by Subsections (a) and (b) for purposes of any other statute.

(d) Policies of life or health insurance or annuities covered by a guaranty association and any portion of policies of life or health insurance or annuities covered by a guaranty association continue in force for the period and under the terms provided for by any applicable guaranty association law. Policies of life or health insurance or annuities not covered by a guaranty association and any portion of policies of life or health insurance or annuities not covered by a guaranty association terminate under Subsection (b), except to the extent the
liquidator proposes and the receivership court approves the use of property of the estate, consistent with Section 21A.301, for the purpose of continuing the contracts or coverage by transferring them to an assuming reinsurer.

(e) The cancellation of any bond or surety undertaking does not release any cosurety or guarantor.

(f) The obligations of the insolvent insurer’s reinsurers are not released or discharged by a cancellation under this section.

Sec. 21A.153. SALE OR DISSOLUTION OF INSURER’S CORPORATE ENTITY. (a) Notwithstanding the entry of a liquidation order, the liquidator may apply for an order to sell or dissolve the corporate entity or charter of a domestic insurer or the United States branch of an alien insurer domiciled in this state at any time after an order of liquidation of the insurer has been granted, consistent with the provisions of this section.

(b) Upon an application to sell the corporate entity or charter, with notice as prescribed in this chapter, the receivership court may enter an order:

(1) separating the corporate entity or charter, together with any of its licenses to do business and the assets the liquidator deems appropriate to the transaction, from the remaining estate in liquidation and all of the remaining estate’s assets and the claims or interests of all claimants, creditors, policyholders, and stockholders;

(2) canceling all outstanding stock and other securities of and other equity interests in the corporate entity or charter, provided that the cancellation may not affect any claim against the estate by a holder of an equity interest;

(3) authorizing the issuance and sale of new stock or other securities for the purpose of transferring to one or more buyers control and ownership of the corporate entity or charter; and

(4) authorizing the sale of the corporate entity or charter, together with any of its authorizations or licenses to do business and the general assets of the estate the liquidator deems to be appropriate to the transaction, free and clear from the claims or interest of all claimants, creditors, policyholders, and stockholders.

(c) The sale of the corporate entity or charter may be made in the manner and on the terms and conditions applied for by the liquidator and ordered by the receivership court. Any sale is subject to the domiciliary state’s laws regarding acquisition of an insurer, Chapter 823, and any other law regarding the transfer of control of insurers. The proceeds from the sale of the corporate entity or charter become a part of the property of the estate in liquidation. The separate corporate entity or charter, together with any of its authorizations or licenses to do business and such assets as the liquidator deems appropriate to the transaction, are, following the sale of the corporate entity or charter, free and clear from the claims or interest of all claimants, creditors, policyholders, and stockholders of the corporation in liquidation.

(d) This section shall be liberally construed to accomplish its purposes to:

(1) provide an expeditious and effective procedure to realize the maximum proceeds possible from the sale of a corporate entity or charter separated from an estate in liquidation; and
(2) ensure that the purchasers receive clear and marketable titles.

(e) If permission to sell the corporate entity or charter is not granted prior to discharge of the liquidator, in accordance with this section or otherwise with receivership court approval:

(1) the receivership court may order dissolution of the corporate entity or charter;

(2) dissolution shall be deemed complete by operation of law upon the discharge of the liquidator if the insurer is insolvent; or

(3) dissolution may be ordered by the receivership court upon the discharge of the liquidator if the insurer is under a liquidation order for some other reason.

Sec. 21A.154. POWERS OF LIQUIDATOR. (a) The liquidator may appoint a special deputy or deputies to act for the liquidator under this chapter and employ or contract with legal counsel, actuaries, accountants, appraisers, consultants, clerks, assistants, and other personnel the liquidator may deem necessary to assist in the liquidation. A special deputy has all powers of the liquidator granted by this section, unless specifically limited by the liquidator, and serves at the pleasure of the liquidator. A special deputy or any other person with whom the liquidator contracts under this subsection may act on behalf of the commissioner only in the commissioner's capacity as liquidator. Any person with whom the liquidator contracts is not considered to be an agent of the state and any contract under this subsection is not a contract with the state. The provisions of any law governing the procurement of goods and services by the state do not apply to any contract entered into by the commissioner as liquidator. This subsection does not waive any immunity granted by Section 21A.014 or create any cause of action against the state.

(b) The liquidator may determine the reasonable compensation for any special deputies, employees, or contractors retained by the liquidator as provided in Subsection (a) and pay compensation in accordance with Section 21A.015.

(c) The liquidator may appoint, with the approval of the receivership court, an advisory committee of policyholders, claimants, or other creditors, including guaranty associations, if the committee be deemed necessary. The advisory committee serves at the pleasure of the liquidator, and the decision to appoint an advisory committee is at the sole discretion of the liquidator. The advisory committee serves without compensation or reimbursement for expenses. The liquidator or the receivership court in liquidation proceedings conducted under this chapter may not appoint another committee of any nature.

(d) The liquidator may hold hearings, subpoena witnesses to compel their attendance, administer oaths, examine any person under oath, compel any persons to subscribe to their testimony after it has been correctly reduced to writing, and, in connection with a power under this subsection, require the production of any books, papers, records, or other documents that the liquidator deems relevant to the inquiry.

(e) The liquidator may audit the books and records of all agents of the insurer to the extent that those books and records relate to the business activities of the insurer.
(f) The liquidator may collect all debts and moneys due and claims belonging to the insurer, wherever located, and may:

(1) institute action in other jurisdictions, in order to forestall garnishment and attachment proceedings against the debts;

(2) do other acts as necessary or expedient to collect, conserve, or protect the insurer’s property, including the power to sell, compromise, or assign debts for purposes of collection upon such terms and conditions as the liquidator deems consistent with this chapter; and

(3) pursue any creditor’s remedies available to enforce the insurer’s claims.

(g) The liquidator may conduct public and private sales of the property of the insurer.

(h) The liquidator may use property of the estate of an insurer under a liquidation order to transfer to a solvent assuming insurer policy obligations or the insurer’s obligations under surety bonds and surety undertakings as well as collateral held by the insurer with respect to the reimbursement obligations of the principals under those surety bonds and surety undertakings, if the transfer can be arranged without prejudice to applicable priorities under Section 21A.301. If all insureds, principals, third-party claimants, and obligees under the policies, surety bonds, and surety undertakings consent or if the receivership court so orders, the estate has no further liability under the transferred policies, surety bonds, or surety undertakings after the transfer is made.

(i) The liquidator may, subject to Subsection (x), acquire, hypothecate, encumber, lease, improve, sell, transfer, abandon, or otherwise dispose of or deal with any property of the estate at its market value or upon terms and conditions that are fair and reasonable. The liquidator also has the power to execute, acknowledge, and deliver any and all deeds, assignments, releases, and other instruments necessary or proper to effectuate any sale of property or other transaction in connection with the liquidation.

(j) The liquidator may borrow money on the security of the property of the estate or without security and execute and deliver all documents necessary to that transaction for the purpose of facilitating the liquidation. Any funds borrowed under this subsection may be repaid as an administrative expense and have priority over any other claims in Class 1 under the priority of distribution.

(k) The liquidator may enter into contracts as necessary to carry out the order to liquidate and, subject to the provisions of Section 21A.013, may assume or reject any executory contract or unexpired lease to which the insurer is a party.

(l) The liquidator may continue to prosecute and institute in the name of the insurer or in the liquidator’s own name any and all suits and other legal proceedings, in this state or elsewhere, and abandon the prosecution of claims the liquidator deems unprofitable to pursue further. If the insurer is dissolved under Section 21A.153, the liquidator has the power to apply to any court in this state or elsewhere for leave to substitute the liquidator for the insurer as a party.

(m) The liquidator may prosecute any action that may exist on behalf of the creditors, members, policyholders, shareholders of the insurer, or the public against any person, except to the extent that a claim is personal to a specific
creditor, member, policyholder, or shareholder and recovery on such claim would
not inure to the benefit of the estate. This subsection does not infringe or impair
any of the rights provided to a guaranty association pursuant to its enabling
statute or otherwise.

(n) The liquidator may take possession of the records and property of the
insurer as may be convenient for the purposes of efficient and orderly execution
of the liquidation. Guaranty associations must be allowed reasonable access to the
records of the insurer as is necessary for the guaranty associations to carry out
their statutory obligations.

(o) The liquidator may deposit in one or more banks in this state the
amounts that are required for meeting current administration expenses and
dividend distributions.

(p) The liquidator may invest all amounts not currently needed, unless the
receivership court orders otherwise.

(q) The liquidator may file any necessary documents for record in the office
of any recorder of deeds or record office in this state or elsewhere where property
of the insurer is located.

(r) The liquidator may assert all defenses available to the insurer as against
third persons, including statutes of limitation, statutes of frauds, and the defense
of usury. A waiver of any defense by the insurer after a petition is filed under this
chapter does not bind the liquidator. When a guaranty association has an
obligation to defend any suit, the liquidator shall defer to the association’s
obligation.

(s) The liquidator may exercise and enforce all the rights, remedies, and
powers of any creditor, shareholder, policyholder, or member, including any
power to avoid any transfer or lien that may be avoidable under this chapter or
otherwise.

(t) The liquidator may intervene in any proceeding wherever instituted that
might lead to the appointment of a receiver or trustee and act as the receiver or
trustee whenever the appointment is offered.

(u) The liquidator may enter into agreements with any receivers or
commissioners of any other states.

(v) The liquidator may exercise all powers held by receivers on August 31,
2005, or conferred on receivers after that date by the laws of this state not
inconsistent with this chapter.

(w) The liquidator is vested with all the rights of the entity or entities in
receivership.

(x) The enumeration, in this section, of the powers and authority of the
liquidator may not be construed as a limitation upon the liquidator, nor may it
exclude in any manner the right to do other acts not specifically enumerated or
otherwise provided for, to the extent necessary or appropriate for the
accomplishment of or in aid of the purpose of liquidation.

(y) The liquidator may hypothecate, encumber, lease, sell, transfer,
abandon, or otherwise dispose of or deal with any property of the insurer, settle or
resolve any claim brought by the liquidator on behalf of the insurer, or commute
or settle any claim of reinsurance under any contract of reinsurance, as follows:
(1) if the property or claim has a market or settlement value that does not exceed the lesser of $1 million or 10 percent of the general assets of the estate as shown on the receivership’s financial statements, the liquidator may take action at the liquidator’s discretion, provided that the receivership court may, upon petition of the liquidator, increase the threshold upon a showing that compliance with this requirement is burdensome to the liquidator in administering the estate and is unnecessary to protect the material interests of creditors;

(2) in all instances other than those described in Subdivision (1), the liquidator may take the action only after obtaining approval of the receivership court as provided by Section 21A.007;

(3) the liquidator may, at the liquidator’s discretion, request the receivership court to approve a proposed action as provided by Section 21A.007 if the value of the property or claim appears to be less than the threshold provided by Subdivision (1) but cannot be ascertained with certainty, or for any other reason as determined by the liquidator; and

(4) after obtaining approval of the receivership court as provided in Section 21A.007, the liquidator may, subject to Subsection (z), transfer rights to payment under ceding reinsurance agreements covering policies to a third-party transferee.

(z) The transferee of a right to payment under Subsection (y)(4) has the rights to collect and enforce collection of the reinsurance for the amount payable to the ceding insurer or to its receiver, without diminution because of the insolvency or because the receiver has failed to pay all or a portion of the claim, based on the amounts paid or allowed pursuant to Section 21A.211. The transfer of the rights does not give rise to any defense regarding the reinsurer's obligations under the reinsurance agreement regardless of whether an agreement or other applicable law prohibits the transfer of rights under the reinsurance agreement. Except as provided in this subsection, any transfer of rights pursuant to Subsection (y)(4) does not impair any rights or defenses of the reinsurer that existed prior to the transfer or that would have existed in the absence of the transfer. Except as otherwise provided in this subsection, any transfer of rights pursuant to Subsection (y)(4) does not relieve the transferee or the liquidator from obligations owed to the reinsurer pursuant to the reinsurance or other agreement.

(aa) The liquidator is not obligated to defend any action against the insurer or insured. Any insureds not defended by a guaranty association may provide their own defense, and include the cost of the defense as part of their claims, if the defense was an obligation of the insurer. The right of the liquidator to contest coverage on a particular claim is preserved without the necessity for an express reservation of rights.

Sec. 21A.155. NOTICE TO CREDITORS AND OTHERS. (a) Unless the receivership court otherwise directs, the liquidator shall give or cause to be given notice of the liquidation order as soon as possible:

(1) by first class mail or electronic communication as permitted by the receivership court to:
(A) any guaranty association that is or may become obligated as a result of the liquidation and any national association of guaranty associations;

(B) all the insurer’s agents, brokers, or producers of record with current appointments or current licenses to represent the insurer and all other agents, brokers, or producers as the liquidator deems appropriate at their last known address; and

(C) all persons or entities known or reasonably expected to have claims against the insurer, at their last known address as indicated by the records of the insurer, and all state and federal agencies with an interest in the proceeding; and

(2) by publication in a newspaper of general circulation in the county in which the insurer has its principal place of business and in any other locations as the liquidator deems appropriate.

(b) The notice of the entry of an order of liquidation must contain or provide directions for obtaining the following information:

(1) a statement that the insurer has been placed in liquidation;

(2) a statement that certain acts are stayed under Section 21A.008 and describe any additional injunctive relief ordered by the receivership court;

(3) a statement whether, and to what extent, the insurer’s policies continue in effect;

(4) to the extent applicable, a statement that coverage by state guaranty associations may be available for all or part of policy benefits in accordance with applicable state guaranty laws;

(5) a statement of the deadline for filing claims, if established, and the requirements for filing a proof of claim pursuant to Section 21A.251 on or before that date;

(6) a statement of the date, time, and location of any initial status hearing scheduled at the time the notice is sent;

(7) a description of the process for obtaining notice of matters before the receivership court; and

(8) any other information the liquidator or the receivership court deems appropriate.

(c) If notice is given in accordance with this section, the distribution of property of the insurer under this chapter is conclusive with respect to all claimants, whether or not they received notice.

(d) Notwithstanding the other provisions of this section, the liquidator has no duty to locate any persons or entities if no address is found in the records of the insurer or if mailings are returned to the liquidator because of inability to deliver at the address shown in the insurer's books and records. In these circumstances the notice by publication as required by this chapter or actual notice received is sufficient notice. Written certification by the liquidator or other knowledgeable person acting for the liquidator that the notices were deposited in the United States mail, postage prepaid, or that the notices have been electronically transmitted is prima facie evidence of mailing and receipt. All claimants shall keep the liquidator informed of any changes of address.
(e) Notwithstanding Subsection (a)(1)(C), upon application of the liquidator, the receivership court may:

(1) find that notice by publication as required in this section is sufficient notice to those persons holding an occurrence policy that expired more than four years prior to the entry of the order of liquidation and under which there are no pending claims; or

(2) order other notice to persons described by Subdivision (1) as it deems appropriate.

(f) The liquidator shall notify the Texas Workers' Compensation Commission upon the entry of the liquidation order if the insurer has issued workers' compensation coverage in effect in this state. Upon request of the liquidator, the Texas Workers' Compensation Commission shall submit a list of active cases pending before the commission that relate to workers' compensation coverage issued by the insurer.

Sec. 21A.156. DUTIES OF AGENTS. (a) Every person who represented the insurer as an agent and receives notice in the form prescribed in Section 21A.155 that the insurer is the subject of a liquidation order, not later than the 30th day after the date of the notice, shall provide to the liquidator, in addition to the information the agent may be required to provide pursuant to Section 21A.010, the information in the agent's records related to any policy issued by the insurer through the agent and any policy issued by the insurer through an agent under contract to the agent, including the name and address of any subagent. For purposes of this subsection, a policy is issued through an agent if the agent has a property interest in the expiration of the policy or if the agent has had in the agent's possession a copy of the declarations of the policy at any time during the life of the policy, except where the ownership of the expiration of the policy has been transferred to another.

(b) Any agent failing to provide information to the liquidator as required in Subsection (a) may be subject to payment of an administrative penalty under Chapter 84 of not more than $1,000. In addition, the agent's license may be suspended under Chapter 4005.

SUBCHAPTER E. ASSET RECOVERY

Sec. 21A.201. TURNOVER OF ASSETS. (a) If the receiver determines that funds or property in the possession of another person are rightfully the property of the estate, the receiver shall deliver to the person a written demand for immediate delivery of the funds or property, referencing this section by number and the court and docket number of the receivership action, and notifying the person that any claim of right to the funds or property by the person must be presented to the receivership court not later than the 20th day after the date of the written demand. Any person who holds funds or other property belonging to an entity subject to an order of receivership under this chapter shall deliver the funds or other property to the receiver on demand. Should the person allege any right to retain the funds or other property, the person, not later than the 20th day after the date of receipt of the demand that the funds or property be delivered to the receiver, shall file with the receivership court a pleading setting out that right. The
person shall serve a copy of the pleading on the receiver. The pleading must inform the receivership court as to the nature of the claim to the funds or property, the alleged value of the property or amount of funds held, and what action, pending determination of the dispute, has been taken by the person to preserve and protect the property or to preserve any funds. The relinquishment of possession of funds or property by any person who has received a demand pursuant to this section does not constitute a waiver of a right to make a claim in the receivership.

(b) If requested by the receiver, the receivership court shall hold a hearing to determine where and under what conditions the person shall hold the property or funds pending determination of the dispute. The receivership court may impose conditions as it may deem necessary or appropriate for the preservation of the property or funds until the receivership court can determine the validity of the person's claim to the property or funds. If any property or funds are allowed to remain in the possession of the person after demand made by the receiver, that person is strictly liable to the estate for any waste, loss, or damage to or diminution of value of the property or funds retained.

(c) If a person has filed a pleading alleging any right to retain funds or property as provided by Subsection (a), the receivership court shall hold a subsequent hearing to determine the entitlement of the person to the funds or property claimed by the receiver.

(d) If a person fails to deliver the funds or property or to file the pleading described by Subsection (a) within the period described by Subsection (a), the receivership court may, upon petition of the receiver and upon a copy of the petition being served by the receiver to that person, issue its summary order directing the immediate delivery of the funds or property to the receiver and finding that the person has waived all claims of right to the funds or property.

Sec. 21A.202. RECOVERY FROM AFFILIATES. (a) The receiver has a right to recover from any affiliate of the insurer any property of the insurer transferred to or for the benefit of the affiliate, or the property's value, if the transfer was made within the two years preceding the initial petition for receivership.

(b) A transfer is not recoverable under Subsection (a) if the affiliate shows that, when the transfer was made:

(1) the insurer was solvent;
(2) the transfer was lawful; and
(3) neither the insurer nor the affiliate knew or reasonably should have known that the transfer, under then-applicable statutory accounting standards, would:

(A) place the insurer:
   (i) in violation of applicable capital or surplus requirements;
   (ii) below the applicable minimum risk-based capital level; or
   (iii) in violation of writing ratios under Article 1.32 or analogous requirements under Section 843.406; or
(B) cause the insurer's filed financial statements not to present fairly the capital and surplus of the insurer.
Sec. 21A.203. UNAUTHORIZED POST-PETITION TRANSFERS. (a) Except as provided by this section, the receiver may avoid any transfer of an interest of the insurer in property or any obligation incurred by the insurer that:

(1) was made or occurred after the petition for receivership was filed; and

(2) is not authorized by the receiver and approved by the receivership court or otherwise authorized in accordance with this chapter.

(b) Except to the extent that a transfer or obligation avoidable under Subsection (a) is otherwise voidable under this chapter, a transferee or obligee of a transfer or obligation avoided under Subsection (a) that takes for value and in good faith, at the option of the receivership court, has a lien or may retain any interest transferred or enforce any obligation incurred, as applicable, to the extent that the transferee or obligee gave value to the insurer in exchange for the transfer or obligation.

Sec. 21A.204. VOIDABLE PREFERENCES AND LIENS. (a) A "preference" is a transfer of any interest in property of an insurer that:

(1) is made to or for the benefit of a creditor and for or on account of an antecedent debt and is made or suffered by the insurer within two years preceding the filing of a successful petition commencing delinquency proceedings; and

(2) enables the creditor to receive more than the creditor would receive if the insurer were liquidated under this chapter, the transfer had not been made, and the creditor was entitled to receive payment of the debt to the extent provided by this chapter.

(b) Any preference may be avoided by the receiver if:

(1) the insurer was insolvent at the time of the transfer;

(2) the transfer was made within 120 days before the date of filing of the petition commencing delinquency proceedings;

(3) the creditor receiving the transfer or to be benefited by the transfer, or the creditor's agent acting with reference to the transfer, had, at the time the transfer was made, reasonable cause to believe that the insurer was insolvent or was about to become insolvent; or

(4) the creditor receiving the transfer was:

(A) an officer or director of the insurer;

(B) an employee, attorney, or other person who was in fact in a position to effect a level of control or influence over the actions of the insurer comparable to that of an officer or director, without regard to whether the person held that position; or

(C) an affiliate.

(c) The receiver may not avoid a transfer under this section:

(1) to the extent that the transfer was:

(A) intended by the insurer and the creditor to or for whose benefit the transfer was made to be a contemporaneous exchange for new value given to the insurer and in fact was a substantially contemporaneous exchange; or
made in the ordinary course of business or financial affairs between the insurer and the transferee and made according to ordinary business terms in payment of a debt incurred by the insurer in the ordinary course of business or financial affairs of the insurer and the transferee; or

(2) to or for the benefit of a creditor, to the extent that, after the transfer, the creditor gave new value to or for the benefit of the insurer that was:

(A) not secured by an otherwise unavoidable security interest; and

(B) on account of which new value the insurer did not make an otherwise unavoidable transfer to or for the benefit of the creditor.

(d) For purposes of this section:

(1) a transfer of property other than real property is deemed to be made or suffered at the time the transfer becomes so far perfected that any subsequent lien obtainable by legal or equitable proceedings on a simple contract could not become superior to the rights of the transferee;

(2) a transfer of real property is deemed to be made or suffered when the transfer is so far perfected that a subsequent bona fide purchaser from the insurer could not obtain rights superior to the rights of the transferee;

(3) a transfer that creates an equitable lien is not deemed to be perfected if there are available means by which a legal lien could be created; and

(4) a transfer not perfected prior to the filing of a petition for receivership is deemed to be made immediately before the filing commencing delinquency proceedings.

(e) The provisions of this section apply without regard to whether there are or were creditors who might have obtained liens or persons who might have become bona fide purchasers.

(f) Within the meaning of Subsection (d), "a lien obtainable by legal or equitable proceedings on a simple contract" is a lien arising in the ordinary course of proceedings upon the entry or docketing of a judgment or decree, or upon attachment, garnishment, execution, or similar process, whether before, upon, or after judgment or decree and whether before or upon levy. The term does not include liens that under applicable law are given a special priority over other liens that are prior in time.

(g) Within the meaning of Subsection (d), a lien obtainable by legal or equitable proceedings could become superior to the rights of a transferee, or a purchaser could obtain rights superior to the rights of a transferee if the consequences would follow only from the lien or purchase itself, or from the lien or purchase followed by any step wholly within the control of the respective lienholder or purchaser, with or without the aid of ministerial action by public officials. A lien could not, however, become superior and a purchase could not create superior rights for the purpose of Subsection (d) through any acts subsequent to the obtaining of the lien or subsequent to the purchase that require the agreement or concurrence of any third party or that require any further judicial action or ruling.

(h) A transfer of property for or on account of a new and contemporaneous consideration that is deemed under Subsection (d) to be made or suffered after the transfer because of delay in perfecting the transfer does not become a transfer for
or on account of an antecedent debt if any acts required by the applicable law to be performed to perfect the transfer against liens or bona fide purchasers’ rights are performed within 21 days or any period expressly allowed by the law, whichever is less. A transfer to secure a future loan, if the loan is actually made, or a transfer that becomes security for a future loan, has the same effect as a transfer for or on account of a new and contemporaneous consideration.

(i)(1) If any lien deemed voidable under Subsection (b) has been dissolved by the furnishing of a bond or other obligation, the surety on which has been indemnified directly or indirectly by the transfer of or the creation of a lien upon any property of an insurer before the filing of a petition commencing delinquency proceedings under this chapter, the indemnifying transfer or lien is also deemed voidable.

(2) The property affected by any lien deemed voidable under Subsection (b) and Subdivision (1) is discharged from the lien, and that property and any of the indemnifying property transferred to or for the benefit of a surety passes to the receiver, except that the receivership court may on due notice order any lien deemed voidable under this section to be preserved for the benefit of the estate and may direct that a conveyance be executed as may be proper or adequate to evidence the title of the receiver.

(3) Reasonable notice of any hearing in the proceeding shall be given to all parties as required by law, including the obligee of a releasing bond or other like obligation. If an order is entered for the recovery of indemnifying property in kind or for the avoidance of an indemnifying lien, the receivership court may in the same proceeding ascertain the value of the property or lien. If the value of the property or lien is less than the amount for which the property is indemnified or than the amount of the lien, the transferee or lienholder may elect to retain the property or lien upon payment to the receiver of its value, as determined by the receivership court, within a reasonable time determined by the receivership court.

(4) The liability of the surety under a releasing bond or other similar obligation shall be discharged to the extent of the value of the indemnifying property recovered or the indemnifying lien nullified and avoided by the receiver, or if the property is retained under Subdivision (3) to the extent of the amount paid to the receiver.

(j) This section may not be construed to prejudice any other claim by the receiver against any person.

Sec. 21A.205. FRAUDULENT TRANSFERS AND OBLIGATIONS. (a) The receiver may avoid any transfer of an interest of the insurer in property, any reinsurance transaction, or any obligation incurred by an insurer that was made or incurred on or within two years before the date of the initial filing of a petition commencing delinquency proceedings under this chapter, if the insurer voluntarily or involuntarily:

(1) made the transfer or incurred the obligation with actual intent to hinder, delay, or defraud any person to which it was or became indebted on or after the date that the transfer was made or the obligation was incurred; or

(2) received less than a reasonably equivalent value in exchange for the transfer or obligation.
(b) Except to the extent that a transfer or obligation voidable under this section is voidable under other provisions of this chapter, a transferee or obligee that takes for value and in good faith a voidable transfer or obligation has a lien on or may retain any interest transferred or may enforce any obligation incurred, as the case may be, to the extent that the transferee or obligee gave value to the insurer in exchange for the transfer or obligation.

(c) For purposes of this section, a transfer is made when the transfer is so perfected that a subsequent bona fide purchaser from the insurer cannot acquire an interest in the property transferred that is superior to the interest in the property of the transferee, but if the transfer is not so perfected before the commencement of the delinquency proceeding, the transfer is deemed to have been made immediately before the date of the initial filing of the petition commencing delinquency proceedings.

(d) For purposes of this section, "value" means property or satisfaction or securing of a present or antecedent debt of the insurer.

Sec. 21A.206. RECEIVER AS LIEN CREDITOR. (a) The receiver may avoid any transfer of or lien upon the property of, or obligation incurred by, an insurer that the insurer or a policyholder, creditor, member, or stockholder of the insurer may have avoided without regard to any knowledge of the receiver, the commissioner, the insurer, or any policyholder, creditor, member, or stockholder of the insurer regardless of whether such a policyholder, creditor, member, or stockholder exists.

(b) The receiver is deemed a creditor without knowledge for purposes of pursuing claims under the Uniform Fraudulent Transfer Act, the Uniform Fraudulent Conveyance Act, or similar provisions of state or federal law.

Sec. 21A.207. LIABILITY OF TRANSFEREE. (a) Except as otherwise provided in this section, to the extent that the receiver obtains an order under Section 21A.201 or avoids a transfer under Sections 21A.202, 21A.203, 21A.204, 21A.205, or 21A.206, the receiver may recover the property transferred, or the value of the property, from:

(1) the initial transferee of the transfer or the entity for whose benefit the transfer was made; or

(2) any immediate or mediate transferee of the initial transferee.

(b) The receiver may not recover under Subsection (a)(2) from:

(1) a transferee that takes for value, including satisfaction or securing of a present or antecedent debt, in good faith, and without knowledge of the voidability of the transfer avoided; or

(2) any immediate or mediate good faith transferee of the transferee.

(c) Any transfer avoided in accordance with this chapter is preserved for the benefit of the receivership estate, but only with respect to property of the insurer.

(d) In addition to the remedies specifically provided under Sections 21A.201-21A.206 and Subsection (a), if the receiver is successful in establishing a claim to the property or any part of the property, the receiver is entitled to recover judgment for:

(1) rental for the use of the tangible property from the later of the entry of the receivership order or the date of the transfer;
in the case of funds or intangible property, the greater of:

(A) the actual interest or income earned by the property; or

(B) interest at the statutory rate for judgments from the later of the date of the entry of the receivership order or the date of the transfer; and

(3) except as to recoveries from guaranty associations, all costs, including investigative costs and other expenses necessary to the recovery of the property or funds, and reasonable attorney's fees.

(e) In any action under this section, the receivership court may allow the receiver to seek recovery of the property involved or the property's value.

(f) In any action under Sections 21A.201-21A.206, the receiver has the burden of proving the avoidability of a transfer, and the person against whom recovery or avoidance is sought has the burden of proving the nature and extent of any affirmative defense.

Sec. 21A.208. CLAIMS OF HOLDERS OF VOID OR VOIDABLE RIGHTS. (a) A claim of a creditor who has received or acquired a preference, lien, conveyance, transfer, assignment, or encumbrance voidable under this chapter may not be allowed unless the creditor surrenders the preference, lien, conveyance, transfer, assignment, or encumbrance. If the avoidance is effected by a proceeding in which a final judgment has been entered, the claim may not be allowed unless the money is paid or the property is delivered to the receiver not later than the 30th day after the date of the entering of the final judgment, except that the receivership court may allow further time if there is an appeal or other continuation of the proceeding.

(b) A claim allowable under Subsection (a) by reason of the avoidance, whether voluntary or involuntary, or a preference, lien, conveyance, transfer, assignment, or encumbrance, may be filed as an excused late filing under Section 21A.251(b) if filed not later than the 30th day after the date of the avoidance, or within the further time allowed by the receivership court under Subsection (a).

Sec. 21A.209. SETOFFS. (a) All mutual debts or mutual credits, whether arising out of one or more contracts between the insurer and another person in connection with any action or proceeding under this chapter, must be set off and only the balance shall be allowed or paid, except as provided by Subsection (b).

(b) A setoff may not be allowed in favor of any person if:

(1) the obligation of the insurer to the person:

(A) would not, at the date of the commencement of the delinquency proceeding, entitle the person to share as a claimant in the assets of the insurer; or

(B) was purchased by or transferred to the person:

(i) after the commencement of the delinquency proceeding; or

(ii) for the purpose of increasing setoff rights;

(2) the obligation of the insurer is owed to an affiliate of the person, or any other entity or association other than the person;

(3) the obligation of the person:

(A) is as a trustee or fiduciary; or

(B) is to pay:
(i) an assessment levied against the members of a mutual insurer, reciprocal or interinsurance exchange, or Lloyd’s plan; or

(ii) a balance upon a subscription to the capital stock of a capital stock insurance company; or

(4) the obligations between the person and the insurer arise from reinsurance transactions in which either the person or the insurer has assumed risks and obligations from the other party and then has ceded back to that party substantially the same risks and obligations.

(c) The receiver shall provide an interested person with accounting statements identifying all debts that are due and payable. If a person owes the insurer amounts that are due and payable against which the person asserts a setoff of mutual credits that, in the future, may become due and payable from the insurer, the person shall promptly pay the amounts due and payable to the receiver. Notwithstanding any other provision of this chapter, the receiver shall promptly and fully refund, to the extent of a person’s prior payments under this section, any mutual credits that become due and payable to the person by the insurer.

Sec. 21A.210. ASSESSMENTS. (a) As soon as practicable, but not later than the fourth anniversary of the date of an order of receivership of an insurer issuing assessable policies, the receiver shall make a report to the receivership court setting forth:

1. the reasonable value of the assets of the insurer;
2. the insurer’s probable total liabilities;
3. the probable aggregate amount of the assessment necessary to pay all claims of creditors and expenses in full, including expenses of administration and costs of collecting the assessment; and
4. a recommendation as to whether an assessment should be made and in what amount.

(b) Upon the basis of the report provided in Subsection (a), including any supplements and amendments to the report, the receivership court may approve, solely on application by the receiver, one or more assessments against all members of the insurer who are subject to assessment. The order approving the assessment shall provide instructions regarding notice of the assessment, deadlines for payment, and other instructions to the receiver regarding collection of the assessment.

(c) Subject to any applicable legal limits on ability to assess, the aggregate assessment must be for the amount that the sum of the probable liabilities, the expenses of administration, and the estimated cost of collection of the assessment, exceeds the value of existing assets, with due regard being given to assessments that cannot be collected economically.

(d) After levy of assessment under Subsection (b), the receiver shall petition the receivership court for an order directing each member who has not paid the assessment pursuant to the levy to show cause why a judgment for the assessment should not be entered.
(e) At least 20 days before the return day of the order to show cause, the receiver shall give notice of the order to show cause to each member liable on the assessment. Notice must be given by first class mail mailed to the member’s last known address as it appears on the insurer’s records, by publication, or by another method of notification as directed by the receivership court. Failure of the member or subscriber to receive the notice of the assessment or of the order, within the time specified in the assessment or order or at all, is not a defense in a proceeding to collect the assessment.

(f) If a member does not appear and serve verified objections upon the receiver on or before the return day of the order to show cause under Subsection (d), the receivership court shall make an order adjudging the member liable for the amount of the assessment against the member under Subsection (d) together with costs, and the receiver shall have a judgment against the member for the amount of the assessment and costs in the order.

(g) If on or before the return day of the order to show cause, the member appears and serves verified objections upon the receiver, the receivership court may hear and determine the matter or may appoint a referee to hear it and make an order as the facts warrant. In the event that the receiver determines that the objections do not warrant relief from assessment, the member may request the receivership court to review the matter and vacate the order to show cause.

(h) The receiver may enforce any order or collect any judgment under Subsection (f) by any lawful means.

(i) Any assessment of a subscriber or member of an insurer made by the receiver pursuant to the order of receivership court fixing the aggregate amount of the assessment against all members or subscribers and approving the classification and formula made by the receiver under this section is prima facie correct.

(j) Any claim filed by an assessee who fails to pay an assessment, after the conclusion of any legal action by the assessee objecting to the assessment, is deemed a late filed claim under Section 21A.251.

Sec. 21A.211. REINSURER’S LIABILITY. (a) If the receiver has claims under policies covered by reinsurance, the liability of the reinsurer to the receiver under the policies reinsured may not be diminished because of the insolvency of the insurer, regardless of any provisions in the reinsurance contract to the contrary, except under the following circumstances:

(1) a contract or other written agreement entered into before the delinquency proceeding that is otherwise permitted by law specifically provides another payee of the reinsurance in the event of the insolvency of the ceding insurer;

(2) the assuming insurer, under an assumption reinsurance agreement and with the consent of the direct insured, has assumed, as direct obligations of the assuming insurer, the policy obligations of the ceding insurer to the payees under policies and in substitution for the obligations of the ceding insurer to those payees; or
(3) A life and health insurance guaranty association has made the election to succeed to the rights and obligations of the insolvent insurer under a contract of reinsurance in accordance with the life and health guaranty association laws of this state or its domiciliary state or another applicable law, rule, order, or assignment contract, in which case payments shall be made directly to or at the direction of the guaranty association.

(b) Except as provided by Subsection (a), any reinsurance shall be payable to the receiver under a policy reinsured by the assuming insurer on the basis of claims:

(1) allowed under Section 21A.253; and

(2) paid under:
   (A) Article 21.28-C or 21.28-D;
   (B) Chapter 2602; or
   (C) the guaranty associations of other states.

(c) The liquidator or receiver, as applicable, shall give written notice to affected reinsurers of the pendency of a claim against the receiver under a reinsured policy within a reasonable time after the claim is filed in the delinquency proceeding. During the pendency of the claim any affected reinsurer may:

(1) investigate the claim; and

(2) intervene, at the reinsurer's own expense, in any proceeding where the claim is to be adjusted and assert any defense or defenses which it may deem available to the delinquent company, the liquidator, or the receiver.

(d) Subject to court approval, an expense incurred under Subsection (c)(1) or (2) shall be chargeable against the delinquent company as part of the expense of liquidation, to the extent of a proportionate share of the benefit which may accrue to the delinquent company solely as a result of the defense undertaken by the assuming insurer.

(e) If two or more assuming insurers are involved in the same claim and a majority in interest elect to intervene and assert a defense to a claim described by Subsection (c), an expense incurred under Subsection (c)(1) or (2) shall be apportioned in accordance with the terms of the reinsurance agreement as though the expense had been incurred by the ceding insurer.

(f) Nothing in this Chapter shall be construed as authorizing the receiver, or other entity, to compel payment from a non-life reinsurer on the basis of estimated incurred but not reported losses or outstanding reserves, except outstanding reserves with respect to claims made pursuant to section 21A.255 and approved workers compensation claims filed under section 21A.252(d).

Sec. 21A.212. RECOVERY OF PREMIUMS OWED. (a) An insured shall pay, either directly to the receiver or to any agent that has paid or is obligated to pay the receiver on behalf of the insured, any unpaid earned premium or retrospectively rated premium due the insurer based on the termination of coverage under Section 21A.152. Premium on surety business is deemed earned at inception if a policy term cannot be determined. All other premium is deemed earned and is prorated equally over the determined policy term, regardless of any provision in the bond, guaranty, contract or other agreement.
(b) Any person, other than the insured, shall turn over to the receiver any unpaid premium due and owing as shown on the records of the insurer, including any amount representing commissions, for the full policy term due the insurer at the time of the entry of the receivership order, whether earned or unearned, based on the termination of coverage under Section 21A.152. The unpaid premium due the receiver from any person other than the insured excludes any premium not collected from the insured and not earned based on the termination of coverage under Section 21A.152.

(c) Any person, other than the insured, responsible for the remittance of a premium, shall turn over to the receiver any unearned commission of the person based on the termination of coverage under Section 21A.152. Credits, setoffs, or both may not be allowed to an agent, broker, premium finance company, or any other person for any amounts advanced to the insurer by the person on behalf of, but in the absence of a payment by, the insured, or for any other amount paid by the person to any other person after the entry of the order of receivership.

(d) Persons that collect premium or finance premium under a premium finance contract that is due the insurer in receivership are deemed to hold that premium in trust as fiduciaries for the benefit of the insurer and to have availed themselves of the laws of this state, regardless of any provision to the contrary in any agency contract or other agreement.

(e) Any premium finance company is obligated to pay any amounts due the insurer from premium finance contracts, whether the premium is earned or unearned. The receiver has the right to collect any unpaid financed premium directly from the premium finance company or directly from the insured that is a party to the premium finance contract.

(f) Upon satisfactory evidence of a violation of this section by a person other than an insured, the commissioner may pursue one or more of the following courses of action:

1. suspend, revoke, or refuse to renew the licenses of the offending party or parties; and
2. impose:
   A. an administrative penalty under Chapter 84 of not more than $1,000 for each act in violation of this section by the party or parties; and
   B. any other sanction or penalty authorized by Chapter 82.

Sec. 21A.213. ADMINISTRATION OF DEDUCTIBLE AGREEMENTS AND POLICYHOLDER COLLATERAL. (a) Any collateral held to secure the obligations of a policyholder under a deductible agreement with an insurer subject to a delinquency proceeding under this chapter must be maintained and administered as provided in this section. For purposes of this section, a "deductible agreement" is any combination of one or more policies, endorsements, contracts, or security agreements that:

1. provide for the policyholder to bear the risk of loss within a specified amount per claim or occurrence covered under a policy of insurance; and
2. may be subject to an aggregate limit of policyholder reimbursement obligations.
(b) This section applies to any collateral described by Subsection (a), regardless of whether the collateral is held by, for the benefit of, or assigned to the insurer under a deductible agreement. The collateral shall be used to secure the policyholder's obligation to fund or reimburse claims payments within the agreed deductible amount, subject to this section.

(c) If the contract between the policyholder and the insurer allows the policyholder to fund claims within the deductible amount through a third-party administrator or otherwise, the receiver shall allow that funding arrangement to continue, except as prohibited by Title 5, Labor Code. If a policyholder funds claims within the deductible amount, the receiver or any guaranty association has no obligation to pay claims for the amount funded by the policyholder, and the policyholder or its third-party administrator is not obligated to reimburse a guaranty association for any amount funded. A charge of any kind may not be made against a guaranty association based on the funding of claims payments by a policyholder under this subsection.

(d) If the receiver is holding collateral provided by a policyholder to secure both a deductible agreement and other obligations of the policyholder, the receiver shall:

1. allocate the collateral among these obligations in accordance with the deductible agreement; or
2. in the absence of an allocation provision in the deductible agreement and with the approval of the receivership court, allocate the collateral equitably among these obligations.

(e) If, under Subsection (d), the collateral secures reimbursement obligations under more than one line of insurance, the receiver shall equitably allocate the collateral among the various lines based on the estimated ultimate exposure within the deductible amount for each line.

(f) If a guaranty association is obligated to pay claims under a policy under Subsection (d), the receiver shall give notice to the guaranty associations of any allocation under this section.

(g) Once all claims covered by the collateral have been paid and the receiver is satisfied that no new claims may be presented, the receiver shall release any remaining collateral to the policyholder in accordance with the provisions of the contract and of this chapter.

(h) To the extent a guaranty association is required by applicable law to pay any claims for which the insurer would have been entitled to reimbursement from the policyholder, the following provisions apply:

1. The receiver shall promptly invoice the policyholder for the reimbursement due under the agreement, and the policyholder is obligated to pay the amount invoiced to the receiver for the benefit of the guaranty associations that paid the claims. Neither the insolvency of the insurer nor the insurer's inability to perform any obligations under the deductible agreement is a defense to the policyholder's reimbursement obligation under the deductible agreement. At the time the policyholder reimbursements are collected, the receiver shall promptly forward those amounts to the guaranty association, based on the claims paid by the guaranty association that were subject to the deductible.
If the collateral is insufficient to reimburse the guaranty association for claims paid within the deductible, the receiver shall use any existing collateral to make a partial reimbursement to the guaranty association, subject to any allocation under Subsection (d), (e), or (f). If more than one guaranty association has a claim against the same collateral, the receiver shall prorate payments to each guaranty association based on the amount of the claims each guaranty association has paid.

The receiver is entitled to deduct from reimbursements owed to a guaranty association or collateral to be returned to a policyholder reasonable actual expenses incurred in fulfilling the receiver's responsibilities under this section. Expenses incurred to collect reimbursements for the benefit of a guaranty association are subject to the approval of the guaranty association. Any remaining expenses that are not deducted from the reimbursements are payable subject to Section 21A.015.

The receiver shall provide any affected guaranty associations with a complete accounting of the receiver's deductible billing and collection activities on a quarterly basis, or at other intervals as may be agreed to between the receiver and the guaranty associations. Accountings under this subdivision must include copies of the policyholder billings, the reimbursements collected, the available amounts and use of collateral for each account, and any prorating of payments.

If the receiver fails to make a good faith effort to collect reimbursements due from a policyholder under a deductible agreement within 120 days of receipt of claims payment reports from a guaranty association, the guaranty association may, after notice to the receiver, collect the reimbursements that are due, and, in so doing, the guaranty association shall have the same rights and remedies as the receiver. A guaranty association shall report any amounts collected under this subdivision and expenses incurred in collecting those amounts to the receiver.

The receiver shall periodically adjust the collateral held as the claims subject to the deductible agreement are paid, provided that adequate collateral is maintained. The receiver is not required to adjust the collateral more than once a year. The receiver shall inform the guaranty associations of all collateral reviews, including the basis for the adjustment.

Reimbursements received or collected by a guaranty association under this section may not be considered a distribution of the insurer's assets. A guaranty association shall provide the receiver with an accounting of any amounts it has received or collected under this section and any expenses incurred in connection with that receipt or collection. The amounts received, net of any expenses incurred in connection with collection of the amounts, must be set off against the guaranty association's claim filed under Section 21A.251 for the payments that were reimbursed.

To the extent that a guaranty association pays a claim within the deductible amount that is not reimbursed by either the receiver or by policyholder payments, the guaranty association has a claim for those amounts in the delinquency proceeding in accordance with Section 21A.251.
(9) Nothing in this section limits any rights of a guaranty association under applicable law to obtain reimbursement for claims payments made by the guaranty association under policies of the insurer or for the association’s related expenses.

(i) If a claim that is subject to a deductible agreement and secured by collateral is not covered by any guaranty association, the following provisions apply:

(1) The receiver is entitled to retain as an asset of the estate any collateral or deductible reimbursements obtained by the receiver.

(2) If a policyholder fails to assume an obligation under a deductible agreement to pay a claim, the receiver shall use the collateral to adjust and pay the claim to the extent that the available collateral, after any allocation under Subsection (d), (e), or (f), is sufficient to pay all outstanding and anticipated claims within the deductible. If the collateral is exhausted and all reasonable means of collection against the insured have been exhausted, the remaining claims shall be subject to the provisions of Sections 21A.251 and 21A.301.

(3) The receiver is entitled to deduct from collateral reasonable actual expenses incurred in fulfilling the receiver's responsibilities under this section. Any remaining expenses that are not deducted from the reimbursements are payable subject to Section 21A.015.

[SUBCHAPTER F. CLAIMS]

Sec. 21A.251. FILING OF CLAIMS. (a) Except as provided by this subsection, proof of all claims must be filed with the liquidator in the form required by Section 21A.252 on or before the last day for filing specified in the notice required under Section 21A.155, which date may not be later than 18 months after entry of the order of liquidation, unless the receivership court, for good cause shown, extends the time, except that proofs of claims for cash surrender values or other investment values in life insurance and annuities and for any other policies insuring the lives of persons need not be filed unless the liquidator expressly so requires. The receivership court, only upon application of the liquidator, may allow alternative procedures and requirements for the filing of proofs of claim or for allowing or proving claims. Upon application, if the receivership court dispenses with the requirements of filing a proof of claim by a person or a class or group of persons, a proof of claim for the person, class, or group is deemed to have been filed for all purposes, except that the receivership court's waiver of proof of claim requirements does not impact guaranty association proof of claim filing requirements or coverage determinations to the extent the guaranty fund statute or filing requirements are inconsistent with the receivership court’s waiver of proof.

(b) The liquidator shall permit a claimant that makes a late filing to share ratably in distributions, whether past or future, as if the claim were not filed late, to the extent that the payment will not prejudice the orderly administration of the liquidation, under the following circumstances:
(1) the eligibility to file a proof of claim was not known to the claimant, and the claimant filed a proof of claim not later than the 90th day after the date of first learning of the eligibility;
(2) a transfer to a creditor was avoided under Section 21A.202, 21A.203, 21A.204, or 21A.206, or was voluntarily surrendered under Section 21A.208, and the filing satisfies the conditions of Section 21A.208; or
(3) the valuation under Section 21A.260, of security held by a secured creditor shows a deficiency, and the claim for the deficiency is filed not later than the 30th day after the valuation.
(c) The liquidator may petition the receivership court to set a date before which all late claims under Subsection (b) must be filed.
(d) The liquidator shall permit guaranty associations to file claims late and to receive a ratable share of distributions, whether past or future, as if the claims were not late.
Sec. 21A.252. PROOF OF CLAIM. (a) Proof of claim consists of a statement signed by the claimant or on behalf of the claimant that includes all of the following, as applicable:
(1) the particulars of the claim, including the consideration given for it;
(2) the identity and amount of the security on the claim;
(3) the payments, if any, made on the debt;
(4) that the sum claimed is justly owing and that there is no setoff, counterclaim, or defense to the claim;
(5) any right of priority of payment or other specific right asserted by the claimant;
(6) the name and address of the claimant and the attorney, if any, who represents the claimant; and
(7) the claimant's social security or federal employer identification number.
(b) The liquidator may require that:
(1) a prescribed form be used; and
(2) other information and documents be included.
(c) At any time the liquidator may:
(1) require the claimant to present information or evidence supplementary to that required under Subsection (a); and
(2) take testimony under oath, require production of affidavits or depositions, or otherwise obtain additional information or evidence.
(d) Any guaranty association must be permitted to file a single omnibus proof of claim for all claims of the association in connection with payment of claims of the insurer. The omnibus proof of claim may be periodically updated by the association, and the association may be required to submit a reasonable amount of documentation in support of the claim. A guaranty association's claim under this Subsection may include amounts for anticipated payments after the closing of the receivership including incurred but not reported claims.
Sec. 21A.253. ALLOWANCE OF CLAIMS. (a) Except as provided in Subsections (i) and (l), the liquidator shall review all claims duly filed in the liquidation proceeding and shall further investigate as the liquidator considers

necessary. Consistent with the provisions of this chapter, the liquidator may allow, disallow, or compromise the amount for which claims will be recommended to the receivership court, unless the liquidator is required by law to accept claims as settled by a person or organization, including a guaranty association, subject to any statutory or contractual rights of the affected reinsurers to participate in the claims allowance process. No claim under a policy of insurance may be allowed for an amount in excess of the applicable policy limits.

(b) Pursuant to the review, the liquidator shall provide written notice of the claim determination by any means authorized by Section 21A.007 to the claimant or the claimant's attorney and may provide notice to any reinsurer that is or may be liable in respect of the claim. The notice must set forth the amount of the claim allowed by the liquidator, if any, and the priority class of the claim as established in Section 21A.301.

(c) Not later than the 45th day after the mailing of the notice as set forth in Subsection (b), those noticed may submit written objections to the liquidator. Any submitted objections must clearly set out all facts and the legal basis, if any, for the objections and the reasons why the claim should be allowed at a different amount or in a different priority class. If no timely objection is filed, the determination is final.

(d) A claim that has not become mature as of the coverage termination date established under Section 21A.201 because payment on the claim is not yet due may be allowed as if it were mature. A claim that is allowed under this Subsection may be discounted to present value based upon a reasonable estimated date of the payment, if the liquidator determines that the present value of the payment is materially less than the amount of the payment.

(e) A judgment or order against an insured or the insurer entered after the date of the initial filing of a successful petition for receivership, or within 120 days before the initial filing of the petition, and a judgment or order against an insured or the insurer entered at any time by default or by collusion need not be considered as evidence of liability or of the amount of damages.

(f) Claims under employment contracts by directors, officers, or persons in fact performing similar functions or having similar powers are limited to payment for services rendered prior to any order of receivership, unless explicitly approved in writing by:

(1) the commissioner prior to an order of receivership;
(2) the rehabilitator before the entry of an order of liquidation; or
(3) the liquidator after the entry of an order of liquidation.

(g) The total liability of the insurer to all claimants arising out of the same act or policy may not be greater than the insurer's total liability would have been were the insurer not in liquidation.

(h) The liquidator shall disallow claims for de minimis amounts as determined by the receivership court as being reasonable and necessary for administrative convenience.
(i) A claim that does not contain all the applicable information required by Section 21A.252 need not be further reviewed or adjudicated, and may be denied or disallowed by the liquidator subject to the notice and objection procedures in this section.

(j) The liquidator may reconsider a claim on the basis of additional information and amend the recommendation to the receivership court. The claimant must be afforded the same notice and opportunity to be heard on all changes in the recommendation as in its initial determination. The receivership court may amend its allowance or disallowance as appropriate.

(k) The liquidator is not required to process claims for any class until it appears reasonably likely that property will be available for a distribution to that class. If there are insufficient assets to justify processing all claims for any class listed in Section 21A.301, the liquidator shall report the facts to the receivership court and make such recommendations as may be appropriate for handling the remainder of the claims.

(l) Any claim by a lessor for damages resulting from the termination of a lease of real property shall be disallowed to the extent that the claim exceeds:

(1) the rent reserved by the lease, without acceleration, for the longer of one year or 15 percent of the remaining term of the lease, not to exceed three years, following the earlier of:
   (A) the date of the filing of the petition; or
   (B) the date on which the lessor reposessed or the lessee surrendered the leased property; and

(2) any unpaid rent due under the lease, without acceleration, on the earlier of the dates described by Subdivision (1).

(m) If a claim is fully covered by a guaranty association, the liquidator has no obligation to process the claim in accordance with this section and may refuse to process the claim in accordance with this section.

Sec. 21A.254. CLAIMS UNDER OCCURRENCE POLICIES, SURETY BONDS, AND SURETY UNDERTAKINGS. (a) Subject to the provisions of Section 21A.253, any insured has the right to file a claim for the protection afforded under the insured's policy, regardless of whether a claim is known at the time of filing.

(b) Subject to the provisions of Section 21A.253, an obligee under a surety bond or surety undertaking has the right to file a claim for the protection afforded under the surety bond or surety undertaking issued by the insurer under which the obligee is the beneficiary, regardless of whether a claim is known at the time of filing.

(c) After a claim is filed under Subsection (a) or (b), at the time that a specific claim is made by or against the insured or by the obligee, the insured or the obligee shall supplement the claim, and the receiver shall treat the claim as a contingent or unliquidated claim under Section 21A.255.

Sec. 21A.255. ALLOWANCE OF CONTINGENT AND UNLIQUIDATED CLAIMS. (a) A claim of an insured or third party may be allowed under Section 21A.253, regardless of the fact that the claim was
contingent or unliquidated, if any contingency is removed in accordance with Subsection (b) and the value of the claim is determined. For purposes of this section, a claim is contingent if:

1. The accident, casualty, disaster, loss, event, or occurrence insured, reinsured, or bonded or reinsured against occurred on or before the date fixed under Section 21A.151; and
2. The act or event triggering the insurer's obligation to pay has not occurred as of the date fixed under Section 21A.151.

(b) Unless the receivership court directs otherwise, a contingent claim may be allowed if the claimant has presented proof reasonably satisfactory to the liquidator of the insurer's obligation to pay or the claim was based on a cause of action against an insured of the insurer and:

1. It may be reasonably inferred from proof presented upon the claim that the claimant would be able to obtain a judgment; and
2. The person has furnished suitable proof, unless the receivership court for good cause shown otherwise directs, that no further valid claims can be made against the insurer arising out of the cause of action other than those already presented.

(c) The liquidator may petition the receivership court to set a date before which all claims under this section are final. In addition to the notice requirements of Section 21A.007, the liquidator shall give notice of the filing of the petition to all claimants with claims that remain contingent or unliquidated under this section.

Sec. 21A.256. SPECIAL PROVISIONS FOR THIRD-PARTY CLAIMS.

(a) When any third party asserts a cause of action against an insured of an insurer in liquidation, the third party may file a claim with the liquidator on or before the last day for filing claims.

(b) Whether or not the third party files a claim, the insured may file a claim on the insured's own behalf in the liquidation.

(c) The liquidator may make recommendations to the receivership court for the allowance of an insured's claim after consideration of the probable outcome of any pending action against the insured on which the claim is based, the probable damages recoverable in the action, and the probable costs and expenses of defense. After allowance by the receivership court, the liquidator shall withhold any distribution payable on the claim, pending the outcome of litigation and negotiation between the insured and the third party. The liquidator may reconsider the claim as provided in Section 21A.253(j). As claims against the insured are settled or barred, the insured or third party, as appropriate, shall be paid from the amount withheld the same percentage distribution as was paid on other claims of like priority, based on the lesser of the amount actually due from the insured by action or paid by agreement plus the reasonable costs and expenses of defense, or the amount allowed on the claims by the receivership court. After all claims are settled or barred, any sum remaining from the amount withheld shall revert to the undistributed property of the insurer.
If several claims founded upon one policy are timely filed under this section, whether by third parties or as claims by the insured, and the aggregate amount of the timely filed allowed claims exceeds the aggregate policy limits, the liquidator may:

1. apportion the policy limits ratably among the timely filed allowed claims; or
2. give notice to the insured, known third parties, and affected guaranty associations that the aggregate policy limits have been exceeded. On and after the 30th day after the date of the liquidator’s notice, further amounts may not be allowed, the policy limits shall be apportioned ratably among the timely filed allowed claims, and any additional claims shall be rejected.

Claims by the insured under Subsection (d) must be evaluated as described by Subsection (c). If any insured's claim is subsequently reduced under Subsection (c), the amount freed by the reduction must be apportioned ratably among the claims which have been reduced under Subsection (d).

A claim may not be allowed under this section to the extent the claim is covered by any guaranty association.

A claimant may withdraw a proof of claim with the liquidator's approval. The liquidator may approve the withdrawal only upon a showing of good cause and after giving notice of the withdrawal to the insured.

The filing of a proof of claim in connection with a claim against an insured has the following effect on the rights of the claimant and the insured:

1. By filing a proof of claim, a claimant waives any right to pursue the personal assets of the insured with respect to the claim, to the extent of the coverage or policy limits provided by the insurer, and agrees that to the extent of the coverage or policy limits provided by the insurer, the claimant will seek satisfaction of the claim against the insured solely from distributions paid by the liquidator on the claim and from any payments that a guaranty association may pay on account of the claim, except as provided in this section.

2. The waiver provided under this section is conditioned upon the cooperation of the insured with the liquidator and any applicable guaranty association in the defense of the claim. The waiver provided under this section does not operate to:

   A. discharge the guaranty association from any of the association's responsibilities and duties;
   B. release the insured with respect to any claim in excess of the coverage or policy limits provided by the insurer or any other responsible party; or
   C. release the insured with respect to any claim by a guaranty association for reimbursement under the law applicable to the guaranty association.

3. The waiver provided under this section is void if:

   A. a claimant withdraws the claimant's proof of claim under Subsection (g); or
   B. the liquidator avoids insurance coverage in connection with a proof of the claim.
(4) The liquidator shall provide, where applicable, notice of the election of remedies provision in this section on any proof of claim form the liquidator distributes. The notice must be inserted above the claimant's signature line in typeface not smaller than the typeface of the rest of the notice and, in any event not smaller than a 14-point font, and must include a statement substantially similar to the following: "I understand by filing this claim in the estate of the insurer I am waiving any right to pursue the personal assets of the insured to the extent that there are policy limits or coverage provided by the now insolvent insurer."

Sec. 21A.257. DISPUTED CLAIMS. (a) When objections to the liquidator's proposed treatment of a claim are filed and the liquidator does not alter the determination of the claim as a result of the objections, the liquidator shall ask the receivership court for a hearing pursuant to Section 21A.007.

(b) The provisions of this section are not applicable to disputes with respect to coverage determinations by a guaranty association as part of the association's statutory obligations.

(c) The final disposition by the receivership court of a disputed claim is deemed a final judgment for purposes of appeal.

Sec. 21A.258. LIQUIDATOR’S RECOMMENDATIONS TO RECEIVERSHIP COURT. The liquidator shall present to the receivership court, for approval, reports of claims settled or determined by the liquidator under Section 21A.253. The reports must be presented from time to time as determined by the liquidator and must include information identifying the claim and the amount and priority class of the claim.

Sec. 21A.259. CLAIMS OF CODEBTORS. If a creditor does not timely file a proof of the creditor's claim, an entity that is liable to the creditor together with the insurer, or that has secured the creditor, may file a proof of the claim.

Sec. 21A.260. SECURED CREDITORS' CLAIMS. (a) The value of any security held by a secured creditor must be determined in one of the following ways:

(1) by converting the same into money according to the terms of the agreement pursuant to which the security was delivered to the creditor; or

(2) by agreement or litigation between the creditor and the liquidator.

(b) If a surety has paid any losses or loss adjustment expenses under its own surety instrument before any petition initiating a delinquency proceeding is filed and the principal to the instrument has posted collateral that remains available to reimburse the losses or loss adjustment expenses at the time the petition is filed and that collateral has not been credited against the payments made, then the receiver has the first priority to use the collateral to reimburse the surety for any pre-petition losses and expenses.

(c) If the principal under a surety bond or surety undertaking has pledged any collateral, including a guaranty or letter of credit, to secure the principal’s reimbursement obligation to the insurer issuing the bond or undertaking, the claim of any obligee, or subject to the discretion of the receiver, of any completion contractor under the surety bond or surety undertaking must be satisfied first out of the collateral or its proceeds.
(d) In making any distribution to an obligee or completion contractor under Subsection (c), the receiver shall retain a sufficient reserve for any other potential claim against that collateral.

(e) If collateral is insufficient to satisfy in full all potential claims against it under Subsections (c) and (g), the claims against the collateral must be paid on a pro rata basis, and an obligee or completion contractor under Subsection (c) has a claim, subject to allowance under Section 21A.253, for any deficiency.

(f) If the time to assert claims against a surety bond or a surety undertaking has expired, and all claims described by this section have been satisfied in full, any remaining collateral pledged under the surety bond or surety undertaking must be returned to the principal under the bond or undertaking.

(g) To the extent that a guaranty association has made a payment relating to a claim against a surety bond, the guaranty association shall first be reimbursed for that payment and related expenses out of the available collateral or proceeds related to the surety bond. To the extent that the collateral is sufficient, the guaranty association shall be reimbursed 100 percent of its payment. If the collateral is insufficient to satisfy in full all potential claims against the collateral under Subsection (c) and this subsection, a guaranty association that has paid claims on the surety bond is entitled to a pro rata share of the available collateral in accordance with Subsection (e), and the guaranty association has claims against the general assets of the estate in accordance with Section 21A.253 for any deficiency. Any payment made to a guaranty association under this subsection from collateral may not be deemed early access or otherwise deemed a distribution out of the general assets or property of the estate, and the guaranty association receiving payment shall subtract any payment from the collateral from the association’s final claims against the estate.

(h) An amount determined under Subsection (a) shall be credited upon the secured claim, and the claimant may file a proof of claim, subject to all other provisions of this chapter for any deficiency, which must be treated as an unsecured claim. If the claimant surrenders the claimant’s security to the liquidator, the entire claim is treated as if unsecured.

(i) The liquidator may recover from property securing an allowed secured claim the reasonable, necessary costs and expenses of preserving or disposing of the property to the extent of any benefit to the holder of such claim.

Sec. 21A.261. QUALIFIED FINANCIAL CONTRACTS. (a) Notwithstanding any other provision of this chapter, including any other provision of this chapter permitting the modification of contracts, or other law of this state, a person may not be stayed or prohibited from exercising:

(1) a contractual right to terminate, liquidate, or close out any netting agreement or qualified financial contract with an insurer because of:

(A) the insolvency, financial condition, or default of the insurer at any time, provided that the right is enforceable under applicable law other than this chapter; or

(B) the commencement of a formal delinquency proceeding under this chapter;
(2) any right under a pledge, security, collateral, or guarantee agreement, or any other similar security arrangement or credit support document, relating to a netting agreement or qualified financial contract; or

(3) subject to any provision of Section 21A.209(b), any right to set off or net out any termination value, payment amount, or other transfer obligation arising under or in connection with a netting agreement or qualified financial contract where the counterparty or its guarantor is organized under the laws of the United States or a state or foreign jurisdiction approved by the Securities Valuation Office of the National Association of Insurance Commissioners as eligible for netting.

(b) Upon termination of a netting agreement, the net or settlement amount, if any, owed by a nondefaulting party to an insurer against which an application or petition has been filed under this chapter shall be transferred to, or on the order of the receiver for, the insurer, even if the insurer is the defaulting party and notwithstanding any provision in the netting agreement that may provide that the nondefaulting party is not required to pay any net or settlement amount due to the defaulting party upon termination. Any limited two-way payment provision in a netting agreement with an insurer that has defaulted is deemed to be a full two-way payment provision as against the defaulting insurer. Any such property or amount is, except to the extent it is subject to one or more secondary liens or encumbrances, a general asset of the insurer.

(c) In making any transfer of a netting agreement or qualified financial contract of an insurer subject to a proceeding under this chapter, the receiver shall either:

(1) transfer to one party, other than an insurer subject to a proceeding under this chapter, all netting agreements and qualified financial contracts between a counterparty or any affiliate of the counterparty and the insurer that is the subject of the proceeding, including:

(A) all rights and obligations of each party under each netting agreement and qualified financial contract; and

(B) all property, including any guarantees or credit support documents, securing any claims of each party under each netting agreement and qualified financial contract; or

(2) transfer none of the netting agreements, qualified financial contracts, rights, obligations, or property referred to in Subdivision (1), with respect to the counterparty and any affiliate of the counterparty.

(d) If a receiver for an insurer makes a transfer of one or more netting agreements or qualified financial contracts, the receiver shall use its best efforts to notify any person who is party to the netting agreements or qualified financial contracts of the transfer not later than noon, the receiver's local time, on the business day following the transfer. For purposes of this subsection, "business day" means a day other than a Saturday, a Sunday, or any day on which either the New York Stock Exchange or the Federal Reserve Bank of New York is closed.

(e) Notwithstanding any other provision of this chapter, a receiver may not avoid a transfer of money or other property arising under or in connection with a netting agreement or qualified financial contract, or any pledge, security, or
collateral or guarantee agreement or any other similar security arrangement or credit support document relating to a netting agreement or qualified financial contract, that is made before the commencement of a formal delinquency proceeding under this chapter. However, a transfer may be avoided under Section 21A.205(a) if the transfer was made with actual intent to hinder, delay, or defraud the insurer, a receiver appointed for the insurer, or existing or future creditors.

(f) In exercising any of the receiver’s powers under this chapter to disaffirm or repudiate a netting agreement or qualified financial contract, the receiver shall take action with respect to each netting agreement or qualified financial contract and all transactions entered into in connection with the agreement or contract in its entirety. Notwithstanding any other provision of this chapter, any claim of a counterparty against the estate arising from the receiver’s disaffirmance or repudiation of a netting agreement or qualified financial contract that has not been previously affirmed in the liquidation or immediately preceding rehabilitation case must be determined and must be allowed or disallowed as if the claim had arisen before the date of the filing of the petition for liquidation or, if a rehabilitation proceeding is converted to a liquidation proceeding, as if the claim had arisen before the date of the filing of the petition for rehabilitation. The amount of the claim must be the actual direct compensatory damages determined as of the date of the disaffirmance or repudiation of the netting agreement or qualified financial contract. For purposes of this subsection, the term "actual direct compensatory damages" does not include punitive or exemplary damages, damages for lost profit or lost opportunity, or damages for pain and suffering but does include normal and reasonable costs of cover or other reasonable measures of damages utilized in the derivatives market for the contract and agreement claims.

(g) For purposes of this section, the term "contractual right" includes any right, whether or not evidenced in writing, arising under:

1. statutory or common law;
2. a rule or bylaw of a national securities exchange, national securities clearing organization, or securities clearing agency;
3. a rule, bylaw, or resolution of the governing body of a contract market or its clearing organization; or
4. law merchant.

(h) The provisions of this section do not apply to persons who are affiliates of the insurer that is the subject of the proceeding.

(i) All rights of counterparties under this chapter apply to netting agreements and qualified financial contracts entered into on behalf of the general account or separate accounts if the assets of each separate account are available only to counterparties to netting agreements and qualified financial contracts entered into on behalf of that separate account.

[Sections 21A.262-21A.300 reserved for expansion]

SUBCHAPTER G. DISTRIBUTIONS

Sec. 21A.301. PRIORITY OF DISTRIBUTION. The priority of payment of distributions on unsecured claims must be in accordance with the order in which each class of claims is set forth in this section. Every claim in each class
shall be paid in full, or adequate funds retained for their payment, before the
members of the next class receive payment, and all claims within a class must be
paid substantially the same percentage of the amount of the claim. Except as
provided by Subsections (a)(2), (a)(3), (i), and (k), subclasses may not be
established within a class. No claim by a shareholder, policyholder, or other
creditor shall be permitted to circumvent the priority classes through the use of
equitable remedies. The order of distribution of claims shall be:

(a) Class 1. (1) The costs and expenses of administration expressly
approved or ratified by the liquidator, including the following:
   (A) the actual and necessary costs of preserving or recovering the
property of the insurer;
   (B) reasonable compensation for all services rendered on behalf of
the administrative supervisor or receiver;
   (C) any necessary filing fees;
   (D) the fees and mileage payable to witnesses;
   (E) unsecured loans obtained by the receiver; and
   (F) expenses, if any, approved by the rehabilitator of the insurer
and incurred in the course of the rehabilitation that are unpaid at the time of the
entry of the order of liquidation.

   (2) The reasonable expenses of a guaranty association, including
overhead, salaries and other general administrative expenses allocable to the
receivership to include administrative and claims handling expenses and expenses
in connection with arrangements for ongoing coverage, other than expenses
incurred in the performance of duties under Section 2602.113, Section 2(3) of
Article 21.28-C, and Section 12 of Article 21.28-D or similar duties under the
statute governing a similar organization in another state. In the case of the Texas
Property and Casualty Insurance Guaranty Association and other property and
casualty guaranty associations, the expenses shall include loss adjustment
expenses, including adjusting and other expenses and defense and cost
containment expenses. In the event that there are insufficient assets to pay all of
the costs and expenses of administration under Subsection (a) (1) and the
expenses of a guaranty association, the costs and expenses under Subsection (a)
(1) shall have priority over the expenses of a guaranty association. In this event,
the expenses of a guaranty association shall be paid on a pro rata basis after the
payment of costs and expenses under Subsection (a) (1) in full.

   (3) For purposes of Subsection (a)(1)(E), any unsecured loan obtained
by the receiver, unless by its terms it otherwise provides, has priority over all
other costs of administration. Absent agreement to the contrary, all claims in this
subclass share pro rata.

   (4) Except as expressly approved by the receiver, any expenses arising
from a duty to indemnify the directors, officers, or employees of the insurer are
excluded from this class and, if allowed, are Class 5 claims.

(b) Class 2. All claims under policies of insurance, including third-party
claims, claims under nonassessable policies for unearned premium, claims of
obligees and, subject to the discretion of the receiver, completion contractors
under surety bonds and surety undertakings other than bail bonds, mortgage or
financial guaranties, or other forms of insurance offering protection against investment risk, claims by principals under surety bonds and surety undertakings for wrongful dissipation of collateral by the insurer or its agents, and claims incurred during the extension of coverage provided for in Section 21A.152. All other claims incurred in fulfilling the statutory obligations of a guaranty association not included in Class 1, including indemnity payments on covered claims and, in the case of the Life, Accident, Health, and Hospital Service Insurance Guaranty Association or another life and health guaranty association, all claims as a creditor of the impaired or insolvent insurer for all payments of and liabilities incurred on behalf of covered claims or covered obligations of the insurer and for the funds needed to reinsure those obligations with a solvent insurer. Notwithstanding any provision of this chapter, the following claims are excluded from Class 2 priority:

(1) obligations of the insolvent insurer arising out of reinsurance contracts;

(2) obligations, excluding unearned premium claims on policies other than reinsurance agreements, incurred after:
   (A) the expiration date of the insurance policy;
   (B) the policy has been replaced by the insured or canceled at the insured's request; or
   (C) the policy has been canceled as provided by this chapter;

(3) obligations to insurers, insurance pools, or underwriting associations and their claims for contribution, indemnity, or subrogation, equitable or otherwise;

(4) any claim that is in excess of any applicable limits provided in the insurance policy issued by the insurer;

(5) any amount accrued as punitive or exemplary damages unless expressly covered under the terms of the policy;

(6) tort claims of any kind against the insurer and claims against the insurer for bad faith or wrongful settlement practices; and

(7) claims of the guaranty associations for assessments not paid by the insurer, which must be paid as claims in Class 5.

(c) Class 3. Claims of the federal government not included in Class 3.

(d) Class 4. Debts due employees for services or benefits to the extent that the debts do not exceed $5,000 or two months salary, whichever is the lesser, and represent payment for services performed within one year before the entry of the initial order of receivership. This priority is in lieu of any other similar priority that may be authorized by law as to wages or compensation of employees.

(e) Class 5. Claims of other unsecured creditors not included in Classes 1 through 4, including claims under reinsurance contracts, claims of guaranty associations for assessments not paid by the insurer, and other claims excluded from Class 2.

(f) Class 6. Claims of any state or local governments, except those specifically classified elsewhere in this section. Claims of attorneys for fees and expenses owed them by an insurer for services rendered in opposing a formal delinquency proceeding. In order to prove the claim, the claimant must show that
the insurer that is the subject of the delinquency proceeding incurred the fees and expenses based on its best knowledge, information, and belief, formed after reasonable inquiry, indicating opposition was in the best interests of the insurer, was well grounded in fact, and was warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law, and that opposition was not pursued for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of the litigation.

(g) Class 7. Claims of any state or local government for a penalty or forfeiture, but only to the extent of the pecuniary loss sustained from the act, transaction, or proceeding out of which the penalty or forfeiture arose, with reasonable and actual costs occasioned thereby. The balance of the claims must be treated as Class 9 claims under Subsection (j).

(h) Class 8. Except as provided in Sections 21A.251(b) and (d), late filed claims that would otherwise be classified in Classes 2 through 7.

(i) Class 9. Surplus notes, capital notes or contribution notes or similar obligations, premium refunds on assessable policies, and any other claims specifically assigned to this class. Claims in this class are subject to any subordination agreements related to other claims in this class that existed before the entry of the liquidation order.

(j) Class 10. Interest on allowed claims of Classes 1 through 9, according to the terms of a plan proposed by the liquidator and approved by the receivership court.

(k) Class 11. Claims of shareholders or other owners arising out of their capacity as shareholders or other owners, or any other capacity, except as they may be qualified in Class 2, 5, or 10. Claims in this class are subject to any subordination agreements related to other claims in this class that existed before the entry of the liquidation order.

Sec. 21A.302. PARTIAL AND FINAL DISTRIBUTIONS OF ASSETS. (a) With the approval of the receivership court, the liquidator may declare and pay one or more distributions to claimants whose claims have been allowed. Distributions paid under this subsection must be paid at substantially the same percentage of the amount of the claim.

(b) In determining the percentage of distributions to be paid on these claims, the liquidator may consider the estimated value of the insurer's property, including estimated reinsurance recoverables in connection with the insurer's estimated liabilities for unpaid losses and loss expenses and for incurred but not reported losses and loss expenses, and the estimated value of the insurer's liabilities, including estimated liabilities for unpaid losses and loss expenses and for incurred but not reported losses and loss expenses.

(c) Distribution of property in kind may be made at valuations set by agreement between the liquidator and the creditor and approved by the receivership court.

(d) Notwithstanding the provisions of Subsection (a) and Subchapter D, the liquidator is authorized to pay benefits under a workers' compensation policy after the entry of the liquidation order if:

(1) the insurer has accepted liability and no bona fide dispute exists;
(2) payments under the policy commenced before the entry of the liquidation order; and

(3) future or past indemnity or medical payments are due under the policy.

e) Claim payments made under Subsection (d) may continue until the date that a guaranty association assumes responsibility for claim payments under the policy.

f) Any claim payments made under Subsection (d) and any related expenses must be treated as early access payments under Section 21A.303 to the guaranty association responsible for the claims.

Sec. 21A.303. EARLY ACCESS PAYMENTS. (a) For purposes of this section, "distributable assets" means all general assets of the liquidation estate less:

(1) amounts reserved, to the extent necessary and appropriate, for the entire Section 21A.301(a) expenses of the liquidation through and after its closure; and

(2) to the extent necessary and appropriate, reserves for distributions on claims other than those of the guaranty associations falling within the priority classes of claims established in Section 21A.301(c).

(b) Early access payments to guaranty associations must be made as soon as possible after the entry of a liquidation order and as frequently as possible after the entry of the order, but at least annually if distributable assets are available to be distributed to the guaranty associations, and must be in amounts consistent with this section. Amounts advanced to an affected guaranty association pursuant to this section shall be accounted for as advances against distributions to be made under Section 21A.302. Where sufficient distributable assets are available, amounts advanced are not limited to the claims and expenses paid to date by the guaranty associations; however, the liquidator may not distribute distributable assets to the guaranty associations in excess of the anticipated entire claims of the guaranty associations falling within the priority classes of claims established in Sections 21A.301(b) and (c).

(c) Within 120 days after the entry of an order of liquidation by the receivership court, and at least annually after the entry of the order, the liquidator shall apply to the receivership court for approval to make early access payments out of the general assets of the insurer to any guaranty associations having obligations arising in connection with the liquidation or shall report that there are no distributable assets at that time based on financial reporting as required in Section 21A.016. The liquidator may apply to the receivership court for approval to make early access payments more frequently than annually based on additional information or the recovery of material assets.

(d) Within 60 days after approval by the receivership court of the applications in Subsection (c), the liquidator shall make any early access payments to the affected guaranty associations as indicated in the approved application.
(e) Notice of each application for early access payments, or of any report required pursuant to this section, must be given in accordance with Section 21A.007 to the guaranty associations that may have obligations arising from the liquidation. Notwithstanding the provisions of Section 21A.007, the liquidator shall provide these guaranty associations with at least 30 days' actual notice of the filing of the application and with a complete copy of the application prior to any action by the receivership court. Any guaranty association that may have obligations arising in connection with the liquidation has:

(1) the right to request additional information from the liquidator, who may not unreasonably deny such request; and

(2) the right to object as provided by Section 21A.007 to any part of each application or to any report filed by the liquidator pursuant to this section.

(f) In each application regarding early access payments, the liquidator shall, based on the best information available to the liquidator at the time, provide, at a minimum, the following:

(1) to the extent necessary and appropriate, the amount reserved for the entire expenses of the liquidation through and after its closure and for distributions on claims falling within the priority classes of claims established in Sections 21A.301(b) and (c);

(2) the computation of distributable assets and the amount and method of equitable allocation of early access payments to each of the guaranty associations; and

(3) the most recent financial information filed with the National Association of Insurance Commissioners by the liquidator.

(g) Each guaranty association that receives any payments pursuant to this section agrees, upon depositing the payment in any account to its benefit, to return to the liquidator any amount of these payments that may be required to pay claims of secured creditors and claims falling within the priority classes of claims established in Section 21A.301(a), (b), or (c). No bond may be required of any guaranty association.

(h) Nothing in this section affects the method by which a guaranty association determines the association's statutory coverage obligations.

(i) Without the consent of the affected guaranty associations or an order of the receivership court, the liquidator may not offset the amount to be dispersed to any guaranty association by the amount of any specific deposit or any other statutory deposit or asset of the insolvent insurer held in that state unless the association has actually received the deposit.

Sec. 21A.304. UNCLAIMED AND WITHHELD FUNDS. (a) If any funds of the receivership estate remain unclaimed after the final distribution under Section 21A.302, the funds must be placed in a segregated unclaimed funds account held by the commissioner. If the owner of any of the unclaimed funds presents proof of ownership satisfactory to the commissioner before the second anniversary of the date of the termination of the delinquency proceeding, the commissioner shall remit the funds to the owner. The interest earned on funds held in the unclaimed funds account may be used to pay any administrative costs related to the handling or return of unclaimed funds.
If any amounts held in the unclaimed funds account remain unclaimed on or after the second anniversary of the date of the termination of the delinquency proceeding, the commissioner may file a motion for an order directing the disposition of the funds in the court in which the delinquency proceeding was pending. Any costs incurred in connection with the motion may be paid from the unclaimed funds account. The motion shall identify the name of the insurer, the names and last known addresses of the persons entitled to the unclaimed funds, if known, and the amount of the funds. Notice of the motion shall be given as directed by the court. Upon a finding by the court that the funds have not been claimed before the second anniversary of the date of the termination of the delinquency proceeding, the court shall order that any claims for unclaimed funds and any interest earned on the unclaimed funds that has not been expended under Subsection (a) are abandoned and that the funds must be disbursed under one of the following methods:

1. The amounts may be deposited in the general receivership expense account under Subsection (c);
2. The amounts may be transferred to the comptroller, and deposited into the general revenue fund; or
3. The amounts may be used to reopen the receivership in accordance with Section 21A.353 and be distributed to the known claimants with approved claims.

The commissioner may establish an account for the following purposes:

1. To pay general expenses related to the administration of receiverships; and
2. To advance funds to any receivership that does not have sufficient cash to pay its operating expenses.

Any advance to a receivership under Subsection (c)(2) may be treated as a claim under Section 21A.301 as agreed at the time the advance is made or, in the absence of an agreement, in the priority determined to be appropriate by the court.

If the commissioner determines at any time that the funds in the account exceed the amount required, the commissioner may transfer the funds or any part of the funds to the comptroller, and the transferred funds must be deposited into the general revenue fund.

[Sections 21A.305-21A.350 reserved for expansion]

Sec. 21A.351. CONDITION ON RELEASE FROM DELINQUENCY PROCEEDINGS. Until all payments of or on account of the insurer’s contractual obligations by all guaranty associations, along with all expenses of the obligations and interest on all the payments and expenses, are repaid to the guaranty associations, unless otherwise provided in a plan approved by the guaranty association, an insurer that is subject to any formal delinquency proceedings may not:

1. Solicit or accept new business or request or accept the restoration of any suspended or revoked license or certificate of authority;
be returned to the control of its shareholders or private management; or

(3) have any of its assets returned to the control of its shareholders or private management.

Sec. 21A.352. TERMINATION OF LIQUIDATION PROCEEDINGS. When all property justifying the expense of collection and distribution has been collected and distributed under this chapter, the liquidator shall apply to the receivership court for an order discharging the liquidator and terminating the proceeding. The receivership court may grant the application and make any other orders, including orders to transfer any remaining funds that are uneconomic to distribute, or pursuant to Section 21A.302(c), assign any assets that remain unliquidated, including claims and causes of action, as may be deemed appropriate.

Sec. 21A.353. REOPENING RECEIVERSHIP. After the liquidation proceeding has been terminated and the liquidator discharged, the commissioner or other interested party may at any time petition the court to reopen the delinquency proceeding for good cause, including the discovery of additional property. If the court is satisfied that there is justification for reopening, it shall so order.

Sec. 21A.354. DISPOSITION OF RECORDS DURING AND AFTER TERMINATION OF RECEIVERSHIP. (a) When it appears to the receiver that the records of the insurer in receivership are no longer useful, the receiver may recommend to the receivership court and the receivership court shall direct what records should be destroyed.

(b) If the receiver determines that any records should be maintained after the closing of the delinquency proceeding, the receiver may reserve property from the receivership estate for the maintenance of the records, and any amounts so retained are administrative expenses of the estate under Section 21A.301(a). Any records retained pursuant to this subsection must be transferred to the custody of the commissioner, and the commissioner may retain or dispose of the records as appropriate, at the commissioner's discretion. Any records of a delinquent insurer that are transferred to the commissioner may not be considered records of the department for any purposes, and Chapter 552, Government Code, does not apply to those records.

Sec. 21A.355. EXTERNAL AUDIT OF THE RECEIVER'S BOOKS. (a) The receivership court may, as it deems desirable, order audits to be made of the books of the receiver relating to any receivership established under this chapter. A report of each audit shall be filed with the commissioner and with the receivership court.

(b) The books, records, and other documents of the receivership must be made available to the auditor at any time without notice.

(c) The expense of each audit shall be considered a cost of administration of the receivership.
SUBCHAPTER I. INTERSTATE RELATIONS

Sec. 21A.401. ANCILLARY CONSERVATION OF FOREIGN INSURERS. (a) The commissioner may initiate an action against a foreign insurer pursuant to Section 21A.051 on any of the grounds stated in that section or on the basis that:

(1) any of the foreign insurer's property has been sequestered, garnished, or seized by official action in its domiciliary state or in any other state;

(2) the foreign insurer's certificate of authority to do business in this state has been revoked or was never issued and there are residents of this state with unpaid claims or in-force policies; or

(3) initiation of the action is necessary to enforce a stay under Section 17, Article 21.28-C, Section 18, Article 21.28-D, or Section 2602.259.

(b) If a domiciliary receiver has been appointed, the commissioner may initiate an action against a foreign insurer under Subsection (a)(1) or (a)(2) only with the consent of the domiciliary receiver.

(c) An order entered pursuant to this section must appoint the commissioner as conservator. The conservator's title to assets must be limited to the insurer's property and records located in this state.

(d) Notwithstanding Section 21A.201(c), the conservator shall hold and conserve the assets located in this state until the commissioner in the insurer's domiciliary state is appointed its receiver or until an order terminating conservation is entered under Subsection (g). Once a domiciliary receiver is appointed, the conservator shall turn over to the domiciliary receiver all property subject to an order under this section.

(e) The conservator may liquidate property of the insurer as necessary to cover the costs incurred in the initiation or administration of a proceeding under this section.

(f) The court in which an action under this section is pending may issue a finding of insolvency or an ancillary liquidation order. The court may enter an ancillary liquidation order only for the limited purposes of:

(1) liquidating assets in this state to pay costs under Subsection (e); or

(2) activating relevant laws applicable to guaranty associations to pay valid claims that are not being paid by the insurer.

(g) The conservator may at any time petition the receivership court for an order terminating an order entered under this section.

Sec. 21A.402. DOMICILIARY RECEIVERS APPOINTED IN OTHER STATES. (a) A domiciliary receiver appointed in another state is vested by operation of law with title to, and may summarily take possession of, all property and records of the insurer in this state. Notwithstanding any other provision of law regarding special deposits, special deposits held in this state shall be, upon the entry of an order of liquidation with a finding of insolvency, distributed to the guaranty associations in this state as early access payments subject to Section 21A.303, in relation to the lines of business for which the special deposits were made. The holder of any special deposit shall account to the domiciliary receiver for all distributions from the special deposit at the time of the distribution.
statutory provisions of another state and all orders entered by courts of competent jurisdiction in relation to the appointment of a domiciliary receiver of an insurer and any related proceedings in another state must be given full faith and credit in this state. For purposes of this section, "another state" means any state other than this state. This state shall treat any other state than this state as a reciprocal state.

(b) Upon appointment of a domiciliary receiver in another state, the commissioner shall, unless otherwise agreed by the receiver, immediately transfer title to and possession of all property of the insurer under the commissioner’s control, including all statutory general or special deposits, to the receiver.

(c) Except as provided in Subsection (a), the domiciliary receiver shall handle special deposits and special deposit claims in accordance with federal law and the statutes pursuant to which the special deposits are required. All amounts in excess of the estimated amount necessary to administer the special deposit and pay the unpaid special deposit claims are deemed general assets of the estate. If there is a deficiency in any special deposit so that the claims secured by the special deposit are not fully discharged from the deposit, the claimants may share in the general assets of the insurer to the extent of the deficiency at the same priority as other claimants in their class of priority under Section 21A.301, but the sharing must be deferred until the other claimants of their class have been paid percentages of their claims equal to the percentage paid from the special deposit. The intent of this provision is to equalize to this extent the advantage gained by the security provided by the special deposits.

SECTION 2. Section 3(a), Article 21.28-C, Insurance Code, is amended to read as follows:

(a) This Act applies to all kinds of direct insurance, and except as provided in Section 12 of this Act, is not applicable to the following:

(1) life, annuity, health, or disability insurance;
(2) mortgage guaranty, financial guaranty, or other forms of insurance offering protection against investment risks;
(3) fidelity or surety bonds, or any other bonding obligations;
(4) credit insurance, vendors’ single-interest insurance, collateral protection insurance, or any similar insurance protecting the interests of a creditor arising out of a creditor-debtor transaction;
(5) insurance of warranties or service contracts;
(6) title insurance;
(7) ocean marine insurance;
(8) any transaction or combination of transactions between a person, including an affiliate of such a person, and an insurer, including an affiliate of such an insurer, that involves the transfer of investment or credit risk unaccompanied by the transfer of insurance risk, including transactions, except for workers’ compensation insurance, involving captive insurers, policies in which deductible or self-insured retention is substantially equal in amount to the limit of the liability under the policy, and transactions in which the insured retains a substantial portion of the risk; or

(9) any insurance provided by or guaranteed by government.
SECTION 3. Section 5(8), Article 21.28-C, Insurance Code, is amended to read as follows:

(8) "Covered claim" means an unpaid claim of an insured or third-party liability claimant that arises out of and is within the coverage and not in excess of the applicable limits of an insurance policy to which this Act applies, issued or assumed (whereby an assumption certificate is issued to the insured) by an insurer licensed to do business in this state, if that insurer becomes an impaired insurer and the third-party claimant or liability claimant or insured is a resident of this state at the time of the insured event, or the claim is a first-party claim for damage to property that is permanently located in this state. A corporation or other entity that is not an individual is considered to be a resident of the state in which the entity's principal place of business is located. "Covered claim" shall also include unearned premiums, but in no event shall a covered claim for unearned premiums exceed $25,000. Individual covered claims (including any and all derivative claims by more than one person which arise from the same occurrence, which shall be considered collectively as a single claim under this Act) shall be limited to $300,000, except that the association shall pay the full amount of any covered claim arising out of a workers' compensation claim made under a workers' compensation policy. "Covered claim" shall not include any amount sought as a return of premium under a retrospective rating plan or any amount that is directly or indirectly due any reinsurer, insurer, self-insurer, insurance pool, or underwriting association, as subrogation recoveries, reinsurance recoveries, contribution, indemnification, or otherwise, and the insured of an impaired insurer is not liable, and the reinsurer, insurer, self-insurer, insurance pool, or underwriting association is not entitled to sue or continue a suit against that insured, for any subrogation recovery, reinsurance recovery, contribution, or indemnity, or any other claim asserted directly or indirectly by a reinsurer, insurer, insurance pool, or underwriting association to the extent of the applicable liability limits of the policy written and issued to the insured by the insolvent insurer. "Covered claim" shall not include supplementary payment obligations, including adjustment fees and expenses, attorney's fees and expenses, court costs, interest and penalties, and interest and bond premiums incurred prior to the determination that an insurer is an impaired insurer under this Act. "Covered claim" shall not include any prejudgment or postjudgment interest that accrues subsequent to the determination that an insurer is an impaired insurer under this Act. "Covered claim" shall not include any claim for recovery of punitive, exemplary, extracontractual, or bad-faith damages, whether sought as a recovery against the insured, insurer, guaranty association, receiver, special deputy receiver, or commissioner, awarded in a court judgment against an insured or insurer. Notwithstanding any other provision of this Act, the association's liability for shareholder derivative actions or other claims for economic loss incurred by a claimant in the claimant's capacity as a shareholder under an insurance policy placed in force on or after January 1, 1992, is limited to $300,000 for each policy, inclusive of defense costs, regardless of the number of claimants under each policy. "Covered claim" shall not include, and the association shall not have any liability to an insured or third-party liability
claimant, for its failure to settle a liability claim within the limits of a covered claim under this Act. With respect to a covered claim for unearned premiums, both persons who were residents of this state at the time the policy was issued and persons who are residents of this state at the time the company is found to be an impaired insurer shall be considered to have covered claims under this Act. If the impaired insurer has insufficient assets to pay the expenses of administering the receivership or conservatorship estate, that portion of the expenses of administration incurred in the processing and payment of claims against the estate shall also be a covered claim under this Act.

SECTION 4. Section 8, Article 21.28-C, Insurance Code, is amended by amending Subsection (d) and adding Subsection (i) to read as follows:

(d) The association shall investigate and adjust, compromise, settle, and pay covered claims to the extent of the association’s obligation and deny all other claims. The association may review settlements, releases, and judgments to which the impaired insurer or its insureds were parties to determine the extent to which those settlements, releases, and judgments may be properly contested. Any judgment taken before the designation of impairment in which an insured under a liability policy or the insurer failed to exhaust all appeals, any judgment taken by default or consent against an insured or the impaired insurer, and any settlement, release, or judgment entered into by the insured or the impaired insurer, is not binding on the association, and may not be considered as evidence of liability or of damages in connection with any claim brought against the association or any other party under this Act. Notwithstanding any other provision of this Act or any other law to the contrary, a covered claim shall not include any claim filed with the guaranty association on a date that is later than eighteen months after the date of the order of liquidation and also shall not include claims that are unknown and unreported as of the date, provided, however, that a claim for workers’ compensation benefits is governed by Title 5, Labor Code, and the applicable rules of the Texas Workers’ Compensation Commission.

(i) The association may bring an action against any third-party administrator, agent, attorney, or other representative of an insurer for which a receiver has been appointed to obtain custody and control of all information, including files, records, and electronic data, related to the insurer that is appropriate or necessary for the association, or a similar association in other states, to carry out its duties under this Act or a similar law of another state. The association has the absolute right to obtain information under this subsection through emergency equitable relief, regardless of where the information is physically located. In bringing an action under this subsection, the association is not subject to any defense, possessory lien or other type of lien, or other legal or equitable ground for refusal to surrender the information that may be asserted against the receiver of the insurer. The association is entitled to an award of reasonable attorney’s fees and costs incurred by the association in any action to obtain information under this subsection. The rights granted to the association under this subsection do not affect the receiver’s title to information, and information obtained under this subsection remains the property of the receiver while in the custody of the association.
SECTION 5. Section 10(g), Article 21.28-C, Insurance Code, is amended to read as follows:

(g) Venue in a suit by or against the association or commissioner relating to any action or ruling of the association or commissioner made under this Act is in Travis County. The association or commissioner is not required to give an appeal bond in an appeal of a cause of action arising under this Act.

SECTION 6. Section 11(b), Article 21.28-C, Insurance Code, is amended to read as follows:

(b) The association is entitled to recover [from the following persons the amount of any covered claim and costs of defense paid on behalf of that person under this Act]:

(1) the amount of any covered claim for workers' compensation insurance benefits and the costs of administration and defense of those claims paid under this Act from any insured employer, other than an insured who is exempt from federal income tax under Section 501(a) of the Internal Revenue Code of 1986 (26 U.S.C. Section 501(a)) by being described by Section 501(c)(3) of that code, whose net worth on December 31 of the year next preceding the date the insurer becomes an impaired insurer exceeds $50 million, provided that an insured's net worth on that date shall be deemed [is considered] to include the aggregate net worth of the insured and all of the insured's parent, subsidiary, and affiliated companies as computed on a consolidated basis, and whose obligations under a liability policy or contract of insurance written, issued, and placed in force after January 1, 1992, are satisfied in whole or in part by payments made under this Act; and

(2) the amount of any covered claim and the costs of defense paid on behalf of any person who is an affiliate of the impaired insurer and whose liability obligations to other persons are satisfied in whole or in part by payments made under this Act.

SECTION 7. Section 11A, Article 21.28-C, Insurance Code, is amended to read as follows:

Sec. 11A. NET WORTH EXCLUSION. (a) Except for a workers' compensation claim governed by Title 5, Labor Code, a covered claim does not include and the association is not liable for any claim arising from a policy of insurance of any insured whose net worth on December 31 of the year next preceding the date the insurer becomes an impaired insurer exceeds $50 million.

(b) The net worth of an insured for purposes of this section includes the aggregate net worth of the insured and all of the insured's parent, subsidiary, and affiliated companies computed on a consolidated basis.

(c) This section does not apply:

(1) to third-party claims against an insured that has:

(A) applied for or consented to the appointment of a receiver, trustee, or liquidator for all or a substantial part of the insurer's assets;

(B) filed a voluntary petition in bankruptcy; or

(C) filed a petition or an answer seeking a reorganization or arrangement with creditors or to take advantage of any insolvency law; or
(2) if an order, judgment, or decree is entered by a court of competent jurisdiction, on the application of a creditor, adjudicating the insured bankrupt or insolvent or approving a petition seeking reorganization of the insured or of all or substantial part of its assets.

(d) In an instance described by Subsection (c) of this section, the association is entitled to assert a claim in the bankruptcy or receivership proceeding to recover the amount of any covered claim and costs of defense paid on behalf of the insured [This section does not exclude the payment of a covered claim for workers' compensation benefits otherwise payable under this Act].

(e) The association may establish procedures for requesting financial information from an insured or claimant on a confidential basis for the purpose of applying sections concerning the net worth of first-party and third-party claimants, subject to any information requested under this subsection being shared with any other association similar to the association and with the liquidator for the impaired insurer on the same confidential basis. If the insured or claimant refuses to provide the requested financial information, the association requests an auditor’s certification of that information, and the auditor’s certification is available but not provided, the association may deem the net worth of the insured or claimant to be in excess of $50 million at the relevant time.

(f) In any lawsuit contesting the applicability of Section 11(b) of this article or this section when the insured or claimant has declined to provide financial information under the procedure provided in the plan of operation pursuant to Section 9 of this article, the insured or claimant bears the burden of proof concerning its net worth at the relevant time. If the insured or claimant fails to prove that its net worth at the relevant time was less than the applicable amount, the court shall award the association its full costs, expenses, and reasonable attorney's fees in contesting the claim.

SECTION 8.  Section 17(a), Article 21.28-C, Insurance Code, is amended to read as follows:

(a) All proceedings in which an impaired insurer is a party or is obligated to defend a party in any court in this state, except proceedings directly related to the receivership or instituted by the receiver, shall be stayed as to all parties and for all purposes for six months and any additional time thereafter as may be determined by the court from the date of the designation of impairment or an ancillary proceeding is instituted in the state, whichever is later, to permit proper defense by the association of all pending causes of action. A deadline imposed under the Texas Rules of Civil Procedure or the Texas Rules of Appellate Procedure is tolled during the stay. Statutes of limitation or repose are not tolled during the stay, and any action filed during the stay is stayed upon the filing of the action. The court in which the delinquency proceeding is pending has exclusive jurisdiction regarding the application, enforcement, and extension of the stay and may issue injunctions or other similar orders to enforce the stay. If the impaired insurer is not domiciled in this state, the commissioner may bring an ancillary conservation [delinquency] proceeding under Section 21A.401 [Article 21.28] of this code, for the [limited] purpose of determining the application, enforcement, and extension of the stay.

SECTION 10. (a) The changes in law made by this Act apply only to a receivership proceeding brought against an insurer under Section 2, Article 21.28, Insurance Code, that is pending on the effective date of this Act and to a receivership proceeding initiated on or after the effective date of this Act. A receivership proceeding that has terminated before the effective date of this Act is governed by the law in effect at the time the receivership proceeding terminated, and that law is continued in effect for that purpose.

(b) Except as provided by Subsection (a) of this section, the changes in law made by this Act apply only to a proceeding or cause of action brought under Chapter 21A, Insurance Code, as added by this Act, that is filed or commenced on or after the effective date of this Act. A proceeding or cause of action brought under Article 21.28, Insurance Code, as it existed before its repeal by this Act, other than a receivership proceeding brought against an insurer, that was filed or commenced before the effective date of this Act is governed by the law in effect at the time the proceeding or cause of action was filed or commenced, and that law is continued in effect for that purpose.

SECTION 11. This Act takes effect September 1, 2005.

The student may not be returned to that teacher's class without the teacher's consent unless the committee established under Section 37.003 determines that such placement is the best or only alternative available. If the teacher removed the student from class because the student has engaged in the elements of any offense listed in Section 37.006(a)(2)(B) or Section 37.007(a)(2)(A) or (b)(2)(C) against the teacher, the student may not be returned to the teacher's class without the teacher's consent. Each educator shall keep the information received under this subsection confidential from any person not entitled to the information under this subsection, except that the educator may share the information with the student's parent or guardian as provided for by state or federal law. The district in which the student enrolls shall inform each educator who will have responsibility for, or will be under the direction and supervision of an educator who will have responsibility for, the instruction of the student of the contents of the placement order. Each educator shall keep the information received under this subsection confidential from any person not entitled to the information under this subsection, except that the educator may share the information with the student’s parent or guardian as provided for by state or federal law. HB 467 - HOUSE CONCURS IN SENATE AMENDMENTS
TEXT OF SENATE AMENDMENTS

Representative Bailey called up with senate amendments for consideration at this time,

HB 467, A bill to be entitled An Act relating to the financing of water and sewer programs and the provision of sewer connections in disadvantaged areas in certain counties.

HB 467 - DEBATE

REPRESENTATIVE CALLEGARI: Kevin, similar question, I want to be sure that if, let’s say, the county adopts the EDAPT requirements they call for in this bill and it’s an amendment, does that mean that only the projects that are federally funded have to comply with the bonding requirements?
REPRESENTATIVE BAILEY: Any project in an economically disadvantaged area where state funds were used would be required.

CALLEGARI: So normal projects, normal building development projects, would not be required to comply with the bonding requirements unless they fall under this particular funding allowed by this particular act?

BAILEY: That is correct.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:
SECTION 1. Chapter 17, Water Code, is amended by adding Subchapter K-1 to read as follows:

SUBCHAPTER K-1. STATEWIDE ASSISTANCE TO ECONOMICALLY DISTRESSED AREAS FOR WATER SUPPLY AND SEWER SERVICE PROJECTS

Sec. 17.941. DEFINITIONS. In this subchapter:
(1) "Economically distressed area" means an area in this state in which:
   (A) water supply or sewer services are inadequate to meet minimal needs of residential users as defined by board rule;
   (B) financial resources are inadequate to provide water supply and sewer services that will satisfy those needs; and
   (C) an established residential subdivision was located on June 1, 2005, as determined by the board.
(2) "Financial assistance" means the funds provided by the board to political subdivisions for water supply or sewer services under this subchapter.
(3) "Political subdivision" means a county, a municipality, a nonprofit water supply corporation created and operating under Chapter 67, or a district or authority created under Section 52, Article III, or Section 59, Article XVI, Texas Constitution.
(4) "Sewer services" and "sewer facilities" mean treatment works or individual, on-site, or cluster treatment systems such as septic tanks and include drainage facilities and other improvements for proper functioning of the sewer services and other facilities.

Sec. 17.942. FINANCIAL ASSISTANCE. The economically distressed areas program account may be used by the board to provide financial assistance to political subdivisions for the construction, acquisition, or improvement of water supply and sewer services, including providing money from the account for the state's participation in federal programs that provide assistance to political subdivisions. Money from the proceeds of bonds issued under the authority of Section 49-d-7(b) or 49-d-8, Article III, Texas Constitution, may not be used to provide financial assistance under this subchapter.

Sec. 17.943. APPLICATION FOR FINANCIAL ASSISTANCE. (a) A political subdivision may apply to the board for financial assistance under this subchapter by submitting an application together with a plan for providing water supply or sewer services to an economically distressed area.
   (b) The application and plan must include:
   (1) the name of the political subdivision and its principal officers;
   (2) a citation of the law under which the political subdivision was created and operates;
   (3) a description of the existing water supply and sewer facilities located in the area to be served by the proposed project and, along with the description, a statement prepared and certified by an engineer registered to practice in this state that the facilities do not meet minimum state standards;
   (4) information identifying the median household income for the area to be served by the proposed project;
(5) a project plan prepared and certified by an engineer registered to practice in this state that:
   (A) describes the proposed planning, design, and construction activities necessary for providing water supply and sewer services that meet minimum state standards; and
   (B) identifies the households to which the services will be provided;
   (6) a budget that estimates the total cost of providing water supply and sewer services to the economically distressed area and a proposed schedule and method for repayment of financial assistance consistent with board rules and guidelines; and
   (7) the total amount of assistance requested from the economically distressed areas program account.

(c) A program of water conservation for the more effective use of water is required for the approval of an application for financial assistance under this section in the same manner as such a program is required for the approval of an application for financial assistance under Section 17.125.

(d) Before considering the application, the board may require the applicant to:
   (1) participate with the board in reviewing the applicant’s managerial, financial, or technical capabilities to operate the system for which assistance is being requested;
   (2) provide a written determination by the commission of the applicant’s managerial, financial, and technical capabilities to operate the system for which assistance is being requested;
   (3) request that the comptroller perform a financial management review of the applicant’s current operations and, if the comptroller is available to perform the review, provide the board with the results of the review; or
   (4) provide any other information required by the board or the executive administrator.

Sec. 17.944. CONSIDERATIONS IN REVIEWING APPLICATION. (a) In reviewing an application for financial assistance, the board shall consider:
   (1) the need of the economically distressed area to be served by the water supply or sewer services in relation to the need of other political subdivisions requiring financial assistance under this subchapter and the relative costs and benefits of all applications;
   (2) the availability of revenue or alternative financial assistance for the area served by the project, from all sources, for the payment of the cost of the proposed project;
   (3) the financing of the proposed water supply or sewer project, including consideration of:
      (A) the budget and repayment schedule submitted under Section 17.943(b)(6);
      (B) other items included in the application relating to financing; and
      (C) other financial information and data available to the board; and

the feasibility of achieving cost savings by providing a regional facility for water supply or wastewater service and the feasibility of financing the project by using money from the economically distressed areas program account or any other available financial assistance.

(b) At the time an application for financial assistance is considered, the board must also find that the area to be served by a proposed project has a median household income of not more than 75 percent of the median state household income for the most recent year for which statistics are available.

Sec. 17.945. APPROVAL OR DISAPPROVAL OF APPLICATION. After considering the matters described by Section 17.944, the board by resolution shall:

(1) approve the plan and application as submitted;

(2) approve the plan and application subject to the requirements identified by the board or commission for the applicant to obtain the managerial, financial, and technical capabilities to operate the system and any other requirements, including training under Subchapter M, the board considers appropriate;

(3) deny the application and identify the requirements or remedial steps the applicant must complete before the applicant may be reconsidered for financial assistance;

(4) if the board finds that the applicant will be unable to obtain the managerial, financial, or technical capabilities to build and operate a system, deny the application and issue a determination that a service provider other than the applicant is necessary or appropriate to undertake the proposed project; or

(5) deny the application.

Sec. 17.946. FINDINGS REGARDING PERMITS. (a) The board may not release money for the construction of that portion of a project that proposes surface water or groundwater development until the executive administrator makes a written finding:

(1) that an applicant proposing surface water development has the necessary water right authorizing it to appropriate and use the water that the water supply project will provide; or

(2) that an applicant proposing groundwater development has the right to use water that the water supply project will provide.

(b) The board may release money for the costs of planning, engineering, architectural, legal, title, fiscal, or economic investigation, studies, surveys, or designs before making the finding required under Subsection (a) if the executive administrator determines that a reasonable expectation exists that the finding will be made before the release of funds for construction.

(c) If an applicant includes a proposal for treatment works, the board may not deliver money for the treatment works until the applicant has received a permit for construction and operation of the treatment works and approval of the plans and specifications from the commission, unless such a permit is not required by the commission.
Sec. 17.947. METHOD OF FINANCIAL ASSISTANCE. (a) The board may provide financial assistance to political subdivisions under this subchapter by using money in the economically distressed areas program account to purchase political subdivision bonds.

(b) The board may make financial assistance available to political subdivisions in any other manner that it considers feasible, including:

(1) contracts or agreements with a political subdivision for acceptance of financial assistance that establish any repayment based on the political subdivision's ability to repay the assistance and that establish requirements for acceptance of the assistance; or

(2) contracts or agreements for providing financial assistance in any federal or federally assisted project or program.

Sec. 17.948. TERMS OF FINANCIAL ASSISTANCE. (a) The board may use money in the economically distressed areas program account to provide financial assistance under this subchapter to a political subdivision to be repaid in the form, manner, and time provided by board rules and in the agreement between the board and the political subdivision, taking into consideration the information provided under Section 17.943.

(b) In providing financial assistance to an applicant under this subchapter, the board may not provide to the applicant financial assistance for which repayment is not required in an amount that exceeds 50 percent of the total amount of the financial assistance plus interest on any amount that must be repaid, unless the Department of State Health Services issues a finding that a nuisance dangerous to the public health and safety exists resulting from water supply and sanitation problems in the area to be served by the proposed project. The board and the applicant shall provide to the department information necessary to make a determination, and the board and the department may enter into memoranda of understanding necessary to carry out this subsection.

(c) The total amount of financial assistance provided by the board to political subdivisions under this subchapter from state-issued bonds for which repayment is not required may not exceed at any time 90 percent of the total principal amount of issued and unissued bonds authorized for purposes of this subchapter.

(d) In determining the amount and form of financial assistance and the amount and form of repayment, if any, the board shall consider:

(1) rates, fees, and charges that the average customer to be served by the project will be able to pay based on a comparison of what other families of similar income who are similarly situated pay for comparable services;

(2) sources of funding available to the political subdivision from federal and private money and from other state money;

(3) any local money of the political subdivision to be served by the project if the economically distressed area to be served by the board’s financial assistance is within the boundary of the political subdivision; and

(4) the just, fair, and reasonable charges for water and wastewater service as provided by this code.
(e) In making its determination under Subsection (d)(1), the board may consider any study, survey, data, criteria, or standard developed or prepared by any federal, state, or local agency, private foundation, banking or financial institution, or other reliable source of statistical or financial data or information.

(f) The board may provide financial assistance money under this subchapter for treatment works only if the board determines that it is not feasible in the area covered by the application to use septic tanks as the method for providing sewer services under the applicant’s plan.

SECTION 2. Subsection (c), Section 17.958, Water Code, is amended to read as follows:

(c) Money on deposit in the economically distressed areas program account may be used by the board for purposes provided by Subchapter K or K-1 in the manner that the board determines necessary for the administration of the fund.

SECTION 3. Subsection (i), Section 15.407, and Subsection (b), Section 15.974, Water Code, are repealed.

SECTION 4. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2005.

SECTION 9. Subsection (b), Section 17.930, Water Code, is amended to read as follows:

(Speaker in the chair)

STATEMENT BY SPEAKER CRADDICK REGARDING GERMANENESS POINTS OF ORDER

Members, earlier today there was a series of parliamentary inquiries, which evidently has led to some confusion. The chair offers the following as a clarification to clear up that confusion.

First, on the question of a member's right to raise a point of order, the chair will always recognize a member to raise a point of order if the chair is aware of that member's desire. The chair encourages a member to express that desire by approaching the dais or, if the member has possession of the back microphone, by raising the issue from there. Members, the chair is also charged under the rules to maintain decorum on the floor and will not allow members to block or jerk the microphone away from other members. The chair implores the members to act in an appropriate manner and respect each other's rights.

Second, there seems to be confusion as to what happens when a point of order is sustained as to the germaneness of senate amendments to a house bill. The practice of the chair this session and my predecessors has been to return the bill to the senate with the message that a point of order has been sustained on senate amendments in that they are not germane. The bill is then in possession of the senate to take whatever action they consider appropriate under their rules. It is not the duty or the responsibility of the house to enforce senate rules.

Third, as to the timing of raising a point of order before the house adopts a motion to not concur and request the appointment of a conference committee, the normal procedure but only as a courtesy, and not by rule, is for members to allow
the house to go to conference rather than raising a point order. As previously stated, the chair will recognize anyone to raise a point of order if the chair is aware, and if decorum is followed.

Lastly, on the question of germaneness applying to a conference committee, there is apparently some confusion between Rule 11, Sections 2 and 3, and Article III, Section 30, of the Texas Constitution, commonly called constitutional germaneness. Germaneness as contemplated by Article III, Section 30, is the standard that is applied to changing the original purpose of a bill. That constitutional germaneness rule is what the chair referred to previously.

Another standard that the house also recognizes is the test that the conference committee must contain only one subject.

The chair has for years enforced these standards through its power of recognition by not recognizing a motion to adopt a conference committee report that contains constitutionally non-germane amendments or that violates the one subject rule. The chair always has the right to exercise the power of recognition under the rules. I hope that this explanation helps clear up some confusion.

CSHB 2894, A bill to be entitled An Act relating to the marketing and sale of certain license plates by a private vendor.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 504.851, Transportation Code, is amended by amending Subsections (a), (b), (c), (e), (f), (g), and (h) and adding Subsections (g-1) and (k)-(m) to read as follows:
(a) The [commission may authorize the] department shall [to] enter into a contract with the private vendor whose proposal is most advantageous to the state, as determined from competitive sealed proposals that satisfy the requirements of this section, for the marketing and sale of:

(1) personalized [prestige] license plates authorized by Section 504.101; or

(2) with the agreement of the private vendor, other specialty [specialized] license plates authorized by this subchapter.

(b) Instead of the fees established by Section 504.101(c), [if the commission authorizes the department to contract with a private vendor under Subsection (a)(1) for the marketing and sale of personalized prestige license plates,] the commission by rule shall establish fees for the issuance or renewal of personalized [prestige] license plates that are marketed and sold by the private vendor. Fees must be reasonable and not less than the greater of:

(1) the amounts necessary to allow the department to recover all reasonable costs to the department associated with the evaluation of the competitive sealed proposals received by the department and with the implementation and enforcement of the contract, including direct, indirect, and administrative costs; or

(2) the amount established by Section 504.101(c).

(c) [If the commission authorizes the department to contract with a private vendor under Subsection (a)(2) for the marketing and sale of other specialized license plates authorized by this subchapter, including specialized license plates that may be personalized, the] commission by rule shall establish the fees for the issuance or renewal of souvenir license plates, specialty [specialized] license plates, or souvenir or specialty license plates that are personalized that are marketed and sold by the private vendor. Fees must be reasonable and not less than the amounts necessary to allow the department to recover all reasonable costs to the department associated with the evaluation of the competitive sealed proposals received by the department and with the implementation and enforcement of the contract, including direct, indirect, and administrative costs. A fee established under this subsection is in addition to:

(1) the registration fee and any optional registration fee prescribed by this chapter for the vehicle for which specialty [the specialized] license plates are issued;

(2) any additional fee prescribed by this subchapter for the issuance of specialty [the specialized] license plates for that vehicle; and

(3) any additional fee prescribed by this subchapter for the issuance of personalized license plates for that vehicle.

(e) The portion of a [A] contract with a private vendor regarding the marketing and sale of personalized license plates [under Subsection (a)(1)] is payable only from amounts derived from the collection of the fee established under Subsection (b). The portion of a [A] contract with a private vendor regarding the marketing and sale of souvenir license plates, specialty license
plates, or souvenir or specialty license plates that are personalized under Section 504.102 [under Subsection (a)(2)] is payable only from amounts derived from the collection of the fee established under Subsection (c).

(f) The department may approve [create] new design and color combinations for personalized [prestige] license plates that are marketed and [or] sold by a private vendor under a contract entered into with the private vendor [under Subsection (a)(2)]. Each approved license plate design and color combination remains the property of the department.

(g) The department may approve [create] new design and color combinations for specialty [specialized] license plates authorized by this chapter, including specialty [specialized] license plates that may be personalized, that are marketed and [or] sold by a private vendor under a contract entered into with the private vendor [under Subsection (a)(2)]. Each approved license plate design and color combination remains the property of the department. Except as otherwise provided by this chapter, this [This] subsection does not authorize:

(1) the department to approve a design or color combination for a specialty [specialized] license plate that is inconsistent with the design or color combination specified for the license plate by the section of this chapter [subchapter] that authorizes the issuance of the specialty [specialized] license plate; or

(2) the private vendor to market and [or] sell a specialty [specialized] license plate with a design or color combination that is inconsistent with the design or color combination specified by that section.

(g-1) The department may not:

(1) publish a proposed design or color combination for a specialty license plate for public comment in the Texas Register or otherwise, except on the department’s website for a period not to exceed 10 days; or

(2) restrict the background color, color combinations, or color alphanumeric license plate numbers of a specialty license plate, except as determined by the Department of Public Safety as necessary for law enforcement purposes.

(h) Subject to the limitations provided by Subsections (g) and (g-1) [In connection with a license plate that is marketed or sold by a private vendor under contract], the department may cancel a license plate or require the discontinuation of a license plate design or color combination that is marketed and sold by a private vendor under contract at any time if the department determines that the cancellation or discontinuation is in the best interest of this state or the motoring public.

(k) The department shall certify to the comptroller the estimate, with a detailed explanation of the basis on which the estimate is calculated, of all reasonable costs to the department associated with the evaluation of competitive sealed proposals received by the department under this section and associated with the implementation and enforcement of a contract entered into under this section, including direct, indirect, and administrative costs for the issuance or renewal of personalized license plates or specialty license plates.
A contract entered into with the private vendor shall provide for the department to recover all costs incurred by the department in implementing this section. Under the contract, the department may require the private vendor to reimburse the department in advance for:

1. not more than one-half of the department's anticipated costs in connection with the contract; and
2. the department's anticipated costs in connection with the introduction of a new specialty license plate.

To the extent that specialty license plate fees collected under this section are in excess of the minimum amount required under Subsection (b) or (c), the excess amount shall be deposited to the credit of the general revenue fund.

SECTION 2. Subchapter J, Chapter 504, Transportation Code, is amended by adding Section 504.852 to read as follows:

Sec. 504.852. CONTRACT LIMITATIONS. (a) In a contract under Section 504.851, the department may not:
1. unreasonably disapprove or limit any aspect of a private vendor's marketing and sales plan;
2. unreasonably interfere with the selection, assignment, or management by the private vendor of the private vendor's employees, agents, or subcontractors; or
3. require a private vendor to market and sell souvenir license plates, specialty license plates, or souvenir or specialty license plates personalized under Section 504.102.

(b) If a private vendor contracts to market and sell souvenir license plates, specialty license plates, or souvenir or specialty license plates personalized under Section 504.102, the initial term of the contract shall be for at least five years from the effective date of the contract. The contract may provide, with the agreement of the department and the private vendor, a second term at least equal in length to the initial term of the contract.

(c) Notwithstanding Subsection (b), a private vendor may not market and sell souvenir license plates, specialty license plates, or souvenir or specialty license plates personalized under Section 504.102 that compete directly for sales with another specialty license plate issued under this chapter unless the department and the sponsoring agency or organization of the other license plate approve.

SECTION 3. A contract awarded by the Texas Department of Transportation to a private vendor under the provisions of Section 504.851, Transportation Code, is not valid to the extent that the contract does not comply with the changes in law made by this Act.

SECTION 4. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2005.
