POSTPONED BUSINESS

HB 206 was read second time on April 5 and was postponed until 9 a.m. today.

Amendment No. 1

Representative Flynn offered the following amendment to **HB 206**:

Amend **HB 206** (house committee report) as follows:

(1) On page 2, line 9, strike "~~or~~" and substitute "[~~or~~]".

(2) On page 2, line 14, between "(v)" and "has", insert "for purposes of the Veterans' Land Program only".

(3) On page 3, line 15, strike "Texas National Guard State Military Forces" and substitute "state military forces [~~Texas National Guard~~]".

Amendment No. 1 was adopted.

HB 206 - REMARKS

REPRESENTATIVE SCHAEFER: Mr. Speaker, members, there's been a lot of discussion about this bill on the floor in the days leading up to it being here. Bottom line, up front, this takes people who are not veterans and gives them a veteran benefit. It has nothing to do with whether we value their service or that they're doing good work, but veterans' benefits are for veterans. By law, members of the State Guard cannot carry a weapon. Members of the State Guard do not take a fitness test. Members of the State Guard have zero risk of being called into a military conflict. They're not veterans. If we're going to do this, then we should add police officers, EMTs, first responders, all sorts of people to the bill in order to make them eligible for this benefit. I have as much respect for what the State Guard does as anybody. It's very important work, but they didn't sign up for that work because they expected to get veterans' benefits. And we have made policy decisions in this state to respect the work of veterans, because the work that they have done is different. And I believe that a no vote on this bill

is in order so that we can preserve the definition of a veteran and keep veterans' benefits for veterans. So I respectfully ask members to vote no on this bill.

REPRESENTATIVE TINDERHOLT: Members, I have the utmost respect for what the State Guard volunteers do. They do a very important and necessary mission. Know that military recruiting centers across our nation have the term "Armed Forces Recruiting Center" across the front of their buildings. The term "veteran" in America goes back to 1775, when 10-year-old and 12-year-old young boys were spilling their blood on our soil in defense of our nation. They fought bravely and died on the battlefield in places like Saratoga, Lexington, and Concord. They fought, they lost, and sometimes they won. They suffered; their families suffered. There are several wars, the War of 1812, Harpers Ferry, the Civil War, Spanish-American War, World War I, World War II, the Gulf War, Somalia, Iraq, and Afghanistan—soldiers, sailors, airmen, Marines, and Coast Guard members are defending our nation and spilling their blood. I've watched it happen across the globe. America's sons and daughters are dying in defense of our nation. These military members and their families sacrifice. They join with the knowledge that they may have to close in on enemy forces, sometimes in close-quarters combat, to kill or take another one's life, possibly give their own life in defense of that umbrella of freedom that we live under. Do State Guard members do this? They do not. We are not comparing apples to apples. However, the State Guard members do a valuable mission, and they do a great job doing it. But redefining the term "veteran" is unfair to the 1.5 million veterans in Texas and the millions across America.

I will never forget my personal family sacrifices while deployed. You heard me talking about being on Skype with my daughter when incoming rockets came, and I had to grab my weapons. I had to grab my flak vest and radio and run out of the room. Everyone's yelling, "incoming," and my daughter listened to 30 minutes of that. I did not know that, but she sat and listened to it because I didn't shut it off. I'll tell you—going on a kill-or-capture mission at three in the morning and you call your wife just to make sure that the last thing she hears from you is "I love you," because members may not know that they are going to make it home that night—that's a veteran. That's a veteran, and that wife doesn't know at the time why the husband's calling. And I beg to differ that State Guard members do that. We cannot redefine what has been hardwired since 1775, over 240 years, redefining the term "veteran" to accommodate a few. He said 55. We have 1.5 million veterans in Texas. Taking away the meaning behind the term "veteran" for millions of military members and their families and their sacrifices, many who gave the ultimate sacrifice—we need to find another way to do this. We need to do what's right and help the Texas State Guard, but this isn't the way. I beg you, and I implore you to vote no on this bill. We cannot, will not, and shall not redefine the term "veteran" in the State of Texas.

REPRESENTATIVE BLANCO: I rise to speak in opposition of this bill. Members, there are several State Guard members who have served honorably in active duty that already qualify for the benefits that this bill provides. What we're doing here is providing benefits for those State Guard members that have never

served on active duty. Now, there's a difference between those who have served on active duty and those that have not who are currently in the State Guard. I don't want to take away anything that the State Guard does for the State of Texas; they do a magnificent job. But what we're doing is providing additional benefits for those that never served active duty who are currently serving in the State Guard.

I share the sentiments of my fellow veterans, Representative Schaefer, Representative Tinderholt, and many other members that are standing with me right now, because there is a difference between serving active duty in uniform whether it's domestic or overseas. Now, I listened to Chairman Flynn, who I respect very much so, who talked about the border and related it as a war zone. Nothing could be further from the truth, members. There is a huge difference between Afghanistan, Iraq, and many other conflicts than what's going on at the border. I want to make sure that everything we say is clear. Vote no on this bill, and make sure we protect the integrity of the word "veteran" in this body.

SB 4 - MOTION TO ADOPT COMMITTEE ON CALENDARS RULE

The vote of the house was taken on the adoption of the Committee on Calendars rule for **SB 4** and the vote was announced yeas 92, nays 49.

A verification of the vote was requested.

PARLIAMENTARY INQUIRY

REPRESENTATIVE TURNER: If we have strict enforcement on a vote, what does strict enforcement mean under the House Rules?

SPEAKER STRAUS: Representative Turner, it is a term that we use to require that members vote from their desks.

TURNER: Right, so if members are required to vote from their desks, shouldn't that signify that the vote is accurate, negating the need for a verification?

SPEAKER: Mr. Turner, typically, yes, it should.

TURNER: A few moments ago since we voted on the calendar rule and it was rejected and voted down again, did Representative Rodriguez make a motion to print remarks in the journal?

SPEAKER: Yes, he did.

TURNER: And that motion was put before the body without objection and therefore granted?

SPEAKER: That's correct.

TURNER: Under Rule 5, Section 55 of the House Rules, "Verification of a Yea and Nay Vote," the rule, I believe, says, "A verification shall be called for immediately after the vote is announced. The speaker shall not entertain a request for verification after the house has proceeded to the next question, or after a recess or an adjournment. A vote to recess or adjourn, like any other proposition, may be verified." But since we have acted on another question before the body, does that not—

SPEAKER: We should not have acted on his motion.

TURNER: We should not have acted on Representative Rodriguez's motion?

SPEAKER: The verification was called for before we received that motion.

TURNER: I certainly did not hear the motion for verification until just now when you announced that it had been called for, which was after Representative Rodriguez's motion.

SPEAKER: It came immediately after the vote.

TURNER: Who made that motion?

SPEAKER: Representative Bonnen of Brazoria.

TURNER: Did Representative Bonnen do that on the microphone?

SPEAKER: No.

TURNER: So we should have not acted on Representative Rodriguez's motion to print remarks? Is that the chair's position?

SPEAKER: Correct, the motion was out of order.

TURNER: Since we did let Representative Rodriguez make that motion and the body acted on it, does that not cut off the ability for us to now conduct a verification?

SPEAKER: Mr. Turner, if that motion had come before the request for verification, the motion for verification, we would have something to discuss.

TURNER: If the body did not hear Mr. Bonnen make the motion for verification before Representative Rodriguez's motion, how did we know it happened?

SPEAKER: Representative Turner, I believe a substantial number of the members of this body did hear his motion.

A verification of the vote was granted.

The roll of those voting yea and nay was again called and the verified vote resulted, as follows (Record 365): 93 Yeas, 49 Nays, 1 Present, not voting.

Yeas — Anderson, C.; Anderson, R.; Ashby; Bailes; Bell; Biedermann; Bohac; Bonnen, D.; Bonnen, G.; Burkett; Burns; Burrows; Button; Cain; Capriglione; Clardy; Cook; Cospers; Craddick; Cyrier; Dale; Darby; Davis, S.; Dean; Deshotel; Elkins; Faircloth; Fallon; Flynn; Frank; Frullo; Geren; Goldman; Gonzales; Gooden; Hefner; Holland; Huberty; Hunter; Isaac; Kacal; Keough; King, K.; King, P.; Klick; Koop; Krause; Kuempel; Lambert; Landgraf; Lang; Larson; Laubenberg; Leach; Lozano; Metcalf; Meyer; Miller; Morrison; Murphy; Murr; Oliverson; Paddie; Parker; Paul; Phelan; Phillips; Price; Raney; Raymond; Rinaldi; Roberts; Sanford; Schaefer; Schofield; Schubert; Shaheen; Sheffield; Shine; Springer; Stephenson; Stucky; Swanson; Thompson, E.; Tinderholt; VanDeaver; Villalba; White; Wilson; Workman; Wray; Zedler; Zerwas.

Nays — Allen; Alonzo; Alvarado; Anchia; Arévalo; Bernal; Blanco; Canales; Coleman; Collier; Cortez; Davis, Y.; Dutton; Farrar; Gervin-Hawkins; Giddings; González; Guerra; Guillen; Gutierrez; Hernandez; Herrero; Hinojosa; Howard; Israel; King, T.; Longoria; Lucio; Martinez; Minjarez; Moody; Muñoz; Neave; Nevárez; Ortega; Perez; Pickett; Reynolds; Rodriguez, E.; Rodriguez, J.; Romero; Rose; Stickland; Thompson, S.; Turner; Uresti; Vo; Walle; Wu.

Present, not voting — Mr. Speaker(C).

Absent, Excused — Dukes; Johnson, J.; Oliveira; Simmons; Smithee; Thierry.

Absent — Johnson, E.

HB 1913 ON SECOND READING

(by Geren)

HB 1913, A bill to be entitled An Act relating to the required qualifications for serving as president of the University of North Texas Health Science Center at Fort Worth and to the prohibition against the award of certain degrees by the center's governing board.

HB 1913 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE SHEFFIELD: Will this bill in any way harm the University of North Texas Health Science Center and TCOM's current status with the Commission on Osteopathic College Accreditation?

REPRESENTATIVE GEREN: It will not in any way.

SHEFFIELD: Will the addition of the TCU medical school have any negative fiscal impact on any of the colleges at UNTHSC?

GEREN: No, not any of the colleges. As a matter of fact, we put a rider in this appropriations bill that said they could not access the formula funding. Nor do they want to, because it would actually be less per student than they're going to be able to with private funds, tuition, and research grants.

SHEFFIELD: So just for clarification, you answered the next question, that TCU medical school will not seek state formula funding?

GEREN: TCU and University of North Texas Health Science Center MD school will not seek state formula funding.

SHEFFIELD: And will this bill diminish in any way the state's current and long-term commitment to University of Texas Health Science Center, Texas College of Osteopathic Medicine, and osteopathic education in general?

GEREN: No, sir, it would not, nor any of the other schools that are currently at University of North Texas Health Science Center.

SHEFFIELD: With an interest toward promoting the venture between TCOM and TCU medical schools working in concert with one another, building upon the foundational strength of each partner, please clarify again—only the TCU and UNTHSC medical school will award the MD degree?

GEREN: That's who will award the MD degree. The TCOM and University of North Texas Health Science Center school will award the DO degree.

CSHB 31 ON SECOND READING (by Larson)

CSHB 31, A bill to be entitled An Act relating to the regulation of groundwater.

(VanDeaver in the chair)

CSHB 31 - REMARKS

REPRESENTATIVE ISAAC: Would you talk a little bit more about the 90-day moratorium regarding permits?

REPRESENTATIVE LARSON: The moratorium is based on when somebody makes an application into a groundwater district. A lot of times folks have put moratoriums up, and it restricts not only that landowner but everybody else that would like to get a permit. What we've seen in the past is those moratoriums have gone to 120, up to 180 days, and then they're self-perpetuating, where somebody will pass a subsequent moratorium. What we're saying is, we need to have what the reason the moratorium is—why you're putting it forward. The second part of it is, we want a public hearing so everybody understands the deal, and then it

wouldn't be more than 90 days. So this is on the front end of the process, and you and I had the discussion about your bill. That was dealing with ongoing issues with landowners.

ISAAC: Great, and this is just to get some uniformity across districts. Is that correct?

LARSON: It is, so people have expectations and predictability when they go in. Landowners applying for the first time for a water right, they don't have to go through a process of blocking access to the asset under their property.

ISAAC: And the constituents that I serve in House District 45, their antennae are up on alert, and they're watching anything to do with groundwater just because of the issues that we've dealt with over the last few years. And last session was successful in passing **HB 3405**. Is this in any way the intent to turn over that legislation?

LARSON: No, it's not. Jason, this is uniform across the state. We don't have any particular groundwater district in mind. We've just observed across the state that these are the blocks that people have been putting up to keep property rights from being exercised.

CSHB 31 was passed to engrossment.
