Lord, our God, we gather together in the great State of Texas, the state that holds a significant place in our nation for leading the people of God to greater horizons, new frontiers, and greater possibilities for our future. We as Texans recognize our place in history. We are history makers, not simply people who read a history or reflect on what has passed.

As we gather the leadership of the Texas House of Representatives, as our state senate convenes, as our governor and all of our Texas leadership considers the tasks of the day and of the coming weeks, we ask that you inspire them to do great things, to act in such a way as to unite our state and care for the dignity of each and every person in our state. May their joint decisions ensure the care for the human person in every moment of life. Continue to uphold the immigrant as

an equal person under our laws. Provide for education which challenges every one of our children, teens, and young adults to excel beyond their perceived limits.

May the work of our Texas leadership allow our state to set the highest standard in wage equality, providing a statewide environment that cultivates a living wage for every employee in our state. We pray our laws express the equality of every person in our state. Every person must have equal protection under the law and be given the opportunity to life, liberty, and the pursuit of happiness. Lord, our God, we pray that our Texas leadership may not simply follow other states in our nation when forced to do so but instead will, as our great heritage commands, lead by example this nation in securing the equal rights and just provisions of all of our citizens. This we ask in your name who lives and reigns for ever and ever.

The speaker recognized Representative Price who led the house in the pledges of allegiance to the United States and Texas flags.

PARLIAMENTARY INQUIRY

REPRESENTATIVE S. THOMPSON: Was this a bill dealing with children with special needs in classrooms?

CHAIR (Speaker pro tempore in the chair): Ms. Thompson, our understanding reading the caption is it relates to the placement and use of video cameras in self-contained classrooms providing special education services.

S. THOMPSON: And these are children that, many times, cannot speak or have language impediments, and cameras were provided in order to protect them from injuries and things that may happen in the classroom, is that your understanding?

CHAIR: Ma'am, I'm not aware of the details of the bill, but if you say so, I trust you.

S. THOMPSON: Were you also aware that there were two amendments that would have taken care of some of the school district's problems as it's related to funding?

CHAIR: Ms. Thompson, the chair is advised that there were two committee approved amendments that would have been put on this bill. I do not know the substance of those amendments, and I know that they were not given the opportunity to be presented.

S. THOMPSON: So the lack of passage of this bill would mean those kids that are in those self-contained classrooms, and may be still subject to injuries and things—those parents won't know what happened to those kids because the kids cannot talk because they were born with the inability to speak and they cannot tell their parents what happened to them. The cameras would be able to visually tell them what caused the injuries that may have occurred inside the classroom. Is that correct?

CHAIR: Again, Ms. Thompson, I have not had an opportunity to review the bill.

S. THOMPSON: And persons who have bumped this bill off don't care about kids with special needs and they don't care about the interests of those kids who have those disabilities in the classroom. So they want those kids to still be able to suffer those injuries in those classrooms.

CHAIR: Ms. Thompson, maybe if you visited with some of the members about the amendments you wanted to offer, you could prevail upon those five members.

S. THOMPSON: Mr. Speaker, there are some times you make a person live in the bed they have prepared for themselves. Since they want these kids still to be injured and still to suffer in these classrooms, I think they should live with consequences of this bill.

SB 550 (Rose - House Sponsor), A bill to be entitled An Act relating to requiring dental support for a child subject to a child support order. (R. Miller and Schaefer recorded voting no.)

CSSB 551 (Keffer - House Sponsor), A bill to be entitled An Act relating to the duty of the Water Conservation Advisory Council to submit a report and recommendations regarding water conservation in this state. (Rinaldi recorded voting no.)

CSSB 630 (Dale - House Sponsor), A bill to be entitled An Act relating to protective orders for certain victims of sexual assault or abuse, stalking, or trafficking.

SB 638 (Otto - House Sponsor), A bill to be entitled An Act relating to the transfer of certain state property from the Texas Department of Transportation to the Shepherd Independent School District; requiring the payment of certain transaction fees. (Cook, Craddick, Goldman, D. Miller, Parker, Simmons, Springer, and E. Thompson recorded voting no.) (Crownover and Zerwas requested to be recorded voting no after the deadline established by Rule 5, Section 52 of the House Rules.)

SB 674 (Coleman - House Sponsor), A bill to be entitled An Act relating to instruction regarding mental health, substance abuse, and youth suicide in educator training programs. (Phillips recorded voting no.)

SB 740 (Canales - House Sponsor), A bill to be entitled An Act relating to the assessment of court costs and fees on conviction of multiple offenses or on conviction of multiple counts of the same offense. (C. Anderson, Cook, Craddick, Flynn, Goldman, Harless, D. Miller, R. Miller, Parker, Phillips, Simmons, Springer, E. Thompson, Tinderholt, M. White, and Zedler recorded voting no.) (Crownover and Zerwas requested to be recorded voting no after the deadline established by Rule 5, Section 52 of the House Rules.)

SB 740 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE LOZANO: Is it the intent of the legislature that this bill would apply to bond forfeiture proceedings?

REPRESENTATIVE NEVÁREZ: Yes.

LOZANO: Since many counties treat bond forfeiture proceedings as civil cases, do you think that would make a difference in the application of this bill?

NEVÁREZ: No. Both the Texas Court of Criminal Appeals and the Supreme Court of Texas have held that a bond forfeiture case is a criminal case. In fact, it is a hearing in an existing case to which court costs already attach. With the exception of the citation and service of citation fees, the remaining court costs would be excluded by this bill.

LOZANO: Would this be a significant change in the law?

NEVÁREZ: No. There is no statute authorizing the collection of civil filing fees in a criminal bond forfeiture case. In fact, the courts of appeals in Texas were doing something similar and the Texas Court of Criminal Appeals held that this was in violation of the law and required them all to stop that practice.

REMARKS ORDERED PRINTED

Representative Lozano moved to print remarks between Representative Nevárez and Representative Lozano.

The motion prevailed.

REMARKS ORDERED PRINTED

Representative S. Turner moved to print remarks between Representative S. Thompson and the chair on **SB 507**.

The motion prevailed.

SB 950 was withdrawn and, pursuant to Rule 6, Section 24 of the House Rules, was returned to the Committee on Local and Consent Calendars. (Pursuant to Rule 6, Section 14(3) of the House Rules, the following five members gave notice of their objection: Stickland, Tinderholt, M. White, Rinaldi, and Spitzer.)

REASONS FOR OBJECTION

I voted to remove **SB 950** from the calendar. Our first duty is to protect innocent children and innocent adults. The law as written is overly broad and may prohibit good people from living with children. I will continue to work with the author to continue to protect the people of Texas.

Spitzer

I voted to move this bill from local and consent because currently the bill is too broad and doesn't go far enough to protect children or the potentially innocent adults. I will work with the authors to make this a better and more robust bill. Protecting children from abuse is of the utmost importance.

Tinderholt

After reading loosely written language on **SB 950** that could be used to hurt an innocent person falsely accused of abuse of a child, I decided to vote to kill the bill. While I am a huge supporter of protecting women, children, the elderly, disabled, and everyone from abuse and neglect, I have to make sure that language protects the innocent and convicts the guilty. I spoke to the bill's author, Chairman S. Thompson, about my concerns. After she reread the language, she agreed with me and thanked me for bringing it to her attention. I look forward to working with the author next session to present a bill that will indeed protect the innocent from the guilty.

M. White

SB 957 was withdrawn and, pursuant to Rule 6, Section 24 of the House Rules, was returned to the Committee on Local and Consent Calendars. (Pursuant to Rule 6, Section 14(3) of the House Rules, the following five members gave notice of their objection: Stickland, M. White, Rinaldi, Tinderholt, and Spitzer.)

SB 965 was deferred until the end of today's local, consent, and resolutions calendar.

SB 968 was withdrawn. (Pursuant to Rule 6, Section 14(3) of the House Rules, the following five members gave notice of their objection: Stickland, Spitzer, M. White, Rinaldi, and Tinderholt.) (The objections were later withdrawn, and **SB 968** was passed to third reading.)

SB 995 (Wray - House Sponsor), A bill to be entitled An Act relating to decedents' estates. (Flynn and Zedler recorded voting no.)

Amendment No. 1

On behalf of Representative Moody, Representative Wray offered the following amendment to **SB 995**:

Amend **SB 995** (house committee printing) as follows:

(1) Add the following appropriately numbered SECTION to the bill and renumber subsequent SECTIONS of the bill accordingly:

SECTION _____. Subchapter D, Chapter 355, Estates Code, is amended by adding Section 355.1551 to read as follows:

Sec. 355.1551. CLAIM HOLDER DUTY TO POSSESS OR SELL WITHIN REASONABLE TIME. (a) A claim holder of a claim allowed and approved under Section 355.151(a)(2) who elects to take possession or sell the property securing the debt before final maturity in satisfaction of the claim holder's claim must do so within a reasonable time, as determined by the court.

(b) If the claim holder fails to take possession or sell secured property within a reasonable time under Subsection (a), on application by the personal representative, the court may require the sale of the property free of the lien and apply the proceeds to the payment of the whole debt.

(c) This section does not apply to an estate administered as an independent administration under Subtitle I.

(2) On page 39, line 9, between "Chapter 255," and "and", insert "Section 355.1551,".

Amendment No. 1 was adopted.

- (1) on page 1, lines 9-10 and 17-18; and
- (2) on page 2, lines 7-9 and 16-17.

Amendment No. 1 was adopted.

SB 1004 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE STEPHENSON: Chairman Thompson, I have received some concerns and feedback from local junior colleges that would hinder their ability to partner with local ISDs. With the amendment which you've added on, we have just adopted a bill that will only affect Harris County. Is that correct?

REPRESENTATIVE S. THOMPSON: That's correct.

STEPHENSON: This is about the ability of each ISD to have a choice of community colleges that they partner with in Harris County, such as HTC and LoneStar Community College. Is that correct?

S. THOMPSON: That's correct.

STEPHENSON: So in no way will this affect any community colleges surrounding Harris County?

S. THOMPSON: No.

REMARKS ORDERED PRINTED

Representative Stephenson moved to print remarks between Representative S. Thompson and Representative Stephenson.

The motion prevailed.

SB 1034 (R. Miller - House Sponsor), A bill to be entitled An Act relating to the applicability of canceling an annual application for a ballot to be voted by mail to subsequent elections. (Zedler recorded voting no.)

Representative R. Miller offered the following amendment to **SB 1034**:

Amend **SB 1034** by adding a new Section 2 and 3 and renumbering accordingly:

SECTION 2. Section 86.0015, Subsection (b), Election Code, is amended by adding a new Section (3) to read as follows:

(3) A person eligible to submit an application under this section may apply to receive all ballots in an even numbered year on the same application submitted for a ballot in the November general election of an odd year.
