SECTION _____. Section 2210.202, Insurance Code, is amended to read as follows:

Sec. 2210.202. APPLICATION FOR COVERAGE. (a) A person who has an insurable interest in insurable property may apply to the association for insurance coverage provided under the plan of operation and an inspection of the property, subject to any rules established by the board of directors and approved by the commissioner. The association shall make insurance available to each applicant in the catastrophe area whose property is insurable property but who, after diligent efforts, is unable to obtain property insurance through the voluntary market, as evidenced by one declination from an insurer authorized to engage in the business of, and writing, property insurance providing windstorm and hail coverage in the first tier coastal counties. For purposes of this section, "declination" has the meaning assigned by the plan of operation and shall include a refusal to offer coverage for the perils of windstorm and hail and the inability to obtain substantially equivalent insurance coverage for the perils of windstorm and hail. Notwithstanding Section 2210.203(c), evidence of one declination every three calendar years is also required with an application for renewal of an association policy.

(b) A property and casualty agent must submit an application for initial [~~the~~] insurance coverage on behalf of the applicant on forms prescribed by the association. A person insured under this chapter may submit an application for renewal coverage directly to the association on forms prescribed by the association. An [~~The~~] application for initial or renewal coverage must contain:

(a) If the association determines that the property for which an application for initial insurance coverage is made is insurable property, the association, on payment of the premium, shall direct the issuance of an insurance policy as provided by the plan of operation.

(d) The commissioner shall adopt rules governing the rate of agent commissions on policies renewed under Subsection (c). Rules adopted under this subsection must require that commission rates be reasonable and not excessive, based on the time required of, and the nature of work to be performed by, an agent.

SECTION _____. Sections 2210.204(d) and (e), Insurance Code, are amended to read as follows:

(d) If an insured requests cancellation of the insurance coverage, the association shall refund the unearned premium, less any minimum retained premium set forth in the plan of operation, payable to the insured and the holder of an unpaid balance. The property and casualty agent who received a commission as the result of the issuance of an association policy providing the canceled coverage [~~submitted the application~~] shall refund the agent's commission on any unearned premium in the same manner.

(e) For cancellation of insurance coverage under this section, the minimum retained premium in the plan of operation must be for a period of not less than 90 [~~180~~] days, except for events specified in the plan of operation that reflect a significant change in the exposure or the policyholder concerning the insured property, including:

(3-b) "Catastrophe year" means a calendar year in which an occurrence or a series of occurrences results in insured losses, regardless of when the insured losses are ultimately paid.

SECTION _____. Section 2210.071(a), Insurance Code, is amended to read as follows:

(a) If, in a catastrophe year, an occurrence or series of occurrences in a catastrophe area results in insured losses and operating expenses of the association in excess of premium and other revenue of the association, the excess losses and operating expenses shall be paid as provided by this subchapter.

SECTION _____. Section 2210.072, Insurance Code, is amended by amending Subsections (a), (b), and (c) and adding Subsection (b-1) to read as follows:

Public securities

issued under this section must be repaid within a period not to exceed 10 years, and may be repaid sooner if the board of directors elects to do so and the commissioner approves.

(b) Public securities described by Subsection (a) that are issued before an occurrence or series of occurrences that results in incurred losses may be issued if the board of directors determines, before the date of any occurrence, that the amount available from premium and other revenue, in combination with the amounts available from the catastrophe reserve trust fund, may be insufficient to pay insured losses.

(b-1) Public securities described by Subsection (a) shall be issued as necessary in a principal amount not to exceed \$1 billion per catastrophe year, in the aggregate, for securities issued before the occurrence or series of occurrences that results in incurred losses in that year and securities issued on or after the date of that occurrence or series of occurrences.

(c) If ~~[the losses are paid with]~~ public securities are issued as described by this section, the public securities shall be repaid in the manner prescribed by Subchapter M from association premium revenue.

SECTION _____. Section 2210.073(b), Insurance Code, is amended to read as follows:

SECTION _____. Section 2210.074(b), Insurance Code, is amended to read as follows:

(b) Public securities described by Subsection (a) may be issued as necessary in a principal amount not to exceed \$500 million per catastrophe year. If the losses are paid with public securities described by this section, the public securities shall be repaid in the manner prescribed by Subchapter M through member assessments as provided by this section. The association shall notify each member of the association of the amount of the member's assessment under this section. The proportion of the losses allocable to each insurer under this section shall be determined in the manner used to determine each insurer's participation in the association for the year under Section 2210.052. SECTION _____. Section 2210.602(2), Insurance Code, is amended to read as follows:

(2) "Class 1 public securities" means public securities authorized to be issued before, on, or after an occurrence or series of occurrences by Section 2210.072, including a commercial paper program authorized before the occurrence of a catastrophic event but in which ~~[so long as]~~ no tranche of commercial paper is issued under the program until after the catastrophic event.

SECTION _____. Section 2210.611, Insurance Code, is amended to read as follows:

Sec. 2210.611. EXCESS REVENUE COLLECTIONS AND INVESTMENT EARNINGS. Revenue collected in any calendar year from a premium surcharge under Section 2210.613 that exceeds the amount of the public security obligations and public security administrative expenses payable in that calendar year and interest earned on the public security obligation fund may, in the discretion of the association, be:

(1) used to pay public security obligations payable in the subsequent calendar year, offsetting the amount of the premium surcharge that would otherwise be required to be levied for the year under this subchapter;

(2) used to redeem or purchase outstanding public securities; or

(3) deposited in the catastrophe reserve trust fund.

SECTION _____. Section 2210.612(b), Insurance Code, is amended to read as follows:

Sec. 2210.613. PAYMENT OF CLASS 2 PUBLIC SECURITIES. (a) The association shall pay Class 2 public securities issued under Section 2210.073 as provided by this section. Thirty percent of the cost of the public securities shall be paid through member assessments as provided by this section. The association shall notify each member of the association of the amount of the member's assessment under this section. The proportion of the losses allocable to each

insurer under this section shall be determined in the manner used to determine each insurer's participation in the association for the year under Section 2210.052. A member of the association:

(1) may not recoup an assessment paid under this subsection through a premium surcharge or tax credit; and

(2) notwithstanding Section 2210.073(a), may elect to pay an assessment under this subsection in a lump sum.

(b) Seventy percent of the cost of the public securities shall be paid by a [nonrefundable] premium surcharge collected under this section in an amount set by the commissioner. On approval by the commissioner, each insurer, the association, and the Texas FAIR Plan Association shall assess, as provided by this section, a premium surcharge to each policyholder of a policy that is in effect on or after the 180th day after the date the commissioner issues notice of the approval of the public securities [its policyholders as provided by this section]. The premium surcharge must be set in an amount sufficient to pay, for the duration of the issued public securities, all debt service not already covered by available funds and all related expenses on the public securities.

(c) The premium surcharge under Subsection (b) shall be assessed on all policyholders of policies that cover [who reside or have operations in, or whose] insured property that is located in a catastrophe area, including automobiles principally garaged in a catastrophe area. The premium surcharge shall be assessed on [for] each Texas windstorm and hail insurance policy and each property and casualty insurance policy, including an automobile insurance policy, issued for automobiles and other property located in the catastrophe area. (d) A premium surcharge under Subsection (b) is a separate [nonrefundable] charge in addition to the premiums collected and is not subject to premium tax or commissions. Failure by a policyholder to pay the surcharge constitutes failure to pay premium for purposes of policy cancellation.

SECTION _____. Sections 2210.6135(a) and (c), Insurance Code, are amended to read as follows:

(a) The association shall pay Class 3 public securities issued under Section 2210.074 as provided by this section through member assessments. The association, for the payment of the losses, shall assess the members of the association an amount not to exceed \$500 million per catastrophe year [~~for the payment of the losses~~]. AMENDMENT NO. 26 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE SMITHEE: Once again members, this is exactly the reason why we put the good cause exception in there. If you're overseas, you're going to have good cause for late filing. The good cause provision is to be applied liberally; we don't want any gotchas in this bill. We just want to get the claims in. So, I'm going to oppose this as another carve-out. Once again, it's the classic good cause, and with good cause they would be able to file past the one year.

REPRESENTATIVE BONNEN: Okay, so I want to be abundantly clear. This amendment is necessary for someone who, let's say, is serving in Iraq or in Afghanistan. And, at the 18-month period they come home and they say they need to file a claim, the bill already covers them in the good cause to be able still file that claim, is that correct?

SMITHEE: Dennis, this is the classic good cause. I mean, if someone is disabled, if they're overseas—

BONNEN: Is there a limit on good cause? A time limit?

SMITHEE: I'll look and see. I don't know if we have a time limit on that. I can't remember. I don't think there is a limit. It's up to the commissioner, therefore, it's not TWIA, it's the commissioner of insurance.

BONNEN: So, I want to go on record then. So, if any active duty military for some reason is not given a good cause exemption, I hope they would contact their state representative, and they would help them with that matter.

SMITHEE: They can. We could do this a little different way. We could say service overseas is considered. We can do it. Thank you.

Sec. 2210.212. NOTICE AND APPRAISAL OF CERTAIN CLAIMS. (a) Not later than the 30th day after the date a person insured under this chapter files a claim with the association, the association shall provide the person notice of whether the claim is accepted or denied and, if the claim is accepted, a written appraisal of the damage to the insured property.

(g) In addition to the notice required under Subsection (f), not later than the 30th day before the date of an arbitration under Section 2210.553, the person who filed the disputed claim and the association shall submit to the department all final offers of settlement concerning the disputed claim. Each party may request one reassignment under this section, and the commissioner shall grant a request for reassignment authorized under this subsection.

(g) The procedure established by the commissioner under Subsection (e)(6) must require that an arbitrator's fees be approved by the commissioner before those fees are paid.

(h) In addition to the rules required under Subsection (e), the commissioner may adopt any other rules necessary to implement this section, including rules that are specific to a particular storm or particular period and are intended to prevent unfair deviations in, and to encourage fairness in, arbitration awards under this section.

SECTION _____. Subchapter F, Chapter 2210, Insurance Code, is amended by adding Section 2210.260 to read as follows:

Sec. 2210.260. ALTERNATIVE ELIGIBILITY FOR COVERAGE. (a) On and after January 1, 2012, a person who has an insurable interest in a residential structure may obtain insurance coverage through the association for that structure without obtaining a certificate of compliance under Section 2210.251(g) in accordance with this section and rules adopted by the commissioner.

(b) The department may issue an alternative certification for a residential structure if the person who has an insurable interest in the structure demonstrates that at least one qualifying structural building component of the structure has been:

(1) inspected by a department inspector or by a qualified inspector; and
(2) determined to be in compliance with applicable building code standards, as set forth in the plan of operation.

(c) The commissioner shall adopt reasonable and necessary rules to implement this section. The rules adopted under this section must establish which structural building components are considered qualifying structural building components for the purposes of Subsection (b), taking into consideration those items that are most probable to generate losses for the association's policyholders and the cost to upgrade those items.

(d) Except as provided in Section 2210.251(f), a person who has an insurable interest in a residential structure that is insured by the association as of January 1, 2012, but for which the person has not obtained a certificate of compliance under Section 2210.251(g), must obtain an alternative certification under this section before the association, on or after January 1, 2013, may renew coverage for the structure.

(e) Each residential structure for which a person obtains an alternative certification under this section must comply with:

(1) the requirements of this chapter, including Section 2210.258; and
(2) the association's underwriting requirements, including maintaining the structure in an insurable condition and paying premiums in the manner required by the association.

(f) The association shall develop and implement an actuarially sound rate, credit, or surcharge that reflects the risks presented by structures with reference to which alternative certifications have been obtained under this section. A rate, credit, or surcharge under this subsection may vary based on the number of qualifying structural building components included in a structure with reference to which an alternative certification is obtained under this section.

Amendment No. 46 was adopted.

Amendment No. 1 was adopted.

CSSB 1125 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE HARDCASTLE: In Section 1 of the bill, it added Section 39.905(a)(3)(A) and (B) where they are revising energy efficiency goals, is that correct?

REPRESENTATIVE ANCHIA: Yes, that's correct, we're revising the goal on energy efficiency from 10 percent to 30 percent of annual growth in demand beginning in 2013. We're also including a transition period for moving to a goal based on percent of peak demand metric for those electric utilities who achieve actual reductions of four-tenths of one percent of their summer weather adjusted peak demand.

HARDCASTLE: Thank you, and could you explain the intent behind the transition period?

ANCHIA: You bet. Under this bill, it's the intent that the electric utilities goal will not change from the growth and demand goal to the percent of peak demand goal until that utility actually hits four-tenths of one percent of its summer weather peak demands. Once that happens with the utility it will transition to a goal of four-tenths of its summer weather adjusted peak demand.

REMARKS ORDERED PRINTED

Representative Hardcastle moved to print remarks between Representative Anchia and Representative Hardcastle.

The motion prevailed.

CSHB 1629 - LAID ON THE TABLE SUBJECT TO CALL

Representative Anchia moved to lay **CSHB 1629** on the table subject to call. The motion prevailed.

CSHB 2746 ON SECOND READING (by Martinez Fischer)

CSHB 2746, A bill to be entitled An Act relating to liability for the additional tax imposed on land appraised for ad valorem tax purposes as qualified open-space land in the event of a change of use of the land if the land is transferred to a charitable organization for purposes of building housing for sale without profit to a low-income individual or family.

CSHB 2746 was read second time on May 9, postponed until 6 a.m. today, and was again postponed until this time.

Amendment No. 1

Representative Martinez Fischer offered the following amendment to **CSHB 2746**:

Amend **CSHB 2746** (house committee printing) on page 1 by striking lines 11-18 and substituting the following:

(p) The sanctions provided by Subsection (a) do not apply to real property transferred to an organization described by Section 11.181(a) if the organization converts the real property to a use for which the real property is eligible for an exemption under Section 11.181(a). This subsection does not apply to the sanctions provided by Subsection (a) in connection with a change in use described by this subsection that are due to a county or school district unless the governing body of the county or school district, as applicable, waives the sanctions in the manner required by law for official action by the body.

Amendment No. 1 was adopted.

CSHB 2746 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE CHISUM: Mr. Fischer, I just wanted to establish some legislative intent here. We're taking ag. land, which is under ag. exemption, and moving it to a charitable organization, in this case being Habitat for Humanity. But, it's not your intent in this bill to change the criteria for ag. exempt land and the transition. The transition is completely separate from the ag. exemption, the rest of the land?

REPRESENTATIVE MARTINEZ FISCHER: Absolutely not, we don't want to interfere with the ag. exemption. It'll exist as it is. This just prevents a look-back when the property is changed for affordable housing for Habitat.

REMARKS ORDERED PRINTED

Representative Chisum moved to print remarks between Representative Martinez Fischer and Representative Chisum.

The motion prevailed.

CSHB 2746, as amended, was passed to engrossment. (Landtroop and Perry recorded voting no.)

Sec. 542.063. APPRAISALS. (a) A request for appraisal with respect to a claim under a property insurance policy must be made not later than the 60th day after the date the person requesting the appraisal first receives notice of a dispute as to the amount of insurance proceeds paid, estimated, or to be paid by the insurer for the claim. The failure to invoke an appraisal provision in a property insurance policy in the time required by this subsection constitutes a waiver of the provision as a matter of law.

(b) A decision resulting from the appraisal process under a property insurance policy is binding only as to the amount of loss. An appraisal may not be used to determine liability issues such as coverage, causation, extent of damage, or conditions or limits imposed by the policy. The appraisal decision does not affect any other remedy available at law.

(c) An appraisal under a property insurance policy is available only if the insurer and the insured agree, by stipulation or otherwise, on liability, coverage, causation, extent of damage, and conditions or limits imposed by the policy.

(b) If the physician or provider seeks to recover from the individual an amount that exceeds the amount allowed under this section, the physician or provider must:

(1) notify the individual of the usual and customary rate established in accordance with this chapter; and

(2) notify the individual that the individual is not required by law to pay the portion of the fee that exceeds the usual and customary rate unless the individual agreed to a higher rate before the service was provided.

Amend **HB 1951** (house committee printing) as follows:

(1) On page 15, strike lines 24-25 and substitute "SECTION 3.008. Section 2254.003, Insurance Code, is amended by amending Subsection (a) and adding Subsections (a-1), (a-2), and (a-3) to read as follows:"

(2) On page 16, between lines 2 and 3, insert the following:

(a-1) If the department provides an insurer with formal written notice that a rate is excessive or unfairly discriminatory, then the insurer may file a new rate or take other corrective action to substantially address the department's concerns. The new rate or other corrective action must be filed on or before the 60th day following the date of formal written notice. At the commissioner's discretion, the commissioner may extend the deadline to file by an additional 30 days. If the department accepts the new rate or other corrective action, then the insurer shall, according to commissioner order, refund or issue a premium discount directly to each affected policyholder on the portion of the premium found to be excessive

or unfairly discriminatory, plus interest on that amount. The interest rate to be paid on refunds or discounts under this subsection is the sum of six percent and the prime rate for the calendar year in which formal written notice is given. For purposes of this subsection, the prime rate is the prime rate as published in The Wall Street Journal for the first day of the calendar year that is not a Saturday, Sunday, or legal holiday.

(a-2) If the insurer does not file or take, or the department does not accept, a new rate or other corrective action as provided under Subsection (a-1), and the commissioner issues an order disapproving the rate as excessive or unfairly discriminatory under Section 2251.104, then the insurer must refund or issue a premium discount directly to each affected policyholder on the portion of the premium found to be excessive or unfairly discriminatory, plus interest on that amount. The interest rate to be paid on refunds or discounts under this subsection is 18 percent. An insurer is not required to pay any interest penalty if the insurer prevails in an appeal of the commissioner's order under Subchapter D, Chapter 36.

(a-3) The period for the refund and interest begins on the date the department first provides the insurer with formal written notice that the insurer's filed rate is excessive or unfairly discriminatory, and interest continues to accrue until the refund or discount is paid or issued.
