REASONS FOR VOTE

While I support the Farrar/D. Howard amendment which would use \$2 billion in incoming funds to the rainy day fund to fund enrollment growth in public schools, I am choosing to vote no on **SB 2** because the legislature is still moving forward with a planned \$4 billion cut to public education.

I strongly support the inclusion of the Farrar/D. Howard amendment in the final conference committee report for **SB 2**, and will not consider voting for **SB 2** if the Farrar/D. Howard amendment is not included in the final conference committee report for **SB 2**.

SECTION _____.01. The total of the amounts transferred under this subsection by all agencies may not exceed \$20 million.

(c) To the extent other law requires money to be provided for back to work programs or programs for the homeless authorized by legislation of the 82nd Legislature, Regular Session, 2011, or 1st Called Session, 2011, money provided for grants under Subsection (b) of this section reduces the requirement provided by that other law, by an amount equal to the total amount of the grants made.

SECTION 56.____. Effective September 1, 2011, Section 42.008, Education Code, is amended by adding Subsection (e) to read as follows:

SECTION 56.____. Effective September 1, 2013, Sections 42.2516(a), (b), (d), and (f-2), Education Code, are amended to read as follows:

(a) In this section, "state compression percentage" means the percentage, as determined by the commissioner, of a school district's adopted maintenance and operations tax rate for the 2005 tax year that serves as the basis for state funding for tax rate reduction under this section. The commissioner shall determine the state compression percentage for each school year based on the percentage by which a district is able to reduce the district's maintenance and operations tax rate for that year, as compared to the district's adopted maintenance and operations tax rate for the 2005 tax year, as a result of state funds appropriated for

distribution under this section for that year from the property tax relief fund established under Section 403.109, Government Code, or from another funding source available for school district property tax relief.

(b) Notwithstanding any other provision of this title, a school district that imposes a maintenance and operations tax at a rate at least equal to the product of the state compression percentage multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year is entitled to at least the amount of state revenue necessary to provide the district with the sum of:

(1) as calculated under Subsection (e), the amount of state and local revenue per student in weighted average daily attendance for maintenance and operations that the district would have received during the 2009-2010 school year under Chapter 41 and this chapter, as those chapters existed on January 1, 2009, at a maintenance and operations tax rate equal to the product of the state compression percentage for that year multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year;

(2) an amount equal to the product of \$120 multiplied by the number of students in weighted average daily attendance in the district; and

(3) ~~an amount equal to the amount the district is required to pay into the tax increment fund for a reinvestment zone under Section 311.013(n), Tax Code, in the current tax year; and~~

~~(4)~~ any amount to which the district is entitled under Section 42.106.

(d) In determining the amount to which a district is entitled under Subsection (b)(1), the commissioner shall:

(2) for a school district that paid tuition under Section 25.039 during the 2008-2009 school year, reduce the amount to which the district is entitled by the amount of tuition paid during that school year.

(f-2) The rules adopted by the commissioner under Subsection (f-1) must:

(1) require the commissioner to determine, as if this section did not exist, the effect under Chapter 41 and this chapter of a school district's action described by Subsection (f-1)(1), (2), (3), or (4) on the total state revenue to which the district would be entitled or the cost to the district of purchasing sufficient attendance credits to reduce the district's wealth per student to the equalized wealth level; and

(2) require an increase or reduction in the amount of state revenue to which a school district is entitled under Subsection (b) that is substantially equivalent to any change in total state revenue or the cost of purchasing attendance credits that would apply to the district if this section did not exist.

SECTION 56.____. Effective September 1, 2013, Subsection (a), Section 42.25161, Education Code, is amended to read as follows:

(a) The commissioner shall provide South Texas Independent School District with the amount of state aid necessary to ensure that the district receives an amount of state and local revenue per student in weighted average daily attendance that is at least \$120 greater than the amount the district would have

received per student in weighted average daily attendance during the 2009-2010 school year under this chapter, as it existed on January 1, 2009, at a maintenance and operations tax rate equal to the product of the state compression percentage multiplied by the maintenance and operations tax rate adopted by the district for the 2005 tax year, provided that the district imposes a maintenance and operations tax at that rate.

SECTION 56.____. Effective September 1, 2013, Sections 42.253(h) and (i), Education Code, are amended to read as follows:

(h) If the amount appropriated for the Foundation School Program for the second year of a state fiscal biennium is less than the amount to which school districts are entitled for that year, the commissioner shall certify the amount of the difference to the Legislative Budget Board not later than January 1 of the second year of the state fiscal biennium. The Legislative Budget Board shall propose to the legislature that the certified amount be transferred to the foundation school fund from the economic stabilization fund and appropriated for the purpose of increases in allocations under this subsection. If the legislature fails during the regular session to enact the proposed transfer and appropriation and there are not funds available under Subsection (j), the commissioner shall reduce the total amount of state funds allocated to each district by an amount determined by a method under which the application of the same number of cents of increase in tax rate in all districts applied to the taxable value of property of each district, as determined under Subchapter M, Chapter 403, Government Code, results in a total levy equal to the total reduction. The following fiscal year, a district's entitlement under this section is increased by an amount equal to the reduction made under this subsection.

(i) Not later than March 1 each year, the commissioner shall determine the actual amount of state funds to which each school district is entitled under the allocation formulas in this chapter for the current school year and shall compare that amount with the amount of the warrants issued to each district for that year. If the amount of the warrants differs from the amount to which a district is entitled because of variations in the district's tax rate, student enrollment, or taxable value of property, the commissioner shall adjust the district's entitlement for the next fiscal year accordingly.

SECTION 56.____. Effective September 1, 2013, Section 42.258(a), Education Code, is amended to read as follows:

(a) If a school district has received an overallocation of state funds, the agency shall, by withholding from subsequent allocations of state funds or by requesting and obtaining a refund, recover from the district an amount equal to the overallocation.

(17) Renumber subsequent SECTIONS of ARTICLE 56 accordingly.

ARTICLE _____. GUARANTEE OF OPEN-ENROLLMENT CHARTER
SCHOOL BONDS BY PERMANENT SCHOOL FUND

SECTION _____.01. Subchapter D, Chapter 12, Education Code, is amended by adding Section 12.135 to read as follows:

Sec. 12.135. DESIGNATION AS CHARTER DISTRICT FOR PURPOSES OF BOND GUARANTEE. (a) On the application of the charter holder, the commissioner may grant designation as a charter district to an open-enrollment charter school that meets financial standards adopted by the commissioner. The financial standards must require an open-enrollment charter school to have an investment grade credit rating as specified by Section 45.0541.

(b) A charter district may apply for bonds issued under Chapter 53 for the open-enrollment charter school to be guaranteed by the permanent school fund as provided by Chapter 45.

SECTION _____.02. Section 45.051, Education Code, is amended by adding Subdivision (1-a) and amending Subdivision (2) to read as follows:

(1-a) "Charter district" means an open-enrollment charter school designated as a charter district under Section 12.135.

(2) "Paying agent" means the financial institution that is designated by a school district or charter district as its agent for the payment of the principal of and interest on guaranteed bonds.

SECTION _____.03. Section 45.052, Education Code, is amended to read as follows:

Sec. 45.052. GUARANTEE. (a) On approval by the commissioner, bonds issued under Subchapter A by a school district or Chapter 53 for a charter district, including refunding bonds, are guaranteed by the corpus and income of the permanent school fund.

(b) Notwithstanding any amendment of this subchapter or other law, the guarantee under this subchapter of school district or charter district bonds remains in effect until the date those bonds mature or are defeased in accordance with state law.

SECTION _____.04. Subchapter C, Chapter 45, Education Code, is amended by adding Section 45.0532 to read as follows:

Sec. 45.0532. LIMITATION ON GUARANTEE OF CHARTER DISTRICT BONDS. (a) In addition to the general limitation under Section 45.053, the commissioner may not approve charter district bonds for guarantee under this subchapter in a total amount that exceeds the percentage of the total available capacity of the guaranteed bond program that is equal to the percentage of the number of students enrolled in open-enrollment charter schools in this state compared to the total number of students enrolled in all public schools in this state, as determined by the commissioner.

(b) For purposes of Subsection (a), the total available capacity of the guaranteed bond program is the limit established by the board under Sections 45.053(d) and 45.0531 minus the total amount of outstanding guaranteed bonds. Each time the board increases the limit under Section 45.053(d), the total amount of charter district bonds that may be guaranteed increases accordingly under Subsection (a).

(c) Notwithstanding Subsections (a) and (b), the commissioner may not approve charter district bonds for guarantee under this subchapter if the guarantee will result in lower bond ratings for school district bonds for which a guarantee is requested under this subchapter.

(d) The commissioner may request that the comptroller place the portion of the permanent school fund committed to the guarantee of charter district bonds in a segregated account if the commissioner determines that a separate account is needed to avoid any negative impact on the bond ratings of school district bonds for which a guarantee is requested under this subchapter.

(e) A guarantee of charter district bonds must be made in accordance with this chapter and any applicable federal law.

SECTION _____.05. Section 45.054, Education Code, is amended to read as follows:

Sec. 45.054. ELIGIBILITY OF SCHOOL DISTRICT BONDS. To be eligible for approval by the commissioner, school district bonds must be issued under Subchapter A of this chapter or under Subchapter A, Chapter 1207, Government Code, to make a deposit under Subchapter B or C of that chapter, by an accredited school district.

SECTION _____.06. Subchapter C, Chapter 45, Education Code, is amended by adding Section 45.0541 to read as follows:

Sec. 45.0541. ELIGIBILITY OF CHARTER DISTRICT BONDS. To be eligible for approval by the commissioner, charter district bonds must:

(1) without the guarantee, be rated as investment grade by a nationally recognized investment rating firm; and

(2) be issued under Chapter 53.

SECTION _____.07. Subsections (a) and (b), Section 45.055, Education Code, are amended to read as follows:

(a) A school district or charter district seeking guarantee of eligible bonds under this subchapter shall apply to the commissioner using a form adopted by the commissioner for the purpose. The commissioner may adopt a single form on which a school district seeking guarantee or credit enhancement of eligible bonds may apply simultaneously first for guarantee under this subchapter and then, if that guarantee is rejected, for credit enhancement under Subchapter I.

(b) An application under Subsection (a) must include:

(1) the name of the school district or charter district and the principal amount of the bonds to be issued;

(2) the name and address of the district's paying agent for those bonds;
and

(3) the maturity schedule, estimated interest rate, and date of the bonds.

SECTION _____.08. Section 45.056, Education Code, is amended to read as follows:

Sec. 45.056. INVESTIGATION. (a) Following receipt of an application for the guarantee of bonds, the commissioner shall conduct an investigation of the applicant school district or charter district in regard to:

(1) the status of the district's accreditation; and

(2) the total amount of outstanding guaranteed bonds.

(b) If following the investigation the commissioner is satisfied that the school district's bonds should be guaranteed under this subchapter or provided credit enhancement under Subchapter I, as applicable, or the charter district's bonds should be guaranteed under this subchapter, the commissioner shall endorse the bonds.

SECTION ____ .09. Subsection (b), Section 45.057, Education Code, is amended to read as follows:

(b) The guarantee is not effective unless the attorney general approves the bonds under Section 45.005 or 53.40, as applicable.

SECTION ____ .10. Subchapter C, Chapter 45, Education Code, is amended by adding Section 45.0571 to read as follows:

Sec. 45.0571. CHARTER DISTRICT BOND GUARANTEE RESERVE FUND. (a) The charter district bond guarantee reserve fund is a special fund in the state treasury outside the general revenue fund. The following amounts shall be deposited in the fund:

(1) money due from a charter district as provided by Subsection (b);
and

(2) interest earned on balances in the fund.

(b) A charter district that has a bond guaranteed as provided by this subchapter must annually remit to the commissioner, for deposit in the charter district bond guarantee reserve fund, an amount equal to 10 percent of the savings to the charter district that is a result of the lower interest rate on the bond due to the guarantee by the permanent school fund. The amount due under this section shall be amortized and paid over the duration of the bond. Each payment is due on the anniversary of the date the bond was issued. The commissioner shall adopt rules to determine the total and annual amounts due under this section.

(c) The commissioner may direct the comptroller to annually withhold the amount due to the charter district bond guarantee reserve fund under Subsection (b) for that year from the state funds otherwise payable to the charter district.

(d) Each year, the commissioner shall:

(1) review the condition of the bond guarantee program and the amount that must be deposited in the charter district bond guarantee reserve fund from charter districts; and

(2) determine if charter districts should be required to submit a greater percentage of the savings resulting from the guarantee.

(e) The commissioner shall make recommendations to the legislature based on the review under Subsection (d).

SECTION ____ .11. Section 45.058, Education Code, is amended to read as follows:

Sec. 45.058. NOTICE OF DEFAULT. (a) Immediately following receipt of notice under Section 45.058 that a school district will be or is unable to pay maturing or matured principal or interest on a guaranteed bond, the commissioner shall instruct the comptroller to transfer from the appropriate account in the permanent school fund to the district's paying agent the amount necessary to pay the maturing or matured principal or interest.

SECTION ____ .14. Subchapter C, Chapter 45, Education Code, is amended by adding Section 45.0591 to read as follows:

Sec. 45.0591. PAYMENT OF CHARTER DISTRICT BOND ON DEFAULT. (a) Immediately following receipt of notice under Section 45.058 that a charter district will be or is unable to pay maturing or matured principal or interest on a guaranteed bond, the commissioner shall instruct the comptroller to transfer from the charter district bond guarantee reserve fund created under Section 45.0571 to the district's paying agent the amount necessary to pay the maturing or matured principal or interest.

(b) If money in the charter district bond guarantee reserve fund is insufficient to pay the amount due on a bond under Subsection (a), the commissioner shall instruct the comptroller to transfer from the appropriate account in the permanent school fund to the district's paying agent the amount necessary to pay the balance of the unpaid maturing or matured principal or interest.

(c) Immediately following receipt of the funds for payment of the principal or interest, the paying agent shall pay the amount due and forward the canceled bond or coupon to the comptroller. The comptroller shall hold the canceled bond or coupon on behalf of the fund or funds from which payment was made.

(d) Following full reimbursement to the charter district bond guarantee reserve fund and the permanent school fund, if applicable, with interest, the comptroller shall further cancel the bond or coupon and forward it to the charter district for which payment was made.

SECTION ____ .16. The heading to Section 45.061, Education Code, is amended to read as follows:

Sec. 45.061. REIMBURSEMENT OF FUNDS [PERMANENT SCHOOL FUND].

SECTION ____ .17. Section 45.061, Education Code, is amended by amending Subsections (a) and (b) and adding Subsection (a-1) to read as follows:

(a) If the commissioner orders payment from the permanent school fund or the charter district bond guarantee reserve fund on behalf of a school district or charter district, the commissioner shall direct the comptroller to withhold the amount paid, plus interest, from the first state money payable to the school district or charter district. Except as provided by Subsection (a-1), the [The] amount withheld shall be deposited to the credit of the permanent school fund.

(a-1) After the permanent school fund has been reimbursed for all money paid from the fund as the result of a default of a charter district bond guaranteed under this subchapter, any remaining amounts withheld under Subsection (a) shall be deposited to the credit of the charter district bond guarantee reserve fund.

(b) In accordance with the rules of the board, the commissioner may authorize reimbursement to the permanent school fund or charter district bond guarantee reserve fund with interest in a manner other than that provided by this section.

(f) Except as provided by Subsection (f-1), a [A] revenue bond issued under this section is not a debt of the state or any state agency, political corporation, or political subdivision of the state and is not a pledge of the faith and credit of any of these entities. A revenue bond is payable solely from the revenue of the authorized open-enrollment charter school on whose behalf the bond is issued. (b) Subject to availability of funds appropriated by the legislature for this purpose, the commission shall develop and implement a pilot project to establish a comprehensive access point system for long-term services and supports in which colocated long-term services and supports staff members work in collaboration to provide all necessary services in connection with long-term services and supports from the intake process to the start of service delivery. (e) Not later than January 31, 2013, the commission shall submit a report concerning the pilot project to the presiding officers of the standing committees of the senate and house of representatives having primary jurisdiction over health and human services. The report must:

ARTICLE ____ . TEACHER RETIREMENT SYSTEM OF TEXAS:
SUPPLEMENTAL PAYMENT

SECTION ____ .01. This article is not intended to supplant the power or discretion of the legislature to provide supplemental payments to annuitants of the Teacher Retirement System of Texas. This article provides an additional tool by which the legislature, in enacting this law, may provide those annuitants with a much-needed one-time supplemental payment without requesting additional funds from general revenue.

SECTION ____ .02. Section 821.006, Government Code, is amended by adding Subsections (c), (d), and (e) to read as follows:

(c) Notwithstanding Subsections (a) and (b), the retirement system may provide a one-time supplemental payment to an annuitant eligible to receive:

(1) a standard retirement annuity payment;

(2) an optional retirement annuity payment as either a retiree or beneficiary;

(3) a life annuity payment under Section 824.402(a)(4);

(4) an annuity for a guaranteed period of 60 months under Section 824.402(a)(3); or

(5) an alternate payee annuity payment under Section 804.005.

(d) A one-time supplemental payment under Subsection (c) is authorized, even if the amortization period for the unfunded actuarial liabilities of the retirement system exceeds 30 years by one or more years, only if the board of trustees determines that at the time of the supplemental payment the payment can be made while preserving the ability of the retirement system to meet at least 80 percent of the system's pension obligations.

(e) The funding for a one-time supplemental payment under Subsection (c) must come from the earnings the retirement system makes on its investments as provided by this subsection. The supplemental payment may be made at any time during the period beginning October 1, 2011, and ending December 31, 2013, only if, during the preceding fiscal year, the return on investments, as provided by the actuarial valuation on August 31 of that year, exceeds eight percent by an amount sufficient to pay for the supplemental payment. Subsections (c) and (d) and this subsection expire January 1, 2014.

SECTION ____ .03. Section 825.402, Government Code, is amended by adding Subsection (c-1) to read as follows:

SECTION ____ .04. (a) The Teacher Retirement System of Texas shall make a one-time supplemental payment of a retirement or death benefit, as provided by Section 821.006, Government Code, as amended by this article, and this section.

(b) The supplemental payment is payable not later than December 31, 2013, and, to the extent practicable, on a date or dates that coincide with the regular annuity payment payable to each eligible annuitant.

(c) The amount of the supplemental payment is equal to the lesser of:

(1) the gross amount of the regular annuity payment to which the eligible annuitant is otherwise entitled for the month of August 2011; or

(2) \$2,400.

(d) The supplemental payment is payable without regard to any forfeiture of benefits under Section 824.601, Government Code. The Teacher Retirement System of Texas shall make applicable tax withholding and other legally required deductions before disbursing the supplemental payment. A supplemental payment under this section is in addition to and not in lieu of the regular monthly annuity payment to which the eligible annuitant is otherwise entitled.

(e) Subject to Subsection (f) of this section, to be eligible for the supplemental payment, a person must be, for the month of August 2011, and disregarding any forfeiture of benefits under Section 824.601, Government Code, an annuitant eligible to receive:

(1) a standard retirement annuity payment;

(2) an optional retirement annuity payment as either a retiree or beneficiary;

(3) a life annuity payment under Section 824.402(a)(4), Government Code;

(4) an annuity for a guaranteed period of 60 months under Section 824.402(a)(3), Government Code; or

(5) an alternate payee annuity payment under Section 804.005, Government Code.

(f) If the annuitant is a retiree or a beneficiary under an optional retirement payment plan, to be eligible for the supplemental payment, the effective date of the retirement of the member of the Teacher Retirement System of Texas must have been on or before December 31, 2008. If the annuitant is a beneficiary under Section 824.402(a)(3) or (4), Government Code, to be eligible for the supplemental payment, the date of death of the member of the retirement system must have been on or before December 31, 2008. The supplemental payment shall be made to an alternate payee who is an annuitant under Section 804.005, Government Code, only if the annuity payment to the alternate payee commenced on or before December 31, 2008. The supplemental payment is in addition to the guaranteed number of payments under Section 824.402(a)(3), 824.204(c)(3) or (4), or 824.308(c)(3) or (4), Government Code, and may not be counted as one of the guaranteed monthly payments.

(g) The supplemental payment does not apply to payments under:

(1) Section 824.304(a), Government Code, relating to disability retirees with less than 10 years of service credit;

(2) Section 824.804(b), Government Code, relating to participants in the deferred retirement option plan with regard to payments from their deferred retirement option plan accounts;

(3) Section 824.501(a), Government Code, relating to retiree survivor beneficiaries who receive a survivor annuity in an amount fixed by statute; or

(4) Section 824.404(a), Government Code, relating to active member survivor beneficiaries who receive a survivor annuity in an amount fixed by statute.

(h) Except as provided by this section, the board of trustees of the Teacher Retirement System of Texas shall determine the eligibility for and the amount and timing of a supplemental payment and the manner in which the payment is made.

SECTION 1. Section 771.001, Health and Safety Code, is amended by deleting Subsection (4), and by renumbering Subsections (5) through (13) as Subsections (4) through (12), respectively.

SECTION 2. Section 771.001, Health and Safety Code, is further amended by amending Subsection (12) and adding a new Subsection (13), to read as follows:

(12) "Wireless telecommunications connection" means any voice-capable wireless communication mobile station ~~[assigned a number containing an area code assigned to Texas by the North American Numbering Plan Administrator that connects a wireless service provider to the local exchange]~~ that is provided to a customer by a wireless service provider.

(13) "Service provider" means a local exchange service provider, a wireless service provider, and any other provider of local exchange access lines or equivalent local exchange access lines.

SECTION 3. Subsection (e) of Section 771.071, Health and Safety Code, is amended to read as follows:

(e) A ~~[local exchange]~~ service provider shall collect the fees imposed on its customers under this section. Not later than the 30th day after the last day of the month in which the fees are collected, the ~~[local exchange]~~ service provider shall deliver the fees to the comptroller. The comptroller shall deposit money from the fees to the credit of the 9-1-1 services fee account in the general revenue fund. The comptroller may establish alternative dates for payment of fees under this section, provided that the required payment date be no earlier than the 30th day after the last day of the reporting period in which the fees are collected.

SECTION 4. Subsections (a) through (e) of Section 771.072, Health and Safety Code, are amended to read as follows:

(a) ~~[It]~~ On and after September 1, 2011, in addition to the [fee] fees imposed under [Section] Sections 771.071 and 771.0711, the commission shall impose a 9-1-1 equalization surcharge on each [customer receiving intrastate long distance service, including customers in an area served by an emergency communication district, even if the district is not participating in the regional plan] local exchange access line or equivalent local exchange access line, and each wireless telecommunications connection. The surcharge may not be imposed on a line to coin-operated public telephone equipment or to public telephone equipment operated by coin or by card reader. The surcharge may also not be imposed on any line that the commission excluded from the definition of a local exchange

access line or an equivalent local exchange access line pursuant to Section 771.063. The surcharge may also not be imposed on any wireless telecommunications connection that constitutes prepaid wireless telecommunications service subject to Section 771.0712.

(b) ~~The [amount of the surcharge may not exceed one and three tenths of one percent of the charges for intrastate long distance service, as defined by the commission] surcharge shall be a fixed amount, not to exceed 10 cents per month for each local exchange access line or equivalent local exchange access line, or wireless telecommunications connection.~~

(c) Except as provided by Section 771.073(f), ~~[an intrastate long distance]~~ each service provider shall collect the surcharge imposed on its customers under this section and shall deliver the surcharges to the comptroller not later than the date specified by the comptroller, provided that the required payment date be no earlier than the 30th day after the last day of the reporting period in which the surcharge is collected. If the comptroller does not specify a date, the provider shall deliver the surcharges to the comptroller not later than the 30th day after the last day of the month in which the surcharges are collected.

(d) From the revenue received from the surcharge imposed under this section, ~~not more than 40 percent of the amount derived from the application of the surcharge [at a rate of not more than .5 percent]~~ shall be allocated to regional planning commissions or other public agencies designated by the regional planning commissions for use in carrying out the regional plans provided for by this chapter. The allocations to the regional planning commissions are not required to be equal, but should be made to carry out the policy of this chapter to implement 9-1-1 service statewide. Money collected under this section may be allocated to an emergency communication district regardless of whether the district is participating in the applicable regional plan.

(e) From the revenue received from the surcharge imposed by this section, ~~not more than 60 percent of the amount derived from the application of the surcharge [at a rate of not more than .8 percent]~~ shall be periodically allocated to fund grants awarded under Section 777.009 and other activities related to the poison control centers as required by Chapter 777.

SECTION 5. A new subsection (e) is added to Section 771.0725, Health and Safety Code, to read as follows:

(e) With respect to the equalization surcharge imposed under Section 771.072, the commission shall establish the rate as of September 1, 2011, and not more than once every state fiscal biennium thereafter, so that the aggregate of the surcharges collected from all customers for the next 12 months is not expected to exceed the aggregate of the surcharges collected from all customers during the preceding 12 months. Any change in the equalization surcharge rate shall be made effective not earlier than 90 days after notice of such change is provided by the commission to service providers.

SECTION 6. Subsection (a) of Section 771.073, Health and Safety Code, is amended to read as follows:

(a) A customer on which a fee or surcharge is imposed under this subchapter is liable for the fee or surcharge in the same manner as the customer is liable for the charges for services provided by the service provider. The service provider shall collect the fees and surcharges in the same manner it collects those charges for service, except that the service provider is not required to take legal action to enforce the collection of the fees or surcharges. ~~[\A]~~ Other than the fee imposed under section 771.0712, a fee or surcharge imposed under this subchapter must either be stated separately on the customer's bill, or combined into an appropriately labeled single line item on the customer's bill with all other fees and surcharges that are imposed under this subchapter or that are imposed for 9-1-1 emergency service by a political subdivision. A service provider that combines such fees and surcharges into a single line for billing purposes shall maintain books and records reflecting the collection of each fee and surcharge.

SECTION 7. Subsection (3) of Section 771.0735, Health and Safety Code, is amended to read as follows:

(3) the fee and the surcharge imposed on wireless telecommunications bills shall be administered in accordance with Section 151.061, Tax Code.

SECTION ____ .03. Sections 614, 615, 616, 617, and 618, Texas Probate Code, are amended to read as follows:

Sec. 614. COURT ACTION. (a) On hearing an application under Section 612 of this code, if good cause is not shown to deny the application and it appears that transfer ~~[removal]~~ of the guardianship is in the best interests of the ward, the court shall enter an order authorizing the transfer ~~[removal]~~ on payment on behalf of the estate of all accrued costs.

(b) In an order entered under Subsection (a) of this section, the court shall require the guardian, not later than the 20th day after the date the order is entered, to:

Sec. 618. NEW GUARDIAN APPOINTED ON TRANSFER ~~[REMOVAL]~~. (A) the extent to which the ward or proposed ward and all persons required to be notified of the proceedings have acquiesced in the exercise of the court's jurisdiction;

(B) whether the court of this state is a more appropriate forum than the court of any other state after considering the factors described by Section 894(b) of this code; and

(C) whether the court of any other state would have jurisdiction under the factual circumstances of the matter.

(b) If a court of this state determines that it acquired jurisdiction of a proceeding for the appointment of a guardian of the person or estate, or both, of a ward or proposed ward because a party seeking to invoke the court's jurisdiction engaged in unjustifiable conduct, the court may assess against that party necessary and reasonable expenses, including attorney's fees, investigative fees, court costs, communication expenses, witness fees and expenses, and travel expenses. AMENDMENT NO. 140 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE PERRY: In the name of consistency, working on the premise of asking what role the state has in private enterprise and investment in the name of economic development, I filed the amendment to remove \$25 million for Formula One. I'm told that there's probably going to be a point of order on this, and I'm comfortable with doing that. In the expedience of people's time tonight, I'm willing to withdraw it based on the point of order. However, I would say this—it is important for this body to know that as a state, we are committing to a minimum of \$25 million on the front end, and every year after that we will commit again to a different amount as certified by the comptroller. That is money which we spend out of our pockets with no regard to whether we recoup it or not. So I just want to make that part of the public record, that we need to be aware of that. I will pull it on a point of order tonight. We are investing money, which is different than the other events that we have, that we may not get back as a taxpayer group. It's different in that we're pre-funding this amount up front. I just want to be on record for that.

Amendment No. 140 was withdrawn.
