The speaker recognized Representative Hinojosa who introduced Thomas Daniel, senior pastor, Covenant Presbyterian, Austin, who offered the invocation as follows:

Lord God, as we gather here today, we need to first pause and give you thanks and praise. Thank you for this day that you have given us. Thank you for this nation and this state in which we live and enjoy the glorious fruits of freedom. Thank you for our communities, our friends, our spouses, our children, and our grandchildren. Thank you that the men and women gathered in this hallowed hall have been entrusted by their communities to be their representatives in this seat of power. Thank you that we live in a time and in a society in which the voice of every Texan, in all our diversity, may be heard, respected, and valued.

You have given us so much, and yet we confess we are not always good stewards of your gifts. Sometimes we have failed to love our neighbor as ourselves. Sometimes we are more interested in party than in the true merits of policy. Sometimes we fail to do all that we can to care for the widow, the orphan, the marginalized, and the oppressed. Sometimes we are all less than our best, less than you call us to be.

But God, your grace is enough. We know that despite ourselves you keep showing up. You promise us that you can use us, with all our gifts and all our uncertainties, to build your kingdom and that your kingdom is real and is a truth that we can pursue and embody every single day. So we gather here with full confidence that a day is coming when every tear will be wiped away and every soul will know its worth, a day when justice will roll down like waters and righteousness like a mighty stream.

And so I thank you for your faithfulness to us. I give you thanks for each person sitting in this hall. I give you thanks that you have called them here, and I pray for two specific things. First, I pray for wisdom. Fill each representative with a wisdom that comes from you, the wisdom to know your will. Give them the wisdom to know what doors of opportunity you are opening and what doors you are closing. And second, fill them with courage. Give them the courage not only to know your will, but to follow it even when it is hard. I pray that this day, this beautiful chamber, would be a beacon of divine wisdom and divine courage for the flourishing of all who live in this state. I pray this in your name. Amen.

SB 312 ON THIRD READING**(Gonzales, Burkett, Flynn, S. Thompson, and Raymond - House Sponsors)**

SB 312, A bill to be entitled An Act relating to the continuation and functions of the Texas Department of Transportation; authorizing an increase in rates charged for the use of state aircraft to provide for the acquisition of replacement aircraft.

Amendment No. 1

Representative Uresti offered the following amendment to **SB 312**:

Amend **SB 312** on third reading by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION _____. Subchapter B, Chapter 225, Transportation Code, is amended by adding Section 225.130 to read as follows:

Sec. 225.130. HEROES OF HARLANDALE MEMORIAL HIGHWAY. (a) The portion of State Highway Spur 536 (Roosevelt Avenue) in Bexar County between its intersection with Texas State Highway Loop 13 and Interstate Highway 410 is designated as the Heroes of Harlandale Memorial Highway.

(b) Subject to Section 225.021(c), the department shall:

(1) design and construct markers indicating the designation as the Heroes of Harlandale Memorial Highway and any other appropriate information; and

(2) erect a marker at each end of the highway and at appropriate intermediate sites along the highway.

Amendment No. 1 - Point of Order

Representative Huberty raised a point of order against further consideration of Amendment No. 1 under Rule 11, Section 6(g) of the House Rules on the grounds that the amendment was not laid out 24 hours prior to the time the bill was eligible for consideration.

The chair sustained the point of order and submitted the following statement:

SB 312 is a sunset bill that would extend the Department of Transportation. Sunset-bill amendments are subject to Rule 11, Section 6(g) of the House Rules, which requires 10 copies of any amendment to be provided to the chief clerk and be "available in the chief clerk's office at least 24 hours prior to the time the calendar on which the bill or resolution to be amended is eligible for consideration." Rule 11, Section 6(i) requires the Committee on House Administration to ensure that "members of the public using the system available on the Internet may view any amendment required to be provided to the chief clerk under Rule 11, Section 6(e), (g), and (h) at least 10 hours prior to the time the calendar on which the bill or resolution to be amended is eligible for consideration." Amendment No. 1 was not filed 24 hours prior to the time the calendar on which **SB 312** was eligible for consideration.

Because the house considers bills on third reading the day after those bills are passed on second reading, the calendar for third-reading of the sunset bill will almost always fall before a full 24 hours after the second reading. This makes it nearly impossible for timely notice to be given for the third-reading amendment. "Under strict enforcement of the rule, members would be required to file amendments for third reading before a measure passes second reading, and the chief clerk would be required to post all amendments to which Section 6(i)(3) applies to the Internet at least 10 hours before a calendar containing the measure to be amended is eligible for consideration." See 84 H.J. Reg. 3713-3715 (2015) (Moody point of order on **SB 206**).

The chair, out of respect for the members, must enforce the rules the body adopts. The body, having been made aware of the impact of the rules on third-reading sunset amendments as recently as last session, nonetheless adopted the same rules governing requirements for sunset amendments. The chair is once again compelled to sustain the point of order. See Rule 1, Section 9; 84 H.J. Reg. 3713-3715 (2015) (Moody point of order on **SB 206**); see also 75 H.J. Reg. 3809-3810 (1997) (Wohlgemuth point of order on **SB 1500**). If in future sessions the body wishes to preserve the option of amending sunset bills on third reading, the membership may wish to consider amending the requirements of Rule 11, Section 6(g) and (i)(3).

The ruling precluded further consideration of Amendment No. 1.

SB 312 was passed by (Record 1296): 139 Yeas, 0 Nays, 2 Present, not voting.

Yeas — Allen; Alonzo; Alvarado; Anchia; Anderson, C.; Anderson, R.; Arévalo; Ashby; Bailes; Bell; Bernal; Biedermann; Blanco; Bonnen, D.; Bonnen, G.; Burkett; Burns; Burrows; Button; Cain; Canales; Capriglione; Clardy; Coleman; Collier; Cook; Cortez; Craddick; Dale; Darby; Davis, S.; Davis, Y.; Dean; Deshotel; Dukes; Dutton; Elkins; Faircloth; Fallon; Farrar; Flynn; Frank; Frullo; Geren; Gervin-Hawkins; Giddings; Goldman; Gonzales; González; Gooden; Guerra; Guillen; Gutierrez; Hefner; Hernandez; Herrero; Hinojosa; Howard; Huberty; Hunter; Isaac; Johnson, E.; Johnson, J.; Kacal; Keough; King, K.; King, P.; King, T.; Klick; Koop; Krause; Kuempel; Lambert; Landgraf; Lang; Larson; Laubenberg; Leach; Longoria; Lozano; Lucio; Martinez; Metcalf; Meyer; Miller; Minjarez; Moody; Morrison; Muñoz; Murphy; Murr; Neave; Nevárez; Oliverson; Ortega; Paddie; Parker; Paul; Perez; Phelan; Phillips; Pickett; Price; Raney; Raymond; Reynolds; Rinaldi; Roberts; Rodriguez, J.; Romero; Rose; Sanford; Schaefer; Schofield; Schubert; Shaheen; Sheffield; Shine; Simmons; Springer; Stephenson; Stickland; Stucky; Swanson; Thompson, E.; Thompson, S.; Tinderholt; Turner; Uresti; VanDeaver; Villalba; Vo; Walle; White; Wilson; Workman; Wray; Wu; Zedler.

Amendment No. 2

Representative Raney offered the following amendment to **SB 533**:

Amend **SB 533** on third reading by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS accordingly:

SECTION _____. Chapter 122, Human Resources Code, is amended by adding Sections 122.0075 and 122.0076 to read as follows:

Sec. 122.0075. INCREASE IN WAGES; PLAN. (a) This section applies to a state contract with a community rehabilitation program in which that program:

(1) is participating in the program administered under this chapter; and

(2) pays workers with disabilities employed by the program wages that are less than the federal minimum wage under Section 6, Fair Labor Standards Act of 1938 (29 U.S.C. Section 206).

(b) Each state contract with a community rehabilitation program must include terms that allow the community rehabilitation program to obtain from the workforce commission:

(1) assistance in developing a plan to increase the wages paid to the program's workers with disabilities to the federal minimum wage not later than September 1, 2019, for work relating to any products or services purchased from the community rehabilitation program under the state contract; and

(2) on request of the community rehabilitation program or any worker with a disability, assistance to ensure the increase in wages paid to a worker with a disability under the state contract does not affect the worker's eligibility to receive any federal benefits the worker received or was eligible to receive before the wage increase.

(c) Each state contract with a community rehabilitation program must require that the program, to the maximum extent possible, ensure that each worker with a disability remains employed by the program after the program increases the wages paid to those employees as required by the state contract in accordance with the plan developed under Subsection (b).

(d) Each state contract with a community rehabilitation program must require a community rehabilitation program that is unable to employ all workers with a disability after the program increases the wages paid to those employees to the federal minimum wage, to work with the workforce commission and any other governmental entity to seek and obtain any job training that may be suitable for those former employees to find other employment that pays at least the federal minimum wage.

(e) In addition to the assistance described by Subsection (d), the term of the state contract must allow a worker of the community rehabilitation program to request the workforce commission to assist a worker with a disability not retained by a community rehabilitation program to secure employment in a position that pays at least the federal minimum wage.

(f) On request of a community rehabilitation program, the workforce commission may extend the period for compliance with the program participation requirements of Section 122.0076 for not more than 12 months if the community rehabilitation program:

(1) requests the extension not later than July 1, 2019;

(2) has demonstrated to the commission that an extension would be in the best interest of the program's employees with disabilities;

(3) has worked with the commission to develop a transition plan and made meaningful progress towards meeting the program participation requirements of Section 122.0076; and

(4) submits a revised transition plan to the commission detailing how an extension will allow the program to meet the program participation requirements of Section 122.0076.

(g) The workforce commission shall make a decision on a request for an extension under Subsection (f) not later than September 1, 2019. The commission may not grant more than one extension to a community rehabilitation program.

(h) Not later than January 31, 2019, the workforce commission shall report to the legislature regarding the implementation of this section. The report must include any recommendations for legislative or agency rule changes necessary to assist the commission and community rehabilitation program in performing their duties under this section.

(i) This section expires September 1, 2021.

Sec. 122.0076. WAGE REQUIREMENTS. (a) Each state contract with a community rehabilitation program participating in the program administered under this chapter must require the community rehabilitation program to pay each worker with a disability employed by the program at least the federal minimum wage under Section 6, Fair Labor Standards Act of 1938 (29 U.S.C. Section 206), for any work relating to any products or services purchased from the community rehabilitation program through the program administered under this chapter.

(b) Each state contract with a community rehabilitation program participating in the program administered under this chapter must allow the workforce commission, at the request of a community rehabilitation program or any worker with a disability, to exempt the community rehabilitation program from the requirements of this section with respect to a worker with a disability if the workforce commission determines, based on the program's circumstances, that requiring the program to pay the worker at the federal minimum wage would result in the program not being able to hire or retain the worker with a disability and the worker, based on the worker's circumstances, such as commuting to a particular job site, would not be able to obtain employment at a higher wage than the program would be able to pay the worker notwithstanding the requirements of this section.

(c) To the extent of a conflict between this section and Chapter 62, Labor Code, this section controls.

(d) This section does not apply to a state contract with a community rehabilitation program participating in the program administered under this chapter before the later of:

(1) September 1, 2019; or

(2) the date an extension granted under Section 122.0075(f) expires.

(e) This subsection and Subsection (d) expire September 1, 2021.

GEREN: Yes, of 1913, I believe.

FARRAR: Right. Is it the intention that the provisions of this bill do not apply to any improvements located in any right-of-way maintained or under the jurisdiction of Harris County under the Harris County Road Law Act of March 5, 1913, 33rd Legislature, Chapter 17, 1913, Texas Laws, 54, as amended?

GEREN: I believe that it does not apply to those roads.

REPRESENTATIVE P. KING: Chairman Geren, I have a question to present to you for legislative intent purposes. Is it correct that your bill would not impact the rates, terms, or conditions of current or future pole attachment agreements executed by municipally-owned utilities, investor-owned utilities, ILECS, co-operative electric, or co-operative telcos?

(a) Except as provided by Subsection (b), a [A] petition for the termination of the parent-child relationship is sufficient without the necessity of specifying the underlying facts if the petition alleges in the statutory language the ground for the termination and that termination is in the best interest of the child.

(b) In a suit filed by the Department of Family and Protective Services requesting termination of the parent-child relationship, the department may plead a ground for termination against a parent only if the department includes an affidavit supporting the petition that states facts sufficient to plead the ground for termination alleged in the petition against that parent. SB 1343 ON SECOND READING
(Parker - House Sponsor)

SB 1343, A bill to be entitled An Act relating to the prosecution of criminal offenses regarding unauthorized recordings.

SB 1343 - POINT OF ORDER

Representative Stickland raised a point of order against further consideration of **SB 1343** under Rule 4, Section 32(c) of the House Rules on the grounds that the bill analysis is incorrect.

The chair overruled the point of order and submitted the following statement:

Rule 4, Section 32(c)(4) of the House Rules requires the bill analysis to include "a statement indicating whether or not the bill or resolution expressly creates a criminal offense, expressly increases the punishment for an existing criminal offense or category of offenses, or expressly changes the eligibility of a person for community supervision, parole, or mandatory supervision." Representative Stickland argues that **SB 1343** adds a criminal punishment. Specifically, Representative Stickland argues that page 2 of the bill expressly creates a criminal offense that was not present before. Because the bill analysis states that **SB 1343** neither creates a new criminal offense nor expressly increases the punishment for an existing criminal offense, Representative Stickland argues that the bill analysis does not comply with Rule 4, Section 32(c)(4).

SB 1343 deals with the prosecution of criminal offenses for unauthorized recordings. An offense which already exists and is punishable by a term of imprisonment, a monetary fine, or "both." The claim by Representative Stickland is that the wording change from "imprisonment, fine or both" to "imprisonment, fine or both *fine and imprisonment*" is something beyond nonsubstantial, clearer drafting. Adding clearer, nonmandatory language in a statute that makes it easier to read to Texans, is not a point of order but a desired state of legislative drafting. Because **SB 1343** neither creates a new offense nor increase the punishment for an existing offense, the bill analysis complies with the House Rules. The point of order is respectfully overruled.

Amendment No. 1

Representative Parker offered the following amendment to **SB 1343**:

Amend **SB 1343** (house committee report) as follows:

(1) Add the following appropriately numbered SECTION to the bill:

SECTION _____. Section 503.001, Business & Commerce Code, is amended by adding Subsection (e) to read as follows:

(e) This section does not apply to voiceprint data retained by a financial institution or an affiliate of a financial institution, as those terms are defined by 15 U.S.C. Section 6809.

(2) Strike page 3, line 27, through page 4, line 6, and substitute the following appropriately numbered SECTION:

SECTION _____. (a) Except as provided by Subsection (b) of this section, the changes in law made by this Act apply only to an offense committed on or after the effective date of this Act. An offense committed before the effective date of this Act is governed by the law in effect on the date the offense was committed, and the former law is continued in effect for that purpose. For purposes of this subsection, an offense was committed before the effective date of this Act if any element of the offense occurred before that date.

(b) The change in law made by this Act to Section 503.001, Business & Commerce Code, applies only to a violation that occurs on or after the effective date of this Act. A violation that occurs before the effective date of this Act is governed by the law in effect on the date the violation occurred, and the former law is continued in effect for that purpose.

(3) Renumber the SECTIONS of the bill accordingly.

CSSB 944 ON SECOND READING
(Clardy - House Sponsor)

CSSB 944, A bill to be entitled An Act relating to the adoption of the Uniform Foreign-Country Money Judgments Recognition Act.

Amendment No. 1

Representative Clardy offered the following amendment to **CSSB 944**:

Amend **CSSB 944** (house committee printing) as follows:

(1) On page 3, line 22, strike "or".

(2) On page 3, line 25, between "law" and the underlined period, insert the following:

; or

(9) it is established that the foreign country in which the judgment was rendered does not recognize judgments rendered in this state that, but for the fact that they are rendered in this state, would constitute foreign-country judgments to which this chapter would apply under Section 36A.003

(3) On page 6, strike lines 20-23, and substitute the following:

SECTION 3. This Act applies to a pending suit in which the issue of recognition of a foreign-country money judgment is or has been raised without regard to whether the suit was commenced before, on, or after the effective date of this Act.

CSSB 944 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE LEACH: Chairman Smithee, I appreciate your comments on the amendment and Representative Clardy in bringing this bill. I just want an understanding from you as the chairman of the committee that heard this bill. This bill came through your committee, correct?

REPRESENTATIVE SMITHEE: It did, yes.

LEACH: Okay. Can you tell me—you know this house passed **HB 45** by Representative Flynn a couple of weeks ago. That's over in the senate now. It's my understanding there's going to be a hearing on that in the senate tomorrow. Can you tell me how this bill works with **HB 45**?

SMITHEE: Well, it's similar. **HB 45**, as I recall it, is limited primarily to family law matters. And this bill, as it was voted out of committee, basically incorporates the Uniform Foreign Money Judgments Act and applies it to non-family law matters, which I think is great. The catch, though, is adding the provision that's a little concerning, about trying to dictate the results of one specific lawsuit that's pending right now.

LEACH: Okay, thank you for that clarification. Chairman, is it your statement that **HB 45** as well as **CSSB 944** work hand in hand and should both be passed—essentially just cut to the chase?

SMITHEE: Well, yes. I think the bill, particularly as it came out of our committee, is probably a good thing for Texas. This is a Uniform and Model Act that has been approved by most of the states. Texas is really behind in doing this. It's good policy, and it should be done. There's a little bit of a concern, though, when you call something the Uniform Act and then we come in in Texas and make changes to the Act, which this amendment is trying to do, because it's

really not the Uniform Act anymore. But the legislature can certainly do that if it chooses to. You just need to be aware that you're basically going to dictate the winner and a loser in one particular lawsuit.

LEACH: Okay. Chairman Smithee, thank you for your work on these issues and Representative Clardy as well. Lastly, Chairman Smithee, is it my understanding that you have some good news to share with the body?

SMITHEE: Well, we had a grandson last night.

LEACH: Well, congratulations, Chairman.

REMARKS ORDERED PRINTED

Representative Leach moved to print remarks between Representative Smithee and Representative Leach.
