HR 1694 - ADOPTED
(by Farias, Coleman, C. Anderson, and McClendon)

Representative Farias moved to suspend all necessary rules to take up and consider at this time **HR 1694**.

The motion prevailed.

The following resolution was laid before the house:

HR 1694, Commending President Barack Obama, intelligence personnel, and members of the armed forces for the successful completion of their operation.

HR 1694 - REMARKS

REPRESENTATIVE FARIAS: As a veteran, I am proud to stand here today and commend the President of the United States, our nation's military personnel, and our intelligence personnel on a mission that has taken 10 years to accomplish. On September 11th, we all stood together as one nation. On that day, Americans reached out and consoled each other as we all grieved over the loss of life from the cowardly attacks spearheaded by Osama bin Laden. Yesterday, Americans stood together again, this time we took to the streets with relief and pride in our nation's leadership who persevered to ensure justice was done. Members, please join me today in showing appreciation to our nation's military personnel, our intelligence professionals, and our president for a mission that has taken 10 years to accomplish. Members, I just ask that you bear with me as I read the resolution in whole:

WHEREAS, On September 11, 2001, Osama bin Laden, a sworn enemy of the United States of America, coordinated a series of monstrous and cowardly terrorist attacks that resulted in the tragic loss of 2,977 innocent lives, leading to an engagement in a war on terrorism, across many fronts;

WHEREAS, On May 1, 2011, after nearly ten years of Bin Laden's evasion of military and intelligence forces seeking his capture, President Barack Obama declared to the nation and the world that Bin Laden had finally been killed, and that, "Justice has been done."

WHEREAS, The president's patience, leadership, wisdom, and determination have led directly to the demise of the most wanted man in the world, and have hardened this nation's resolve to defeat the forces of malevolent fanaticism, and by destroying the mastermind behind the worst terrorist attack on American soil he has struck a significant and historic blow against Al Qaeda;

WHEREAS, Following the death of the perpetrator of the attacks, the family members and friends of those who lost their lives in the attacks on September 11 are able to achieve a greater sense of closure;

WHEREAS, After months of meetings of the National Security Council, led by President Obama who directed intelligence officials to zero in on Bin Laden's whereabouts, intelligence officials devised and carefully carried out a clandestine operation, which had frequently been rehearsed in an effort to minimize casualties, both civilian and military;

WHEREAS, As Commander-in-Chief of our great nation, he boldly gave the final authorization to commence the operation to brave and highly trained members of our nations armed services;

WHEREAS, Upon hearing the news of Bin Laden's elimination, in an impressive show of unity and in defiance of the fanatics who still today seek to destroy our free way of life, jubilant citizens expressed pride in our nation and our president by spontaneously celebrating the news in cities across the country, singing "The Star Spangled Banner" and loudly chanting "U-S-A", and former presidents Bill Clinton and George W. Bush have offered him their congratulations;

WHEREAS, Domestically, he has acted with both initiative and organizational acumen toward the precautionary defense of our citizens, and has successfully prevented a terrorist attack on American soil during his service to our nation as president;

WHEREAS, Internationally, he has wisely exercised the use of diplomacy to nurture collaborative relationships with other nations, which has helped improve the freedom and safety of the world's people; and

WHEREAS, President George W. Bush had the near universal support of the freedom-loving peoples and countries of the world after the attacks on September 11, 2001 when he famously pledged to defend freedom against fear, saying, "We will not tire, we will not falter, and we will not fail," and President Obama had the strength and wherewithal to see that pledge through to fulfillment; and

WHEREAS, Legislators in Texas reaffirm the solemn creed that we are one nation, under God, indivisible, with liberty and justice for all, who stand strongly behind the president with respect to these several issues as he confronts the grave problems of national and international security; now, therefore, be it

RESOLVED, That the 82nd Legislature of the State of Texas hereby congratulate President Obama on his proven and successful policies in the war on terrorism and in homeland security; and, be it further

RESOLVED, That the 82nd Legislature of the State of Texas hereby commends the intelligence personnel who diligently and quietly toiled for years to uncover the whereabouts of Bin Laden, and whose achievement, while historic, may never be fully known to the public;

RESOLVED, That the 82nd Legislature of the State of Texas hereby commends the members of the armed forces who successfully and heroically carried out an incredibly sensitive mission with no military losses and with a minimal loss of civilian lives;

RESOLVED, That the Texas secretary of state forward official copies of this resolution to the president of the United States, to the speaker of the house of representatives and the president of the senate of the United States Congress, to the governor of Texas, and to all the members of the Texas delegation to the congress with the request that this resolution be officially entered in the Congressional Record as a memorial to the Congress of the United States of America.

Our military personnel—right now, I can't really share with you the emotion that I have been going through since last night. So, I ask for your full support on this resolution, and thank y'all very much for allowing me the opportunity to be here today and to present this resolution to you.

REPRESENTATIVE KEFFER: Thank you very much. Thank you for bringing this resolution. Number one, I hope every state in the union is doing what Texas is proudly doing today, in commending our Commander-in-Chief, if you will remember, George Bush was our Commander-in-Chief when the terrible 9/11 happened, and democrats and republicans stood shoulder to shoulder at that terrible day. And now that we have this victory, let's say, that Osama bin Laden has been found and eliminated, that as Commander-in-Chief, republican and democrat should stand shoulder to shoulder in the celebration and the remembrance on today, also. And I'm hopeful, like I said, that every state will do this. And I'd be proud to add my name to your resolution and I hope that every member, and I won't speak for every member, but I know that some, their politics under this dome, prevents. But I hope, and I pray, ever member of the house of representatives will add his or her name to this wonderful resolution, and support our country, our Commander-in-Chief, and military as we go forward. Thank you.

HR 1694 was adopted. (Beck, Berman, Fletcher, Flynn, Hartnett, Lavender, Nash, Riddle, and Weber recorded voting no.)

On motion of Representative L. Taylor, the names of all the members of the house were added to **HR 1694** as signers thereof.

REASONS FOR VOTE

I support our troops, but cannot support a resolution commending Obama's domestic handling of affairs.

Weber

While we agree with the spirit of **HR 1694** in congratulating President Obama for the fine work he and his administration have done in successfully planning the execution of Osama bin Laden, we do take exception with some of the statements which could be interpreted as a blanket endorsement of the president's policies, specifically: "Resolved, That the 82nd Legislature of the State of Texas hereby congratulate President Obama on his proven and successful policies in the war on terrorism and homeland security."

Our intent was to join in honoring the significant achievement of the president and the multi-year effort of our intelligence community and military personnel in bringing Osama bin Laden to justice. We want to clarify that, as supporters of this resolution, we are not endorsing all of the administration's foreign policies.

Aliseda, C. Anderson, Aycock, Beck, Berman, Branch, Brown, Burkett, Button, Cain, Chisum, Christian, Cook, Creighton, Crownover, Darby, Fletcher, Flynn, Frullo, Garza, L. Gonzales, Hancock, Harless, Harper-Brown, C. Howard, Huberty, Hughes,

AMENDMENT NO. 19 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE GUTIERREZ: Mr. Burnam, you and I have had this discussion before and I have no doubt that this amendment will probably go down like the last one, 101-49, but you and I have had a discussion about a documentary that recently aired called, "Gasland," is that correct?

REPRESENTATIVE BURNAM: Yes, and I know a number of members here have had an opportunity to view that film.

GUTIERREZ: Well, it's my hope that—as you're correct, not enough of them have had the opportunity to review it, because you think that all of those folks just north of Dallas and into Oklahoma, you think that they would now rather want those gas wells to be further from their homes than they already are?

BURNAM: I know scores of people in the Barnett Shale whose families have developed significant health problems because of the proximity to their homes. All this amendment does is to try to provide a regulatory balance such that they're not located within 1,200 feet of a school, which is the standard in the Fort Worth ISD right now that is way too often given exemptions. I'm trying to establish a regulatory framework with a half-dozen exemptions—if these bad players would just become decent, honorable players, they could reduce the pollution, the carcinogens, and the problems that we are having healthwise, but they won't without regulation.

GUTIERREZ: To exemplify what goes on, just as a pretty rudimentary example, you saw in that documentary house after house in the Dallas area and beyond in these areas, you saw how when these folks turned the water faucet on and put a match to it, it would ignite. You saw that, did you not?

BURNAM: Well, that is a problem in some areas, and I don't know that anybody's water out of their kitchen faucet has caught on fire in the Barnett Shale yet, but the fact—

GUTIERREZ: I'll submit to you that it has.

BURNAM: Well, there's a possibility that it has, but there's no question—it's not about possibility—there's no question that we can reduce the emissions by 90 percent at all of these facilities if we just would. And, in fact, if we were to provide the regulatory framework to encourage that, these companies would then start recovering these emissions and probably, it is estimated, making—recovering the expense of their investment within months of the original investment.

GUTIERREZ: You'll recall from that documentary that the oil and gas solution is to provide reverse osmosis water filtration systems for each one of those landlords—landholders, but at the end of the day, that's really not enough, is it? We need further regulation.

BURNAM: That's right. And it's just like everything else we do—we can do it now, or we can do it later after we find out just how much it's cost us to—

GUTIERREZ: To be clear, this isn't affecting my neighbors down in Bexar County, but it sure is affecting everybody in North Texas.

BURNAM: And it will be affecting people in southern Bexar County, because you have a shale yourself, and so you guys in Bexar County better get ready and be looking at what needs to be done to protect the health and safety of your children.

GUTIERREZ: We certainly need more regulation in this area.

(b) This section shall be construed broadly to accomplish its purposes.

(c) An applicant for an exception to a well spacing requirement adopted by the commission by rule must provide a notice in plain language to each person who would be affected by the exception to the rule that:

(1) identifies by means of a drawing prepared by a surveyor the path of the proposed well bore and explains the method that will be used to produce gas from the area surrounding the well bore, including the area adjacent to the property on which the well is located, if applicable;

(2) explains that the person receiving the notice has the right to object to the application and request a hearing on the application and outlines the procedure for the hearing, including the burden of proof and the standard for granting the exception; and

(4) of the amount of gas that would be depleted from property owned by persons affected by the exception if the exception were granted, the amount of compensation those persons would likely receive if their interests in the gas were pooled, and the persons to whom the gas would be transferred if the exception were granted.

(f) the applicant has the burden of proof on each issue in the hearing.

SECTION _____. The change in law made by this Act applies only to an application for an exception to a well spacing requirement adopted by the Railroad Commission of Texas by rule that is filed with the commission on or after the effective date of this Act. In a case that is not a medical emergency, the health care professional must provide the operator a written statement of need for the information before the person is entitled to receive the information. In a medical emergency, the health care professional must provide the operator a written statement of need for the information as soon as circumstances permit.

(e) A health care professional to whom information is disclosed under Subsection (d) shall hold the information confidential, except that the health care professional may, for diagnostic or treatment purposes, disclose information provided under that subsection to another health care professional, a laboratory, or a third-party testing firm. A health care professional, laboratory, or third-party testing firm to which information is disclosed by another health care professional under this subsection shall hold the information confidential.

Sec. 93.054. USE OF SERVICES OF NONCOMPLYING SERVICE COMPANY PROHIBITED. An operator may not use the services of another person in performing a hydraulic fracturing treatment in this state unless the other person is in compliance with the requirements of Section 93.052.

Sec. 93.055. TRADE SECRET PROTECTION. (a) A claim of entitlement to trade secret protection made under Section 93.052(b) or (c)(4) or 93.053(c) must include substantiating facts in the form of the information required by 40 C.F.R. Section 350.7(a). If requested by the trade secret claimant, the commission shall treat any such substantiating facts as confidential and may not disclose them to any third party or the public for any purpose. Until a final determination that the information is not entitled to trade secret protection is made under this section, the commission shall treat the information implicated by the claim of trade secret entitlement as a confidential trade secret, and the information is not subject to disclosure under Chapter 552, Government Code.

(b) The commission shall determine a claim of entitlement to trade secret protection made under Section 93.052(b) or (c)(4) or 93.053(c) to be sufficient if the information set forth in the claim supports all the conclusions set forth in 40 C.F.R. Section 350.13(a) and the supporting information is true. In making a determination as to a claim, the commission may require the trade secret claimant to submit additional supplemental information if the information is necessary for the commission to make its determination under this section. If requested by the trade secret claimant, the commission shall treat any supplemental information provided as confidential and may not disclose the information to any third party or the public for any purpose.

(c) If the commission determines a claim of entitlement to trade secret protection to be insufficient, the commission shall notify the trade secret claimant in writing of the determination by certified mail. Not later than the 15th day after

the date the trade secret claimant receives notice of the determination, the claimant may request another review of the claim. The trade secret claimant must show good cause for the additional review. What constitutes good cause for purposes of this subsection is solely within the reasonable discretion of the commission and may include the availability of new supporting information or a good faith error or omission on the part of the trade secret claimant in the original claim. Not later than the 30th day after the date the commission receives the request, the commission shall provide written notice to the trade secret claimant of the commission's acceptance or rejection of the request. If a trade secret claimant makes a request for review under this subsection, the commission shall treat the information implicated by the claim of trade secret entitlement as a confidential trade secret until the commission makes a determination with regard to the review request. If the commission rejects the review request, the commission shall continue to treat the information as a confidential trade secret until the earlier of the 30th day after the date the trade secret claimant receives notice that the commission has rejected the review request or the date the claimant withdraws the disclosure under Subsection (e).

(d) Not later than the 30th day after the date the trade secret claimant receives notice from the commission that the commission has rejected the claim of entitlement to trade secret protection, the claimant may appeal the determination by filing a petition in a district court of Travis County. If a trade secret claimant files an appeal under this subsection, the commission shall treat the information implicated by the claim of trade secret entitlement as a confidential trade secret until the appeal is resolved. If the resolution of the appeal affirms the commission's determination of the insufficiency of the claim, the commission shall continue to treat the information as a confidential trade secret until the earlier of the 30th day after the date the trade secret claimant receives notice that the appeal has been resolved or the date the claimant withdraws the disclosure under Subsection (e).

(e) Not later than the 30th day after the date the trade secret claimant receives notification under Subsection (c) that the commission has rejected the claim of entitlement to trade secret protection or the date a final judgment affirming the commission's determination of the insufficiency of the claim is entered under Subsection (d), as applicable, and only to the extent that the relevant chemical constituent has not been used by or for the trade secret claimant in any hydraulic fracturing treatment in this state, the trade secret claimant may formally withdraw the disclosure of a chemical constituent by notifying the commission of its intent to withdraw the disclosure. If the trade secret claimant withdraws the disclosure of a chemical constituent, the commission shall protect and hold confidential the identity of the chemical constituent and any corresponding CAS number, and the information is not subject to disclosure under Chapter 552, Government Code. After the withdrawal, the chemical constituent may not be used by or for the trade secret claimant in any hydraulic fracturing treatment in this state unless the trade secret claimant satisfies the requirements of this chapter relating to the disclosure of information regarding the chemical constituent.

(f) Notwithstanding any other provision of this section, the commission may:

(1) disclose information otherwise subject to trade secret protection under this section to a third-party testing firm in connection with the investigation of a claim of contamination of surface water or groundwater if the firm agrees in writing to keep the information confidential; and

(2) use the results of a test conducted by a third-party testing firm in connection with an investigation described by Subdivision (1) in any manner the commission considers necessary to protect public health and the environment.

(i) has a Class E license issued by the Gas Services Division of the License and Permit Section of the railroad commission, or is an active company representative or operations supervisor on file with the Section;

(ii) operates or manages a retail business, including a branch outlet, delivering odorized propane to consumers;

(iii) has completed and submitted the form prescribed by the commission for dealer participation in the commission's propane consumer rebate program; and

(iv) is a regular supplier or a potential regular supplier of propane to a consumer; and

(B) does not include a person that furnishes propane gas only to the person, to the person's employees, or to the person's tenants as an incident of employment or tenancy, if the service is not resold to commercial customers or other end users.

(2) "Railroad commission" means the Railroad Commission of Texas or the successor agency to that commission.

Sec. 141.002. APPLICABILITY. This chapter applies only to a distribution system retailer.

Sec. 141.003. MAXIMUM RATE AND ALLOWABLE FEES FOR SERVICE. (a) A distribution system retailer may charge a customer a recurring monthly fee to maintain an active gas service account with the distribution system retailer. The actual average price must be determined using independent objective market surveys taken on the second Tuesday of each calendar month from not fewer than five traditional liquefied petroleum gas companies. Each distribution system retailer each quarter shall supply the market surveys and report the gas rates the distribution system retailer charges to the commission.

(c) A distribution system retailer may charge reasonable fees for additional services the distribution system retailer renders.

Sec. 141.004. DISCONNECTION OF PROPANE GAS SERVICE. (a) A distribution system retailer may not disconnect propane gas service to a residential customer on a weekend day unless personnel of the distribution system retailer are available on that day to take payments and reconnect service.

(b) A distribution system retailer may not disconnect propane gas service to a residential customer during an extreme weather emergency, as defined by Section 104.258. The distribution system retailer shall defer collection of the full payment of bills that are due during an extreme weather emergency, as defined by Section 104.258, until after the emergency is over and shall offer non-disconnected customers a pay schedule for deferred bills.

Sec. 141.005. CONTINUITY OF SERVICE. (a) A distribution system retailer shall make all reasonable efforts to prevent interruptions of service. When an interruption occurs, the distribution system retailer shall reestablish service within the shortest possible time consistent with prudent operating principles so that the smallest number of customers are affected.

(b) Excluding service interruptions for nonpayment, a distribution system retailer shall keep complete records of all emergency and scheduled service interruptions lasting greater than four hours in duration and affecting more than two customers. The records must describe the cause of each interruption, the date, length, location, approximate number of customers affected by the interruption, and, in the case of an emergency interruption, the remedy and steps taken to prevent a recurrence, if applicable. The distribution system retailer shall submit copies of the records to the commission at least quarterly.

(c) The distribution system retailer shall notify the commission in writing not later than 48 hours after an interruption in service that affects the entire system and lasts more than four hours caused by a Grade I leak that represents an existing or probable hazard to persons or property and requires immediate repair or continuous action until the conditions are no longer hazardous. The notice shall include the distribution system retailer's assessment of the cause of the interruption. A written report of a service interruption in another form, including a part of a safety report, is sufficient to comply with this subsection.

(d) The commission shall establish a toll-free number to enable a customer of a distribution system retailer to notify the commission of a service interruption. The commission shall immediately investigate the cause of the service interruption.

(e) To restore and maintain service, the commission may assume temporary receivership of a system that experiences a service interruption:

- (1) exceeding 48 hours in duration;
- (2) more than three times in one month;
- (3) that is the result of the distribution system retailer's failure or refusal to replenish the primary propane tank; or
- (4) that demonstrates a distribution system retailer's repeated and wilful disregard of its customers.

(f) The commission may draw down all or part of the letter of credit posted under Section 141.009, as required, to restore and maintain service under Subsection (e).

(g) If the commission assumes temporary receivership of a system under Subsection (e), it shall notify the distribution system retailer and provide the distribution system retailer 72 hours to prepare and submit a plan to avoid receivership in the future.

(h) If a distribution system retailer's inability to fulfill its financial obligations is the cause of a service interruption described by Subsection (e), the commission may delegate the operation of the system to a homeowners' association or municipal utility district until another distribution system retailer can assume control over the system or until a court in bankruptcy proceedings instructs otherwise.

Sec. 141.006. GROUNDS FOR REFUSAL TO SERVE. (a) A distribution system retailer may refuse service to an applicant if:

(1) an applicant fails to pay fees, advances, contributions, or deposits required for service under the distribution system retailer's policies;

(2) an applicant fails to furnish a service or meter location specified for service by the distribution system retailer;

(3) the existence or repeated creation of an unsafe condition, such as impaired meter access or a leak in the applicant's piping system, may endanger life or property in the distribution system retailer's opinion;

(4) an applicant or service location owner is delinquent in payment for services provided by a distribution system retailer service location owner; or

(5) another current resident of the premises to receive service is delinquent in payment for services.

(b) The right to refuse service ends when the cause for the refusal to serve is corrected.

Sec. 141.007. REASONABLE TIME TO BEGIN SERVICE. A distribution system retailer may delay providing service following an application or execution of an agreement for service for a reasonable amount of time considering required approvals or permits, the extent of the facilities to be built, and the distribution system retailer's workload at the time.

Sec. 141.008. CUSTOMER COMPLAINTS. (a) A distribution system retailer that receives a written complaint promptly and suitably shall investigate the complaint and advise the complainant of the results of the investigation. A distribution system retailer shall keep for at least four years after the final disposition of each complaint a record that includes each complainant's name and address, the date and nature of the complaint, and the adjustment or disposition of the complaint. A distribution system retailer is not required to keep a record of a complaint that does not require the distribution system retailer to take further action. A distribution system retailer shall notify each complainant of the right to file a complaint with the commission if the complainant is not satisfied by the distribution system retailer.

(b) On receipt of a complaint from the commission on behalf of a customer, a distribution system retailer promptly and suitably shall investigate and notify the commission and complainant of the results of the investigation. An initial response must be made not later than the third business day after the date the distribution system retailer receives the complaint. A distribution system retailer shall send a final and complete response to the commission and complainant not later than the 15th day after the date the complaint was received, unless the commission grants additional time before the expiration of the 15-day period.

(c) The commission may impose sanctions on a distribution system retailer if, after an investigation, the commission determines that the distribution system retailer has violated Section 141.003. Sanctions may include:

(1) ordering a distribution system retailer to refund the amounts of any overcharges to the distribution system retailer's customers;

(2) drawing all or a portion of the letter of credit for the purpose of refunding the amounts of any overcharges to the distribution system retailer's customers; or

(3) ordering a distribution system retailer to divest itself of the system, if the violation is particularly egregious.

Sec. 141.009. PERFORMANCE GUARANTEE. A distribution system retailer shall post, in favor of the commission, a separate letter of credit for each system the distribution system retailer operates in an amount equal to \$3 multiplied by the number of gallons in a distribution system retailer's primary propane tank. The issuer of the letter of credit shall honor the letter of credit if the issuer receives from the commission notice that the letter of credit is due and payable. The commission may draw all or a portion of the letter of credit.

Sec. 141.010. RULES. (a) The commission shall adopt rules to implement this chapter, including procedures for:

(1) conducting market surveys;

(2) collecting data included in market surveys;

(3) calculating price ceilings;

(4) reporting market surveys and gas rates to the commission;

(5) addressing an unresolved complaint from a customer of a distribution system retailer; and

(6) establishing rates to apply to a retailer whose rates:

(A) exceed the applicable price ceiling; or

(B) are based on flawed market surveys.

(b) The commission may institute financial and nonfinancial resolutions.

CSHB 8 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE DUKES: After this amendment by Representative Raymond, which purports to make this bill prospective, I wanted to ask you a couple of questions.

REPRESENTATIVE DARBY: Sure.

DUKES: As amended, is it correct that **CSHB 8** would not prohibit the Mueller Foundation, which is located here in Austin, from continuing to use the foundation's funds to benefit education and low-income housing within a three-mile radius of its location in East Austin?

DARBY: Yes, to answer your question. This bill does not affect the existing agreement that you have in place right now.

DUKES: And is it also correct that funds collected through transfer, under the terms of covenants existing prior to the effective date, as established by the Raymond amendment of this bill, are not impacted by the restrictions created in **CSHB 8**, as amended?

DARBY: Yes.

DUKES: Do the notice requirement provisions—or are there any notice requirement provisions—in your bill, as amended, apply to covenants existing prior to the effective date of **CSHB 8**, as amended?

DARBY: Well, no. No is the answer to your question. But, there are notice requirements that those covenants must be disclosed in a real estate contract, but that wouldn't take effect until January 1, 2012.

DUKES: Does the composition of the Mueller Foundation Board have any bearing on the foundation's ability to spend funds collected under the terms of existing covenants?

DARBY: No. Under existing covenant, that foundation could continue.

REMARKS ORDERED PRINTED

Representative Dukes moved to print remarks between Representative Darby and Representative Dukes.

The motion prevailed.

(Cook, Geren, Hunter, Keffer, T. King, Kolkhorst, Lucio, Ritter, Rodriguez, Truitt, and Zerwas now present)

CSHB 8 - POINT OF ORDER

Representative V. Taylor raised a point of order against further consideration of **CSHB 8** under Rule 4, Section 32(c) of the House Rules on the grounds that the bill analysis is incorrect.

The point of order was withdrawn.

Representative Darby moved to postpone consideration of **CSHB 8** until 9 a.m. tomorrow.

The motion prevailed.

CSHB 1510, A bill to be entitled An Act relating to the regulation of manufactured housing.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Sections 1201.2055(d), (e), and (g), Occupations Code, are amended to read as follows:

(d) If an owner elects to treat a manufactured home as real property, the department shall issue to the owner a certified copy of the statement of ownership and location that on its face reflects that the owner has elected to treat the

manufactured home as real property at the location listed on the statement. Not later than the 60th day after the date the department issues a certified copy of the statement of ownership and location to the owner, the owner must:

(1) file the certified copy in the real property records of the county in which the home is located; and

(2) notify the department and the chief appraiser of the applicable appraisal district [~~tax assessor collector~~] that the certified copy has been filed.

(e) A real property election for a manufactured home is not considered to be perfected [~~real property~~] until a certified copy of the statement of ownership and location has been filed and the department and the chief appraiser of the applicable appraisal district [~~tax assessor collector~~] have been notified of the filing as provided by Subsection (d).

(g) After a real property election is perfected under Subsection (e):

(1) the home is considered to be real property for all purposes; and

(2) no additional issuance of a statement of ownership and location is required with respect to the manufactured home, unless:

(A) the home is moved from the location specified on the statement of ownership and location;

(B) the real property election is changed; or

(C) the use of the property is changed as described by Section 1201.216 [~~After the department and the tax assessor collector note in their records that a real property election has been perfected, the home is considered to be real property for all purposes.~~].

SECTION 2. Section 1201.207(c), Occupations Code, is amended to read as follows:

(c) Except with respect to any change in use, servicing of a loan on a manufactured home, release of a lien on a manufactured home by an authorized lienholder, or change in ownership of a lien on a manufactured home, but subject to Section 1201.2075, if the department has issued a statement of ownership and location for a manufactured home, the department may issue a subsequent statement of ownership and location for the home only if all parties reflected in the department's records as having an interest in the manufactured home give their written consent or release their interest, either in writing or by operation of law, or the department has followed the procedures provided by Section 1201.206(k) to document ownership and lien status. Once the department issues a statement of ownership and location, the department shall not alter the record of the ownership or lien status, other than to change the record to accurately reflect the proper owner's or lienholder's identity or to release a lien if an authorized lienholder files with the department a request for that release, of a manufactured home for any activity occurring before the issuance of the statement of ownership and location without either the written permission of the owner of record for the manufactured home, their legal representative, or a court order.

SECTION 3. Section 1201.2076(a), Occupations Code, is amended to read as follows:

(a) The department may not issue a statement of ownership and location for a manufactured home that is being converted from real property to personal property until the department has inspected the home and determined that it is habitable and ~~[has notified the appropriate tax assessor collector of the conversion and]~~:

(1) each lien, including a tax lien, on the home is released by the lienholder; or

(2) each lienholder, including a taxing unit, gives written consent, to be placed on file with the department.

SECTION 4. Section 1201.217(a), Occupations Code, is amended to read as follows:

(a) The owner of real property on which a manufactured home owned by another is located may declare the home abandoned as provided by this section if:

(1) the home has been continuously unoccupied for at least four months; and

(2) any indebtedness secured by the ~~[manufactured]~~ home or related to a lease agreement between the owner of the real property and the owner of the home is considered ~~[also]~~ delinquent.

SECTION 5. Section 1201.219, Occupations Code, is amended by adding Subsection (b-1) and amending Subsections (c) and (d) to read as follows:

(b-1) Notwithstanding any other law, a lien perfected with the department may be released only by filing a request for the release with the department on the form provided by the department or by following the department's procedures for electronic lien release on the department's Internet website. This subsection does not apply to the release of a tax lien perfected with the department.

(c) Notwithstanding any other provision of this section or any other law, the filing of a lien security agreement on the inventory of a retailer does not prevent a buyer in the ordinary course of business, as defined by Section 1.201, Business & Commerce Code, from acquiring good and marketable title free of that lien, and the department may not consider that lien for the purpose of title issuance.

(d) A ~~[Except as provided by Subsection (a), a]~~ tax lien on a manufactured home not held in a retailer's inventory is perfected only by filing with the department the notice of the tax lien on a form provided by the department in accordance with the requirements of Chapter 32, Tax Code. The form must require the disclosure of the original dollar amount of the tax lien and the name and address of the person in whose name the manufactured home is listed on the tax roll. The department shall disclose on its Internet website the date of each tax lien filing, the original amount of the tax lien claimed by each filing, and the fact that the amount shown does not include additional sums, including interest, penalties, and attorney's fees. The statement required by Section 1201.205(7) is notice to all persons that the tax lien exists. A tax lien recorded with the department has priority over another lien or claim against the manufactured home. Tax liens shall be filed by the tax collector for any taxing unit having the power to tax the manufactured home. A single filing by a tax collector is a filing for all the taxing units for which the tax collector is empowered to collect. A tax lien perfected with the department may be released only by filing with the

department a tax certificate or tax paid receipt in accordance with Section 32.015, Tax Code, by filing a request for the release with the department on the form provided by the department, or by following the department's procedures for electronic tax lien release on the department's Internet website.

SECTION 6. Section 1201.220, Occupations Code, is amended to read as follows:

[~~(a)~~] The department shall make available in electronic format, or in hard-copy format on request, [provide] to each chief appraiser of an appraisal district [county tax assessor collector] in this state a monthly report that, for each manufactured home reported as having been installed during the preceding month in the county for which the district was established [during the preceding month] and for each manufactured home previously installed in the county for which a transfer of ownership was recorded by the issuance of a statement of ownership and location during the preceding month, lists:
