**SB 21 - POINT OF ORDER**

Representative Cain raised a point of order against further consideration of SB 21 under Rule 4, Section 32(c)(2), of the House Rules. The point of order was overruled and the speaker submitted the following ruling:

**RULING BY THE SPEAKER**

on Senate Bill 21

Announced in the House on May 14, 2019

Representative Cain raises a point of order against further consideration of SB 21 under Rule 4, Section 32(c)(2), of the House Rules on the grounds that the bill analysis is inaccurate.

Mr. Cain notes that the bill analysis provides a narrative discussion of the effect for only two of the three statutes being expressly repealed by the bill and that this omission is materially misleading. Mr. Cain agrees that the analysis complies with the requirement that it "list[ ] each statute . . . expressly repealed by the bill[.]"

The cited section of the rule was amended by the House in 2009 to require the list of express repeals to ensure that members and the public would have sufficient notice to enable an independent determination of a repeal's effect. See
Because the analysis includes the required list, it provides "a detailed analysis of the subject matter of the bill" and is neither substantially nor materially misleading.

Accordingly, the point of order is respectfully overruled.

Amendment No. 7

Representative Cain offered the following amendment to SB 21:

Amend SB 21 (house committee report) by adding the following appropriately numbered SECTION to the bill and renumbering subsequent SECTIONS of the bill accordingly:

Sec. 161.089. PREEMPTION OF LOCAL LAW. 1. is compatible with and equal to or more stringent than a requirement prescribed by this subchapter; or
2. relates to an issue that is not specifically addressed by this subchapter or Chapter 154 or 155, Tax Code.

(b) A political subdivision may not adopt or enforce an ordinance or requirement relating to the lawful age to sell, distribute, or use cigarettes, e-cigarettes, or tobacco products that is more stringent than a requirement prescribed by this subchapter.

Sec. 298E.151. MANDATORY PAYMENTS BASED ON PAYING PROVIDER NET PATIENT REVENUE. (a) Except as provided by Subsection (e), if the board of a district authorizes a health care provider participation program under this chapter, the board may require an annual mandatory payment to be assessed on the net patient revenue of each institutional health care provider located in the district. The board may provide for the mandatory payment to be assessed quarterly. In the first year in which the mandatory payment is required, the mandatory payment is assessed on the net patient revenue of an institutional health care provider as reported in the provider's Medicare cost report submitted for the most recent fiscal year for which the provider submitted a Medicare cost report. If the mandatory payment is required, the district shall update the amount of the mandatory payment on an annual basis.
(b) The amount of a mandatory payment assessed under this chapter by the board of a district must be uniformly proportionate with the amount of net patient revenue generated by each paying provider in the district as permitted under federal law. A health care provider participation program authorized under this chapter may not hold harmless any institutional health care provider located in the district, as required under 42 U.S.C. Section 1396b(w).

(c) If the board of a district requires a mandatory payment authorized under this chapter, the board shall set the amount of the mandatory payment, subject to the limitations of this chapter. The aggregate amount of the mandatory payments required of all paying providers in the district may not exceed six percent of the aggregate net patient revenue from hospital services provided by all paying providers in the district.

(d) Subject to Subsection (c), if the board of a district requires a mandatory payment authorized under this chapter, the board shall set the mandatory payments in amounts that in the aggregate will generate sufficient revenue to cover the administrative expenses of the district for activities under this chapter and to fund an intergovernmental transfer described by Section 298E.103(c)(1). The annual amount of revenue from mandatory payments that shall be paid for administrative expenses by the district is $150,000, plus the cost of collateralization of deposits, regardless of actual expenses.

(e) A paying provider may not add a mandatory payment required under this section as a surcharge to a patient.

(f) A mandatory payment assessed under this chapter is not a tax for hospital purposes for purposes of Section 4, Article IX, Texas Constitution, or Section 281.045 of this code.

Sec. 298E.152. ASSESSMENT AND COLLECTION OF MANDATORY PAYMENTS. (a) A district may designate an official of the district or contract with another person to assess and collect the mandatory payments authorized under this chapter.

(b) The person charged by the district with the assessment and collection of mandatory payments shall charge and deduct from the mandatory payments collected for the district a collection fee in an amount not to exceed the person’s usual and customary charges for like services.

(c) If the person charged with the assessment and collection of mandatory payments is an official of the district, any revenue from a collection fee charged under Subsection (b) shall be deposited in the district general fund and, if appropriate, shall be reported as fees of the district.

Sec. 298E.153. PURPOSE; CORRECTION OF INVALID PROVISION OR PROCEDURE; LIMITATION OF AUTHORITY. (a) The purpose of this chapter is to authorize a district to establish a program to enable the district to collect mandatory payments from institutional health care providers to fund the nonfederal share of a Medicaid supplemental payment program or the Medicaid managed care rate enhancements for hospitals to support the provision of health care by institutional health care providers located in the district to district residents in need of health care.
(b) This chapter does not authorize a district to collect mandatory payments for the purpose of raising general revenue or any amount in excess of the amount reasonably necessary to fund the nonfederal share of a Medicaid supplemental payment program or Medicaid managed care rate enhancements for hospitals and to cover the administrative expenses of the district associated with activities under this chapter.

(c) To the extent any provision or procedure under this chapter causes a mandatory payment authorized under this chapter to be ineligible for federal matching funds, the board of a district may provide by rule for an alternative provision or procedure that conforms to the requirements of the federal Centers for Medicare and Medicaid Services. A rule adopted under this section may not create, impose, or materially expand the legal or financial liability or responsibility of the district or an institutional health care provider in the district beyond the provisions of this chapter. This section does not require the board to adopt a rule.

(d) A district may only assess and collect a mandatory payment authorized under this chapter if a waiver program, uniform rate enhancement, or reimbursement described by Section 298E.103(c)(1) is available to the district.

SECTION 1. As soon as practicable after the expiration of the authority of a hospital district to administer and operate a health care provider participation program under Chapter 298E, Health and Safety Code, as added by this Act, the board of hospital managers of the hospital district shall transfer to each institutional health care provider in the district that provider’s proportionate share of any remaining funds in any local provider participation fund created by the district under Section 298E.103, Health and Safety Code, as added by this Act.
