The invocation was offered by Mark Pugh, minister, Kings Crossing Church of Christ, Corpus Christi, as follows:

Dear God and Father above all, you are the one in whom we live and move and have our being. On this 20th day of May, in the year of our Lord, 2009, we come asking your blessings to be with us this day. We thank you for this day of life. May we say with the Psalmist of long ago, "This is the day the Lord has made; let us rejoice and be glad in it." May we remember the teaching of Jesus to avoid worrying about tomorrow and to rejoice in the day at hand.

Father, we have so much to be thankful for. We are richly blessed. We live in a state that resonates with the message of freedom. We pray that through the power of your mighty right hand, that you would always keep us free. May we never take our freedom for granted, realizing the ultimate price that so many Texans and fellow Americans have paid that we might live in a free land.

This morning, we pray for our brave men and women who are serving in harm's way, maintaining our freedoms. We pray for a rapid end to the wars in Iraq and Afghanistan and that you would bring our soldiers home to their families in safety.

We pray for South Texas, which is suffering from extreme and even exceptional drought conditions. Father, we pray for rain for the parched earth in that region of our state. As we approach the start of the hurricane season, we pray for our coast, that it may be spared the ravages that Galveston suffered last year. And we pray for the good people of Galveston as they continue to recover from the devastation of Hurricane Ike.

Father, we pray for the children of our state, because they are our future. Yet, they are the most vulnerable among us. Please protect them from the scourges of drug and alcohol and physical and sexual abuse. I pray for the babies yet unborn and for the young mothers carrying these babies, that they may receive the nutritional and medical care that they need to deliver healthy babies. I pray for the elderly who often find themselves alone and destitute as they come to the end of their lives.

Father, I pray for our national leaders in Washington and especially the men and women from Texas who represent us there. Especially this morning, I pray for the Texas State Legislature and for the men and women in this house of representatives who are about to begin a busy day of work. Please give them the energy, the clear-headedness, the passion, and the compassion that they need to carry out their jobs. Whether Democrats, Republicans, Libertarians, or Independents, may they all work together, in the spirit of bipartisanship, for the overall good of our state. These blessings we humbly ask, in the name of Jesus. Amen.

**HB 4029 - HOUSE CONCURS IN SENATE AMENDMENTS
TEXT OF SENATE AMENDMENTS**

Representative Marquez called up with senate amendments for consideration at this time,

HB 4029, A bill to be entitled An Act relating to written authorization for the release of certain health care information.

HB 4029 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE C. TURNER: I'd like to ask you a question, just on legislative intent, on this bill. **HB 4029** as passed by the house, as I understand it, is related to the confidentiality of a patient's health care information. In the senate, I think the bill was amended to add language from **HB 2965**, which came out of the house Public Health Committee, and that establishes a fee a hospital can charge for providing hospital records in a digital or electronic format. The amendment refers to records that are provided on a digital or other electronic medium, rather than records that are stored in a digital format. Is that correct?

REPRESENTATIVE MARQUEZ: Yes, Mr. Turner, that's correct.

C. TURNER: Then the senate amendment to **HB 4029** clarifies that for requested records maintained in a digital or other electronic medium, the hospital is not required to reformat the records for the requestor or to provide software, hardware, or other technology to enable the records to be read by the requestor. Is that right?

MARQUEZ: Yes.

C. TURNER: Then the amendment further clarifies that if records are provided in a digital format, then the hospital can charge a specified amount of, I think, \$75?

MARQUEZ: It can't go over \$75.

C. TURNER: Not to exceed \$75 to retrieve and provide those records, and then that ensures that if the hospital produces the record digitally in a PDF format, for example, then the hospital or the patient does not have to pay the per-page cost?

MARQUEZ: Absolutely, correct.

C. TURNER: That's your intent with this legislation?

MARQUEZ: Yes, sir.

REMARKS ORDERED PRINTED

Representative C. Turner moved to print remarks between Representative Marquez and Representative C. Turner.

The motion prevailed.

Representative Marquez moved to concur in the senate amendments to **HB 4029**.

(b) The commission by rule shall adopt a drug testing program as part of the requirements for the receipt of benefits under this subtitle. The program must:

(1) comply with the drug testing requirements of 49 C.F.R. Part 382 or other similar national requirements for drug testing programs recognized by the commission; and

(2) be designed to protect the rights of benefit applicants and recipients.

(c) Each individual who files an initial claim under Section 208.001 must successfully pass a drug test conducted by the commission before being eligible to receive benefits.

(d) If an individual who is receiving benefits under this subtitle applies for employment with an employer who requires a preemployment drug test and the individual fails the drug test, the individual must disclose the results of that test to the commission in the manner prescribed by the commission. (f) Notwithstanding Subsection (d) or (e), an individual is not disqualified for benefits based on a failure to successfully pass a drug test required by this section if, on the basis of evidence presented by the individual, the commission finds that:

(1) the individual is participating in a treatment program for drug abuse; or

(2) the failure to pass the drug test is caused by the use of a drug that was prescribed by a physician as medically necessary for the individual.

(g) Notwithstanding Subsection (f), an individual who fails to report test results to the commission as required by Subsection (d) must repay the commission for any benefits received under this subtitle from the date on which the individual knows or should have known that the individual failed the preemployment drug test until the date on which the commission receives notice that the individual failed the preemployment drug test.

(4) Renumber the SECTIONS of the bill accordingly.

Amendment No. 12 - Point of Order

Representative Veasey raised a point of order against further consideration of Amendment No. 12 under Rule 11, Section 2 of the House Rules on the grounds that the amendment is not germane to the bill.

The chair overruled the point of order and submitted the following statement:

Representative Veasey raises a point of order against further consideration of the Legler amendment to **CSSB 1569** in that the amendment is not germane and is in violation of Rule 11, Section 2 of the House Rules.

The chair is of the opinion that the amendment is germane because it places an additional restriction on the recipient or class of individuals that are already covered by the bill. The chair notes that the bill already contains restrictions for those recipients. This decision would be reached whether or not the bill is deemed an omnibus bill.

Accordingly, the point of order is respectfully overruled.

Amendment No. 13

Representative Strama offered the following amendment to Amendment No. 12:

Amend Amendment No. 12 by Legler to **CSSB 1569** by striking the text of the amendment and substituting the following:

(2) In SECTION 9(c)(4) of the bill (page 11, line 20), strike the period and substitute ";and".

(3) In SECTION 9(c) of the bill, immediately following SECTION 9(c)(4) (page 11, between lines 20 and 21), insert:

(5) examine the advantages and disadvantages of requiring each individual who files a claim for or receives benefits under Subtitle A, Title 4, Labor Code, to submit to drug testing.

CSSB 175 ON SECOND READING (Branch - House Sponsor)

CSSB 175, A bill to be entitled An Act relating to limitations on the automatic admission of undergraduate students to general academic teaching institutions.

(Taylor now present)

CSSB 175 - POINT OF ORDER

Representative Martinez raised a point of order against further consideration of **CSSB 175** under Rule 4, Section 32 of the House Rules on the grounds that the bill analysis is incomplete.

The speaker overruled the point of order and had read the following statement:

Mr. Martinez raises a point of order against further consideration of **CSSB 175** in that the bill analysis violates Rule 4, Section 32(c)(2) and (4) of the House Rules. Specifically, it is argued that the comparison of the original and substitute is inadequate in that it fails to mention in the analysis the omission of language that provides for the adoption of forms under Section 28.026(b), Education Code, to implement the notice required under Section 28.026(a) of that code. Both of these provisions were contained in the senate version but omitted in the house version.

The bill analysis is a summary analysis which is permitted under the rules. House precedent is clear that a summary analysis is not required to reference each element of the bill and may omit sections or articles and still comply with the rules. The provision at issue was not specifically stated in the bill analysis but is fairly covered by the statements that were made in the analysis. As such, the chair finds that the language at issue in this instance is not materially or substantially misleading and in compliance with the House Rules.

Accordingly, the point of order is respectfully overruled.

CSSB 175 - POINT OF ORDER

Representative Villarreal raised a point of order against further consideration of **CSSB 175** under Rule 4, Section 32 of the House Rules on the grounds that the bill analysis is incorrect.

The point of order was withdrawn.

Amendment No. 1

Representative Branch offered the following amendment to **CSSB 175**:

Amend **CSSB 175** (House Committee Report) by striking all below the enacting clause and substituting the following:

SECTION 1. Section 51.803, Education Code, is amended by amending Subsection (a) and adding Subsections (a-1), (a-2), and (g) to read as follows:

(a) Subject to Subsection (a-1), each ~~Each~~ general academic teaching institution shall admit an applicant for admission to the institution as an undergraduate student if the applicant graduated with a grade point average in the top 10 percent of the student's high school graduating class in one of the two school years preceding the academic year for which the applicant is applying for admission and:

(1) the applicant graduated from a public or private high school in this state accredited by a generally recognized accrediting organization or from a high school operated by the United States Department of Defense;

(2) the applicant:

(A) successfully completed:

(i) at a public high school, the curriculum requirements established under Section 28.025 for the recommended or advanced high school program; or

(ii) at a high school to which Section 28.025 does not apply, a curriculum that is equivalent in content and rigor to the recommended or advanced high school program; or

(B) satisfied ACT's College Readiness Benchmarks on the ACT assessment applicable to the applicant or earned on the SAT assessment a score of at least 1,500 out of 2,400 or the equivalent; and

(3) if the applicant graduated from a high school operated by the United States Department of Defense, the applicant is a Texas resident under Section 54.052 or is entitled to pay tuition fees at the rate provided for Texas residents under Section 54.058(d) for the term or semester to which admitted.

(a-1) Beginning with admissions for the 2010-2011 academic year, a general academic teaching institution is not required to offer admission to applicants who qualify for automatic admission under Subsection (a) in excess of the number required to fill 60 percent of the institution's enrollment capacity designated for first-time resident undergraduate students in an academic year. If the number of applicants who qualify for automatic admission to a general academic teaching institution under Subsection (a) for an academic year exceeds 60 percent of the institution's enrollment capacity designated for first-time resident undergraduate students for that academic year, the institution may elect

to offer admission to those applicants as provided by this subsection and not as otherwise required by Subsection (a). If the institution elects to offer admission under this subsection, the institution shall offer admission to those applicants by percentile rank according to high school graduating class standing based on grade point average, beginning with the top percentile rank, until the applicants qualified under Subsection (a) have been offered admission in the number estimated in good faith by the institution as sufficient to fill 50 percent of the institution's enrollment capacity designated for first-time resident undergraduate students, except that the institution must offer admission to all applicants with the same percentile rank. In addition to those admissions, until applicants qualified under Subsection (a) have been offered admission in the number estimated in good faith by the institution as sufficient to fill 60 percent of the designated enrollment capacity described by this subsection, the institution shall offer to applicants qualified for automatic admission under Subsection (a) admission in the same manner as other applicants for admission as first-time undergraduate students in accordance with Section 51.805, except that the institution may not consider applicants other than those applicants qualified under Subsection (a). After the applicants qualified for automatic admission under Subsection (a) have been offered admission under this subsection in the number estimated in good faith as sufficient to fill 60 percent of the designated enrollment capacity described by this subsection, the institution shall consider any remaining applicants qualified for automatic admission under Subsection (a) in the same manner as other applicants for admission as first-time undergraduate students in accordance with Section 51.805. A general academic teaching institution may not offer admission under this subsection for an academic year after the eighth consecutive academic year for which general academic teaching institutions have had the option of electing to offer admission to applicants under this subsection.

(a-2) If the number of applicants who apply to a general academic teaching institution during the current academic year for admission in the next academic year and who qualify for automatic admission to a general academic teaching institution under Subsection (a) exceeds 60 percent of the institution's enrollment capacity designated for first-time resident undergraduate students for that next academic year and the institution plans to offer admission under Subsection (a-1) during the next school year, the institution shall, in the manner prescribed by the Texas Education Agency and not later than April 15, provide to each school district, for dissemination of the information to high school junior-level students and their parents, notice of which percentile ranks of high school senior-level students who qualify for automatic admission under Subsection (a) are anticipated by the institution to be offered admission under Subsection (a-1) during the next school year.

(g) The Texas Higher Education Coordinating Board by rule shall develop and implement a program to increase and enhance the efforts of general academic teaching institutions in conducting outreach to academically high-performing high school seniors in this state who are likely to be eligible for automatic admission under Subsection (a) to provide to those students information and counseling regarding the operation of this section and other opportunities,

including financial assistance, available to those students for success at public institutions of higher education in this state. Under the program, the coordinating board, after gathering information and recommendations from available sources and examining current outreach practices by institutions in this state and in other states, shall prescribe best practices guidelines and standards to be used by general academic teaching institutions in conducting the student outreach described by this subsection.

SECTION 2. Section 28.026, Education Code, is amended to read as follows:

Sec. 28.026. NOTICE OF AUTOMATIC COLLEGE ADMISSION. (a) The board of trustees of a school district shall require each high school in the district to post appropriate signs in each counselor's office, in each principal's office, and in each administrative building indicating the substance of Section 51.803 regarding automatic college admission. To assist in the dissemination of this information, the school district shall:

(1) require that each high school counselor and class advisor be provided a detailed explanation of the substance of Section 51.803;

(2) provide each district student, at the time the student first registers for one or more classes required for high school graduation, with a written notification of the substance of Section 51.803;

(3) require that each high school counselor and senior class advisor explain to eligible students the substance of Section 51.803; and

(4) [~~(3)~~] provide each eligible senior student under Section 51.803, at the commencement of a class's senior year, with a written notification of the student's eligibility with a detailed explanation of the substance of Section 51.803.

(b) The commissioner shall adopt forms to use in providing notice under Subsections (a)(2) and (4). In providing notice under Subsection (a)(2) or (4), a school district shall use the appropriate form adopted by the commissioner.

(c) The commissioner shall adopt procedures to ensure that, as soon as practicable after this subsection becomes law, each school district provides written notification of the substance of Section 51.803, as amended by the 81st Legislature, Regular Session, 2009, to each district student who, for the 2009-2010 school year, registers for one or more courses required for high school graduation. The commissioner may adopt rules under this subsection in the manner provided by law for emergency rules. Each district shall comply with the procedures adopted by the commissioner under this subsection. This subsection expires September 1, 2010.

SECTION 3. This Act takes effect immediately if it receives a vote of two-thirds of all the members elected to each house, as provided by Section 39, Article III, Texas Constitution. If this Act does not receive the vote necessary for immediate effect, this Act takes effect September 1, 2009.

SECTION _____. Chapter 56, Education Code, is amended by adding Subchapter R to read as follows:

SUBCHAPTER R. SCHOLARSHIPS FOR STUDENTS GRADUATING
IN TOP 10 PERCENT OF HIGH SCHOOL CLASS

Sec. 56.481. PURPOSE. The purpose of this program is to encourage attendance at public institutions of higher education in this state by outstanding high school students in the top 10 percent of their graduating class.

Sec. 56.482. DEFINITIONS. In this subchapter:

(1) "Coordinating board" means the Texas Higher Education Coordinating Board.

(2) "Institution of higher education" has the meaning assigned by Section 61.003.

(3) "Program" means the scholarship program authorized by this subchapter.

Sec. 56.483. AWARD OF SCHOLARSHIP. (a) The coordinating board shall award scholarships to eligible students under this subchapter.

(b) An institution of higher education shall provide to a student who receives a scholarship under the program for a semester or other academic term:

(1) a credit in the amount of the scholarship, to be applied toward the payment of any amount of educational costs charged by the institution for that semester or term; and

(2) a check, electronic transfer, or other disbursement of any remaining scholarship amount.

(c) An amount paid under Subsection (b)(2) may be applied only to any usual and customary cost incurred by the student to attend the institution of higher education.

Sec. 56.484. INITIAL ELIGIBILITY FOR SCHOLARSHIP. To be eligible for a scholarship under this subchapter, a student must:

(1) have graduated from a public or accredited private high school in this state while ranked in the top 10 percent of the student's graduating class, subject to Section 56.487(b);

(2) have completed the recommended or advanced high school curriculum established under Section 28.025 or its equivalent;

(3) have applied for admission as a first-time freshman student for the 2010-2011 academic year or a subsequent academic year to an institution of higher education that has elected to offer admissions for that academic year to applicants as provided by Section 51.803(a-1);

(4) enroll as a first-time freshman student in an institution of higher education not later than the 16th month after the date of the student's high school graduation;

(5) have been awarded a TEXAS grant under Subchapter M, Chapter 56, Education Code, for the same semester or other academic term for which the scholarship will be awarded;

(6) be a Texas resident under Section 54.052; and

(7) comply with any other eligibility requirements established by coordinating board rule.

Sec. 56.485. INELIGIBILITY FOR SCHOLARSHIP. Notwithstanding Section 56.484, a student is not eligible for an initial or subsequent scholarship under this subchapter if the student was offered admission as a first-time freshman student to any institution of higher education for an academic year for which that institution made admissions under Section 51.803(a-1), regardless of whether the student subsequently enrolls at that institution.

Sec. 56.486. AMOUNT OF SCHOLARSHIP. (a) Except as provided by Subsection (b), the amount of a scholarship for each semester or other academic term in which an eligible student is enrolled at an institution of higher education is an amount sufficient to cover, but not exceed, the amount of tuition charged to the student for that semester or term.

(b) The amount of a scholarship for each semester or other academic term may not exceed the amount of student's unmet financial need for that semester or term after any other gift aid has been awarded.

(c) The coordinating board shall issue to each eligible student a certificate indicating the amount of the scholarship awarded to the student.

Sec. 56.487. APPLICATION PROCEDURE. (a) The coordinating board shall establish application procedures for the program. The procedures may require an officer of the applicable high school or school district to verify the eligibility of a student to receive a scholarship under the program.

(b) The coordinating board may permit a student to establish initial eligibility based on the student's class rank at the end of the student's seventh semester in high school. The board may revoke an initial scholarship awarded to a student who subsequently loses eligibility based on the student's class rank on graduation from high school.

(c) The coordinating board may consider applications received after the application deadline only if sufficient funding for scholarships remains after the board awards scholarships to all eligible students who applied on or before the deadline.

(d) The coordinating board shall establish procedures to notify each eligible student of the receipt of a scholarship under the program and to enable an institution of higher education to verify the award of a scholarship to a student who is enrolled at that institution.

Sec. 56.488. CONTINUING ELIGIBILITY FOR SCHOLARSHIP. (a) After establishing eligibility to receive an initial scholarship under the program, a student may continue to receive additional scholarships during each subsequent semester or other academic term in which the student is enrolled at an institution of higher education if the student:

(1) makes satisfactory academic progress as required by Section 56.489;

(2) submits to the institution transcripts for any coursework completed at other public or private institutions of higher education;

(3) has been awarded a TEXAS grant under Subchapter M, Chapter 56, Education Code, for the same semester or other academic term for which the scholarship will be awarded; and

(4) complies with any other eligibility requirements established by coordinating board rule.

(b) If a student fails to meet any of the requirements of Subsection (a) after completing a semester or other academic term, the student may not receive a scholarship during the next semester or other academic term in which the student enrolls. A student may become eligible to receive a scholarship in a subsequent semester or term if the student:

(1) completes a semester or term during which the student is not eligible for a scholarship; and

(2) meets all the requirements of Subsection (a).

(c) Except as provided by Section 56.490(b), a student's eligibility for a scholarship under the program ends on the fourth anniversary of the first day of the semester or other academic term for which the student was awarded an initial scholarship under the program.

Sec. 56.489. SATISFACTORY ACADEMIC PROGRESS. For each academic year in which a student receives one or more scholarships under the program, the student must:

(1) complete for that year:

(A) at least 75 percent of all credit hours attempted, as determined by the institution of higher education in which the student is enrolled; and

(B) at least 30 credit hours or the number of credit hours needed to complete the student's degree or certificate program, whichever is less; and

(2) maintain an overall grade point average of at least 3.25 on a four-point scale or its equivalent for all coursework attempted at any public or private institution of higher education.

Sec. 56.490. EXCEPTION FOR HARDSHIP OR OTHER GOOD CAUSE. (a) Each institution of higher education shall adopt a policy to allow a student who fails to make satisfactory academic progress as required by Section 56.489 to receive a scholarship in a subsequent semester or other academic term on a showing of hardship or other good cause, including:

(1) a showing of a severe illness or other debilitating condition that could affect the student's academic performance;

(2) an indication that the student is responsible for the care of a sick, injured, or needy person and that the student's provision of care could affect the student's academic performance; or

(3) any other cause considered acceptable by the coordinating board.

(b) An institution of higher education may extend the eligibility period described by Section 56.488(c) in the event of hardship or other good cause as provided by the institution's policy adopted under Subsection (a).

(c) An institution of higher education shall maintain documentation of each exception granted to a student under this section and shall provide timely notice of those exceptions to the coordinating board.

Sec. 56.491. PUBLICATION OF PROGRAM INFORMATION. (a) The coordinating board shall publish and disseminate general information and rules for the program as provided by Subsection (b) and as otherwise considered appropriate by the board.

(b) The coordinating board shall provide application instructions to:

(1) each school district and each institution of higher education; and

(2) an individual student on request.

Sec. 56.492. REIMBURSEMENT. (a) Each institution of higher education that provides scholarships under the program to eligible students enrolled at the institution is entitled to reimbursement by the coordinating board of the amounts provided. The institution must request reimbursement in the manner specified by coordinating board rule.

(b) On approval of an institution's request for reimbursement, the coordinating board shall direct the comptroller to transfer the appropriate amount to the institution. The institution may use the transferred funds as reimbursement for any credits provided to students under this subchapter, to reimburse students for charges previously paid to the institution, or to make scholarship payments to students, as applicable.

Sec. 56.493. RULES. The coordinating board shall adopt rules as necessary to administer the program under this subchapter.

SECTION ____. (a) The Texas Higher Education Coordinating Board shall adopt rules to administer Subchapter R, Chapter 56, Education Code, as added by this Act, as soon as practicable after the effective date of this Act. For that purpose, the coordinating board may adopt the initial rules in the manner provided by law for emergency rules.

(b) The Texas Higher Education Coordinating Board shall begin awarding scholarships under Subchapter R, Chapter 56, Education Code, as added by this Act, for the first academic year for which money is appropriated for that purpose, except that the coordinating board may not award scholarships under that subchapter for an academic year before the 2010-2011 academic year.

The legislature also finds that the admissions policy prescribed by this subsection is narrowly tailored to further the state's compelling interest in redressing that underrepresentation and achieving appropriate diversity among the students attending public universities in this state. Notwithstanding Subsection (a-1), for an academic year for which an institution offers admission to first-time resident undergraduate students under that subsection, the institution shall offer admission to each applicant for admission for that academic year as a first-time resident undergraduate students who is qualified for automatic admission to a general academic teaching institution under Subsection (a) and who is a male of African descent, as indicated on the person's admission application.

AMENDMENT NO. 12 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE ROSE: When you joined the Higher Ed Committee, before the testimony on this bill, you and I had a dialogue about then-Dean Powers' record at UT Law School.

REPRESENTATIVE DUTTON: Right.

ROSE: Do you remember our dialogue about his record?

DUTTON: I do. I remember sitting and chatting with you, because I appreciated your concern about the issues I was raising. I appreciated that, Chairman Rose.

ROSE: And just in a way of an advertisement, I know you've been visiting with President Powers about this topic. I know he's taken your concerns to heart, and I did get that good dialogue with you about it. During his tenure as dean at the UT Law School—I happened to be a student during that time—I think you're aware, but just so that the body knows, African American students at UT Law School increased fourfold during his tenure.

DUTTON: Yes, and that's why I agree, Chairman Rose, that I'm going to withdraw my amendment, because I'm going to take him at his word and give him an opportunity to do what he's told me, and what he's apparently committed to do. I think, if he did it in the law school, I believe he'll do it for the overall university.

ROSE: As do I, and I appreciate your concern. I look forward to working with you, and with him, on that goal.

REMARKS ORDERED PRINTED

Representative Dutton moved to print remarks between Representative Rose and Representative Dutton.
