The invocation was offered by Representative Canales as follows:

Heavenly Father, we are gathered here in the spirit of progress and in desperate need of your love and abundant grace. We pray for our children—for their health and their education and that that education not fall victim to testing profiteers—and that our teachers be held on high and that their pensions be held even higher and out of the reach of greedy hands. We ask that you light a fire within our hearts—fire to support those men and women who first respond and who also fight the fires that burn our lands and our homes—and that you fill our hearts with the spirit of giving, so much so that our food banks overflow.
We come to pray to seek not just the wisdom of the law but also that of the creator who created that wisdom and that law. We pray for your guidance, that we take inspiration from your love of all people and that we pursue justice which is due to every human being. Lord on high—gentle, yet powerful; lowly, yet almighty; shepherd, yet king—in your gentle guidance and your power, strengthen us with your lowliness and strip us of the selfish pride that destroys us. In your greatness, lift us up so that we may aspire to greater things. Bow us. Bend us at this hour so that we and these words may become the song of our heart, our mind, and our soul. In Jesus' name we pray. Amen.

The chair recognized Representative Stephenson who led the house in the pledges of allegiance to the United States and Texas flags.

**SB 4 ON THIRD READING**

(Burrows - House Sponsor)

SB 4, A bill to be entitled An Act relating to provisions in agreements between governmental entities and professional sports teams requiring the United States national anthem to be played at team events.

**SB 4 - REMARKS**

REPRESENTATIVE WU: Chair Burrows, just some clarification on your bill. The legislation that you're proposing affects contracts made between cities and sports teams, correct?
REPRESENTATIVE BURROWS: It's all local government, or all governmental entities, yes.

WU: But on one side is a governmental agency and on the other side of the contract is a private organization, individual, or company, correct?

BURROWS: Professional sports team is what it's defined as, yes.

WU: Okay, and that would be a private—that would not be another state agency, correct?

BURROWS: As far as I know, there are no governmental sports teams, yes.

WU: And from your layout yesterday, from your discussions yesterday, it seems like these contracts are already in existence. Is that correct?

BURROWS: I assume there are. I assume there are more to come.

WU: And if there are contracts already in existence, if this law went into place, existing contracts could be undone.

BURROWS: I don't believe so. I think as long as the professional sports teams, which I believe they all are playing the national anthem, could just simply continue to play the national anthem.

WU: But if one chose not to—under this law, if one chose not to—continue playing the national anthem or they chose to play a different anthem or they chose to not play the entirety of the national anthem in violation of this law, their contracts would be undone.

BURROWS: There's a provision in here that talks about what the defaults of the agreement will be. It talks about: "A governmental entity may not enter into an agreement with a professional sports team that requires financial commitment by the state or governmental entity unless the agreement includes . . ." So it's talking about new agreements.

WU: I'm sorry?

BURROWS: I believe it's talking about new agreements and what's required in new agreements by definition.

WU: Only new agreements?

BURROWS: Yes, we can look at it right here. In Section 2274.002, Provisions Required in Certain Agreements: "A governmental entity may not enter into a agreement . . ." So it's talking about the action of entering into agreement not actually invalidating existing ones.

WU: So just to be clear, if a sports team has a 10-, 20-, 30-year contract—an existing contract—they could not violate the terms of this legislation.

BURROWS: Well, they would not be—the act of entering into an agreement would not occur.

WU: Could you repeat your answer please?
BURROWS: Mr. Wu, let's look at the exact language of this because I think it answers itself. It says: "A governmental entity may not enter into an agreement with a professional sports team that requires a financial commitment by this state or governmental entity unless the agreement includes . . ." So it's not talking about old agreements that are already existing. It's talking about the action of entering into an agreement, which is what I think is specified in here. And so it's only talking about if you enter into an agreement which I take to be a new agreement.

WU: And would it be fair to say that that is only forward looking? It is not retroactive?

BURROWS: My legal reading of that, this would be what it means.

WU: So just to be extra clear for purposes of legislative intent—this legislation would not upset any existing contracts. It is not possible for this legislation to undo any existing contracts.

BURROWS: And I think there may be some other provision elsewhere, not in this law, that doesn't allow us to go retroactive on contracts as well.

WU: I'm sorry?

BURROWS: I believe there may be some other provisions out there that say we can't retroactively do contracts.

WU: Which provision is that?

BURROWS: Not in this—I'm sorry, I said other provisions in other sections of the Constitution and in the state law that require us not to undo existing agreements. This is forward looking by its own language by definition.

**REASON FOR VOTE**

Representative J. Turner submitted the following reason for vote to be printed in the journal:

I love and revere our national anthem, and appreciate its role as a civic institution and a source of national unity. When I place my hand over my heart and hear the words of "The Star-Spangled Banner," it is a reminder to me of our love for our country, and especially of our respect for those who have served, sacrificed, and even given their lives for this nation.

I voted against **SB 4** for two reasons. First, I believe that the bill is likely unconstitutional under the precedents of the United States Supreme Court. These include *Agency for Int'l Dev. v. Alliance for Open Soc'y Int'l, Inc.* (2013) and *West Virginia Bd. of Educ. v. Barnette* (1943), cases which seem to me to be valid interpretations of the First Amendment. (Although the bill conditions the requirement on public financial commitments, such agreements are common, and the bill appears to present an unconstitutional funding condition under the standards set forth in *Agency for Int'l Dev.*) It follows from the oath all members of the house took at the beginning of the legislative session that they should vote against any bill they believe to be unconstitutional.
Second, I believe the national anthem is even more meaningful when it is played freely, not as a result of legal compulsion. **SB 4** would change our anthem from something that is played and sung voluntarily at professional sporting events to something that is done because it is mandated by law. We should be mindful that governmental compulsion of such activities can undermine the sincere and heartfelt feelings that characterize voluntary participation.

The NBA and other professional leagues and teams have already made clear their intent to continue playing the national anthem before their games. I am confident that they would have done so without this bill. Allowing the anthem to continue to be played and sung freely would be true to the words of the anthem itself—which remind us that we are the "land of the free and the home of the brave."

SECTION ____. Article 18.10, Code of Criminal Procedure, is amended to read as follows:

Art. 18.10. HOW RETURN MADE. (a) Not later than three whole days after executing a search warrant, the officer shall return the search warrant. Upon returning the search warrant, the officer shall state on the back of the same, or on some paper attached to it, the manner in which the warrant has been executed. The officer shall also deliver to the magistrate a copy of the inventory of the property taken into his possession under the warrant. The failure of an officer to make a timely return of an executed search warrant or to submit an inventory of the property taken into the officer's possession under the warrant does not bar the admission of evidence under Article 38.23. The officer who seized the property shall retain custody of it until the magistrate issues an order directing the manner of safekeeping the property. Except as otherwise provided by Subsection (b), the property may not be removed from the county in which it was seized without an order approving the removal, issued by a magistrate in the county in which the warrant was issued; provided, however, nothing herein shall prevent the officer, or his department, from forwarding any item or items seized to a laboratory for scientific analysis.

(b) For the purposes of complying with this article, property seized pursuant to a warrant executed under Article 18.067 may be removed from the county in which it was seized and returned to the county in which the warrant was issued without a court order.

Amend SB 398 (house committee printing) on third reading by adding the following appropriately numbered SECTIONS to the bill and renumbering subsequent SECTIONS of the bill accordingly:

SECTION ____. Subchapter C, Chapter 39, Utilities Code, is amended by adding Section 39.1015 to read as follows:

Sec. 39.1015. CONSUMER PROTECTIONS FOR CERTAIN DISTRIBUTED RENEWABLE GENERATION AND ELECTRIC STORAGE RESOURCES. (a) A residential or small commercial customer is entitled to have access to distributed renewable generation and energy storage resources to:

(1) generate and export electricity to the grid;

(2) consume electricity from the grid; and

(3) reduce the customer's use of electricity from the grid.

(b) A residential or small commercial customer is entitled to store energy at the location of the customer's connection to the grid.

(c) A residential or small commercial customer that installs a distributed renewable generation or energy storage resource is entitled to timely approval of an interconnection agreement and interconnection of the distributed renewable generation or energy storage resource with the customer's transmission and distribution utility or electric utility in accordance with Section 39.554 or 39.916, as applicable. A residential or small commercial customer is entitled to timely approval of any permission to operate or any other approval required for the customer to use the customer's distributed renewable generation or energy storage resource.

(d) A residential or small commercial customer is entitled to timely notice from the customer's transmission and distribution utility or electric utility of an improvement and the cost of the improvement to the distribution grid that must be made to allow the customer to install or expand existing distributed renewable generation or energy storage resources.

(e) Except for a charge to recover a cost described by Subsection (d), an electric utility or a retail electric provider may not impose a rate or charge on a residential or small commercial customer or require a residential or small commercial customer to take service under a tariff or service plan that applies only to customers who have installed distributed renewable generation or energy storage resources.

(f) An electric utility or a retail electric provider may not charge a residential or small commercial customer a fee solely because the customer elects to disconnect service from the utility or provider.

(g) An electric utility may not charge a residential or small commercial customer with a distributed renewable generation or energy storage resource a fee to reconnect to the electric grid that is more than the fee charged to a customer in the same rate class who does not have a distributed renewable generation or energy storage resource, except the interconnection fee applicable to the original installation of the distributed renewable generation or energy storage resource.
(h) A residential or small commercial customer is entitled to interconnect in a manner that allows the customer to receive power from the customer's energy storage resource when the electric grid is not operating if the customer's distributed renewable generation resource is equipped with an inverter or other technology that complies with a standard developed by a federal agency or standards widely used by industry and other states that enables the distributed renewable generation resource to safely provide power to the customer when the electric grid is not operating.

(i) A residential or commercial customer who installs a distributed renewable generation or energy storage resource, regardless of ownership or financing structure of the resource, is entitled to the same interconnection rules, metering rules and programs, and incentive programs that may be provided to other customers by the retail electric provider, transmission and distribution utility, municipally owned utility, or electric cooperative that serves the customer.

(j) The commission by rule shall provide standards for billing and crediting mechanisms for distributed renewable generation resources. The standards must:

1. Calculate the value and benefits of distributed renewable generation resources, considering the benefits of distributed renewable generation to the distribution grid, including time-based and performance-based benefits, technology capabilities, increased resiliency, and present and future grid needs;

2. Ensure that the billing and crediting mechanism is understandable and easy to use for customers; and

3. Be applicable to a customer with distributed renewable generation installed in any part of this state, regardless of whether the customer is served by a retail electric provider, transmission and distribution utility, municipally owned utility, or an electric cooperative.

SECTION ___. The Public Utility Commission of Texas shall adopt rules required by Section 39.1015(j), Utilities Code, as added by this Act, not later than September 1, 2022.

SB 331 - REMARKS

REPRESENTATIVE MORALES SHAW: Chairwoman Button, that's the
question I had, the one I presented to Representative Crockett. My district is
65 percent Latino, and I've seen people show up at the polls, and they realize
they might have a question, and no one's there to answer it. Does your bill allow
for someone to—if someone is there that happens to speak their language and is
willing to interpret for them—does your bill allow for them to utilize that person
as an interpreter volunteer to help them at the poll?

REPRESENTATIVE BUTTON: If this person happened to be the choice of
person by the voter or designated by the election officer, that can be done. But it
has to meet those criteria.

MORALES SHAW: Oh, good. So that's a yes, thank you. And then my last
question, and thank you so much for this bill, Chairwoman Button, is just I
wanted to make sure—I didn't fully analyze SB 7, but do you know if there's any
part of SB 7 that would nullify or supersede or cancel out any part of your bill?

BUTTON: My understanding is no because you can that tell the joint
sponsors—including Chairman Cain, Vice-chair Jessica González, Representative
Hinojosa, and Representative Shaheen, who has a lot of immigrants in his
district—they all agree with that. So that has been considered, but I do appreciate
your interest very much.

MORALES SHAW: So nothing in SB 7 is intended to supersede anything in
your bill?
BUTTON: This has been incorporated in there just because Senator Nathan Johnson would like to have his bill pass as a separate bill, and I think that’s a good idea. That’s what we’re doing.

**Amendment No. 2**

Representative Ramos offered the following amendment to **SB 797**:

Amend **SB 797** on third reading as follows:

1. On page 1, line 7, strike "A public" and substitute insert "Subject to Subsection (d), a [A] public".

2. On page 2, between lines 5 and 6, insert the following:
   
   (d) On a petition signed by a majority of parents of the students at a school district or open-enrollment charter school campus, the board of trustees of the district or the governing body of the school may elect, through a public vote, to exempt the campus from the application of the requirements of this section. Subsection (a) does not apply to a district or school campus that is exempt from the requirements of this section under a vote conducted in accordance with this subsection.

Amendment No. 2 failed of adoption.

**SB 797 - REMARKS**

REPRESENTATIVE HINOJOSA: I appreciate you giving me this opportunity to discuss something we just privately discussed, because I'm trying to understand exactly what this bill means for our public schools. And there's a couple of places here where the word "must" is used. And I want to make sure that in the context of this bill the word "must" doesn't mean that somehow the school must find somebody to donate this. But can you explain to me what you mean by that in this legislation?
REPRESENTATIVE OLIVERSON: It's a great question, and I appreciate you bringing that to me, Representative Hinojosa. So basically what it simply says is that if a not-for-profit, the PTA, somebody, presents a school district with framed copies of the national motto as specified in this bill, containing the American flag and the Texas flag, that they can't just throw them in the trash. They have to put them up. It says in a conspicuous location, and that's all it says.

HINOJOSA: And so the "must" is to the fact of if they do receive it, then they have to put it up, but it's not a "must"—

OLIVERSON: Yes, ma'am, but they're not obligated to go out and find somebody to donate them.

HINOJOSA: Okay, and then there's a second use of the word "must" about containing certain representations under Subsection (b) of this section. Can you describe what that's about?

OLIVERSON: Right, so we just wanted to keep it real simple. So it's basically the national motto, which is above the dais for reference, and the American flag and the Texas flag and that's it. It doesn't contain anything else.

HINOJOSA: Okay, and so the representation that is donated must have the flag.

OLIVERSON: That's right. And so for that representation, whatever is donated, to be valid under this, it has to look like what is described here.

REMARKS ORDERED PRINTED

Representative Hinojosa moved to print remarks between Representative Oliverson and Representative Hinojosa on SB 797.

SB 1111 ON THIRD READING
(Paul, Anderson, Tinderholt, E. Thompson, and Schofield - House Sponsors)

SB 1111, A bill to be entitled An Act relating to the residence address of a voter for purposes of a response to a confirmation notice sent by the voter registrar.

SB 1111 - REMARKS

REPRESENTATIVE PAUL: This is a bill that takes care of improper voting boxes.

REPRESENTATIVE J. GONZÁLEZ: Could you—and I know you and I've had several discussions on this bill—but can you walk me through what an individual without an address, what do they need to do in order for them to be able to vote or register to vote?

PAUL: This bill has got nothing to do with registration.

J. GONZÁLEZ: It has to do with their address. I'm just asking you because we talked about this affecting the homeless community, and so I just want to clarify that because you said that it doesn't. So I just want to make sure that it doesn't.
PAUL: Well, you asked about registration. It doesn't have to do with registration. It has to do with residence.

J. GONZÁLEZ: Okay, so on page 1 of your bill, lines 19-23, it says simply having a PO box, that that would trigger the registrar to send confirmation notice to the voter, right? So a person can use a PO box as of now to register to vote?

PAUL: No, they can't use a PO box already. That's already current law.

J. GONZÁLEZ: But in your bill it says the words "similar location." What does that include, "similar location"?

PAUL: Like I said, this takes care of a commercial box.

J. GONZÁLEZ: Would that include a nonprofit that does mail service for the homeless?

PAUL: That's irrelevant.

J. GONZÁLEZ: It's not irrelevant because there's concern from these nonprofits and from ministries, and so I'm addressing those concerns.

PAUL: If they registered using a commercial box, they can't do that.

J. GONZÁLEZ: So it would not include a nonprofit that has mail service for homeless people, right?

PAUL: Homeless people would register using whatever address that they're located at saying that they're homeless. So if they live at 4th and Elm, they would put 4th and Elm. That's got nothing to do with this box where they wouldn't register at. That would be their address where they live.

J. GONZÁLEZ: It does have to do with bill.

PAUL: They can still get mail anywhere they want. It's got nothing to do with mail. It's just where they live.

J. GONZÁLEZ: I'm looking at the language of your bill, so this is relevant to your bill. On page 2, line 24, which is the official confirmation notice response, does that sworn affirmation require access to having to have a notary?

PAUL: No, the affidavit doesn't require a notary.

J. GONZÁLEZ: I'm sorry?

PAUL: It does not require a notary.

J. GONZÁLEZ: Okay, so they don't have to get a notarized document?

PAUL: No.

J. GONZÁLEZ: And then what about on page 3, line 8, where it says "a photocopy." Would that not require a person to have access to a photocopier, a copy machine?

PAUL: If they registered in a wrong location that it's illegal to register at, they would have to get a photocopy to show that.

J. GONZÁLEZ: Okay, so it would require for someone to have to have access to a copy machine.
PAUL: No. Everybody does.

J. GONZÁLEZ: On page 4, lines 7-12, Subsection (b) requires the execution of an affidavit. Did you know that executing an affidavit requires for somebody to have access to a notary?

PAUL: It can, but it doesn't say they have to.

J. GONZÁLEZ: It says "executing an affidavit." Typically, an affidavit requires for the document to be notarized.

PAUL: I don't think so but we're unadvised.

J. GONZÁLEZ: Okay. Are you aware that a number of churches and other nonprofits provide mail services for those without an address to be able to receive mail?

PAUL: The only address they have to have is what's required by DPS to show residence.

J. GONZÁLEZ: Are you aware that the National Voter Registration Act encourages those nonprofits to register their clients to vote? Or those folks who are taking advantage of those services?

PAUL: This bill is in compliance with the National Voter Registration Act.

J. GONZÁLEZ: Well, I mean, I offered an amendment yesterday that I was hoping that you would accept that would address the concern that some of these nonprofits and churches have so that folks who are homeless are able to stay registered to vote once they receive that notice. Because they may not have a consistent—

PAUL: It's not necessary.

J. GONZÁLEZ: So are you aware that many of these nonprofits routinely register their clients to vote as part of their intake process?

PAUL: I'll take your word for it.

Amendment No. 1

Representative Bucy offered the following amendment to SB 1111:

Amend SB 1111 on third reading as follows:

(1) Strike page 1, lines 17 through 18, and substitute the following:

SECTION 2. Section 15.051, Election Code, is amended by amending Subsection (a) and adding Subsection (a-1) to read as follows:

(a-1) A registrar does not have reason to believe that a voter's current residence requires confirmation under Subsection (a) solely because the residence address corresponds to a location that is not a traditional residence or is not zoned as a residential property. Before requiring confirmation for a residence address under this subsection, a registrar must make a good faith effort to determine whether the residence address corresponds to a church, shelter, residential office, or other property that might serve as a residence.
(3) On page 3, line 1, between "residence" and "evidence", insert "or is subject to Section 15.051(a-1)".

REPRESENTATIVE BUCY: This amendment seeks to clarify some problematically vague language in the current bill. Currently, the bill uses the phrase "commercial post office box or similar location that does not correspond to a residence." But the language provides no context as to what types of locations a registrar should consider to be similar to a commercial post office. Does it mean just other mailing facilities? Does it mean any other residential address? This amendment is just trying to clarify this. We're trying to avoid unnecessary lawsuits. We're trying to save taxpayer money. We're trying to avoid witch hunts. We just want to clarify what we mean.

The intent of this bill, as we've been told, is about using commercial box offices. So this amendment would simply clarify that the proof of residence requirements of the bill do not apply to nontraditional residences such as a church, shelter, or business serving as a residence. It would make sure that registrars know that the language or similar location means the location is similar to a commercial post office box and that a person definitely would not be living there. We're saying do a little due diligence before you question people's residency. That's all we're asking. Let's avoid lawsuits. It's going to cost all of us money.

A record vote was requested by Representative Bucy.

Amendment No. 2
Representative Israel offered the following amendment to SB 1111:

Amend SB 1111 (house committee printing) by striking page 5, lines 6-10.

REPRESENTATIVE ISRAEL: This is an amendment designed to eliminate some
duplicating language. On page 5, lines 6 through 10, are a duplicate of what’s on
the prior page.

Amendment No. 2 failed of adoption.

REPRESENTATIVE COLLIER: Representative Paul, I just wanted to go over
these documents on page 3. It says: "Documentation of Residence for Purposes of
Confirmation Notice Responses." So what I’ve gathered based on reading the bill
is that what you’re trying to prevent is a potential voter from moving into a
particular precinct or district just because of the election. So is there a way that a
voter can decide—how would you know that they’re not doing that? Would that
be the documentation that you’re asking for?

PAUL: Yes. This is a bill to make sure that you don’t move into—just register
using one of these boxes for purposes of voting only.

COLLIER: Okay, and so I heard Representative González talking about people
who are homeless. My understanding is that a homeless individual can set their
address at any location that they deem appropriate.

PAUL: Yes, that’s not a box.

COLLIER: Okay. So if—

PAUL: It’s like I said. They could register at 4th and Elm. If they’re living off of
I-35 at 7th Street, they can put that and register at that address.

COLLIER: And so if they do that, how would you know that they were doing
that to influence the outcome of an election? How would you be able to show
that?

PAUL: Well, that wouldn't have anything to do with them and this bill because
they are registered at an address. They used an address to register.

COLLIER: Okay, so if they are already registered. So what you’re trying to get at
is those individuals in between who already have an address and then they are
moving to a new address for the sole purpose of—

PAUL: Then they would register at the new address. They wouldn't go register at
some box somewhere.
COLLIER: Okay. So if a person is in an in-between time—like say, for instance, I believe that DPS says that we have 30 days to change our driver's license. So if I’m in the between time—

PAUL: It doesn't apply to that.

COLLIER: It would not apply to that. All right. So then is any of the documentation on page 3, are any of these free to purchase or to obtain?

PAUL: Say again?

COLLIER: Are any of the documentation—so on page 3, you have listed what is acceptable to verify a voter's residence: a driver's license, a personal identification card, a license to carry, an appraisal district document showing the address that the person claims as a homestead, a utility bill—

PAUL: Yes, those are items that are declared by the DPS as lawful for showing of residence.

COLLIER: Sure. Are any of these free?

PAUL: Yes.

COLLIER: Okay, which one is free?

PAUL: I'm not advised right now.

COLLIER: You're not advised which one is free?

PAUL: There's free things on there. So this is—again, these are people that have already registered to vote. It's got nothing to do with registering. All it is is confirming their residence. These are people that, if you had it to register to vote, if you had the free piece of documentation to register vote, you used it and voted. You registered. So it's the same.

COLLIER: Well, I understand you think it's simple, but I have constituents who are concerned that this may be an onerous requirement placed on them. So I just want to make sure there is something that is free.

PAUL: Whatever they had to register to vote, they have it. That means they had it, so it's not onerous.

COLLIER: But you're trying to crack down on those who you say are moving to influence the outcome of an election, right?

PAUL: They may.

COLLIER: Well, that's what the purpose of this bill is.

PAUL: Well, we know that's what people have done.

COLLIER: Well, I'm just saying so you're trying to crack down on that. So if I already have a voter registration card for my address, what you're trying to cut out is from me from moving to a different location—

PAUL: No, it's not.
COLLIER: Well, you're saying that I need to prove that I didn't move to influence the outcome of an election. And in order to do that, I need to provide these following—

PAUL: It's got nothing to do with you moving.

COLLIER: Okay. Well, if I designate an address?

PAUL: If you're voting at the address that you reside in, this would never affect.

COLLIER: Okay, but I'm just trying to figure out how you can prove that someone didn't move to influence the outcome? How are you going to prove that it was that?

PAUL: They would have to register at this box. Because once you register at the box and you don't live there, then you would have a problem. Nobody moving is not a problem.

COLLIER: Isn't that what we do now?

PAUL: Say again?

COLLIER: I thought that that's what you do now. I thought that right now in order for me to register to vote I declare an address. So I don't understand the issue you're trying to address. What is the problem?

PAUL: It's up to law enforcement.

COLLIER: I'm sorry. What's up to law enforcement?

PAUL: To make a determination.

COLLIER: As to someone's address?

PAUL: If you did it illegally.

COLLIER: So who would bring those charges? Who would bring the complaint?

PAUL: If your registered in one of these boxes that you do not live at, then it would be breaking the law.

COLLIER: Okay, so who would file the complaint in this case to address your bill? If there's a violation of the provisions?

PAUL: The voter registrar or a citizen.

COLLIER: Any citizen can file a complaint?

PAUL: Yes.

COLLIER: And who would they file it with?

PAUL: With the voter registrar.

COLLIER: So they would file a complaint with the voter registrar who would then do what?

PAUL: Then they would investigate and make sure that's the case.

COLLIER: The voter registrar would investigate to make sure that the person did not move to influence an outcome of an election?
PAUL: If they tried to say that they lived in a box.
COLLIER: That they lived in a box? You mean like a tent?
PAUL: No, if they lived in a box that you're calling a PO box.
COLLIER: Oh, okay. So if somebody—
PAUL: You have to say your address, so it can't be a box.
COLLIER: Well, the college students who get their mail at a PO box, is that address in the—
PAUL: It's got nothing to do with college students, and they're exempt from any of this.
COLLIER: I'm just trying to figure out—so if I find out that somebody has moved, they've checked a PO box, this is only addressing PO boxes?
PAUL: Again, it's got nothing to do with moving.
COLLIER: Okay. So this is me declaring a particular PO box? Is that what this is trying to address? Saying that you cannot use a PO box?
PAUL: You already can't register in a PO box. This is taking care of somebody that's in a commercial box.
COLLIER: I'm sorry? A what?
PAUL: A commercial box.
COLLIER: A commercial box?
PAUL: Have you been to a UPS store and seen those commercial mailboxes?
COLLIER: Okay. So can you give me an example of a commercial box so that we were clear?
PAUL: I just did.
COLLIER: I'm sorry. I don't know what that is. What is it?
PAUL: UPS.
COLLIER: UPS. Okay, thank you. So if somebody utilizes UPS as their address, you're saying that that's not going to be acceptable, because you believe that that's a loophole in the current law. I'm just trying to understand what your bill—
PAUL: That's correct. Yes, that can't be your residence.
COLLIER: Okay, all right. Well, thank you for clarifying that. So this bill doesn't have anything to do with someone who's homeless, because they're not going to use a UPS box, right?
PAUL: That's right. They're going to have to use whatever address they live at.
COLLIER: They're going to use 4th and whatever you said.
PAUL: That's right.
COLLIER: 4th and Elm, right? Okay. So what we have gathered is that a person who declares a particular address, they will not be able to use anything that is offered for free, because the items that you have listed here all cost money.

PAUL: Well, they obviously have that because they registered to vote.

COLLIER: Well, I don't think every registered voter has money.

PAUL: Well, they must have had it because they registered to vote. You can't register to vote without that. It's got nothing with registration because people already registered.

COLLIER: There is a document that is free that is available through DPS, but I don't see that on your list. I don't see that on this list. That's all I'm saying. I don't see that document on this list. Would you be willing to accept an amendment that would provide for that document to be available as proof of residence?

PAUL: No, because we've already vetted this with the DPS. Anything else doesn't have that residency on it.

POSTPONED BUSINESS

The following bills were laid before the house as postponed business:
CSSB 1281 ON SECOND READING
(P. King - House Sponsor)

CSSB 1281, A bill to be entitled An Act relating to a reliability assessment of the ERCOT power grid and certificates of public convenience and necessity for certain transmission projects.

CSSB 1281 was read second time on May 24 and was postponed until 6 a.m. today.

Amendment No. 1

Representative Darby offered the following amendment to CSSB 1281:

Amend CSSB 1281 (house committee printing) as follows:

(1) On page 1, line 11, strike “load-serving”.
(2) On page 2, strike lines 2 through 8 and substitute the following: historical load, forecasted load growth, and additional load currently seeking interconnection.

AMENDMENT NO. 1 - REMARKS

REPRESENTATIVE ZWIENER: It’s been a privilege to work on this legislation with you for the past couple of days and I really appreciate how you advocate for Texas energy all across the board. So this piece around interconnections and the three mile language, I know that’s something that we were all very supportive of. Can you explain how that helps Texas consumers?

REPRESENTATIVE DARBY: The purpose is and one thing we learned in the recent storm is we need some transmission. And what this bill does, what CSSB 1281 does, is advance some of those interconnect projects closer. There are provisions in the bill that allow a transmission to be built quickly without having to obtain PUC or ERCOT approval. This advances those projects forward. We also learned during the storm that we need energy storage and other provisions. We need to locate transmission near the load growth, and this bill does that now.

ZWIENER: And so this language makes it easier for us to get more energy onto the grid sooner and helps us reduce congestion in transmission and better serve all Texas customers. Is that correct?

DARBY: Exactly, and it has the potential for reducing transmission costs, also.

ZWIENER: And my understanding of this amendment is that, as I think Representative King mentioned and you've mentioned, it’s been heavily negotiated but this is good for all of our energy producers, good for our transmission and distribution utilities, and good for our consumers, whether those are individual Texas homeowners or big Texas industrial businesses. Is that right?

DARBY: Absolutely, and I want to thank you for all your work in making this possible, and I want to publicly thank Chairman King for all his efforts in regard to negotiating this bill, and I want to thank all the stakeholders who spent a lot of time and energy on this bill. This is an important bill, and I think it moves this
state forward in a lot of aspects on how we transmit generation and encourage generation in this state, and I want to thank both of you for all the work that you've done and in connection with moving this bill forward.

Amendment No. 1 was adopted.

**CSSB 1281 - STATEMENT OF LEGISLATIVE INTENT**

ZWIENER: Thank you so much, Representative King. It has also been a pleasure to work with you on this legislation. I'm so glad that your initial legislation to cut through red tape, that we've been able to expand to cut through even more red tape here in Texas. I do want to ask you a couple questions on legislative intent. Representative King, is it your understanding that this bill will help our Texas power grid serve all of its consumers, including all sectors—residential, commercial, and industrial?

REPRESENTATIVE P. KING: It is.

ZWIENER: As you know, for the past 20 years we have had a test in the transmission planning process referred to as the production cost savings test. Does CSSB 1281 require the Public Utility Commission or ERCOT to eliminate that test?

P. KING: No, it does not. It stays in statute—or stays in rule.

ZWIENER: I'm really glad we could clear that up because I know that was one of the big concerns of some of the stakeholders. Is it your intent to simply add this specific test known as the consumer test to better address transmission congestion and ensure cost savings for all consumers and to deliver power to a growing population and a growing economy?

P. KING: Yes, it is. The production test will remain in rule and then this will be established through this bill.

ZWIENER: Based on the commitments made by all stakeholders to amend this bill and support it as amended, is it your intent to ask the senate to concur with these changes and to try and hew closely to this bill if a conference committee does occur?

P. KING: We're going to do our best.

**CSSB 1281**, as amended, was passed to third reading.

**REMARKS ORDERED PRINTED**

Representative Zwiener moved to print remarks between Representative Darby and Representative Zwiener on Amendment No. 1 and Representative P. King and Representative Zwiener on **CSSB 1281**.

The motion prevailed.

SENATE BILLS

SECOND READING

The following bills were laid before the house and read second time:

SB 14 ON SECOND READING

(P. King, Paddie, Metcalf, Burrows, Lucio, et al. - House Sponsors)

SB 14, A bill to be entitled An Act relating to the regulation by a municipality or county of certain employment benefits and policies.

Amendment No. 1

Representative P. King offered the following amendment to SB 14:

Amend SB 14 (house committee report) in SECTION 1 of the bill, in added Section 83.002(c), Labor Code (page 2, lines 3-17), by inserting the following appropriately numbered subdivision and renumbering subsequent subdivisions accordingly:

(____) employment and safety protections afforded by state and federal law to employees and prospective employees;

AMENDMENT NO. 1 - STATEMENT OF LEGISLATIVE INTENT

REPRESENTATIVE J.E. JOHNSON: Representative King, I appreciate you working with us. I wanted to clarify some issues for the purposes of legislative intent. As you are well aware, many local ordinances affect nondiscrimination policies that are designed to protect the LGBT community, amongst others. Does SB 14 have any language that would modify, amend, repeal, or alter any current nondiscrimination ordinance here in Texas?
REPRESENTATIVE P. KING: I'm going to read this because I want to be very specific and make sure we get into the record the things that we need to get into the record. SB 14 makes it clear that only ordinances regulating employment that exceed state or federal law can be preempted. The SCOTUS Bostock decision from June 2020 makes it clear that Title VII of the Civil Rights Act of 1964 already prohibits employment discrimination against LGBTQ workers. Thus, ordinances that prohibit LGBTQ employment discrimination do not exceed federal law and are not impacted by SB 14.

J.E. JOHNSON: So just to confirm, it is not your intent or the intent of the bill to affect any local nondiscrimination ordinances. Is that correct?

P. KING: Correct, because federal law Title VII trumps SB 14 and anything else we do at the state or local level.

J.E. JOHNSON: And likewise, it is not your intent or the intent of the bill that it would prohibit any municipality from passing any type of nondiscrimination ordinance in the future. Is that correct?

P. KING: This bill does not prohibit that. It does not empower that, but it does not prohibit that. It's just neutral to it.

(b) Except as provided by Sections 39A.201 and 39A.202, the trustees as a body corporate have the exclusive power and duty to govern and oversee the management of the public schools of the district. All powers and duties not specifically delegated by statute to the agency or to the State Board of Education are reserved for the trustees, and the agency may not substitute its judgment for the lawful exercise of those powers and duties by the trustees.

(b) At the end of the term of a charter for an open-enrollment charter school, if a charter holder submits to the commissioner a petition for expedited renewal of the charter, the charter automatically renews unless, not later than the 30th day after the date the charter holder submits the petition, the commissioner provides written notice to the charter holder that expedited renewal of the charter is denied. The commissioner may not deny expedited renewal of a charter if:

(1) the charter holder has been assigned the highest or second highest performance rating under Subchapter C, Chapter 39, for the three preceding school years;

(2) the charter holder has been assigned a financial performance accountability rating under Subchapter D, Chapter 39, indicating financial performance that is satisfactory or better for the three preceding school years; and

SECTION 2.03. Section 29.202(a), Education Code, is amended to read as follows:

(a) A student is eligible to receive a public education grant or to attend another public school in the district in which the student resides under this subchapter if the student is assigned to attend a public school campus assigned an unacceptable performance rating that is made publicly available under Section 39.054 for:

(4) in response to established compliance reviews of the district’s financial accounting practices and state and federal program requirements;
(5) when extraordinary numbers of student placements in disciplinary alternative education programs, other than placements under Sections 37.006 and 37.007, are determined;

(6) in response to an allegation involving a conflict between members of the board of trustees or between the board and the district administration if it appears that the conflict involves a violation of a role or duty of the board members or the administration clearly defined by this code;

(7) when excessive numbers of students in special education programs under Subchapter A, Chapter 29, are assessed through assessment instruments developed or adopted under Section 39.023(b);

(15) when a school district for any reason fails to produce, at the request of the agency, evidence or an investigation report relating to an educator who is under investigation by the State Board for Educator Certification; or

(16) as the commissioner otherwise determines necessary.

(b) If the agency's findings in an investigation under Subsection (a)(6) indicate that the board of trustees has observed a lawfully adopted policy that does not otherwise violate a law or rule, the agency may not substitute its judgment for that of the board.
(c) The commissioner may authorize special accreditations investigations to be conducted in response to repeated complaints submitted to the agency concerning imposition of excessive paperwork requirements on classroom teachers.

(d) Based on the results of a special accreditations investigation, the commissioner may:

1. take appropriate action under Chapter 39A;
2. lower the school district's accreditation status or a district's or campus's accountability rating; or
3. take action under both Subdivisions (1) and (2).

(e) At any time before issuing a report with the agency's final findings, the commissioner may defer taking an action under Subsection (d) until:

1. a person who is a third party, selected by the commissioner, has reviewed programs or other subjects of an investigation under this section and submitted a report identifying problems and proposing solutions;
2. a district completes a corrective action plan developed by the commissioner; or
3. the completion of actions under both Subdivisions (1) and (2).

(f) Based on the results of an action taken under Subsection (e), the commissioner may decline to take the deferred action under Subsection (d). Regardless of whether the commissioner lowers the school district's accreditation status or a district's or campus's performance rating under Subsection (d), the commissioner may take action under Section 39A.002 or 39A.051 if the commissioner determines that the action is necessary to improve any area of a district's or campus's performance, including the district's financial accounting practices.

Sec. 39.004 [39.058]. CONDUCT OF SPECIAL [ACCREDITATION] INVESTIGATIONS. (a) The agency shall adopt written procedures for conducting special accreditations investigations [under this subchapter], including procedures that allow the agency to obtain information from district employees in a manner that prevents a district or campus from screening the information. The agency shall make the procedures available on the agency Internet website. Agency staff must be trained in the procedures and must follow the procedures in conducting the special accreditations investigation.

(a-1) During the pendency of a special investigation under this section, the agency is not required to disclose the identity of any witness.

(b) After completing a special accreditations investigation, the agency shall present preliminary findings to any person or entity the agency finds has violated a law, rule, or policy. Before issuing a report with its final findings, the agency must provide a person or entity the agency finds has violated a law, rule, or policy an opportunity for an informal review by the commissioner or a designated hearing examiner.

(c) In presenting the agency's preliminary findings to a school district under Subsection (b), the agency:

1. shall provide to the district a written report of the agency's preliminary findings of the investigation;
(2) shall provide to the district any evidence relied on by the agency in making the preliminary findings;

(3) shall disclose to the district the identity of any witness whose statements the agency relied on in making the preliminary findings; and

(4) may not include recommended sanctions or interventions.

d) A written report of preliminary findings under Subsection (c) and all associated materials produced by the agency in support of the report are excepted from public disclosure as audit working papers of the agency under Section 552.116, Government Code. A school district may publicly release a report of preliminary findings only if the release is approved by an affirmative vote of the board of trustees of the district.

(e) Unless otherwise provided by law, all evidence collected by the agency in connection with a special investigation, including witness statements and videos of agency interviews, are confidential and not subject to disclosure under Chapter 552, Government Code, except that evidence described by this section may be disclosed:

(1) to a person with a legitimate interest in the investigation; or

(2) in connection with an administrative or other legal proceeding brought under this title.

(f) Not later than 30 days after the date on which the board of trustees of the school district receives the written report of the preliminary findings under Subsection (c), the board of trustees of a school district may accept the agency's findings or respond in writing to the agency.

(g) The agency shall consider any response submitted by the board of trustees of the school district under Subsection (f) before providing the board of trustees of a school district a final report in writing that includes proposed sanctions or interventions.

(h) Before the commissioner determines to order a sanction or intervention based on a final report, other than a sanction or intervention described by Section 39.005, the commissioner or the commissioner's designee shall provide an informal review. An informal review provided under this section is not a contested case for purposes of Chapter 2001, Government Code.

(i) In conducting a special investigation under Section 39.003, the commissioner or the commissioner's designee may subpoena a current or former school district employee, agent, or official to compel the employee, agent, or official to attend a deposition or produce documents reasonably necessary for the investigation.

(j) If a person fails to comply with a subpoena issued under Subsection (i), the commissioner, acting through the attorney general, may file suit to enforce the subpoena in a district court in this state. On a finding that good cause exists for issuing the subpoena, the court shall order the person to comply with the subpoena and the court may punish a person who fails to obey the court order.

(k) A court may not enjoin a special investigation conducted under this section prior to the conclusion of the special investigation.
A school district must exhaust the administrative remedies provided under this subchapter before appealing the findings or final recommendations of a special investigation conducted under this section to a court.

SECTION 2.05. Subchapter A, Chapter 39, Education Code, is amended by adding Sections 39.005, 39.006, and 39.007 to read as follows:

Sec. 39.005. HEARING FOLLOWING INVESTIGATION. (a) This section applies to a school district that is the subject of a special investigation conducted under Section 39.003 that resulted in a final report in which the agency recommends the appointment of a board of managers, alternative management of a campus, or closure of the district or a district campus.

(b) Except as provided by Subsection (c), not later than 15 days after the date on which the board of trustees of the school district receives the final report of a special investigation under Section 39.004(g), a board of trustees of a school district to which this section applies may request a hearing if the board of trustees disagrees with the final report or a sanction or intervention recommended by the agency in the report.

(c) A school district and the agency may agree in writing to extend the time period for requesting a hearing under Subsection (b) by not more than an additional 30 days.

(d) If a board of trustees of a school district requests a hearing under Subsection (b), the hearing shall be conducted by the State Office of Administrative Hearings unless the district and the agency agree in writing to the appointment of another qualified person to conduct the hearing.

(e) Except as otherwise provided by this subchapter, a hearing conducted under this section is a contested case under Chapter 2001, Government Code.

(f) A hearing conducted under this section shall be held at the administrative offices of the school district that requested the hearing or at another location within the geographic boundaries of the district agreed to by the district and the agency, unless the district and the agency agree in writing to a different location.

(g) To protect the privacy of a witness who is a child, the hearing examiner or the person conducting the hearing may:

(1) close the hearing to receive the testimony of the witness; or

(2) order that the testimony or a statement of the witness be presented using the procedures prescribed by Article 38.071, Code of Criminal Procedure.

(h) Not later than 90 days after the date on which the school district requests a hearing under Subsection (b), the hearing examiner or the person conducting the hearing shall issue and submit to the commissioner findings of fact and conclusions of law. The hearing examiner or the person conducting the hearing may not issue a recommendation for relief.

(i) A hearing conducted under this section may not be held on a Saturday, Sunday, or state or federal holiday, unless agreed to by the school district that requested the hearing and the agency.

Sec. 39.006. COMMISSIONER DETERMINATION. (a) After a hearing is conducted under Section 39.005, the commissioner shall provide an opportunity for the agency and the school district to present oral argument to the
commissioner regarding the disagreement that formed the basis of the hearing. The commissioner shall provide the agency and the district with equal time for oral argument.

(b) After hearing any oral argument presented under Subsection (a), the commissioner shall issue a written decision to the school district that contains:

(1) findings of fact;
(2) conclusions of law; and
(3) sanctions, interventions, or other actions authorized by law.

(c) In determining the written decision under Subsection (b), the commissioner shall consider:

(1) the record of the hearing conducted under Section 39.005;
(2) the findings of fact and conclusions of law issued by the hearing examiner or the person conducting the hearing under Section 39.005(h); and
(3) the oral arguments presented under Subsection (a).

(d) The commissioner may accept, reject, or amend the conclusions of law issued by the hearing examiner or the person who conducted the hearing under Section 39.005 regarding the interpretation of a provision of this code.

(e) The commissioner may not reject or amend a finding of fact issued by the hearing examiner or the person who conducted the hearing under Section 39.005, unless the commissioner, after reviewing the record, determines that a finding of fact is not supported by substantial, admissible evidence.

(f) The commissioner shall provide in writing the legal basis and reason for any amendment or rejection of a finding of fact or conclusion of law made by the hearing examiner or the person who conducted the hearing under Section 39.005.

Sec. 39.007. JUDICIAL APPEAL. (a) Notwithstanding Chapter 2001, Government Code, a school district may only appeal a decision made by the commissioner under Section 39.006 in accordance with this section.

(b) A school district may appeal a decision made by the commissioner under Section 39.006 to:

(1) a district court with jurisdiction in the county in which the school district's central administrative offices are located; or
(2) a district court in Travis County, if agreed to by the school district and the commissioner.

(c) A school district must file an appeal under this section not later than 30 days after the date on which the district received the written decision of the commissioner under Section 39.006(b).

(d) The filing of an appeal under this section does not affect or stay the enforcement of the commissioner’s written decision issued under Section 39.006(b).

(e) A court hearing an appeal under this section shall review the decision issued by the commissioner under Section 39.006(b) under the substantial evidence rule as provided by Subchapter G, Chapter 2001, Government Code, after examining:

(1) the evidentiary record of the hearing conducted under Section 39.005;
(2) the findings of fact issued by the hearing examiner or the person that conducted the hearing under Section 39.005; and

(3) any amendment or rejection of a finding of fact made by the commissioner under Section 39.006.

(f) A court hearing an appeal under this section may not take additional evidence.

(g) A court hearing an appeal under this section may review any amendment to or rejection of a finding of fact made by the commissioner. If the court determines that the amendment or rejection was not supported by substantial evidence, the court shall reject the commissioner’s amended finding of fact and consider instead the original finding issued by the hearing examiner or the person who conducted the hearing under Section 39.005.

(h) Notwithstanding Section 2001.174, Government Code, the court may not reverse or remand a decision issued by the commissioner under Section 39.006(b) based on a procedural error or irregularity made by the commissioner, an agency investigator, or the hearing examiner or the person who conducted the hearing under Section 39.005, unless the court determines that the procedural error or irregularity is likely to have caused an erroneous decision by the commissioner.

SECTION 2.06. Section 39.054, Education Code, is amended by amending Subsections (a), (a-3), and (b-1) and adding Subsections (a-4) and (a-5) to read as follows:

(a) Except as provided by Subsection (a-4), the commissioner shall adopt rules to evaluate school district and campus performance and assign each district and campus an overall performance rating of A, B, C, D, or F. In addition to the overall performance rating, the commissioner shall assign each district and campus a separate domain performance rating of A, B, C, D, or F for each domain under Section 39.053(c). An overall or domain performance rating of A reflects exemplary performance. An overall or domain performance rating of B reflects recognized performance. An overall or domain performance rating of C reflects acceptable performance. An overall or domain performance rating of D reflects performance that needs improvement. An overall or domain performance rating of F reflects unacceptable performance. A district may not receive an overall or domain performance rating of A if the district includes any campus with a corresponding overall or domain performance rating of D or F. If a school district has been approved under Section 39.0544 to assign campus performance ratings and the commissioner has not assigned a campus an overall performance rating of D or F, the commissioner shall assign the campus an overall performance rating based on the school district assigned performance rating under Section 39.0544. [A reference in law to an acceptable rating or acceptable performance includes an overall or domain performance rating of A, B, C, or D or performance that is exemplary, recognized, or acceptable performance or performance that needs improvement.]

(a-3) Not later than August 15 of each year, the following information shall be made publicly available as provided by rules adopted under this section:
(1) the performance ratings for each school district and campus; and
(2) if applicable, the number of consecutive school years of unacceptable performance ratings for each district and campus.

(a-4) Notwithstanding any other law, the commissioner may assign a school district or campus an overall performance rating of "Not Rated" if the commissioner determines that the assignment of a performance rating of A, B, C, D, or F would be inappropriate because:
(1) the district or campus is located in an area that is subject to a declaration of a state of disaster under Chapter 418, Government Code, and due to the disaster, performance indicators for the district or campus are difficult to measure or evaluate and would not accurately reflect quality of learning and achievement for the district or campus;
(2) the district or campus has experienced breaches or other failures in data integrity to the extent that accurate analysis of data regarding performance indicators is not possible;
(3) the number of students enrolled in the district or campus is insufficient to accurately evaluate the performance of the district or campus; or
(4) for other reasons outside the control of the district or campus, the performance indicators would not accurately reflect quality of learning and achievement for the district or campus.

(a-5) Notwithstanding any other law, an overall performance rating of "Not Rated" is not included in calculating consecutive school years of unacceptable performance ratings and is not considered a break in consecutive school years of unacceptable performance ratings for purposes of any provision of this code.

(b-1) Consideration of the effectiveness of district programs under Section 39.052(b)(2)(B) or (C):
(1) must:
   (A) be based on data collected through the Public Education Information Management System (PEIMS) for purposes of accountability under this chapter; and
   (B) include the results of assessments required under Section 39.023; and
(2) may be based on the results of a special [accreditation] investigation conducted under Section 39.003 [39.057].

SECTION 2.07. Subchapter C, Chapter 39, Education Code, is amended by adding Section 39.0543 to read as follows:

Sec. 39.0543. PERFORMANCE RATING REQUIRING INTERVENTION OR OTHER ACTION. (a) A reference in law to an acceptable performance rating or acceptable performance includes an overall or domain performance rating of A, B, or C or performance that is exemplary, recognized, or acceptable. A reference in law to an unacceptable performance rating or unacceptable performance includes an overall or domain performance rating of F. For the purposes of public reporting requirements, an overall or domain performance rating of D shall be referred to as performance that needs improvement.
(b) A reference in law to an acceptable performance rating or acceptable performance for a school district, open-enrollment charter school, district campus, or charter school campus includes an overall performance rating of D if, since previously receiving an overall performance rating of C or higher, the district, charter school, district campus, or charter school campus:

1. has not previously received more than one overall performance rating of D; or
2. has not received an overall performance rating of F.

(b-1) For the purposes of this section, an overall performance rating issued in a previous school year for a school district, open-enrollment charter school, district campus, or charter school campus of:

1. met standard, academically acceptable, recognized, exemplary, A, B, or C is considered to be a performance rating of C or higher; and
2. performance that needs improvement, academically unacceptable, or F is considered to be a rating of F.

(b-2) For purposes of determining whether a reference in law to an acceptable performance rating or acceptable performance includes an overall performance rating of D under Subsection (b), a performance rating of D assigned to a school district, open-enrollment charter school, district campus, or charter school campus prior to the 2018-2019 school year shall not be considered.

(b-3) Subsections (b-1) and (b-2) and this subsection expire September 1, 2027.

(c) A reference in law to an unacceptable performance rating or unacceptable performance includes a performance rating of D if the rating does not satisfy Subsection (b).

(d) For purposes of Subsection (b), a school district, open-enrollment charter school, district campus, or charter school campus that has never received an overall performance rating shall be considered to have previously received an overall performance rating of C or higher.

SECTION 2.08. Subchapter C, Chapter 39, Education Code, is amended by adding Sections 39.0545 and 39.0546 to read as follows:

Sec. 39.0545. ALTERNATIVE METHODS AND STANDARDS FOR EVALUATING PERFORMANCE FOR 2020-2021 SCHOOL YEAR. (a) This section applies to a campus:

1. that meets the participation requirements for all students in all subject areas for the annual measurement of achievement under Section 1111, Every Student Succeeds Act (20 U.S.C. Section 6311(c)(4)(E)); and
2. to which the most recent performance rating assigned, other than a "Not Rated" rating, is a D, F, or performance that needs improvement.

(b) Notwithstanding any other law, the commissioner shall adopt rules to develop and implement alternative methods and standards for evaluating the performance for the 2020-2021 school year of a campus to which this section applies. The rules adopted under this section must evaluate a campus under the domains of indicators of achievement listed in Sections 39.053(c)(1) and (2).
The commissioner shall review a campus to which this section applies under the alternative methods and standards adopted under Subsection (b) on the request of the school district in which the campus is located made by the deadline established by commissioner rule.

An acceptable performance rating assigned under the alternative methods and standards adopted by the commissioner under Subsection (b) is considered a break in consecutive school years of unacceptable performance ratings under this code.

If the commissioner determines that the campus would not be assigned an acceptable performance rating, the commissioner shall instead assign the campus a rating of "Not Rated."

This section does not apply to an intervention ordered on the basis of consecutive school years of unacceptable performance ratings accrued before the effective date of this section.

This section expires September 1, 2027.

Sec. 39.0546. COVID-19 RECOVERY ACCOUNTABILITY FOR 2021-2022 SCHOOL YEAR. (a) Notwithstanding any other law, the commissioner shall assign to a school district or campus a rating of "Not Rated" for the 2021-2022 school year, unless, after reviewing the district or campus under the methods and standards adopted under Section 39.054, the commissioner determines the district or campus should be assigned an overall performance rating of C or higher.

Regardless of the rating assigned under this section, if the commissioner would have otherwise assigned a campus an unacceptable performance rating, the campus is considered to be a campus assigned an unacceptable performance rating for purposes of determining a student’s eligibility for a public education grant under Section 29.202.

Notwithstanding any other law, the commissioner shall take an action described by Section 39A.111(1) or (2) if a campus:

1. is not assigned an overall performance rating of C or higher for the 2021-2022 school year; and

2. has been assigned an unacceptable performance rating for five or more school years prior to the 2021-2022 school year.

This section expires September 1, 2028.

SECTION 2.09. Sections 39.151(a), (b), and (e), Education Code, are amended to read as follows:

The commissioner by rule shall provide a process for a school district or open-enrollment charter school to challenge an agency decision made under this chapter relating to an academic or financial accountability rating that affects the district or school, including a determination of consecutive school years of unacceptable performance ratings.

The rules under Subsection (a) must provide for the commissioner to appoint a committee to make recommendations to the commissioner on a challenge made to an agency decision relating to an academic performance rating or determination, including a determination of consecutive school years of
unacceptable performance ratings, or financial accountability rating. The commissioner may not appoint an agency employee as a member of the committee.

(e) A school district or open-enrollment charter school may not challenge an agency decision relating to an academic or financial accountability rating under this chapter, including a decision relating to a determination of consecutive school years of unacceptable performance ratings, in another proceeding if the district or school has had an opportunity to challenge the decision under this section.

SECTION 2.10. Section 39A.003, Education Code, is amended by adding Subsection (d) to read as follows:

(d) A conservator or management team may exercise the powers and duties defined by the commissioner under Subsection (a) or described by Subsection (c) regardless of whether the conservator or management team was appointed to oversee the operations of a school district in its entirety or the operations of a certain campus within the district.

SECTION 2.11. Section 39A.004, Education Code, is amended to read as follows:

Sec. 39A.004. APPOINTMENT OF BOARD OF MANAGERS. The commissioner may appoint a board of managers to exercise the powers and duties of a school district's board of trustees if the district is subject to commissioner action under:

(1) Section 39A.001(1) [39A.001] and:
   (A) [+] has a current accreditation status of accredited-warned or accredited-probation;
   (B) [-] fails to satisfy any standard under Section 39.054(e); or
