SB 22 - POINT OF ORDER

Representative Collier raised a point of order against further consideration of SB 22 under Rule 4, Section 32(c), of the House Rules. The point of order was overruled and the speaker submitted the following ruling:

RULING BY THE SPEAKER
on Senate Bill 22
Announced in the House on May 17, 2019

Representative Collier raises a point of order against further consideration of SB 22 under Rule 4, Section 32(c), of the House Rules on the grounds that the bill analysis is substantially and materially misleading.

Ms. Collier argues that the bill analysis is substantially and materially misleading because the portion of the bill analysis that describes the definition of "affiliate" fails to identify that an affiliate must enter into a legal relationship with another person or entity in order for the other criteria of the definition to apply.

Plainly, an affiliate must contract with a party other than itself to form any legal relationship. The bill applies to a legal relationship with any person or entity without limitation. Thus, the bill analysis accurately summarizes the disputed provision.

Accordingly, the point of order is respectfully overruled.

Amendment No. 4 was withdrawn.

Amendment No. 1 was adopted.

CSSB 1207 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE J. TURNER: Thank you, Representative Krause, and thank you for your work on this bill and for the focus on these kids and children in Medicaid. I just have a couple of intent-related questions I'd like to ask very briefly. Your bill includes a STAR Kids Managed Care Advisory Committee that, among other things, is charged with making recommendations for improvements to the STAR Kids program, correct?

REPRESENTATIVE KRAUSE: Yes, sir.

J. TURNER: And children with disabilities can be eligible for private duty nursing benefits under that STAR Kids program, correct?

KRAUSE: That's correct.

J. TURNER: At the age of 21, the child ages out of STAR Kids and that benefit goes away since that doesn't apply for adults in Medicaid. But those kids, as they pass that age, continue in Medicaid frequently and sometimes for the rest of their lives because of their disabilities, correct?

KRAUSE: That's correct.

J. TURNER: My question is whether it would be within the purview of the STAR Kids Advisory Committee that is in your bill to look at this issue from a cost containment perspective and study whether it's cost effective to continue the private duty nursing benefit to the child past that age of 21 with proper utilization controls to control the costs?

KRAUSE: I think that would be appropriate for that study. Absolutely.

J. TURNER: Thank you, Representative Krause, and thank you again for all your work on this.
