The invocation was offered by the Very Reverend Daniel Liu, chaplain, as follows:

Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things . . . So faith, hope, love abide, these three; but the greatest of these is love (1 Corinthians 13:4-7, 13).

Lord, we ask for your help this day to let true charity guide us. May we deliberate, discuss, and debate with a sacrificial and self-giving attitude so that our service to our people may be genuine.

We also remember as a community fallen officer Jorge Pastore who is today honored for his sacrifice and mourned for his passing. We pray that his soul may rest peacefully in the mercy of God and that his family and friends be consoled

and receive the support they need in this time of sadness. We ask that you help advance the dialogue between law enforcement and the communities they serve so that our society be protected from violence and true peace promoted. Amen.

The chair recognized Representative Zwiener who addressed the house, speaking as follows:

On August 21, 2022, at the age of 15, Noah Adam Rodriguez lost his life to fentanyl poisoning. Born in Austin on October 9, 2006, to Janel, Noah was raised by his mother and adoptive father, Brandon. He grew up with the companionship of three siblings, Braden, Jolene, and Alnora, and he was overjoyed to welcome a baby brother, Mordecai, into the family just two weeks before his passing.

Noah was enrolled as a sophomore at Moe and Gene Johnson High School in Buda, where he distinguished himself as a member of the football team. He had played football since the age of four, and he had been part of the Cougars football team at Chapa Middle School in Kyle that went undefeated two years in a row. In addition to being a talented athlete, he was an honor roll student at his school.

Joining us this morning in the gallery at two o'clock are Noah's parents, Janel Rodriguez and Brandon Dunn. If y'all would like to rise, you may. Turning their grief into action, his family founded the Forever 15 Project in his memory. Through their nonprofit, they have made it their mission to raise awareness of the extreme dangers associated with opioids and to provide information and resources to youth and to those who know someone who is at risk. As they know, the opioid epidemic continues to inflict a heavy toll on our communities, but by channeling their grief into meaningful action, the loved ones of Noah Rodriguez are helping to prevent other families from suffering the tragic loss that they have experienced.

Members, please join me both in recognizing Janel and Brandon for their tireless work and in memory of their son, Noah.

HR 10 was unanimously adopted by a rising vote.

Amendment No. 3

Representative Swanson offered the following amendment to **HB 2**:

Amend **HB 2** (house committee report) on page 6, between lines 24 and 25, by inserting the following appropriately lettered subsection:

() A school district or open-enrollment charter school may use a grant awarded under Section 37.1087 to conduct a psychological or psychiatric examination or test of or provide psychological or psychiatric treatment to a student only if, before conducting the examination or test or providing the treatment, the district or school obtains written consent for the examination, test, or treatment from the student's parent. For purposes of this subsection:

(1) "Psychological or psychiatric examination or test" means a method designed to elicit information regarding an attitude, habit, trait, opinion, belief, feeling, or mental disorder or a condition thought to lead to a mental disorder, regardless of the manner in which the method is presented or characterized, including a method that is presented or characterized as a survey, check-in, or screening or is embedded in an academic lesson.

(2) "Psychological or psychiatric treatment" means the planned, systematic use of a method or technique that is designed to affect behavioral, emotional, or attitudinal characteristics of an individual or group.

Amendment No. 3 - Point of Order

Representative Zwiener raised a point of order against further consideration of Amendment No. 3 under Rule 11, Section 2, of the House Rules. The speaker overruled the point of order, announcing his decision to the house as follows:

Representative Zwiener raises a point of order against further consideration of the Swanson Amendment under Rule 11, Section 2, on the grounds that the amendment is not germane to the bill.

The bill creates a new school safety grant program and specifies the permissible uses of the grant by transferring current law criteria that governs the use of the school safety allotment repealed by the bill. The Swanson Amendment would require parental consent before grant funds could be used to administer certain mental health diagnostic instruments.

The use of existing law criteria for a statutory successor does not alter the fact that the criteria are essentially re-enacted for a different program and thus the criteria are open to amendment under these circumstances. Because the bill establishes a new grant program, the Swanson Amendment is a validly phrased exception to the requirements of the bill. See 88 H. Jour. 2872 (2023) (example where an amendment was not a validly phrased limitation).

Accordingly, the point of order is respectfully overruled.

Amendment No. 3 was withdrawn.

Amendment No. 4

Representative Ramos offered the following amendment to **HB 2**:

Amend **HB 2** (house committee report) as follows:

(1) On page 4, line 21, between "(2)" and "providing", insert "subject to Subsection (a-1),".

(2) On page 5, line 14, strike "chaplains" and substitute "nonphysician mental health professionals, as defined by Section 38.0101 [chaplains]".

(3) On page 6, between lines 2 and 3, insert the following:

(a-1) A school district or open-enrollment charter school may use a grant awarded under Section 37.1087 for a purpose described by Subsection (a)(2) only if the district or school has employed or contracted with mental health personnel for each district or school campus.

Amendment No. 2

Representatives Raney, Darby, Allison, Dean, and Shine offered the following amendment to Amendment No. 1:

Amend Amendment No. 1 by Buckley by striking the text of the amendment and substituting the following:

Amend **HB 1** (house committee report) by striking ARTICLE 6 of the bill (page 90, line 17, through page 123, line 10) and renumbering subsequent ARTICLES and SECTIONS of the bill accordingly.

Amendment No. 2 - Point of Order

Representative Tinderholt raised a point of order against further consideration of Amendment No. 2 under Rule 11, Section 2, and Rule 11, Section 3, of the House Rules. The speaker overruled the point of order, announcing his decision to the house as follows:

Representative Tinderholt raises a point of order against further consideration of the Raney Amendment under Rule 11, Section 2, on the grounds that the amendment is not germane to the bill, and under Rule 11, Section 3, on the grounds that the amendment changes the original purpose of the bill.

The Buckley Amendment amends Article 6 of the bill in major particulars, with 34 separate changes to the article. The Raney Amendment would instead strike Article 6 from the bill.

The test of germaneness of an amendment to a pending amendment is its relationship to the pending amendment and not the bill to which that pending amendment is offered. 56 Tex. Legis. Man. 324 (1959); Deschler ch. 28 § 2.24. Here, the subject of both amendments is the text of Article 6.

The test for determining whether an amendment changes a bill's original purpose is whether the amendment would accomplish a result that is exactly opposite of that of the bill. *E.g.*, 87 H. Jour. 2322 (2021) Here, there are nine articles in the bill covering a range of matters related to primary and secondary education and striking Article 6, if ultimately adopted by the House, would not accomplish an exactly opposite result because major portions of the bill remain in place.

Accordingly, the point of order is respectfully overruled.

Amendment No. 2 - Point of Order

Representative Tinderholt raised a point of order against further consideration of Amendment No. 2 under Article III, Section 40, of the Texas Constitution on the grounds that the subject matter of the bill is not included in the governor's proclamation. The point of order was withdrawn.

Pursuant to Rule 5, Section 28, of the House Rules, Representative C.E. Harris requested an extension of speaking time on Amendment No. 2.

A record vote was requested.
