The invocation was offered by Bruce Gregory, pastor, Church of God, Dallas, as follows:

Father, we come to you in prayer because prayer is the key that opens heaven's door. So we thank you, Father, for access to your presence today. We come because prayer is the vehicle that connects people of faith to their God. We come in prayer because prayer is the conduit of God to mankind, prayer provides God's divine energy and strength to those who ask. So we ask, Father, energize and bear witness through your spirit today. We come in prayer because you, Father, are the resource for our wisdom, our understanding, and the grace that we need in order to accomplish the tasks before us today.

We acknowledge you, God, as sovereign, and in all things we are subject to you. We confess that our wisdom, our knowledge, and our understanding is limited and inadequate to represent and lead a free people so diverse and deserving as those created in your image. We acknowledge you, God. We request your help in our lives and in the business that may come before this body today.
We come in faith believing, as promised by you, prayers prayed in faith will be heard, and you will respond to all prayers prayed within the context of holy scripture. We come expecting your help today, Father, to make the right decisions. We receive your strength to do the right things because we pray in faith within the context of your promised word. Today, we trust you to give us wisdom in every matter that presents itself before this leadership body.

So with a humble heart we are asking these things from you, heavenly Father, knowing that your counsel will bring good to all who seek it. We are asking for your help today so that the trust placed in us by others and the confidence ordered by you through governmental structure in scripture would honor you and bless the constituents of the State of Texas. So Father, we come to you humbly asking for your guidance and grace, acknowledging the authority that you have placed within this body, the house of representatives, for the people of Texas. In closing, we thank you for the privilege to come before such a mighty God with such requests as we have, and we thank you for the assurance that you have heard our requests. We receive the promise of your response to prayers prayed in faith. We ask you to work in our hearts and minds and resonate in our spirits. To you be the honor and glory, Father. We are asking all these things in the name of Jesus your son. Amen.

HB 63 ON THIRD READING
(by Moody, Collier, White, Dutton, Phelan, et al.)

HB 63, A bill to be entitled An Act relating to the civil and criminal penalties for possession of certain small amounts of marihuana and an exception to prosecution for possession of associated drug paraphernalia; creating a criminal offense.

The chair recognized Representative Moody who addressed the house, speaking as follows:

Members, I’m going to take a couple of minutes. I appreciate it. It’s been a long journey to get to this point. Marihuana was flat out 100 percent legal here before we became a state and for 70 years after that. Criminalizing it started in my hometown, El Paso, in 1915. Police at the time said it was something used by Mexicans, and state law soon followed what El Paso did. Possession of marihuana was a felony carrying up to a life sentence until the legislature made most possession a misdemeanor in 1973. That was the last debate on marihuana...
in this body. And 45 years ago, the same things were being said: It's a slippery slope. Members, I am 38 years old. That was a slippery slope no one slid down in my entire life. It's no different now.

Like our predecessors in 1973, we're looking at whether the system we have now is good policy, not whether we endorse marihuana. We're asking whether the punishment is proportionate and our investment in it makes fiscal sense. From 45 years ago, we're in a place where the answer to those questions is once again no. What we're doing isn't smart and isn't fair. Members, 22 states and the District of Columbia have passed bills like this, and the sky hasn't fallen there. Whatever you think about Colorado-style legalization, this isn't it. It's not even a step toward it. This is a better way of handling this in our criminal system. It's going to help tens of thousands of Texans every year. And on a day we're talking about how to ease the burden on ordinary Texas taxpayers but leave our local governments room to work, we should keep in mind that this does that to the tune of three-quarters of a billion dollars every single year. So with that, thank you all.

After 45 years, we have 28 days left to see another watershed moment on this policy, and all of you about to vote aye have my gratitude and the thanks of countless Texans from across the state and across the political spectrum. Mr. Patrick has been tweeting about this bill this morning. . . . I want every one here and every Texas voter who cares about personal freedom, fiscal responsibility, and limited government to know—and I'm glad Governor Abbott is on the floor today—to know that he and his staff worked diligently on the bill that is front of you today to make sure the policy worked for Texas. I appreciate that. This bill is backed by an overwhelming majority of those in this body and an overwhelming majority of the folks back home that you represent. Mr. Patrick is the odd man out here, and the ball is in his court. Let's vote this across the hall so they can get to work on the house's priorities . . . .

Amendment No. 10 - Point of Order

Representative Murphy raised a point of order against further consideration of Amendment No. 10 under Rule 11, Section 2, of the House Rules. The point of order was sustained and the speaker submitted the following ruling:
RULING BY THE SPEAKER
on Amendment No. 10 to Senate Bill 2
Announced in the House on April 30, 2019

Representative Murphy raises a point of order against further consideration of the Bailes Amendment to SB 2 under Rule 11, Section 2, of the House Rules on the grounds that the amendment is not germane.

The subject of SB 2 is the process for determining appraised values and tax rates and increasing transparency in the appraisal and rate-setting processes. On this subject, the bill requires the use of generally accepted appraisal methods and techniques in determining appraised values.

The subject of the amendment is the imposition of an arbitrary appraisal method that results in the exclusion of the value of certain noncommercial agricultural structures in determining the market value of real property. This is a departure from the generally accepted appraisal methods required to be used under the bill.

The major purpose of an amendment determines its germaneness. 47 H. Jour. 1123 (1941). In the opinion of the Chair, the amendment is not on the same subject of the bill. See 77 H. Jour. 3896 (2001).

Accordingly, the point of order is well-taken and sustained.

The ruling precluded further consideration of Amendment No. 10.

Amendment No. 11

Representative Tinderholt offered the following amendment to CSSB 2:

Amend CSSB 2 (house committee report) by adding the following appropriately numbered SECTIONS to the bill and renumbering the SECTIONS of the bill accordingly:

SECTION ___. Section 6.03(a), Tax Code, is amended to read as follows:
(a) The appraisal district is governed by a board of directors. Five directors are appointed by the taxing units that participate in the district as provided by this section. If the county assessor-collector is not appointed to the board, the county assessor-collector serves as a nonvoting director. The county assessor-collector is ineligible to serve if the board enters into a contract under Section 6.05(b) or if the commissioners court of the county enters into a contract under Section 6.24(b). To be eligible to serve on the board of directors, an individual other than a county assessor-collector serving as a nonvoting director must be a resident of the district and must have resided in the district for at least two years immediately preceding the date the individual takes office. Except as provided by this subsection, an [An] individual [who] is ineligible [otherwise eligible] to serve on the board if the individual is an officer or employee [is not ineligible because of membership on the governing body of a taxing unit. An employee] of a taxing unit that participates in the district [is not eligible to serve on the board unless the individual is also a member of the governing body or an elected official of a taxing unit that participates in the district].
SECTION ____. Section 6.03(a), Tax Code, as amended by this Act, does not affect the right of a person serving on the board of directors of an appraisal district on January 1, 2020, to complete the person’s term on the board.

Amendment No. 12

Representative K. King offered the following amendment to Amendment No. 11:

Amend Amendment No. 11 by Tinderholt to CSSB 2 as follows:

(1) On page 1, on line 4, strike "Section 6.03(a), Tax Code, is amended" and substitute "Section 6.03, Tax Code, is amended by amending Subsection (a) and adding Subsection (a-1)".

(2) On page 1, line 18, between "subsection" and the underlined comma, insert "and Subsection (a-1)".

(3) On page 1, between lines 25 and 26, insert the following:

(a-1) This subsection applies only to a county with a population of 25,000 or less. An individual who is otherwise eligible to serve on the board is not ineligible because of membership on the governing body of a taxing unit. An employee of a taxing unit that participates in the district is not eligible to serve on the board unless the individual is also a member of the governing body or an elected official of a taxing unit that participates in the district.

Amendment No. 12 was adopted.

Amendment No. 11, as amended, was adopted.

Amendment No. 13

Representative Murphy offered the following amendment to CSSB 2:

Amend CSSB 2 (house committee report) by adding the following appropriately numbered SECTION to the bill and renumbering SECTIONS of the bill accordingly:

SECTION ____. Section 1.02, Tax Code, is amended to read as follows:

Sec. 1.02. APPLICABILITY OF TITLE. This title applies to a taxing unit that is created by or pursuant to any general, special, or local law enacted before or after the enactment of this title unless a law enacted after enactment of this title by or pursuant to which the taxing unit is created expressly provides that this title does not apply. This title supersedes any provision of a municipal charter or ordinance relating to property taxation, including a provision setting or requiring a vote [..Nothing in this title invalidates or restricts the right of voters to utilize municipal level initiative and referendum] to set a tax rate, level of spending, or limitation on tax increase for that municipality.

Amendment No. 13 was adopted.
Amendment No. 14

Representative Y. Davis offered the following amendment to CSSB 2:

Amend CSSB 2 (house committee report) on page 2, between lines 13 and 14, by inserting the following appropriately lettered subsection in added Section 5.01, Tax Code, and relettering subsections of that section and any cross-references accordingly:

(____) In making appointments under Subsection (b), the comptroller shall ensure that the members of the advisory board reflect, to the extent possible, the ethnic and geographic diversity of this state.

Amendment No. 14 - Point of Order

Representative Cain raised a point of order against further consideration of Amendment No. 14 under Rule 11, Section 2, of the House Rules on the grounds that the amendment is not germane to the bill.

The point of order was withdrawn.

Amendment No. 14 was adopted.

(5) Strike lines 16 through 19.

Representative Burrows moved to table Amendment No. 15.

The motion to table prevailed.

Amendment No. 16

Representative Stickland offered the following amendment to CSSB 2:

Amend CSSB 2 (house committee report) as follows:

(1) Add the following appropriately numbered SECTION to the bill and renumber the SECTIONS of the bill accordingly:

SECTION 23.23, Tax Code, is amended by amending Subsections (a) and (b) and adding Subsection (a-1) to read as follows:

(a) The [Notwithstanding the requirements of Section 25.18 and regardless of whether the appraisal office has appraised the property and determined the market value of the property for the tax year, an appraisal office may increase the] appraised value of a residence homestead for a tax year is equal to [an amount not to exceed the lesser of:

[(1)] the market value of the property for the first [most recent] tax year that the owner qualified the property for an exemption under Section 11.13 [market value was determined by the appraisal office; or]
(2) the sum of:

[(A)] 10 percent of the appraised value of the property for the preceding tax year;

[(B)] the appraised value of the property for the preceding tax year;

and

[(C)] the market value of all new improvements to the property.

(a-1) If the first tax year the property owner qualified the property for an exemption under Section 11.13 was a tax year before the 2020 tax year, for purposes of Subsection (a), the appraised value of the property as shown on the 2019 appraisal roll is considered to be the market value of the property for the first tax year that the owner qualified the property for an exemption under Section 11.13.

Amendment No. 16 - Point of Order

Representative Springer raised a point of order against further consideration of Amendment No. 16 under Rule 11, Section 2, of the House Rules.

(S. Davis now present)

The point of order was sustained and the speaker submitted the following ruling:

RULING BY THE SPEAKER

on Amendment No. 16 to Senate Bill 2

Announced in the House on April 30, 2019

Representative Springer raises a point of order against further consideration of the Stickland Amendment to SB 2 under Rule 11, Section 2, of the House Rules on the grounds that the amendment is not germane.

The subject of SB 2 is the process for determining appraised values and tax rates and increasing transparency in the appraisal and rate-setting processes. On this subject, the bill requires the use of generally accepted appraisal methods and techniques in determining appraised values.

The subject of the amendment is the setting of taxable values by use of an arbitrary value that is not related to the appraisal methods specified in the bill. This is a departure from the generally accepted appraisal methods required to be used under the bill.

The major purpose of an amendment determines its germaneness. 47 H. Jour. 1123 (1941). In the opinion of the Chair, the amendment is not on the same subject of the bill. See 73 H. Jour. Reg. 1537 (1993).

Accordingly, the point of order is well-taken and sustained.

The ruling precluded further consideration of Amendment No. 16.
Amendment No. 17

Representative Gutierrez offered the following amendment to CSSB 2:

Amend CSSB 2 (house committee report) by adding the following appropriately numbered SECTION to the bill and renumbering the SECTIONS of the bill accordingly:

SECTION ___. (a) Section 23.23(a), Tax Code, is amended to read as follows:

(a) Notwithstanding the requirements of Section 25.18 and regardless of whether the appraisal office has appraised the property and determined the market value of the property for the tax year, an appraisal office may increase the appraised value of a residence homestead for a tax year to an amount not to exceed the lesser of:

1. the market value of the property for the most recent tax year that the market value was determined by the appraisal office; or
2. the sum of:
   (A) five [40] percent of the appraised value of the property for the preceding tax year;
   (B) the appraised value of the property for the preceding tax year;
   and
   (C) the market value of all new improvements to the property.

(b) This section applies only to the appraisal for ad valorem taxation of residence homesteads for a tax year that begins on or after January 1, 2020.

(c) This section takes effect January 1, 2020, but only if the constitutional amendment proposed by the 86th Legislature, Regular Session, 2019, to authorize the legislature to set a lower limit on the maximum appraised value of a residence homestead for ad valorem taxation is approved by the voters. If that amendment is not approved by the voters, this section has no effect.

Amendment No. 17 - Point of Order

Representative Cain raised a point of order against further consideration of Amendment No. 17 under Rule 11, Section 2, of the House Rules. The point of order was sustained and the speaker submitted the following ruling:

RULING BY THE SPEAKER
on Amendment No. 17 to Senate Bill 2
Announced in the House on April 30, 2019

Representative Cain raises a point of order against further consideration of the Gutierrez Amendment to SB 2 under Rule 11, Section 2, of the House Rules on the grounds that the amendment is not germane.

The subject of SB 2 is the process for determining appraised values and tax rates and increasing transparency in the appraisal and rate-setting processes. On this subject, the bill requires the use of generally accepted appraisal methods and techniques in determining appraised values.
As with the Stickland Amendment, the subject of this amendment is the setting of taxable values by use of an arbitrary value that is not related to the appraisal methods specified in the bill. Also as with the Stickland Amendment, this is a departure from the generally accepted appraisal methods required to be used under the bill.

The major purpose of an amendment determines its germaneness. 47 H. Jour. 1123 (1941). In the opinion of the Chair, the amendment is not on the same subject of the bill. See 73 H. Jour. Reg. 1537 (1993).

Accordingly, the point of order is well-taken and sustained.

The ruling precluded further consideration of Amendment No. 17.

Amendment No. 18

Representative Gutierrez offered the following amendment to CSSB 2:

Amend CSSB 2 (house committee report) as follows:

1. On page 22, line 20, between "SECTION 22." and "Section 25.19", insert "(a)".
2. On page 24, between lines 15 and 16, insert the following:
   (a) This section takes effect as provided by this Act, but only if the constitutional amendment proposed by the 86th Legislature, Regular Session, 2019, to authorize the legislature to limit increases in the appraised value of commercial real property for ad valorem tax purposes to 10 percent or more of the appraised value of the property for the preceding tax year is not approved by the voters. If that amendment is approved by the voters, this section has no effect.
3. On page 102, line 22, between "SECTION 61." and "Section 403.302", insert "(a)".
4. On page 104, between lines 14 and 15, insert the following:
   (b) This section takes effect as provided by this Act, but only if the constitutional amendment proposed by the 86th Legislature, Regular Session, 2019, to authorize the legislature to limit increases in the appraised value of commercial real property for ad valorem tax purposes to 10 percent or more of the appraised value of the property for the preceding tax year is not approved by the voters. If that amendment is approved by the voters, this section has no effect.
5. Add the following appropriately numbered SECTION to the bill and renumber subsequent SECTIONS of the bill accordingly:
   SECTION____. (a) Section 1.12(d), Tax Code, is amended to read as follows:
   (d) For purposes of this section, the appraisal ratio of a homestead to which Section 23.23 applies or of commercial real property to which Section 23.231 applies is the ratio of the property’s market value as determined by the appraisal district or appraisal review board, as applicable, to the market value of the property according to law. The appraisal ratio is not calculated according to the appraised value of the property as limited by Section 23.23 or 23.231.
   (b) Subchapter B, Chapter 23, Tax Code, is amended by adding Section 23.231 to read as follows:
   Sec. 23.231. LIMITATION ON APPRAISED VALUE OF COMMERCIAL REAL PROPERTY. (a) In this section:
"Commercial real property" means real property zoned or otherwise authorized for and actually used for a purpose other than single-family use, multifamily use, heavy industrial use, or use as a quarry.

"New improvement" means an improvement to commercial real property made after the most recent appraisal of the property that increases the market value of the property and the value of which is not included in the appraised value of the property for the preceding tax year. The term does not include repairs to or ordinary maintenance of an existing structure or the grounds or another feature of the property.

(b) This section does not apply to property appraised under Subchapter C, D, E, F, G, or H.

(c) Notwithstanding the requirements of Section 25.18 and regardless of whether the appraisal office has appraised the property and determined the market value of the property for the tax year, an appraisal office may increase the appraised value of a parcel of commercial real property for a tax year to an amount not to exceed the lesser of:

1. the market value of the property for the most recent tax year that the market value was determined by the appraisal office; or

2. the sum of:

   A. 10 percent of the appraised value of the property for the preceding tax year;

   B. the appraised value of the property for the preceding tax year; and

   C. the market value of all new improvements to the property.

(d) When appraising a parcel of commercial real property, the chief appraiser shall:

1. appraise the property at its market value; and

2. include in the appraisal records both the market value of the property and the amount computed under Subsection (c)(2).

(e) The limitation provided by Subsection (c) takes effect as to a parcel of commercial real property on January 1 of the tax year following the first tax year in which the owner owns the property on January 1 and in which the property meets the definition of commercial real property. The limitation expires on January 1 of the tax year following the first tax year in which the owner of the property ceases to own the property or the property no longer meets the definition of commercial real property.

(f) Notwithstanding Subsections (a)(2) and (c) and except as provided by Subdivision (2) of this subsection, an improvement to property that would otherwise constitute a new improvement is not treated as a new improvement if the improvement is a replacement structure for a structure that was rendered unusable by a casualty or by wind or water damage. For purposes of appraising the property under Subsection (c) in the tax year in which the structure would have constituted a new improvement:
(1) the appraised value the property would have had in the preceding tax year if the casualty or damage had not occurred is considered to be the appraised value of the property for that year, regardless of whether that appraised value exceeds the actual appraised value of the property for that year as limited by Subsection (c); and

(2) the replacement structure is considered to be a new improvement only if:

(A) the square footage of the replacement structure exceeds that of the replaced structure as that structure existed before the casualty or damage occurred; or

(B) the exterior of the replacement structure is of higher quality construction and composition than that of the replaced structure.

(g) In this subsection, "disaster recovery program" means a disaster recovery program funded with community development block grant disaster recovery money authorized by federal law. Notwithstanding Subsection (f)(2), and only to the extent necessary to satisfy the requirements of a disaster recovery program, a replacement structure described by that subdivision is not considered to be a new improvement if to satisfy the requirements of the disaster recovery program it was necessary that:

(1) the square footage of the replacement structure exceed that of the replaced structure as that structure existed before the casualty or damage occurred; or

(b-3) This subsection applies only to an appraisal district described by Section 6.41(b-2). In addition to the information required by Subsection (b), the chief appraiser shall state in a notice of appraised value of property described by Section 6.425(b) that the property owner has the right to have a protest relating to the property heard by a special panel of the appraisal review board.

(6) identification of the taxing units in which the owner’s property is taxable in the case of the appraisal district’s appraisal roll;

(9) any other action of the chief appraiser, appraisal district, or appraisal review board that applies to and adversely affects the property owner.

(e) Section 42.26(d), Tax Code, is amended to read as follows:

(d) For purposes of this section, the value of the property subject to the suit and the value of a comparable property or sample property that is used for comparison must be the market value determined by the appraisal district when the property is a residence homestead subject to the limitation on appraised value imposed by Section 23.23 or 23.231.

(f) Section 403.302, Government Code, is amended by amending Subsections (d), (i), and (o) and adding Subsections (k) and (k-1) to read as follows:

(4) subject to Subsection (e), the total dollar amount of any captured appraised value of property that:

(A) is within a reinvestment zone created on or before May 31, 1999, or is proposed to be included within the boundaries of a reinvestment zone as the boundaries of the zone and the proposed portion of tax increment paid into the tax increment fund by a school district are described in a written notification provided by the municipality or the board of directors of the zone to the governing bodies of the other taxing units in the manner provided by former Section 311.003(e), Tax Code, before May 31, 1999, and within the boundaries of the zone as those boundaries existed on September 1, 1999, including subsequent improvements to the property regardless of when made;

(8) the portion of the appraised value of residence homesteads of individuals who receive a tax limitation under Section 11.26, Tax Code, on which school district taxes are not imposed in the year that is the subject of the study, calculated as if the residence homesteads were appraised at the full value required by law;

(9) a portion of the market value of property not otherwise fully taxable by the district at market value because of:

(A) action required by statute or the constitution of this state, other than Section 11.311, Tax Code, that, if the tax rate adopted by the district is applied to it, produces an amount equal to the difference between the tax that the district would have imposed on the property if the property were fully taxable at market value and the tax that the district is actually authorized to impose on the property, if this subsection does not otherwise require that portion to be deducted; or

(B) action taken by the district under Subchapter B or C, Chapter 313, Tax Code, before the expiration of the subchapter;

(10) the market value of all tangible personal property, other than manufactured homes, owned by a family or individual and not held or used for the production of income;

(12) the portion of the appraised value of property the collection of delinquent taxes on which is deferred under Section 33.065, Tax Code; and
(13) the amount by which the market value of property to which Section 23.23 or 23.231, Tax Code, applies exceeds the appraised value of that property as calculated under Section 23.23 or 23.231, Tax Code, as applicable.

(i) If the comptroller determines in the study that the market value of property in a school district as determined by the appraisal district that appraises property for the school district, less the total of the amounts and values listed in Subsection (d) as determined by that appraisal district, is valid, the comptroller, in determining the taxable value of property in the school district under Subsection (d), shall for purposes of Subsection (d)(13) subtract from the market value as determined by the appraisal district of properties to which Section 23.23 or 23.231, Tax Code, applies the amount by which that amount exceeds the appraised value of those properties as calculated by the appraisal district under Section 23.23 or 23.231, Tax Code, as applicable. If the comptroller determines in the study that the market value of property in a school district as determined by the appraisal district that appraises property for the school district, less the total of the amounts and values listed in Subsection (d) as determined by that appraisal district, is not valid, the comptroller, in determining the taxable value of property in the school district under Subsection (d), shall for purposes of Subsection (d)(13) subtract from the market value as estimated by the comptroller of properties to which Section 23.23 or 23.231, Tax Code, applies the amount by which that amount exceeds the appraised value of those properties as calculated by the appraisal district under Section 23.23 or 23.231, Tax Code, as applicable.

(k) If the comptroller determines in the study that the school district’s local value as determined by the appraisal district that appraises property for the school district is not valid, the comptroller shall provide notice of the comptroller’s determination to the board of directors of the appraisal district. The board of directors of the appraisal district shall hold a public meeting to discuss the receipt of notice under this subsection.

(k-1) If the comptroller determines in the study that the school district’s local value as determined by the appraisal district that appraises property for the school district is not valid for three consecutive years, the comptroller shall conduct an additional review of the appraisal district under Section 5.102, Tax Code, and provide recommendations to the appraisal district. The comptroller may contract with a third party to assist the comptroller in conducting the additional review and providing the recommendations required under this subsection. If the appraisal district fails to comply with the recommendations provided under this subsection and the comptroller finds that the board of directors of the appraisal district failed to take remedial action reasonably designed to ensure substantial compliance with each recommendation before the first anniversary of the date the recommendations were made, the comptroller shall notify the Texas Department of Licensing and Regulation, or a successor to the department, which shall take action necessary to ensure that the recommendations are implemented as soon as practicable. Before February 1 of the year following the year in which the Texas Department of Licensing and
Regulation, or a successor to the department, takes action under this subsection, the department, with the assistance of the comptroller, shall determine whether the recommendations have been substantially implemented and notify the board of directors of the appraisal district of the determination. If the department determines that the recommendations have not been substantially implemented, the board of directors of the appraisal district must, within three months of the determination, consider whether the failure to implement the recommendations was under the current chief appraiser’s control and whether the chief appraiser is able to adequately perform the chief appraiser’s duties.

(o) The comptroller shall adopt rules governing the conduct of the study after consultation with the comptroller’s property tax administration advisory board [Comptroller’s Property Value Study Advisory Committee].

(g) This section applies only to the appraisal of commercial real property for ad valorem tax purposes for a tax year that begins on or after January 1, 2020.

(h) This section takes effect as provided by this Act, but only if the constitutional amendment proposed by the 86th Legislature, Regular Session, 2019, to authorize the legislature to limit increases in the appraised value of commercial real property for ad valorem tax purposes to 10 percent or more of the appraised value of the property for the preceding tax year is approved by the voters. If that amendment is not approved by the voters, this section has no effect.

Amendment No. 18 - Point of Order

Representative Wray raised a point of order against further consideration of Amendment No. 18 under Rule 11, Section 2, of the House Rules. The point of order was sustained and the speaker submitted the following ruling:

RULING BY THE SPEAKER
on Amendment No. 18 to Senate Bill 2
Announced in the House on April 30, 2019

Representative Wray raises a point of order against further consideration of the Gutierrez Amendment to SB 2 under Rule 11, Section 2, of the House Rules on the grounds that the amendment is not germane.

The subject of SB 2 is the process for determining appraised values and tax rates and increasing transparency in the appraisal and rate-setting processes. On this subject, the bill requires the use of generally accepted appraisal methods and techniques in determining appraised values.

As with the earlier amendments, the subject of this amendment is the setting of taxable values by use of an arbitrary value that is not related to the appraisal methods specified in the bill. Also as with the earlier amendments, this is a departure from the generally accepted appraisal methods required to be used under the bill.

The major purpose of an amendment determines its germaneness. 47 H. Jour. 1123 (1941). In the opinion of the Chair, the amendment is not on the same subject of the bill. See 73 H. Jour. Reg. 1537 (1993).
Accordingly, the point of order is well-taken and sustained.

The ruling precluded further consideration of Amendment No. 18.
