Amend **CSSB 6** (house committee report) by adding the following appropriately numbered SECTIONS to the bill and renumbering the SECTIONS of the bill accordingly:

SECTION _____. Chapter 418, Government Code, is amended by adding Subchapter C-1 to read as follows:

SUBCHAPTER C-1. DISASTER RECOVERY LOAN PROGRAM

Sec. 418.061. DEFINITIONS. In this subchapter:

(1) "Account" means the disaster recovery loan account created under Section 418.066.

(2) "Eligible political subdivision" means a county, municipality, or school district that meets the qualifications prescribed by Section 418.062.

Sec. 418.062. ELIGIBILITY FOR LOAN. A political subdivision may apply to the division for a loan under this subchapter if:

(1) the political subdivision:

(A) is located wholly or partly in an area declared to be a disaster area by the governor or the president of the United States; and

(B) before applying to the division for a loan under this subchapter:

(i) has submitted to the division, within 15 days of the date of its adoption by the governing body of the political subdivision, the political subdivision's operating budget for the most recent fiscal year; and

(ii) has submitted an application for a loan from the Federal Emergency Management Agency's community disaster loan program;

(2) an assessment of damages due to the disaster for which the declaration was made has been conducted in the political subdivision; and

Sec. 418.063. DISASTER RECOVERY LOAN PROGRAM. The division by rule shall establish a loan program to use money from the account to provide short-term loans for disaster recovery projects to eligible political subdivisions.

(2) the loan proceeds must be expended by the eligible political subdivision solely for disaster recovery projects.

(b) The comptroller shall credit to the account all principal and interest payments on a loan from the account.

(c) If the term of a loan from the account exceeds two years, the state auditor shall, on the second anniversary of the date on which the eligible political subdivision received the loan, conduct a limited audit of the political subdivision to determine whether the political subdivision has the ability to repay the loan under the terms of the loan. The division may forgive a loan made to an eligible political subdivision if the state auditor determines that the political subdivision is unable to repay the loan. The state auditor's participation under this subsection is subject to approval by the legislative audit committee for inclusion in the audit plan under Section 321.013(c).

Sec. 418.065. APPLICATION FOR LOAN. The division shall develop and implement an application process for a loan under this subchapter. At a minimum, the application must include:

CSSB 421 - REMARKS

REPRESENTATIVE M. GONZÁLEZ: I'm not trying to hurt your bill, but as you know, this piece of legislation is very important to farmers and ranchers across the state, correct?

REPRESENTATIVE CRADDICK: That's correct.

M. GONZÁLEZ: And I know you have been working very hard along with Representative Burns and Senator Kolkhurst to make sure that we pass legislation that is equitable and balanced for everybody across the state, correct?

CRADDICK: That's correct.

M. GONZÁLEZ: So your intention on the passage of this bill is to go into conference, correct?

CRADDICK: That'd be up to the senate. What we did was take the bill and do the three main issues they put in there, and we've got something for all three of them. We'll send it to the senate, and that'll be up to their choice. But if it goes to conference, we'll try to work out the differences.

M. GONZÁLEZ: I appreciate you doing all the work that you're doing. I just want to, on behalf of my landowners and my farmers and my ranchers, advocate and put out there that they really did support the original language of the senate bill, and whatever you can do to preserve some of their needs, I would greatly appreciate it.

CRADDICK: I appreciate it, and you might be interested that it passed unanimously out of committee—this version.

M. GONZÁLEZ: No, definitely. I know this version is definitely a version, but for me, I have always felt that we need to advocate for farmers and ranchers in the agriculture community for what it'll look like 20 years from now. I think there is a need for some changes. To make sure that we're protecting them is really important to me and my district.

Amendment No. 1

Representative Morrison offered the following amendment to **CSSB 421**:

Amend **CSSB 421** (house committee printing) by adding the following appropriately numbered SECTIONS to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION _____. Chapter 1061, Special District Local Laws Code, is amended by adding Subchapter G to read as follows:

SUBCHAPTER G. SALES AND USE TAX

Sec. 1061.301. TAX AUTHORIZED. (a) The district may adopt, change the rate of, or abolish a sales and use tax at an election held in the district.

(b) The district may not adopt a tax under this subchapter or increase the rate of the tax if as a result of the adoption of the tax or the tax increase the combined rate of all sales and use taxes imposed by the district and all other political subdivisions of this state having territory in the district would exceed two percent in any location in the district.

Sec. 1061.302. APPLICABILITY OF OTHER LAW. Except to the extent that a provision of this subchapter applies, Chapter 323, Tax Code, applies to a tax authorized by this subchapter in the same manner as that chapter applies to the tax authorized by that chapter.

Sec. 1061.303. TAX RATE; CHANGE IN RATE. (a) The district may impose a tax authorized by this subchapter in increments of one-eighth of one percent, with a minimum rate of one-eighth of one percent and a maximum rate of two percent.

(b) The district may increase the rate of a tax authorized by this subchapter to a maximum of two percent or decrease the rate of the tax to a minimum of one-eighth of one percent if the change is approved by a majority of the voters of the district at an election called for that purpose.

Sec. 1061.304. ELECTION PROCEDURE. An election to adopt, change the rate of, or abolish a tax authorized by this subchapter is called by the adoption of an order of the board. The board may call an election on its own motion and shall call an election if a number of qualified voters in the district equal to at least five percent of the number of registered voters in the district petitions the board to call the election.

Sec. 1061.305. ELECTION IN OTHER TAXING AUTHORITY. (a) In this section, "taxing authority" means any entity authorized to impose a local sales and use tax.

(b) If the district is included within the boundaries of another taxing authority and the adoption or increase in the rate of a tax under this subchapter would result in a combined tax rate by the district and other political subdivisions of this state of more than two percent at any location in the district, an election to approve or increase the rate of the tax has no effect unless:

(1) one or more of the other taxing authorities holds an election in accordance with the law governing that authority on the same date as the election under this subchapter to reduce the tax rate of that authority to a rate that will result in a combined tax rate by the district and other political subdivisions of not more than two percent at any location in the district; and

(2) the combined tax rate is reduced to not more than two percent as a result of that election.

(c) This section does not permit a taxing authority to impose taxes at differential tax rates within the territory of the authority.

Sec. 1061.306. TAX EFFECTIVE DATE. (a) The adoption, change in the rate of, or abolition of a tax under this subchapter takes effect on the first day of the first calendar quarter occurring after the expiration of the first complete calendar quarter occurring after the date on which the comptroller receives notice of the results of an election to adopt, change the rate of, or abolish the tax.

(b) If the comptroller determines that an effective date provided by Subsection (a) will occur before the comptroller can reasonably take the action required to begin collecting the tax or to implement the change in the rate of the tax or the abolition of the tax, the effective date may be extended by the comptroller until the first day of the next calendar quarter.

Sec. 1061.307. USE OF TAX REVENUE. Revenue from a tax imposed under this subchapter may be used by the district for any purpose of the district authorized by law.

- (5) the balances expected at the end of the year in which the budget is being prepared;
- (6) the estimated revenue and balances available to cover the proposed budget;
- (7) the estimated ad valorem tax rate required; and
- (8) the proposed expenditures and disbursements and the estimated receipts and collections for the following fiscal year.
